Lincoln formed a massive and indestructible diamond barrier infused with absorption energy that protected all of us from a suddenly flurry of claw attacks.

Lincoln: (Catches the scent of blood) I knew there was no mistaking the scent of blood, you better get out here, Demon Cage, or we're forcing you out.

A figure came out, and it was none other than Cage Blunt's Demon Blood Influenced self as he remembers himself from 1985: he had dark brown hair, black sclera, blood red iris, and he was dressed in a red shirt, black jacket, blue jeans, black fingerless gloves, and black knee-high boots.

Cage Blunt: So, you've shown up at last.

Demon Blood Influenced Cage Blunt: You can't get rid of me that easily, I'm part of you.

Cage Blunt: Yes, you're part of me, but you're part of the demons that haunted me since 1985, but this is where it ends here and now.

Suddenly, Cage Blunt was surrounded by a very massive vortex of black and blood red energy with stars, darkness, dark magic, black magic, Satanic Magic, and shadows surrounding the vortex, there are vampire bats, phoenixes, and angels surrounding the vortex, and in the vortex is a blood red phoenix with blood red eyes with blue ring glaring at his Demon Blood Influenced self: the blood red eyes of eternal death and eternal judgement and the blue ring of understanding.

Then, as the vortex faded, Cage Blunt emerged, but he was changed forever.

James Blunt: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel Hope) Now, then, let's take care of this bastard, Cage.

Cage Blunt: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel Hope) Let's do it.

Cage Blunt and James Blunt went after Demon Blood Influenced Cage Blunt, and they fired extremely powerful blasts of black and red energy, stars, darkness, dark magic, black magic, Satanic Magic, blood, shadows, vampire bats, phoenixes, and angels at Demon Blood Influenced Cage Blunt, and they exploded with incredible power as they hit him. Then, they attacked him with their massive greatswords leaving painful scars on him, and they even scratched him with their gold-plated dragon claws and they smashed him all over the place with their superhuman strength, and it was making Demon Blood Influenced Cage Blunt even more enraged.

Demon Blood Influenced Cage Blunt: H-how?! How is this even possible?!

Caleb Maxwell: It's because Cage is no longer tied down by what happened in the past. I saw it for myself, the night he and Travis pushed me out of the way and got riddled with bullets from Drake in his insanity. But, it was also because of you: the demon of Cage's past, that I found out about the past of my mom and her family from 40 years ago, and that we were connected to the world of the vampires. (Looks down to the floor) Yet, I've also hadn't forgotten about the nightmares I'd gotten: getting chased every night by you and a Demon Blood Influenced Travis Tackett, praying every night for the nightmares to end, losing sleep every night by waking up to a moment of getting attacked, getting Demon Blood in my system, and finally, to that very night when I'd gotten bitten! I've suffered so many nightmares due to it, and it hurt me to my very core!

Cage Blunt: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True

Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel Hope) Caleb...

Suddenly, Cage Blunt walked to Caleb Maxwell, and he knelt down and hugged him as Caleb broke down and cried bloody tears onto Cage's shirt, and we also saw it as well.

Cage Blunt: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel Hope) I know that what I did will haunt me forever, I did a lot of things I'm not proud of. But, I promised myself this: I won't let the demons of the past hold me back, and I'll continue to move forward.

Demon Blood Influenced Cage Blunt saw it and smiled.

Demon Blood Influenced Cage Blunt: You made the right step in the direction you chose.

Suddenly, Demon Blood Influenced Cage Blunt faded away, but not before giving Cage Blunt a gift: his powers and abilities added to his own. Cage Blunt felt it for himself as he let go of Caleb Maxwell for a bit.

Cage Blunt: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel Hope) Rest in peace.

James Blunt and Cage Blunt holstered their massive greatswords on their backs and powered down and Cage Blunt's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large fifteen black and blood red planets orbiting around his legs and fifteen black and red smaller planets orbiting around his waist, smaller planets orbiting around his fingers like rings, medium sized black and blood red planets orbiting around his wrists and ankles, Third Eye, longer brown tail, and massive brown angel wings and four sets of larger brown angel wings underneath his massive brown angel wings are permanent and James Blunt's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large fifteen black and red planets orbiting around his legs and fifteen black and red smaller planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized black and blood red planets orbiting around his wrists, longer dark brown tail, and his massive dark brown angel wings and four other sets of massive dark brown angel wings underneath his massive dark brown angel wings are permanent.

Me: That was a surprise, the battle didn't end with your Demon Blood Influenced self getting killed by you and your dad.

Cage Blunt: No, it was because of Caleb breaking down and me comforting him that did the job.

James Blunt: And I saw the pain in Caleb's eyes, it was real and so were his tears, he'd never broken down like that before.

Caleb Maxwell: Other than breaking down in tearful anger after what I did to the senior members of The Syndicate, this was the first time I broke down like that.

Nico: It's alright to break down like that and cry, Caleb.

Me: That's right.

Lincoln: It's normal to break down like that and cry, but having a shoulder to cry on, that's even more important.

Eli: That's right.

Me: You said it. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Lincoln: Ooh, I've got a good one: Adriana Westbrook, Gene-Slammer and Avatar of Marincess Aqua Argonaut.

Selene Arcangela: No way, one of the Gene-Slammers and Avatars of the Marincess Duel Monsters, that's awesome, and you guys are going to love meeting her, Adriana Westbrook is Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Aqua Argonaut. She's the leader of a powerful organization called The Marincess Water Princesses, an organization formed by her and her sisters, the other Gene-Slammers and Avatars of the Marincess Duel Monsters, and their main goals are these: protect Lincoln from his enemies, protect the marine life all across the world's oceans, and to also help us. Lincoln met Adriana Westbrook when she and her sisters came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Adriana kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Adriana hates Lori with a blazing passion, because that misandrist toxic bitch polluted Lake Huron by dumping a dumptruck full of garbage into the lake, and she was laughing cruelly like the toxic bitch she was, and enraged because of her behavior, Lincoln and Adriana blasted her with water and they even electrocuted her, and Lori got so mad, she called Adriana a fish-faced bitch and Lori said that she hopes that Adriana dies in a pool of her own blood and she'll dance on her remains. The audacity and utter malice of her threat made Lincoln see red, and he punched Lori so hard in the face, he sent her flying back to the house, and when everyone heard Lori's threat along with seeing what she did, Lori got grounded for five months, and Luna, Laney, Leni, Lucy, Lana, and Lily dragged Lori to her room and threw her inside a cage like the dumb gorilla that she is, and they turned to leave, but not before Luna gave her the finger, and that sent Lori into a total psychotic tailspin of rage as she banged on the bars of the cage and screeched like a wild monkey!

EVERYONE WHO HADN'T HEARD IT BEFORE GASPED IN SHOCK AND HORROR! THEN, THEY GLARED AT LORI WITH ANGER!

Nico: Lori Loud, of all the insidious, rotten, malicious things you've ever done to your own brother and his Guardian Angels, this is by far the fucking lowest!

Luna: Yep, you heard right, dude.

Laney: We really despised Lori for what she did dumping a dumptruck full of garbage into the lake, and she was laughing cruelly like the misandrist toxic bitch she was.

Leni: But, what she did in calling Adriana a fish-faced bitch and hoping that Adriana dies in a pool of her own blood and that she'll dance on her remains, the audacity and utter malice of her threat made Lincoln see red, and he punched Lori so hard in the face and sent her flying back to the house.

Lana: And when she was back inside, we tore her apart verbally, and for some of us, we also resorted to violence.

Me: I still remembered that day.

Varie: Me too, and I helped Lincoln, Adriana, and her sisters in cleaning up Lake Huron, and then, we went home and chewed her out.

Travis Tackett: And isn't tomorrow the big day mission for Varie and her team? That means we need to keep the rest of the Demon Blood Influenced versions of us from coming after us.

Lincoln: Leave it to me, Travis.

Lincoln chanted an incantation and through a viewing window Lincoln made, he made a barrier that trapped the rest of the Demon Blood Influenced versions of Cage Blunt's friends.

Travis Tackett: Nice!

Varie: Now, we're ready for tomorrow.

Cage Blunt: Of course, on the day after tomorrow, they're gonna be pissed.

Suddenly, Peace Salyers went up to Cage Blunt, and right in front of us, she and Cage Blunt shared a deep kiss as she wrapped her arms around his waist, and he wrapped his arms around her. When she separated, Cage Blunt had steam whistling out of his ears.

Cage Blunt: (In Heaven) Oh..., man..., I'm...in Heaven! (Faints)

FWOMP!

We laughed!

Leela Salyers: (Snickers) Well, at least she and Cage are now officially a thing.

Travis Tackett: He won't be the only one the day after tomorrow.

We then headed home, and we got ready for bed and for the mission tomorrow for Varie and her team's big day. But, Caleb Maxwell, along with Allie Maxwell, Marlene Maxwell and her relatives, Cage Blunt, James Blunt, Travis Tackett, Captain Don Whitten, Carter Kenrick, Roxy Drake, Jack Howard, Jazz Jackson, Cuffs Lane, Casey Antonio, Buffy Blain, Vessie Harris, Abby Smith, Leela Salyers, and Cronus Chase were looking out.

Allie Maxwell: Tomorrow is the day we face Claw Dane Drake, and by tomorrow, the entire Big Claw Gang will be in The Masters of Evil, yet, why do I feel so uneasy?

Caleb Maxwell: Do you not feel it, Allie, the sense of unease?

Allie Maxwell: And the presence of something dark, it's not Drake, is it?

Marlene Maxwell: It can't be.

Caleb Maxwell: It is, Mom, there's no doubt he's going to escape from Hell, and once he does, the rest of Dad's relatives are also going to come after us. But, we already have enough money from the curse Lincoln put them under, and also, from working under the strict hand of Uncle Christiano's men. Come tomorrow, I'm going to ask Lincoln to take the curse off them, they're also going to join Drake in The Black Abyss.

Cage Blunt: We'll finally get the chance to put him down forever.

Jack Howard: After everything they've done, they deserve it.

Roxy Drake: That'll come to an end first thing tomorrow.

Count Spankulot: Mr. Electric was very bad!

David Cain: And now he's dead.

Lythos: Permanently.

Manta Bayarsh: Now, how do we restore the power?

White Lightning: I could charge it up

The lights came back on and the city's power was restored!

Me: Oh perfect!

Qin: Cool!

Nico: How come our tree was the only thing on?

Me: We were running on an auxiliary generator.

Nico: Oh right I forgot about the backup generator.

White Lightning: The power must've restored itself automatically.

Me: Yeah.

Qin: Yep.

Shark Boy: I'm glad Mr. Electric is gone.

Lava Girl: Same here.

Qin: Yeah.

Nico: But great job today everyone! This had to be the most ELECTRIFYING AND SHOCKING adventure ever!

Lola: No kidding!

Rainbow Dash: But it was awesome! (To the viewers) This was awesome and electrifying!

Me: (LAUGHS) Love the lightning puns.

Nico: Yeah!

We went back home and enjoyed the rest of the day and went to sleep.

Meanwhile in Japan, the Mebius team was getting ready for our arrival.

Hibino: This will be so fun. Team Loud Phoenix Storm is gonna be a big help for us. Lets get it on!

HE TURNED INTO ULTRAMAN MEBIUS!

Then he flew at the screen and it froze.

TO BE CONTINUED...

Another awesome fanfic done.

Mr. Electric is gone forever.

Lincoln met Adriana Westbrook when she and her sisters came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Adriana kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Adriana hates Lori with a blazing passion, because that misandrist toxic bitch polluted Lake Huron by dumping a dumptruck full of garbage into the lake, and she was laughing cruelly like the toxic bitch she was, and enraged because of her behavior, Lincoln and Adriana blasted her with water and they even electrocuted her, and Lori got so mad, she called Adriana a fish-faced bitch and Lori said that she hopes that Adriana dies in a pool of her own blood and she'll dance on her remains. This chapter is for Ultraman Mebius

Hunter woke up to see Mega Flygon staring right at him.

Mega Flygon: Guten Tag Hunter.

Hunter: (German Accent) Oh Guten Morgen Mega Flygon.

Mega Flygon: Time for breakfast.

Hunter: Oh be right there.

He went and got dressed and went to the table and I gave him German Sausages and Pancakes.

Hunter: Danke J.D.

Me: Bitte Hunter. This will be good.

We had a good breakfast.

Me: The Okavango Delta. Home to one of the most treacherous swamps ever.

Camie: Yep.

Lola: This place is really dangerous.

Qin: It sure is.

Me: It's also the place where me and Zarya met the girls from Dead Or Alive.

Camie: Really?

Pinkie Pie: Yeah I remember that!

Zarya: It's true.

Nico: Yep. Plant Man, I want to thank you, Infinity Mijinion, and your teams for coming

Plant Man: No problem Nico. This will be fun and cool.

Me: Yep.

Spike Rosered: I'm looking forward to this.

Nico: Spike Rosered, what do you like to do in your free time?

Spike Rosered: I like to plant rose gardens for the park and at the botanical gardens.

Qin: That is fragrant.

Camie: Yeah no kidding.

Lola: That is awesome!

Spike Rosered: Yeah I love having a green thumb.

Nico: That's a good hobby.

Spike Rosered: Yeah and it's fun. I love to garden.

Plant Man: Just like me. That is cool.

Me: What do you like to do Plant Man?

Plant Man: I like doing the same thing. I plant flowers and do the same thing Spike Rosered does.

Nico: That is cool!

Qin: It sure is!

Nico: I bet Poison Ivy loves what you two do

Plant Man: She does and we get that compliment all the time.

Camie: Cool!

Me: That is awesome.

Varie: I agree.

Me: Yep. Wow! Yesterday was REALLY Electrifying!

Nico: You said it!

Me: Serious voltage and shocks.

Lincoln: Perfect for me because of lightning.

Qin: That is for sure.

Lola: SHOCKING!

Nico: And we restored all the power.

Me: Yeah we sure did. Good thing we had our auxillary generator powered up.

Camie: Thank goodness.

Varie: Yeah.

Nico: And we blew Mr. Electric up

Qin: We sure did.

Lincoln: Yeah no kidding!

Me: That was REALLY Electrifying.

Varie: It sure was.

Qin: Yeah. Nicole what's our Quarry?

Nicole: You guys are going to be in for a treat. We're going to try and find the Book of Numa. It's the Book of the Hidden Swamp Village.

Me: I've never encountered that village in 150,000 years. But it's probably located somewhere in the Land of Swamps where we met Shion and killed Moryo and Yomi and his followers the first time.

Nicole: That's right dad.

Qin: And it's fitting too because we're in the Okavango Swamp in Botswana.

Xenia: Yeah.

Camie: Yep.

Nicole: And According to the map we should be there. It says to look for a landmark that looks like the symbol of Swamp.

Nico: Okay. Lets get a move on.

We continued and we saw a rock in the shape of the kanji for Swamp. 沼

Me: That must be it.

Nicole: Lets see.

Nicole looked and felt a button and then pressed it and then there was a rumble and then out of a huge mud pool arose a massive and huge temple! WE GASPED!

Nico: WHOA!

Nicole: At last! The Temple of Numa!

Qin: WHOA! This was probably the most well hidden temple ever.

Nicole: It's one of them.

Nico: Lets be careful.

May: I agree. I don't like this swamp though.

Me: The Okavango Swamp is more treacherous than Dagobah though.

Nico: Yep.

We went into the temple and it was dripping with mud and covered in swamp plants and smelled awful!

Me: WHEW! Smells worse than Ed's feet in here.

Nico: Well Swamps stink what did you expect.

Me: True.

Jen Tennyson: You think this smells bad, wait till you smell what it's like on Methanos. That smells worse.

Eddy: Swampfire's planet, right?

Jen Tennyson: Yep.

Eddy: I had a feeling.

We walked down a hall and made our way to a door.

Nico: The treasure must be near

Nicole: Okay according to the map we got to find this symbol on this wall.

We saw a symbol that looked like a swamp tree.

Me: A swamp tree. Lets see.

We looked and saw a tree covered by mud.

I wiped it off.

Me: Here it is.

I pressed it and then the door opened.

Then in a room we saw an altar and we found THE BOOK OF NUMA! It was a green book with the symbol of Swamp on it.

Nico: There it is!

Nicole: At last we found it! The Book of Numa! Legends say that this book holds all the most powerful techniques of the Land of Swamps and the Hidden Swamp Village.

Fu: Wow that is amazing!

Me: And I know just the perfect candidate for this. I'll have Shion come.

I called in Shion.

Shion appeared.

Shion: I'm here guys. So you want me to have the book?

Me: Yeah. It's fitting for you Shion since you are the High Priestess of the Land of Swamps.

Shion: That is true.

Nico: Go for it.

Shion went over to it and she gulped and picked up the book and read it and she saw the techniques in it and they were amazing. Then she was enveloped in a vortex of swamp life and leaves and then grew wings of leaves and they were dripping with muck. When it faded she was forever changed.

Shion: WOW! That was amazing!

Me: How do you feel Shion?

Shion: I feel amazing guys. This is amazing.

Me: It sure is. You earned it Shion.

Then...

LOUD CRY!

Me: WHOA! I think I know that cry anywhere!

We went outside and we saw MOLTRES!

Me: WHOA! Moltres!

Nico: What's that doing here?!

Lola: I think it's one of the victims of Dark Gale!

Eli: (GASP) I know this one! Maria Phoenix!

Nico: You know her?

Eli: It's a long story! I'll tell you shortly!

Me: The Force must've told him!

Eli: Yep!

He flew up to her!

Eli: Maria can you hear me!?

She screeched and fired a massive blast of fire at him! He dodged the blast!

Nico: Her mind was erased!

Me: We got to calm her down!

I fired an ice blast and it hit her and steam came off her!

Eli fired a blast of ice and froze her and cooled her down.

Me: Yeah!

I snapped my fingers and she reverted back and was a girl with red and orange hair, red eyes and had Moltres in the middle of her forehead and she had Moltres Wings and tail. Eli grabbed her and put a blanket around her and he flew and brought her over.

Me: Nice job bro.

Maria Phoenix woke up.

Maria saw Eli.

Maria Phoenix: (Groans) Eli? Is that you?

Eli: Yeah Maria it's me.

Maria Phoenix: What is this place?

Me: You're in the Okavango Swamp in Botswana. You were turned into Moltres.

Sonya: Yeah Dark Gale did this to you like they did with me and our team.

Maria Phoenix: (GASP) I remember!

Maria had a red jumpsuit on and she was injected and her temperature rose and melted the table and then she burned out of her suit and turned into Moltres and flew out of there.

FLASHBACK ENDS

Maria Phoenix: That was awful! But Moltres is my favorite Pokemon and the Pokemon I dreamed of taming.

Me: Now you are the legendary Firebird Pokemon.

Nico: Yep and we have all the Kanto Region Legendary Pokemon down.

Me: Yep.

Nico: You think we'll meet the Galarian versions?

Me: It's very likely. Galar also has their own versions of the Three Legendary Birds.

Xenia: Yeah it's true.

Me: Yep.

Eli: I agree.

Maria Phoenix: It's true. But thanks for helping me.

Me: You're welcome Maria. We still have 96 of you left.

Camie: Yep.

Nico: You sure do.

Maria Phoenix: Yep.

Me: How did you meet Eli by the way?

Maria Phoenix: I met Eli when he was fighting in the world of Pirates of The Caribbean. He was fighting Davy Jones. This was before he came here though.

Me: And we found out a horrible truth from Davy. He killed Ariel's mother Athena.

Maria gasped!

Maria Phoenix: I KNEW IT! I knew it! I knew that Davy Jones was responsible for it!

Nico: Oh, if you want to confront him about it, here's his head. (tosses her Davy Jones' head)

Maria Phoenix caught it and screamed!

Me: Yep we killed him.

Xenia: And banished him to the Black Abyss.

Camie: It's true.

Maria Phoenix: Eli killed him?

Me: Yep. And he and Ariel and her sisters and Melody, they avenged Athena.

Nico: That was several days ago

Qin: It's true.

Maria Phoenix: I'm glad that part 1 of that vow is done. Now part 2 is to destroy Sephiroth.

Me: With how the Black Gates were breached because of Anti-Monitor, it's very likely we'll face him later on.

Camie: Yeah.

Nico: But you never know.

Qin: Yeah.

Me: Now to find out which baddie we'll face next.

Lincoln: Okay, gang, we're in for one really dangerous battle: we're here in this swamp for an awesome treasure hunt which we just completed, but here's the dangerous part, May, are you familiar with someone by the name of Laura Fletcher?

May: (GASPS) (GROWLS LIKE A SAVAGE WOLF) WHAT THE HELL?! LAURA FLETCHER'S HERE?! THAT MISERABLE LITTLE GOOD-FOR-NOTHING SCUM-SUCKING VILE DEPRAVED LITTLE BITCH! I'M GONNA TEAR HER THROAT OUT OF HER MOUTH AND SHOVE HER EYEBALLS DOWN HER WINDPIPE!

Nico: (SCREAMS)

NICO SCREAMED IN FRIGHT AND JUMPED INTO MY ARMS!

Me: OOF! You're giving me a hernia Nico!

Nico: May scares me like this!

Me: Uh Nico can you get out of my arms? You're really heavy.

Nico: Oh. Sorry.

Nico got off of me.

Qin: I hadn't seen that in a long while.

Maria: Same here, but you know her, May?

May: Unfortunately, I do. Before I became a Pokemon Trainer, Laura Fletcher was the worst person I've ever had the pleasure of knowing, she's a girl with a REALLY NASTY disposition and she hated me with a vengeance with no apparent reason. She made my life misery by beating me up and trying to kill me, but when I became a Pokemon

Trainer, that made her even more angrier, and she tried to kill me again, but Manaphy blasted her and sent her crashing into a tree. I then called the cops, and because of her repeated offenses of assault and bodily injury in the past, they showed her no mercy and she was thrown in prison.

Me: Man she is a really nasty girl!

Eli: And now, she's out of prison and out for revenge.

Nico: She's not laying one hair on my wife's head, I'll tear her apart for this!

Lincoln: I've got a better idea, how about we disfigure her and I turn into my symbiote form, Omega, and bite her hand off.

Me: (LAUGHS) Nice!

Nico: I like the way you think Lincoln.

Suddenly, Lincoln had a premonition, and it's not good: it appears Morgana Midnight Sparkle and her minions have brought back The Extraterrestrial Order of The Planets of Holy Ghidorah along with Ultimate King Ghidorah, and sent them after us!

Lincoln: ARE YOU KIDDING ME?! MORGANA, YOU LITTLE...!

Me: What's wrong, Lincoln? Who did Morgana and her minions bring back?!

Lincoln: You're not going to like it one bit, J.D.: Morgana Midnight Sparkle and her minions have brought back The Extraterrestrial Order of The Planets of Holy Ghidorah along with Ultimate King Ghidorah, and sent them after us!

WE GASPED!

Me: WHAT THE FUCK?!

Nico: SAY WHAT?!

Nico's mouth went wide open and his skeleton came out.

Qin: I don't believe it! Now, that bitch and her demonic minions bring back those monsters?!

Nico put his skeleton back.

Nico: I hate when that happens. I can't believe it, of all the nerve! Lincoln, I hope you absorb all of them and send them all to The Black Abyss!

Lincoln: Believe me, I'm going to do just that!

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could.

Lori: And I can't believe Morgana and her minions did that: bringing back The Extraterrestrial Order of The Planets of Holy Ghidorah along with Ultimate King Ghidorah! She literally is the worst!

Lincoln: She's going to die for this big time, Lori, she and her minions have committed too many blasphemies to last an eternity.

Me: Darn tootin!

Qin: YEAH!

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel

wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more larger in muscle thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them until we finally kill them. (Sensed for Laura Fletcher) AHA! Gotcha! I just spotted Laura Fletcher, she's 40 yards away, but she's heading straight for May right this second to kill her! (Sensed The Extraterrestrial Order of The Planets of Holy Ghidorah and Ultimate King Ghidorah) And I just spotted Morgana's puppets.

Nico: Let's get that bitch, and Lincoln, you take care of those fucking bastards.

Lincoln: Got it.

Nora heard a Pokemon cry.

Nora: Hey look!

She saw an Alolan Raichu!

Me: An Alolan Raichu. Cool!

Ash: Like the one Nina has.

Pikachu: Pika.

Me: And the poor thing is hungry.

Nora: We got lots of good food.

We gave it apples and Nora gave it pancakes.

Alola Raichu: Oh boy!

She got to eating.

She finished them.

Alola Raichu: Ahh that was great!

Nora: Wanna come with me?

Alola Raichu: Sure!

Me: Awesome!

Nora: Yeah!

We then took off into the air and we set our sights on destroying Laura Fletcher, and Lincoln is going to take down and absorb The Extraterrestrial Order of The Planets of Holy Ghidorah and Ultimate King Ghidorah and send them all to The Black Abyss.

We were flying in the air, and we spotted our target: Laura Fletcher, and boy was she really out for May's blood.

Lincoln: There you are, time to burn her.

Lincoln fired orbs of colored fire with wolves orbiting around the cores from his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings at Laura Fletcher, and she got burned badly, and that angered her badly as we landed and when she saw May, she was livid.

Laura Fletcher: YOU BITCH! DIE!

Laura Fletcher ran at her with a knife in her right hand, but Nico grabbed her wrist and he broke it as her wrist snapped, and then, he kicked her hard in the stomach and sent her flying into a tree, she got back out and she was absolutely pissed off.

Nico: Get away from her, you bitch!

Me: Heh, you used Ripley's classic line when she faced the Xenomorph Queen.

Lincoln: Definitely appropriate.

Lola: Yep.

She saw May and Manaphy

Lincoln: Time to finish this! And Ultimate King Ghidorah, you and The Extraterrestrial Order of The Planets of Holy Ghidorah better get out here right now, there's nowhere to hide.

We saw our secondary targets: Ultimate King Ghidorah, along with Entrada, Venthera, Elenthra, Talinian, Fulexia, Rudella, Gundinna, Lorexxa, Binniia, Fexxtia, Keckyua, Qinkphes, Gettroa, Reddvexa, Yunoma, Maygina, Pennhua, Hilliya, Jesstia, Xeqfees, Zectua, Livvura, Gintrrea, Hinnphes, Juurea, Loollea, Ccaarea, Qiienna, Volccaaea, Loppera, Vexxtrea, Buenttrada, Jaxuana, Alessnna, Wenphes, Kuareess, Nirrea, Oorrea, Balass, Trreasx, Feeyuuas, Xrealoo, Zeejua, Iveexas, Uinreas, Potennas, Aaaawesas, Leeweestra, Porrash, Feshtrea, and Dark Metphees of The Extraterrestrial Order of The Planets of Holy Ghidorah, and like Lincoln said, they all bore the demonic Alicorn on their foreheads: proof of Morgana Midnight Sparkle and her minions bringing them back from the dead.

Selene Arcangela: So, it's true, Morgana and her minions all brought you back from the dead! She really is that insane!

Dark Metphees: Now, we will finally destroy you all and Holy Ghidorah will finally destroy this planet! All will be destroyed in Holy Ghidorah's name!

Then, Entrada, Venthera, Elenthra, Talinian, Fulexia, Rudella, Gundinna, Lorexxa, Binniia, Fexxtia, Keckyua, Qinkphes, Gettroa, Reddvexa, Yunoma, Maygina, Pennhua, Hilliya, Jesstia, Xeqfees, Zectua, Livvura, Gintrrea, Hinnphes, Juurea, Loollea, Ccaarea, Qiienna, Volccaaea, Loppera, Vexxtrea, Buenttrada, Jaxuana, Alessnna, Wenphes, Kuareess, Nirrea, Oorrea, Balass, Trreasx, Feeyuuas, Xrealoo, Zeejua, Iveexas, Uinreas, Potennas, Aaaawesas, Leeweestra, Porrash, Feshtrea, and Dark Metphees transformed as King Ghidorah's massive wings sprouted out of their backs, their skins were covered in gold scales, and they'd grown King Ghidorah's tails.

Suddenly, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them one by one into the chests of Entrada, Venthera, Elenthra, Talinian, Fulexia, Rudella, Gundinna, Lorexxa, Binniia, Fexxtia, Keckyua, Qinkphes, Gettroa, Reddvexa, Yunoma, Maygina, Pennhua, Hilliya, Jesstia, Xeqfees, Zectua, Livvura, Gintrrea, Hinnphes, Juurea, Loollea, Ccaarea, Qiienna, Volccaaea, Loppera, Vexxtrea, Buenttrada, Jaxuana, Alessnna, Wenphes, Kuareess, Nirrea, Oorrea, Balass, Trreasx, Feeyuuas, Xrealoo, Zeejua, Iveexas, Uinreas, Potennas, Aaaawesas, Leeweestra, Porrash, Feshtrea, and Dark Metphees, and then, Lincoln began absorbing them into his body as he and all of us assimilated their powers and abilities, as his rainbow energy aura and immense rainbow protective aura flared up extremely and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

When Lincoln was done, nothing's left of them except for their shredded clothes, and he banished them to The Black Abyss. Then, Lincoln fired a Super Gravity Blast at Ultimate King Ghidorah, and it forced him down onto the ground, and then, Lincoln stabs his Cell stingers into Ultimate King Ghidorah and he began absorbing him into his body as he and all of us assimilated Ultimate King Ghidorah's Expandability, Gravitokinesis, Gravity Immunity, Self-Tangibility Alteration, Dichotomous Intangibility, Black Hole Creation, Wormhole Creation, Crushing, Planetary Destruction, Endless Growth, Umbrakinesis, Shadow Consumption, Death Inducement, Animated Shadows, Energy Absorption, Life-Force Absorption, Heat Absorption, Electrokinesis, Technokinesis, Atmokinesis, and Technological Invisibility as his rainbow energy aura and immense rainbow protective aura flared up extremely and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

When Lincoln was done, nothing's left of the beast, and he banished it to The Black Abyss.

Lincoln: And that is that. (Feels something) Oh man, I feel like something's about to happen.

Suddenly, Lincoln's rainbow energy aura and immense rainbow protective aura flared up extremely even more, then, he let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his entire body was covered in thick brown fur and his massive pecs and ten-pack abs were covered in tan fur, his deep sapphire blue eyes and rainbow iris of his Third Eye remain the same, but the pupils turned into slits, his fangs grew longer and his rows of straight teeth turned into wolf's teeth, and his nose turned to a wolf's nose and he grew a wolf snout and sturdy tan-colored muzzle, his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings remained the same, his eleven massive and long white wolf tails, and large white wolf ears turned brown, his long wild white hair turned brown and became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned dark blue, and he let out a loud howl as he suddenly turned into Lincoln The Nocturnal!

Caleb Maxwell: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Eternal Demonic Shadow Darkness Dark Death Harbinger Demon Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Eternal Demonic Shadow Darkness Dark Death Harbinger Demon Phoenix God Angel Hope) I'm going to enjoy putting you down once and for all!

Cage Blunt: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel Hope) After what we heard from May about you, if you crossed me, I'd have drained you dry and left you for dead, I also smelled that you got blood on your hands.

Travis Tackett: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel Hope) That ultimately makes you a murderer, and to vampires, murderers are considered easy targets to execute.

James Blunt: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel Hope) We'll get that answer from May after we tie her up, and right before Lincoln tears her apart.

Lincoln, Eleanor Suzaku Haruno, Caleb Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I went after Laura Fletcher, and we fired extremely powerful blasts of rainbow energy, orange energy, black and blood red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Laura Fletcher and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving scars on him and Caleb Maxwell, Cage Blunt, James Blunt, and Travis Tackett shot her multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cage Blunt, Travis Tackett, James Blunt and Caleb Maxwell did the same by firing black and blood red energy slashes from their gold plated claws, and Lincoln, Eleanor Suzaku Haruno, Caleb Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and it was making Laura Fletcher even angrier than ever.

Then, May attacked her viciously, and she even tore parts of her hair off by ripping it off her head and it got really ugly as May pummeled her hard, and a massive fight cloud formed around them!

POW! BANG! THWACK! BAM! HORSE WHINNY! PIG SQUEALS! ELEPHANT TRUMPET! SEAL BARKS! LION ROAR!

BLARGA FLARGA!

Maria: PUNISH HER!

Allie Maxwell: What the Hell? A catfight?! (GROWLS)

Allie Maxwell stomped towards the fight cloud and she jumped in and separated May from Laura Fletcher, and then, Allie Maxwell punched Laura Fletcher hard in the face and sent her crashing into a tree and she was tied up by Lincoln.

Caleb Maxwell: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Eternal Demonic Shadow Darkness Dark Death Harbinger Demon Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Eternal Demonic Shadow Darkness Dark Death Harbinger Demon Phoenix God Angel Hope) I knew it, when a catfight breaks out, Allie gets in between, separates the two fighting girls, and punches the mega aggressive girl hard in the face and sends her crashing into a wall. She hates catfights!

Everyone cheered as we holstered our weapons and powered down and Eleanor Suzaku Haruno's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large orange planets orbiting around her legs, fifteen smaller orange planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized orange planets orbiting around her wrists and ankles, and massive orange angel wings and four other sets of large orange angel wings underneath her massive orange angel wings are permanent.

Nico: And that's that.

Cage Blunt: Now, onto business, May, did Laura Fletcher murder someone when she was sent to prison?

May: No, I don't think so, it's true she hated me that much with a vengeance and with no reason, but I don't think it's ground to have killed anyone in her path.

Lincoln read Laura Fletcher's mind by placing his left hand on her head, and what he found was indeed shocking for words.

Lincoln: (Beastly Voice) Guys, she did commit murder and long before she was sent to prison. Apparently, she lost her temper and she killed five innocent people who were supporting you on your rise to becoming a Pokemon Trainer.

WE GASPED!

Nico: That explained why Cage said he smelled blood on her hands.

Cage Blunt: She's a murderer, and to us vampires, we can't stand murderers.

Cage Blunt bared his fangs and sank them into Laura Fletcher's neck and drained her dry of every last drop of blood, and he stabbed her in her heart with a dagger and sent her to The Black Abyss.

Cage Blunt: Any time we meet a murderer, let me, Travis, or Dad take care of them.

Nico: Got it.

Cage Blunt: So, are you going to introduce us to your friend, Lincoln?

But, before Lincoln could, Rurika Matsumoto had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Rurika Matsumoto was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, he had an atomic red blush on his face, his wolf nose was bleeding, steam whistled out of his large wolf ears, and he was literally in Heaven.

Lincoln: (Beastly Voice) (In Heaven) Oh..., man...!

WE BUSTED OUT LAUGHING!

Selene Arcangela: I think you should leave this to us, everyone, this is Rurika Matsumoto, Gene-Slammer of Ultra-Miximum Max and Princess of The Mixels, she's Lincoln's Guardian Angel from Japan and his classmate, and she's the twin sister of Rangiku Matsumoto, and she has the same bust as her sister hence her despising of perverts, and she's also known as The Princess of All Mixels, and she has pink hair with blue clothing. She and Lincoln helped the Mixels keep those annoying Nixels at bay, and she even made an ever expanding bathhouse in case Lincoln ever gets a harem and the bath house is completely soundproof and can even fit inside Lincoln's room thus making it completely soundproof. Lincoln made Rurika a blue bikini, and to show thanks, Rurika kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry Rurika and Rangiku Matsumoto along with the rest of his harem, and she completely loathes perverts with a blazing passion and if any of them so much as look at them lecherously, she will castrate them, heck, even the Mixels despise perverts, but thankfully, they know that Lincoln is a true gentleman.

Nicole: Whoa, so even the Mixels despise perverts? Nice!

Lincoln: (Beastly Voice) I've helped Rurika in keeping those annoying Nixels at bay, they're a headache to the Mixels, and one day soon, we'll have to show you guys the Mixels world, and it's so good to see you, Rurika. (Smirks) Of course, for that little ambush.

Lincoln pinned Rurika Matsumoto to the floor, and he kissed her on the lips and marked her by biting her on their right trapezius and fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where they bit her and helped her up, and she also had an Elemental Thunderbird Necklace of Eternal Love with pink gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi and a white and gold accented Elemental Thunderbird Choker of Eternal Love on her neck.

Rurika Matsumoto: Whoa, I had no idea you had such an animalistic romantic side to you, Lincoln, and in addition to how much you've grown, from the 11-year-old little boy we've known into a giant 9'10" hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man. (Seductive Voice and rubs Lincoln's massive pecs) And you're even more of a heartthrob in your werewolf form, hope you're ready for some fun later on tonight, big man.

Me: Ooh boy, looks like things just got really hot and steamy.

Lincoln had a blush on his muzzle.

Lincoln: (Beastly Voice) J.D.

May: Are you okay, Manaphy?

Manaphy: Yeah I'll be fine.

Me: And now we've seen the last of Laura.

Qin: Yep.

Nico: Nice job Raichu!

Alola Raichu: Thanks Nico. That was fun!

Poromon: Want some beer?

Alola Raichu: Oh no thanks. Unless it's root beer.

Me: That we can do.

I gave her some root beer.

Alola Raichu: Thanks.

Poliwag: (Does Puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Eddy: Maria, what's your life outside your spy team?

Maria Phoenix: Well I'm a welder and I build buildings.

Me: Cool!

Maria Phoenix: I know. I do it because I'm looking for someone. My little sister Emma. She went missing years ago.

Me: Lets see.

I pulled up a picture of her. She was a girl with orange hair, red eyes, and had a firebird birthmark on her neck and looked like a mini version of Maria.

Me: Oh she's so young.

Nico: When did she vanish?

Maria Phoenix: 10 years ago. I've been trying to find her everywhere. But no luck.

Nico:…you think Dark Gale had something to do with it?

Maria Phoenix: I hope not. That's why I pray that she is safe. I'm never gonna give up on finding my little sister. She means everything to me and I promised to find her. I love her.

Me: I can tell you will do everything possible to find her.

Qin: Yeah.

Me: (Sees something) (Gasp) In fact. She may be closer than you think.

Maria Phoenix: What do you mean?

I pointed to a bush and Maria saw a figure come out and it was a girl that looked like she was surviving on an island. She had orange hair that was a mess and red eyes and had a firebird birthmark and her clothes were an absolute mess!

Maria Phoenix: (GASP) Emma? Emma is that you?

Emma Phoenix: Maria? Maria? MARIA!

Maria Phoenix: EMMA!

She and Emma ran and they hugged for the first time in 10 years!

Me: Wow!

Emma Phoenix: I MISSED YOU SO MUCH! (CRYING)

Maria Phoenix: Oh sis I'm never going to lose you again!

Me: Thank God she is safe.

Nico: You remember Eli, right?

Emma Phoenix: I remember meeting him once. But Eli it's awesome to see you.

Eli: Same here Emma.

Maria Phoenix: Oh sis I never gave up on you. But how did you wind up here all the way in the Okavango Swamp?

Emma Phoenix: I was kidnapped by 2 men. They wanted to sell me on the black market. But I escaped. But they kept finding me. I found this on me and pulled the battery out.

She showed a radio transmitter. On it was the symbol of the Symbionese Liberation Army.

Me: The Symbionese Liberation Army. That was an organization that was defeated back in the 1970s.

Emma Phoenix: Yeah. I've been living here since I escaped. I stowed on a plane and landed in the river that was bound for Madagascar.

Me: Whoa.

Emma Phoenix: Let me show you where I was living.

She showed us to a hut she built out of sticks and trees and she had a small garden of fruit trees.

Me: Wow you have the true makings of a survivalist Emma.

Emma Phoenix: I know.

Nico: You know you can't live here, right?

Emma Phoenix: I know. I hoped for one day that I would be found and brought back home.

Maria Phoenix: Well we'll get you back home so we can help you.

Me: Yeah.

Maria Phoenix: You need a bath and a good cleaning.

Emma Phoenix: I know.

Poromon: Can you guys teleport me home? I have to do something

Me: Oh sure.

Nico: What is it?

Poromon: Uhhh something important.

Me: It's not a time machine is it?

Poromon: No it's not that!

Me: Okay.

I did so.

Me: Okay. Now lets get down to the main event.

Qin: The Anothers.

Nico: Which are?

Eli: (Concentrates) Whoa we got Another Infinity Mijinion, Hunter, Parallel Woods, Foley, Flora, Beanbon and Gobchomplin

WE GASPED!

Hunter: Mein gott! Another me!

Qin: Whoa man.

Lola: Yeah.

Eli: And I sense that the Anothers minus Infinity Mijinion and Hunter are 2 people.

Me: This will be interesting. So Plant Man, Spike Rosered, Pearl Woman, Honey Woman, Candy Girl and Voltage Woman are up.

Qin: Yep.

Nico: THERE THEY ARE!

We saw Another Parallel Woods, Foley, Flora, Beanbon and Gobchomplin!

Me: WHOA!

Qin: This will be good.

Me: Yep.

Another Foley: (In a girls voice) It sure will.

They reverted back and were the gene-slammers of Suijinmon and Fujinmon.

Nico: (GASP) Sena Suijin and Kelly Kaze Fujin!

Me: Whoa the gene-slammers of Suijinmon and Fujinmon!

Sena Suijin: That's right and also the daughters of Suijin and Fujin too.

Rita Raijin: And Raijin too.

Qin: Yep.

Me: Wow that is amazing! Awesome to meet you girls. By the way are the Another Hunter and Infinity Mijinion friendly or hostile?

Kelly Kaze Fujin: Friendly. And they are powerful.

Me: Awesome.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

They glowed and the anothers were separated.

Me: Action time!

We fired waves of energy and blasted them and I caught the Wonder Ride Books.

Me: OH YEAH!

Nico: And now, we wait.

Me: We don't have to wait for long!

We saw ANOTHER INFINITY MIJINION AND HUNTER!

Me: Oh boy.

Another Infinity Mijinion: (In a girls voice) This is gonna be awesome.

Nico: (GASP) That voice.

She reverted back and it was the gene-slammer of Uranusmon!

Nico: (GASP) Callie Chronos!

Me: Uranusmon's Gene-slammer! Wow!

Callie Chronos: And the daughter of Uranus too.

Me: Wow! Awesome to meet you.

Another Hunter: (In a girls voice) (German Accent) Und someone Hunter knows.

Hunter: (GASP) That voice!

She reverted back and was a girl with blond hair and blue eyes and had green clothes and had Germany's flag on the skirt.

Hunter: Ingrid!

Ingrid Drake Michaelson: Been a long time mein brother.

They went and hugged for a while.

J.D. 4: (Through my crest) I'm so glad she's all right! I Thought she was lost during the war with Melkor.

Me: You know her?

J.D. 4: Yeah that's Hunter's sister Ingrid. She was sent to another universe for her safety. But we thought she was lost forever when Melkor was attacking.

Me: Wow thank goodness she's safe.

Hunter: Ingrid I've missed you so much und I'm never losing you.

Ingrid: Me neither Hunter.

Me; That's two siblings reunited.

Nico: Yep.

Maria: What about you, Callie?

Callie Chronos: Well I have powers over time and space and they are infinitely strong. I was also able to destroy some of Anti-Monitor's goons. Minor ones. Also I fixed the breach in the black gates and enhanced the seals.

Me: Thank goodness.

Nico: We owe you big Callie.

Infinity Mijinion: You have Good qualities I like Callie. Thank you.

Callie Chronos: You're welcome.

Me: At least the damage to the Black Gates is repaired. But Anti-Monitor's lackeys are all still at large.

Nico: Yep.

Kaito: (gets out Revice gear) Did Swartz promise you anything?

Zocks: (gets out Saber gear) Because we can grant it instead

Kaito got a Revice Sword and Zocks got a Saber sword.

Callie Chronos: No he didn't. I used my powers of time and space to turn him into an old man. We busted out of there while he was drinking prune juice so to speak.

Me: That is funny!

Callie Chronos: Yeah it sure is. After it wore off he got a nasty case of diarrhea and he was on the toilet for 4 hours.

Sakura Knudson: That explains why he was farting and pooping loudly back then.

Me: Okay we didn't need to know that but that is funny!

Sougo (gets out Revice gear): The scumbags you killed probably were generic ones

Armor Time! (Vice Laughing) Buddy Up! Vice!

Armor Time! Buddy Up! Revi!

Geiz (gets out Blades gear): And we're still sticking with the Black Abyss. The Black Gates, breach or no breach, are still compromised.

Sougo got ReviceArmor while Geiz got BladesArmor

Me: That's right. We'll send Death Row Inmates to the Black Gates though. Good way to ensure that Hell is too good for them.

Nico: That works.

Lincoln: Lets separate you girls first.

We did so.

Me: Lets get them! Watch this.

Another Infinity fired lasers and I blocked them and formed lasers around me and I fired waves of light and blasted it.

Me: YEAH!

Qin: WHOA! How did you do that?

Me: I saw it on a cartoon called Beast Machines. It's the sequel to Beast Wars.

Nico: WHOA! I remember that!

Me: Yep.

Nico: (gets out Infinity Mijinion's Ridewatch) This is gonna hurt times infinity!

May: (Gets out Foley's ridewatch) Time for plant power.

Maria: (Gets out Beanbon's Ridewatch) Lets bomb this guy!

Spike Rosered: (Gets out Parallel Woods Ridewatch) Time for plants to strike back!

They used the powers of Infinity Mijinion, Parallel Woods, Foley, Flora, Beanbon and Gobchomplin and blasted the anothers all over.

Then Xandra, Beast Machines Megatron, Balthazar the Bounty Hunter, Spider Queen, Mr. Chuckles and Lady Frostbite then came.

Me: WHOA!

Nico: Xandra nice team!

Xandra: Thanks Nico.

Me: Mostly Neopets villains. Wow! And Whoa Megatron from Beast Machines! (EYES GLOW RED) You better behave or I'm going to destroy you!

Beast Machines Megatron: Relax. You have nothing to worry about regarding me,

Me: I still don't trust you after I saw what you did because of your own pursuit of your own Megalomaniacal Ambitions!

I gave him the I'm Watching Your Fingers.

Nico: Easy J.D. And yes I remember seeing all that.

Out came BOARMON!

Me: Whoa Boarmon!

Qin: Wow!

Kiwimon came!

Me: Kiwimon too!

Nico: Cool!

Kiwimon: (In a girls voice) (Australian Accent) Looks like the fun started mates!

Nico: Sheila MacDouglas! Wow!

She reverted back and was a girl with green hair, green eyes, brown Australian Outback clothes and had green angel wings and a new crest in the middle of her forehead and had Kiwimon on her skirt and shirt and had Australia's coat of arms on her arm and had a badge for the Australian Rangers on her vest and a Green Digivice and had a nature sword.

Sheila MacDouglas: Ranger Sheila MacDouglas and Boarmon ready for action mates!

Boarmon: Lets make this awesome.

Sheila MacDouglas: We'll take care of these blokes mates! (Echoing) PUMMEL PECK!

She summoned a bunch of kiwis from her hand.

Boarmon: (Echoing) NOSE BLASTER!

He fired fire blasts from his nose and the blasts blasted the Anothers and I caught the Ridewatches and purified them.

Me: YEAH!

Sheila MacDouglas: Crikey that was fun!

Me: It was! And you're one of Australia's Digidestined.

Sheila MacDouglas: That's right mate. Melbourne, Australia's rangers Digidestined.

Me: Cool!

Nico: Nice job!

Sheila MacDouglas: Thanks mate.

Spike Rosered: Do you have any memories of Nico?

Sheila MacDouglas: I sure do mate. A bunch of Apemon were running around in Melbourne and they were beating up poachers me and the rangers were after. Me and Boarmon and Nico beat the Apemon and arrested the poachers.

Nico: Yep.

Me: Whoa! So aside from Sydney being attacked it was Melbourne too.

Sheila MacDouglas: That's right mate.

Joe Kido: I remember Sydney. Me and Cody were there and stopped Gesomon, Shellmon and Ebidramon with Sydney's digidestined Derek and his Crabmon there.

Nico: I remember that. That was awesome.

Me: That is cool.

Nico: Yep.

Nico and Sheila hugged.

Nico: I've missed you Sheila.

Sheila MacDouglas: Me too mate.

We later went back home and got Emma in the tub and cleaned up.

And that surprise is showing the truth as to why Marcus Maxwell, Caleb Maxwell's dad, got into crime, and that it was the fault of his relatives, and if that's not enough, it also turns out that Drake Maxwell, along with the four senior members of The Syndicate, Nathan Daniels, Harold Devins, David Lawrence, and Aaron Lowell, have escaped from Hell wanting revenge again, and he also broke out the rest of Marcus Maxwell's relatives and are coming after us, but they're going to wind up getting captured by Claw Dane Drake and tied up to be killed by us, and that'll cause Caleb Maxwell and Allie Maxwell to snap and transform to put Drake Maxwell, Nathan Daniels, Harold Devins, David Lawrence, Aaron Lowell, and the rest of Marcus Maxwell's relatives down for good.

Lincoln: Ah, we're here in New York, and I know what we're going to do here, not only am I going to rescue the five girls here, but we're going to face the last of The Big Claw Gang.

Then, Allie Maxwell appeared.

Allie Maxwell: Yep, the last member of The Big Claw Gang is none other than Claw Dane Drake, leader of The Big Claw Gang and father of Roxy Drake and Carla Drake A.K.A. Carla Claw.

Roxy Drake: I can't believe how far we've gotten, we've taken down each member of The Big Claw Gang, and now, we're heading for the head of the gang. Dad, prepare yourself.

Plant Man: This is it, but why do I have the feeling that Claw Dane Drake has something for us to see and that another villain has returned.

Lincoln: Only one way to find out.

Suddenly, we saw a girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long ocean blue hair with light blue streaks, blue eyes, blue purple angel wings, blue clothes, long white sleeveless trenchcoat with stars, water, ocean waves, sea creatures, phoenixes, and angels on the coattails, and on the back is Marincess

Aqua Argonaut, she has a water greatsword in hand and with her are the five girls.

Lincoln: (GASPS) Adriana Westbrook, Gene-Slammer and Avatar of Marincess Aqua Argonaut.

Adriana Westbrook: That's right, and I got the five girls away, but Claw Dane Drake's waiting for us.

We headed to the location: a warehouse, and inside were bodyguards, but one glare from Caleb Maxwell was more than enough to silence them. Then, we saw our prime goal: sitting in a chair overlooking the multitude of screens was Claw Dane Drake, leader of The Big Claw Gang and father of Roxy Drake and Carla Drake A.K.A. Carla Claw.

Claw Dane Drake: You've made it at long last, Team Loud Phoenix Storm.

Caleb Maxwell: We've taken down every last member of your gang and found out your reason behind the challenge you've given us, Dane.

Allie Maxwell: Now, you're the last one left, the only one left to take down.

Claw Dane Drake: (Chuckles) Yes, true. However, there is one last surprise that I have in store, but it's one your father had for you. He told me of what you did after you discovered that he was the head of The Syndicate, and in your anger, you had him and Drake tossed out. But, there is a hidden truth to why he did this: a reason why he went into crime in the first place.

Claw Dane Drake played a video on the screen, and we saw Marcus Maxwell, and the video was taken two days before his death, but we saw he had sorrow and regret in his eyes and he had tears in his eyes.

Marcus Maxwell: Hello, Caleb. If you are watching this, then, this means that I truly am dead, killed by your own hand. I know that you are indeed angry at me for everything, it's true, but it's time that you found out the truth as to why I went down this path into a life of crime. I'd kept it a secret long ago, but years ago, I'd owned a successful company in the auto industry and branched out to other industries in that field throughout New York, and I'd made a very healthy living for you, your Mom, Allie, Drake, and I. At first, things were truly looking up for us, but then, everything began to fall apart. My relatives tried to get jobs in my company, but I denied them entry into the company, because I knew they were nothing more than thieves and money-sucking leeches. They were enraged that I did this because I knew of their true colors, and in their anger, they began breaking into my company, wrecking our presentations, harassing our workers, and even stealing the money we'd been making. I wasn't able to keep a lid on them any longer, I'd made plans to have them charged for everything after I called the cops on them and got them sent to prison. I thought everything would be over once my plans to have them charged for what they've done are completed, but I was wrong. All their antics were the catalyst to what eventually would happen: my company went under and we had no choice but to file for bankruptcy, and the many employees had lost their jobs, and all I was left with was nothing but debt. My fears were always this: if I didn't pay my debt, then we would lose our home and we'd have to live on the streets, that always haunted me, even as I looked at you, Allie, Drake, and your mom sleeping peacefully in bed every night.

Caleb Maxwell and Allie Maxwell were beyond shock by what Marcus said, and it was also played to Marlene Maxwell and the rest of her relatives who also joined us, and we too were also stunned, but we continued listening.

Marcus Maxwell: Because of what my relatives did, that life I worked hard to build for all of us fell apart, and in desperation, I turned to crime and formed The Syndicate, and through many illegal enterprises, I'd been generating enough wealth to pay my debt, but also, to keep you all in safe hands, yet I knew I was playing with fire, and it'd get the attention of the police if it got into their ears. But, then, when Drake turned 16, he joined The Syndicate, and blinded by the lure of easy wealth, he was seduced by greed and power and he turned into the very thing you saw. I should've never taken him into The Syndicate, knowing he would become like this, I was the only one in the family who didn't follow in their footsteps to becoming thieves and money-sucking leeches, I was considered The Black Sheep, and due to that, I never got along with my parents nor my other relatives, and when I met your Mom, I knew they'd try to get their hands on her money, so I didn't invite them to the wedding at all, and it was also one of the reasons why they destroyed my company. In any case, after you found out my secret and you told your mother about it, you went to the police and told them everything. But, I had no anger towards you, you were only doing the right thing, that's what we always taught you since birth. But, Drake in his madness swore that you'd pay for what you did, on the night of The Hollowshade Massacre on Halloween, he along with the four senior members of The Syndicate, Nathan Daniels, Harold Devins, David Lawrence, and Aaron Lowell, shot you dead, and when the news hit, I was distraught and hit hard with grief. I never wanted you to be an heir to an empire of crime, no, I wanted you to bring The Syndicate down when you become a police officer, but Drake decided to end your dream together with your life. (Smiles Sadly) That's why I'm proud to call you my son, you were the only one who had the guts to stand up to injustice, I just wish we could at least be together one last time.

The video ended, and many of us had tears in our eyes, and Caleb, he had blood tears in his eyes: he finally realized the truth about his dad and why he went into crime.

Caleb Maxwell: (Voice Breaking) Oh, Dad...!

Suddenly, Marcus Maxwell's spirit appeared.

Allie Maxwell: Dad...?!

Marcus Maxwell: The day you died, Caleb, I swore never to forgive Drake for what he did, but at the same time, it was my fault for bringing him into The Syndicate knowing he'd turn into this. I blamed myself for everything that day, and your death still haunted me even still, and when you came back driven by revenge, I knew that the one way it was going to end is if you kill me and all the members of The Syndicate.

Caleb Maxwell: But, why? Why does it always have to end with someone dying?

Suddenly, Marcus Maxwell went up to Caleb Maxwell, Allie Maxwell, and Marlene Maxwell, and he hugged them, and they all hugged him as they shed tears never wanting to let go.

Marcus Maxwell: I am so sorry to all of you, for hiding everything from you for all these years since then, and the tape you watched, I made sure to give it to Dane to show it to you before you came for me, it was the only way to break the vengeance and hate you harbored towards me, Caleb. Can you ever forgive me?

Caleb Maxwell: Yes..., I do..., Dad.

Marcus Maxwell smiled.

Marcus Maxwell: Thank you, Caleb. Thank you.

Then, Marcus Maxwell faded away as he went to Heaven. Suddenly, we saw Caleb Maxwell's black hair, three sets of black angel wings, and eleven massive and long black wolf tails turn dark brown as a dark cloud lifted off his heart.

Caleb Maxwell: Safe travels, Dad. May you finally find peace in the next world.

Me: Caleb...

Nico: I would've thought it would be a battle, but this...

Lincoln: He broke the vengeance and hate Caleb harbored toward his own dad as he'd seen the truth.

Claw Dane Drake: Yes, and there is still a battle to be had, but not with me. (SNAPS FINGERS)

Claw Dane Drake snapped his fingers as his guards took a sheet off, and it revealed the people who we wished never to see again: it was Drake Maxwell, along with the four senior members of The Syndicate, Nathan Daniels, Harold Devins, David Lawrence, and Aaron Lowell, and the rest of Marcus Maxwell's relatives.

Marlene Maxwell: Drake...!

Allie Maxwell: Along with Nathan Daniels, Harold Devins, David Lawrence, and Aaron Lowell, and Dad's relatives, so it was true, Caleb said last night that Drake escaped from Hell, but I also didn't expect those four other lowlives to also escape from Hell as well.

Claw Dane Drake: Yes. They tried to kill me and take control, but I had my guards seize them and tie them up, now, what exactly are you going to do?

Caleb Maxwell: We may have forgiven Dad, Dane. (To Drake Maxwell) But you, Drake, you'd already crossed the line when you killed me eight years ago, and the same went with Nathan Daniels, Harold Devins, David Lawrence, and Aaron Lowell who also were with you that night.

Allie Maxwell: And there's no way I'm ever forgiving those lowlife piece of crap relatives of Dad, they bankrupted his company years ago, and left him with debt and nightmares of the future, there's only one fate awaiting them.

Drake Maxwell: AND WHAT THE FUCK IS THAT?!

Caleb Maxwell and Allie Maxwell: ETERNAL DAMNATION AWAITS YOU, YOU BITCH!

Suddenly, Caleb Maxwell screamed in unholy rage and he was surrounded by a very massive vortex of black and blood red energy with stars, darkness, dark magic, black magic, Satanic Magic, and shadows surrounding the vortex, there are skulls, demons, phoenixes, and angels surrounding the vortex, and in the vortex is a red phoenix with blood red eyes glaring at Drake Maxwell, Nathan Daniels, Harold Devins, David Lawrence, Aaron Lowell, and the rest of Marcus Maxwell's relatives: the blood red eyes of eternal death and eternal judgment.

Then, Allie Maxwell screamed in unholy rage, and she was surrounded by a very massive vortex of purple and pink energy with stars, darkness, dark magic, black magic, Satanic Magic, and shadows surrounding the vortex, there are skulls, demons, phoenixes, and angels surrounding the vortex, and in the vortex is a red phoenix with blood red eyes glaring at Drake Maxwell, Nathan Daniels, Harold Devins, David Lawrence, Aaron Lowell, and the rest of Marcus Maxwell's relatives: the blood red eyes of eternal death and eternal judgment.

Me: OH SHIT!

Nico: DAMN, THIS IS GONNA GET UGLY!

Lincoln: One last cry of vengeance towards the truly guilty, this is gonna end in a bloodbath.

Then, as the vortexes fade, Caleb Maxwell and Allie Maxwell emerged, but they were changed forever.

Allie Maxwell: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Dark Death Harbinger Darkness Demon Phoenix Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Dark Death Harbinger Darkness Demon Phoenix Angel Hope) And good riddance!

Caleb Maxwell and Allie Maxwell summoned two gigantic missiles and kicked them and sent them flying at Drake Maxwell, Nathan Daniels, Harold Devins, David Lawrence, Aaron Lowell, and the rest of Marcus Maxwell's relatives and the missiles exploded as they hit them, and as the smoke cleared, all that was left was gore and splattered body parts and the spirits of Drake Maxwell, Nathan Daniels, Harold Devins, David Lawrence, Aaron Lowell, and the rest of Marcus Maxwell's relatives were all sent to The Black Abyss. We cheered as we holstered our weapons and powered down and Caleb Maxwell's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large fifteen black and red planets orbiting around his legs and fifteen black and red smaller planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized black and red planets orbiting around his wrists and thighs, eleven massive and long dark brown wolf tails, and massive dark brown angel wings and four sets of larger dark brown angel wings underneath his massive dark brown angel wings are permanent, and Allie Maxwell's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind her head, large fifteen purple and pink planets orbiting around her legs and fifteen purple and pink smaller planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized purple and pink planets orbiting around her wrists and thighs, eleven massive and long dark brown wolf tails, and massive dark brown angel wings and four sets of larger dark brown angel wings underneath her massive dark brown angel wings are permanent.

Caleb Maxwell: Finally, it's over at last.

Allie Maxwell: Drake is finally gone, along with Nathan Daniels, Harold Devins, David Lawrence, Aaron Lowell, and the rest of Dad's relatives. Now, Dad can rest in peace.

Claw Dane Drake approached them, as Caleb Maxwell and Allie Maxwell turned to face him.

Claw Dane Drake: Well, it looks like our end of the deal has been completed, I'll be taking my leave to Vypra's headquarters now.

Roxy Drake: Dad..., I

Suddenly, Roxy Drake was hugged by her own dad, as she suddenly returned it.

Claw Dane Drake: What I did killing your mother in a pursuit of wealth and power, and lying to you about what really happened to Carla, I shouldn't have done that, Roxy. I was blind, and I'm sorry.

Roxy Drake: Dad.

Caleb Maxwell: Wait. I want you to join me, Allie, and Mom for dinner at Lynn's Table after we help Mirai and his team destroy Alien Empera, along with the next of Anti-Monitor's lackeys.

Cage Blunt: Caleb, are you sure about this?

Caleb Maxwell: I am. It's the only way I can finally put this dark chapter to a close for good.

Claw Dane Drake: And I accept the invitation.

Lincoln: This was quite an interesting few days since the battles against The Big Claw Gang began, but we did it, they're now in The Masters of Evil, Caleb, Allie, and their mom forgave their dad, and we've finally seen the last of Drake Maxwell, Nathan Daniels, Harold Devins, David Lawrence, Aaron Lowell, and the rest of Marcus Maxwell's relatives. (To Adriana Westbrook) And it's so good to see you again, Adriana.

Adriana Westbrook: You too, Lincoln, it's been seven years since we last met.

Suddenly, Adriana Westbrook had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Adriana Westbrook was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Adriana Westbrook: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Adriana Westbrook and hugged her, and Adriana Westbrook is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Adriana Westbrook: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness.

(Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs and back) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Adriana Westbrook, Gene-Slammer and Avatar of Marincess Aqua Argonaut, she's Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Aqua Argonaut. She's the leader of a powerful organization called The Marincess Water Princesses, an organization formed by her and her sisters, the other Gene-Slammers and Avatars of the Marincess Duel Monsters, and their main goals are these: protect Lincoln from his enemies, protect the marine life all across the world's oceans, and to also help us. Lincoln met Adriana Westbrook when she and her sisters came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Adriana kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Adriana hates Lori with a blazing passion, because that misandrist toxic bitch polluted Lake Huron by dumping a dumptruck full of garbage into the lake, and she was laughing cruelly like the toxic bitch she was, and enraged because of her behavior, Lincoln and Adriana blasted her with water and they even electrocuted her, and Lori got so mad, she called Adriana a fish-faced bitch and Lori said that she hopes that Adriana dies in a pool of her own blood and she'll dance on her remains. The audacity and utter malice of her threat made Lincoln see red, and he punched Lori so hard in the face, he sent her flying back to the house, and when everyone heard Lori's threat along with seeing what she did, Lori got grounded for five months, and Luna, Laney, Leni, Lucy, Lana, and Lily dragged Lori to her room and threw her inside a cage like the dumb gorilla that she is, and they turned to leave, but not before Luna gave her the finger, and that sent Lori into a total psychotic tailspin of rage as she banged on the bars of the cage and screeched like a wild monkey!

Nico: You have no idea of how pissed off we were yesterday when Selene told us of what Lori did.

Me: That incident is something Varie and I still remembered all too well.

Lincoln: Varie almost got that close to tearing Lori a new one, and you almost tore Lori apart from what I remember, J.D., and now that you're here, Adriana.

Lincoln with his massive muscular arms still wrapped around Adriana Westbrook leaned his head down the right side of Adriana Westbrook's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Adriana Westbrook: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Adriana Westbrook with blue gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Adriana Westbrook: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Adriana Westbrook.

Adriana Westbrook had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Adriana Westbrook's waist, and he leaned down to her face and kissed her on the lips, and with Adriana Westbrook's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Adriana Westbrook had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Adriana Westbrook: (In Heaven) My God. Oh, Lincoln, and the five girls I rescued, they are absolute voluptuous babes.

Me: Oh crap! Let's go, guys!

We all left for home. Then, Lincoln, his harem, and Nicole went up to the five girls, and when Lincoln saw them, he recognized them immediately and his nose was gushing out blood. The five girls are Wendy Crawford and Sandy Bash from Suketto Sanjou! and Misato Kamikado, Aya Makihara, and Aki Nakajima from Shidoukan Day After The Animation.

Lincoln: Oh, whoa, it's Wendy Crawford and Sandy Bash from Suketto Sanjou! and Misato Kamikado, Aya Makihara, and Aki Nakajima from Shidoukan Day After The Animation.

Nicole: Oh man, Dad was right getting everyone out of here, these girls are voluptuous babe athletes!

Lincoln: Lynn will no doubt get along with them since sports are her hobby. Are you girls okay?

Sandy Bash: Yes, we're okay, thanks to you.

Then, when Sandy Bash and the other four girls saw who it was that saved them from Drake Maxwell, Nathan Daniels, Harold Devins, David Lawrence, Aaron Lowell, and the rest of Marcus Maxwell's relatives who got captured by Claw Dane Drake, their faces turned atomic red upon seeing the 18-year-old 9'10" tall, handsome heartthrob hulking hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with colored phoenix fire ombre streaks on the back of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty

Wendy Crawford: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Sandy Bash: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Wendy Crawford, Sandy Bash, Misato Kamikado, Aya Makihara, and Aki Nakajima with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks. Lincoln, Nicole, and his harem returned home, and everyone was shocked to find out that the villains we went after were Drake Maxwell, Nathan Daniels, Harold Devins, David Lawrence, Aaron Lowell, and the rest of Marcus Maxwell's relatives who got captured by Claw Dane Drake.

But, when Lincoln showed everything that happened such as Claw Dane Drake showing the video of Marcus Maxwell that broke the vengeance and hate Caleb harbored and that led to Caleb, his sister, and mother forgiving him and finally Caleb Maxwell and Allie Maxwell both transforming and all of us trashing Drake Maxwell, Nathan Daniels, Harold Devins, David Lawrence, Aaron Lowell, and the rest of Marcus Maxwell's relatives and finally Caleb Maxwell and Allie Maxwell sending them to The Black Abyss with one final execution, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Adriana Westbrook have a lot of catching up to do, now that she's back in town.

Maria: We heard the whole thing from J.D., Nico, and even Claw Dane Drake himself, he had decided to join us at the Estate since he is Roxy's dad.

Lincoln: That's understandable, Roxy has a lot to catch up on.

Nico: And Caleb wanted to close the dark chapter of his life with a dinner between him, Allie, his mom, and Roxy's dad.

Me: The only way for him to end the dark chapter for good and start a new chapter.

Caleb Maxwell: Yes. Everything that happened: the truth has been revealed and I now know and understand why Dad went into a life of crime, he always held the importance of what a true family is after growing up among his own family that's full to the brim with toxic money-grubbing leeches and complete losers.

Allie Maxwell: And that those absolute losers were the reason behind Dad's nightmares and his descent into crime after they ruined his business.

Marlene Maxwell: He should've told me this long ago, but he feared of what could happen to all of us, I understand that now. But, even though we are separated by fate, we will always be together forever.

Caleb Maxwell: Mom...

Suddenly, a flash of light came from Lincoln's room.

Eli: What was that?

Rurika Matsumoto: Oh, I just beamed the ever expanding soundproof bath house I built for Lincoln and his harem into his room.

Caleb Maxwell: It better be, Hunter told me about that little "incident" with Lincoln and Kurumu.

Lincoln and Kurumu had red blushes on their faces and were embarrassed.

Travis Tackett: Hunter, you know that's private between a man and his woman.

Cage Blunt: But, not that private when it's spilled out into the open.

Nicole: I've seriously got to strengthen the barriers to work against strong Succubi magic.

After Lincoln and all of us faced Claw Dane Drake and sent Drake Maxwell, Nathan Daniels, Harold Devins, David Lawrence, Aaron Lowell, and the rest of Marcus Maxwell's relatives to The Black Abyss and this time forever, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Adriana Westbrook saw Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Adriana Westbrook: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and in his human form, he also got one awesome tan, and he's also doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all

bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Adriana, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Adriana Westbrook: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Adriana Westbrook: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Caleb Maxwell: I've been meaning to ask: Hunter mentioned about who was responsible for corrupting The Royal Defenders and turning them against the world.

Nico: That was Sindri Myr, The Chaos Sorcerer from Warhammer 40,000. Wait, you mean...?

Lincoln: He's returned.

Caleb Maxwell: I took a picture of this before we went after Laura Fletcher this morning.

Caleb Maxwell took out a photo, and it was the sigil of Sindri Myr.

RD Me: My God! So, Sindri Myr's returned.

RD Lincoln: Anti-Monitor, you monster.

Ed Cowart: That son of a bitch just doesn't know when to stay dead. After we help the Ultraman Mebius team destroy Alien Empera, Sindri Myr's next.

Hunter: (German Accent) That monster will pay for what he's done.

Caleb Maxwell: We're all joining in as well, after we destroy Alien Empera, but first, I'm gonna destroy his dark magic so that he can't corrupt anyone else ever again.

Axel Adell: (Swedish Accent) That's right, Hunter, he messed with the wrong group of heroes, and now, he's going to pay the price for his crimes with his life.

Lincoln: That's for sure.

We got a shower, and then, Lincoln, Simulator Lucy Ashley, Erza Knightwalker, Simulator Juvia (Edolas), Wendy (Edolas), Cana (Edolas), Levy (Edolas), Mirajane (Edolas), Giganta (DC Super Hero Girls 2015), Doris Zeul A.K.A. Giganta (DC Super Hero Girls 2019), Ember (DC Super Hero Girls 2019), Simulator Aligned Elita-One, and Simulator Aligned Chromia are heading to Sirena Beach.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Lucy Ashley, Erza Knightwalker, Simulator Juvia (Edolas), Wendy (Edolas), Cana (Edolas), Levy (Edolas), Mirajane (Edolas), Giganta (DC Super Hero Girls 2015), Doris Zeul A.K.A. Super Hero Girls 2019), Ember (DC Super Hero Girls 2019), Simulator Aligned Elita-One, and Simulator Aligned Chromia all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all.

Erza Knightwalker: Wow, so this is Sirena Beach, it sure is beautiful.

Lincoln: It sure is, Erza, and it's perfect for our first date, shall we?

Lincoln, Simulator Lucy Ashley, Erza Knightwalker, Simulator Juvia (Edolas), Wendy (Edolas), Cana (Edolas), Levy (Edolas), Mirajane (Edolas), Giganta (DC Super Hero Girls 2015), Doris Zeul A.K.A. Giganta (DC Super Hero Girls 2019), Ember (DC Super Hero Girls 2019), Simulator Aligned Elita-One, and Simulator Aligned Chromia dived into the waters, and they began swimming, and they also saw the marine life that lived there, then, they went back to the beach, and the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an amazing volleyball game, and they went into a workout area Lincoln created, and Simulator Lucy Ashley, Erza Knightwalker, Simulator Juvia (Edolas), Wendy (Edolas), Cana (Edolas), Levy (Edolas), Mirajane (Edolas), Giganta (DC Super Hero Girls 2015), Doris Zeul A.K.A. Giganta (DC Super Hero Girls 2019), Ember (DC Super Hero Girls 2019), Simulator Aligned Elita-One, and Simulator Aligned Chromia got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000.000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Cana (Edolas): (Swooning) So manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Lucy Ashley, Erza Knightwalker, Simulator Juvia (Edolas), Wendy (Edolas), Cana (Edolas), Levy (Edolas), Mirajane (Edolas), Giganta (DC Super Hero Girls 2015), Doris Zeul A.K.A. Giganta (DC Super Hero Girls 2019), Ember (DC Super Hero Girls 2019), Simulator Aligned Elita-One, and Simulator Aligned Chromia and they hugged the girls in their abnormally massive and powerful muscular arms and Simulator Lucy Ashley, Erza Knightwalker, Simulator Juvia (Edolas), Wendy (Edolas), Cana (Edolas), Levy (Edolas), Mirajane (Edolas), Giganta (DC Super Hero Girls 2015), Doris Zeul A.K.A. Giganta (DC Super Hero Girls 2019), Ember (DC Super Hero Girls 2019), Simulator Aligned Elita-One, and Simulator Aligned Chromia placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Simulator Lucy Ashley, Erza Knightwalker, Simulator Juvia (Edolas), Wendy (Edolas), Cana (Edolas), Levy (Edolas), Mirajane (Edolas), Giganta (DC Super Hero Girls 2015), Doris Zeul A.K.A. Giganta (DC Super Hero Girls 2019), Ember (DC Super Hero Girls 2019), Simulator Aligned Elita-One, and Simulator

Aligned Chromia and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Sirena Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Lucy Ashley, Erza Knightwalker, Simulator Juvia (Edolas), Wendy (Edolas), Cana (Edolas), Levy (Edolas), Mirajane (Edolas), Giganta (DC Super Hero Girls 2015), Doris Zeul A.K.A. Giganta (DC Super Hero Girls 2019), Ember (DC Super Hero Girls 2019), Simulator Aligned Elita-One, and Simulator Aligned Chromia on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Simulator Lucy Ashley, Erza Knightwalker, Simulator Juvia (Edolas), Wendy (Edolas), Cana (Edolas), Levy (Edolas), Mirajane (Edolas), Giganta (DC Super Hero Girls 2015), Doris Zeul A.K.A. Giganta (DC Super Hero Girls 2019), Ember (DC Super Hero Girls 2019), Simulator Aligned Elita-One, and Simulator Aligned Chromia are in your harem, Linky.

Simulator Lucy Ashley, Erza Knightwalker, Simulator Juvia (Edolas), Wendy (Edolas), Cana (Edolas), Levy (Edolas), Mirajane (Edolas), Giganta (DC Super Hero Girls 2015), Doris Zeul A.K.A. Giganta (DC Super Hero Girls 2019), Ember (DC Super Hero Girls 2019), Simulator Aligned Elita-One, and Simulator Aligned Chromia showed the marks Lincoln made on the right sides of their necks.

Erza Scarlett: You can thank Mirajane, Juvia, and I with introducing Simulator Lucy Ashley, Erza Knightwalker, Simulator Juvia (Edolas), Wendy (Edolas), Cana (Edolas), Levy (Edolas), and Mirajane (Edolas) to Lincoln, and almost immediately, they fell in love with him at first sight.

Jenna: You guys had no trouble at all.

Erza Knightwalker: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: This time, it's the Darker Side of The Moon

Me: Whoa! That's the side of the moon that is never seen.

Camie: How come?

Me: The moon is tidally locked. It never rotates hence why we never see it.

Lola: Yeah he's right.

Nico: Yep.

Ghost Rider: Me and Duncan will come with.

Nico: Okay.

Me: And I'll go with as well.

Nico: All right. Lets go.

We went in and the simulator and we were at the DARKER SIDE OF THE MOON!

The Darker Side of the Moon is a secret kingdom in Super Mario Odyssey, and is the greater location of Culmina Crater. This is also served as the seventeenth and final kingdom overall in the game. It is accessible once the main game is completed and 500 Power Moons have been obtained. In a similar vein to Grandmaster Galaxy from Super Mario Galaxy 2, Special 8-Crown from Super Mario 3D Land, or Champion's Road from Super Mario 3D World, being the final level, this kingdom is the biggest challenge found in the game, with the only Power Moon being found at the end of a gauntlet of challenges based off ones previously found within the game. Completing this challenge rewards Mario with the Invisibility Hat and connects the

Odyssey's route from Darker Side to the Mushroom Kingdom, forming a complete loop on the map.

Me: WHOA!

Nioc: WOW! (ECHOING)

Me: Wow this is creepy.

Duncan: No kidding.

Nicole: It's normally getting the moon at the top of that lone skyscraper up there. But I made some tweaks to this. For round 1 you'll like who you're going to face. It's at the building there.

Me: Okay.

Duncan: Let's get over there.

Me: Yep.

We were off.

Nico: Keep your eyes peeled.

We then saw her! MADAME BROODE!

Me: Madame Broode!

We landed.

Me: Well howdy Madame Broode.

Madame Broode: Howdy, team Loud Phoenix Storm!

Me: Your children always give an amazing challenge for us.

Madame Broode: Indeed they deedy do.

Duncan: But now, you're dealing with us!

Me: Starting with this.

I used magnetic power and pulled her pet and then...

SPOING!

BLANG!

It bashed her square in her face!

Duncan: See how this feels!

He fired fire blasts and I fired energy blasts and Ghost Rider fired fire blasts.

They blasted her all over!

Nico: Take that!Ghost Rider: Have some of this!

He fired waves of Hellfire blasts and blasted her

?: Now it's our turn! Time to roll out!

Optimus Prime: I know that voice!

Out came a girl with red hair, red eyes, red clothes and had red angel wings and had the Insignia of the Autobots in the middle of her forehead and shirt and skirt and had the Star Saber and with her was the Embodiment of Wheel Gator.

Winona Gator: Winona Gator, embodiment of Wheel Gator.

Nico: And Ayla Autos - Embodiment of the Autobots!

Ayla Autos: Awesome to see you Nico.

Davis: Awesome to see you Winona!

Ash: Looking great!

Pikachu: Pika!

Winona Gator: Same here Davis and Ash. Been a while. You too Pikachu.

Nico: (gets out Sting Chameleon and Infinity Mijinion's Ridewatches) This is gonna sting times infinity!

He activated them and blasted Madame Broode.

Ayla Autos slashed her all over the place.

Winona Gator: Buckle up bunny girl. Because you're going for a ride!

She kicked the golden chomp and sent it smashing into her face and she went flying and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

FIREWORKS SHOW!

Nico: OH YEAH!

Qin: Nice!

Me: That was awesome!

We high five!

Me: Only one moon in this part though. So we must be saving it for Bowser.

Nico: Yeah.

Me: Yep

Nico: That was a nice line.

Winona Gator: One of my favorites.

Me: Awesome.

Nico: How did you meet Ash and Davis?

Winona Gator: I met Ash when he was on his journey and I helped him win one of his tournaments. It was the Galar League.

Me: Cool! That is amazing.

Nico: Yeah.

Winona Gator: And I met Davis when he was facing the Digimon Emperor. I punched him in his face and stomped on his hand and shattered it.

Nico: YIKES! Nice.

Me: We have the Emperor in our prison at the estate. Feel free to thrash him more.

Winona Gator: With pleasure.

Me: And Ayla what's your favorite memory of Nico?

Ayla Autos: When me and Nico were on the planet Velocitron and we defeated Megatron there and it was fun.

Nico: Yep we showed him what happens when you mess with Cybertron. But this was before I joined the team.

Me: Wow! That is cool!

Nico: Yep.

Nico and Ayla hugged.

Nico: I've missed you.

Ayla Autos: Same here.

Me: Would you two like to join us?

Ayla Autos: We would be honored.

We left the simulator and everyone cheered wildly.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before Sandbar, Varie, and Wendy Lebinomininsky's main day mission against Alien Empera and the final showdown against Sindri Myr starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with

Lincoln.

Irina Campognola: What do you think Poromon's been doing lately?

Me: He said it was something important. Best not disturb him.

Camie: Yeah we best respect his wishes.

Nico: Yep.

Lincoln: One peek won't hurt.

Lisa Loud: Already ahead of you, Lincoln. Before the Odyssey mission today, I put a video camera in the basement and found the number 43 on the chalkboard.

Mary Scheader: What does that mean?

Lincoln: No idea.

Qin: Yeah.

Lincoln: You think he discovered another universe or something?

We saw on the camera footage Poromon with some kind of device

Lincoln: What the hell is that thing?

Girl Jordan: I don't know.

Me: Looks like some kind of wormhole generator.

Poromon: (on screen) This is Poromon. Experimental log. Wormhole generator test forty-four.

Lincoln: Wormhole generator test?

Me: This looks interesting.

On screen a wormhole appears

Poromon: The first forty-three parallel universes I've checked proved to be empty. I see no reason to suspect universe number forty-four will be any different. (Puts his head in the wormhole)

Lincoln: Oh, my God!

Girl Jordan: Holy crap!

Just then, an alien creature attached itself to Poromon's face

Poromon: Oh! It's eating my face!

Girl Jordan: Aah! It's eating his face!

Me: WHAT THE FUCKING HELL!?

Shanan: That parasitic creature looks like a Vexronnian Leach! UGLY!

Just then, the same alien creature dropped in front of us. But it wasn't moving. It was at that moment that we realized it was a prop. We then turned around and saw Poromon with an unimpressed look on his face.

Poromon: I found your webcam and replaced the video feed. You guys should be ashamed of yourselves.

Me: Okay that was crafty!

Girl Jordan: Poromon, we're really sorry.

Lincoln: Yeah, really sorry.

Me: BUT YOU SCARED THE SHIT OUT OF US!

Poromon: Sorry. You guys should be sorry. You may not realize it, but I have difficulty navigating certain aspects of daily life caused by some of you guys. (looks at Girl Jordan) You know, getting stressed out over every little thing villains do. (looks at me) Always wishing death on already defeated enemies. (looks at Lincoln) Working out and going into muscular forms just to feel big and proud ever since Nico became leader.

Me, Lincoln, and Girl Jordan had the decency to look ashamed. But Poromon wasn't done.

Poromon: It's exhausting. Which is why, for twenty minutes a day, I like to go down to that room, turn my mind off and do what I need to do to recharge.

Lincoln: But what are you doing in there?

Girl Jordan: And what does forty-three mean?

Poromon: You guys really think you deserve to know?

Undermine: Okay, maybe the two of them and J.D. don't deserve to know. But the rest of us do.

Manaphy did puppy eyes.

Manaphy: Pwetty Pwease?

Me: And Poromon don't reprimand me over something I have a right to know. As second in command that makes me one of your superior officers! Now please tell us. That's an order.

Poromon: Alright. But only because Manaphy did puppy eyes. Not because you ordered me to.

Me: Okay.

Manaphy: Yeah!

Poromon: If you must know I'm trying to break the hacky sack record and figure out this equation too.

Fluttershy: What is it?

Poromon: It's this.

He showed us an equation that Fluttershy knows.

Me: Looks like a trigonometry equation that I solved in school.

Fluttershy: And I know this equation too. Mr. Cranky Doodle had us work on it when we were in math class.

Me: Really Fluttershy?

Fluttershy: That's right.

Poromon: Can you show us Fluttershy?

Fluttershy: Of course.

She picked up a piece of chalk.

Fluttershy: Go ahead. Make. My. Day.

She wrote down a very complex trigonometry answer and Poromon looked at it and saw that SHE WAS RIGHT!

Poromon: She's right!

Me: Wow!

Lincoln: Nice job Flutters!

Qin: Yeah!

Outback: Hacky sack?

Me: You know one of these.

I showed a sack.

Poromon: Observe.

Me: It's not easy.

He demonstrated and bounced it on his feet.

Lynn: I remember that!

Lynn did so too.

Me: See it's not easy.

Outback: Wow that is fun!

Me: Yeah. But Poromon that was a genius ploy to use a wormhole generator trick. It was almost foolproof.

Poromon: Drat. I'm never going to get to forty-three again.

Lincoln:...THAT'S what 43 means?!

Me: It's a record. He wants to break it.

Zilius Zox: Poromon, I assure you that the whole spying on you thing was J.D., Lincoln and Girl Jordan's idea.

Me: WHAT!? It wasn't my idea!

Zilius Zox: Oops right. It actually was Manaphy's idea.

Poromon: Does it matter whose idea it was? Next time, respect my privacy.

Nico: What's going on here?!

Nico came.

I told him the truth and everything.

Nico: Ah so that's what this was all about. Poromon trying to break the hacky sack record and solving a math problem.

Me: Fluttershy did the math problem with her skills from Trigonometry which was really amazing.

Nico: Very impressive. But Poromon what did we say about keeping secrets?

Horsea: Wait. Where were you the whole time?

Nico: I was out on a jog. Just got back 5 minutes ago.

Horsea: Oh. OKay.

Poromon: It wasn't really a secret. It was more like a private place

Nico: I see. Next time fill us in.

Poromon: Okay.

Nico: Good. I'm amazed that Fluttershy knows all about trigonometry stuff. That is really advanced stuff.

Me: It sure is.

Fluttershy: It was tough to figure out but you get the hang of it from great friends.

Me: That is true.

Nico: And is that an alien prop?

Me: Yes it is.

We told Nico everything about that.

Nico: WHOA! That is crazy. But that was really genius.

Poromon: Thanks.

Nico: Yeah.

Me: But I assure you the Spy Camera was not my idea.

Lisa Loud: It was mine.

Me: Lisa has had a very unhealthy habit of putting cameras in private places like the bathroom and all that. Take it from me. I've known her doing that ever since I moved here.

Nico: I see. And I remember hacky sacks!

Nico took a hacky sack and did it perfectly.

Nico: I did all these years ago and they were fun.

Me: Yeah they are fun. And also Poromon, to be honest 43 is not the record. The most ever done was 63,326 kicks.

Lincoln: WHOA! Good luck trying to top that.

Camie: I agree there!

Nico: I see. And I remember hacky sacks!

Nico took a hacky sack and did it perfectly.

Nico: I did all these years ago and they were fun.

Me: Yeah they are fun. And also Poromon, to be honest 43 is not the record. The most ever done was 63,326 kicks.

Lincoln: WHOA! Good luck trying to top that.

Camie: I agree there!

Poromon: To me, 43 is a good enough record to me

Me: Oh okay.

Qin: Yeah.

Later we were back to watching TV.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Alien Empera, and he's on the attack and causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: So, you've finally made your move, Alien Empera.

Lincoln sounded the alarm.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency: I just had a vision and I saw who it was that we're going to confront today: it was Alien Empera, and he's on the attack and causing havoc.

WE GASPED!

Sandbar: I knew it.

Varie: Same here.

Hunter: (German Accent) Now, we can destroy that monster here and now.

Nico: And put an end to some of your unfinished business. Alright, team, let's go, we're off to Japan to help Mirai and the team destroy Alien Empera once and for all.

Lincoln: That monster's done terrorizing the galaxy, this is where he dies here and now.

The previous group came

MetalSeadramon: Can me, Seadramon, Black Manta, Goro, Puppetmon, Count Spankulot, David Cain, White Lightning, Lythos, and Manta Bayarsh go with you guys?

Nico: Yes you all can come with.

Qin: Yep.

Me: Varie this is gonna be awesome.

Varie: I know. I'm excited for this.

Hunter: Me too!

Nico: Yeah!

Brimstone: Boss, which Gene Slammer do you think you'll meet next?

Nico: Garbagemon next.

Me: Oh good god! That one is gonna smell like shit!

Xenia: No kidding there!

Camie: Yeah!

Puppetmon: Yeah those were not one of my favorite henchmen digimon there.

Me: I see what you mean.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than our old enemy, Sindri Myr, The Chaos Sorcerer from Warhammer 40,000, and he's come back from the dead thanks to Anti-Monitor and he wants revenge on us. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli, and this proves what Caleb Maxwell said is true: the figure that we saw is none other than our old enemy, Sindri Myr, The Chaos Sorcerer from Warhammer 40,000, and he's come back from the dead thanks to Anti-Monitor and he wants revenge on us.

WE GASPED!

Me: WHOA! So the Chaos Sorcerer Sindri Myr himself decided to show after all this time and ally himself with Empera to boot!

Suddenly, we saw The Royal Defenders and Ed Cowart with belts of ammunition strapped to their chests, grenades and guns holstered on their hips and waists, and they have machine guns and massive greatswords holstered on their backs!

Nico: HOLY SHIT! You guys are definitely ready for war!

RD Lincoln: After everything Sindri Myr did to us, he deserves to suffer greatly!

Camie: Wait he affected them?

Me: Sindri Myr is the one who corrupted them in Universe 23 and the reason we went into war against them back then.

Nico: He's right. And this time he is going to pay. He deserves it.

Lincoln: That he does, now to make sure he doesn't try anything to corrupt you guys again.

Lincoln chanted an incantation, and RD Lincoln and his siblings have crosses and Enochian runes surrounding the crosses on their foreheads, but they're not the only ones: we also have them on our left arms as well.

RD Lori: What was that?

Hunter: (German Accent) I know that spell from anywhere, it's an ancient incantation that's said to protect innocent people from the corruption of The Chaos Sorcerer.

Me: That's so awesome!

Lincoln: The spell will last until we finally destroy Sindri Myr.

Me: Good thinking.

Nico: That's more than enough time, Lincoln, thanks. Alright, team, let's go, we're heading to Japan to help Mirai and the team destroy Alien Empera once and for all!

Lincoln: He's terrorized the galaxy for far too long, and now, this is where his reign ends here and now, and once we get done with that monster, you're next, Sindri Myr.

Varie: For far too long, you've terrorized the world and beyond with your malicious plans of bringing chaos, and for what you did in corrupting The Royal Defenders and turning them against the world, you will pay the ultimate price.

Sandbar: For sure. Mirai, everyone hang in there, we're coming.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Japan to help Mirai and the team destroy Alien Empera, and once we get done with him, we're also going to destroy our old enemy, Sindri Myr, The Chaos Sorcerer, and we'll make sure he never ever comes back!

We were off to Japan.

We arrived.

Me: Here we are.

Nico: Yep. Japan.

Black Manta: We should call Red X.

Me: Good idea.

Red X then came.

Red X: I'm here guys.

Me: Awesome timing.

Hibino: Hey guys! You all made it!

Me: We sure did Hibino.

Varie: Glad you're okay.

Hibino: Lets talk more at the base. We have so much to tell you.

Me: Okay.

We went to the base of the Mebius Ultraman.

We arrived.

Hibino: Here we are.

Me: Awesome.

Magma: Hibino, is Mebius Shoot one of your attacks?

Hibino: Yes it is.

Me: That is awesome and cool. We owe you big for helping us last time.

Count Spankulot: (Transylvanian Accent) You helped fend off Gargorgon.

Hibino: That was so awesome.

Me: It sure was. (Sees bandages on Count's hands) Oh man Count what happened to your hands? They're all bandaged up and bloody. Wait. You must've spanked Harley Quinn's evil parents to the point where it drew blood and their butts fell off

Count Spankulot: Oh yes I did! I delivered the hand of justice to them. But I hurt my hands bad as a result.

Tricloid: J.D. can heal Those hands

Me: Yes I could.

I had my hands glow and they were healed.

Me: There.

Count Spankulot: Thank you J.D.

Me: You're welcome. Next time you should use a paddle like Ol Spankful.

WHAP! PAINFUL SCREAM!

White Lightning: Like what Slinkman does.

Nico: Yeah.

Count Spankulot: I'll look into that.

Me: Okay.

Hibino: Yeah. So I take it you heard about Empera having a new ally?

Me: Yep. Sindri Myr. He's an enemy of the Royal Defenders.

RD Me: I told them all about what happened that lead to the war and it was crazy.

Mushi: He was the one who brainwashed them

Me: And the reason why Universe 23 was in a lot of turmoil. Leading us to ignite a war with them. They were what we would have turned into if Dark Orb Contamination got out of hand.

Hibino: I see.

Qin: Yeah that was nuts.

Camie: That was horrible.

Lythos: And what would've happened if the Bad Luck Travesty happened

Me: Yep.

Hibino: Yikes.

Ace: Lincoln told me all about that. That was awful.

Me: It was.

Camie: Yeah.

DANCE OF THE SUGAR PLUM FAIRY PLAYS

Poromon came out in a fairy costume carrying two bottles of beer.

Poromon: (to the Ultraman Mebius team) Hello there! I'm the beer fairy! Come to give you guys two bottle of beer!

Indigo Zap: He'll put one under your pillow if you're good.

Me: Yeah he sure will.

Hibino: (LAUGHS) That is really cute. But we don't drink sorry.

Poliwag: Aww (Puppy eyes) Pwetty Pwease.

Nico: Poliwag that's enough.

Indigo Zap: (LOUD FART) (THUNDERCLAP)

Lightning shot out of her butt.

Indigo Zap: Oops sorry.

Hibino: Did you just fart?

Indigo Zap: Sorry. Yeah some of us had big boom boom bean burritos for lunch.

Mung: OH MAN!

Me: (LAUGHS) That is funny! Too bad you couldn't do that to a certain trailer.

Hibino: What trailer?

Me: Oh boy. Here it comes.

Manaphy: THIS TRAILER OF AN ABOMINATION! (shows trailer close to Hibino's face) HERE! LOOK AT IT! IT'S UGLY, ISN'T IT?!

Hibino: WHOA MAN THAT IS HORRIBLE!

Poromon: (shows trailer close to Ryu Aihara's face) YOU LOOK AT IT!

Ryu Aihara: OH BARF!

Poliwag: (shows trailer close to Marina Kazama's face) YOU LOOK AT IT!

Marina Kazama: THAT IS HORRIBLE!

Horsea: (shows trailer close to George Ikaruga's face) LOOK AT IT!

George Ikaruga: THAT IS DISGUSTING!

Jirachi: (shows trailer close to Konomi Amagai's face) LOOK AT IT!

Konomi Amagai: I THINK I'M GONNA BE SICK!

Tentacool: (shows trailer close to Teppei Kuze's face) LOOK AT IT!

Teppei Kuze: I'M GONNA HEAVE!

Mascots: LOOK AT IT! LOOK AT IT! LOOK AT IT! WE WANT ALL OF YOU... TO FUCKING LOOK AT IT!

THEY SCREAMED IN FRIGHT!

FWOMP!

THEY FAINTED!

Manta Bayarsh: This was actually used as a combo earlier!

Hibino: Wait was that the trailer for Blood and Honey?

Me: Yep.

Glumshanks: It's the movie where Pooh and Piglet become murderers!

Me: Yeah. After we helped the Dragon Knight Kamen Riders we did a huge lawsuit against that movie and banned it.

Hibino: Wait I remember seeing that! That was crazy!

Me: It was.

Hibino: And how come you guys didn't give them the Black Gates?

Me: Because the people that made that movie were innocent people and our code STRICTLY Forbids us from harming the innocent. We're here to protect the innocent. Not harm them.

Nico: That is something my Universe 666 self would have done if given the opportunity.

Hibino: (to Pooh) I'm sorry you got disgraced by that

Pooh: It's okay everyone. But thank you for your concern.

Hibino: You're welcome.

Suddenly, Lincoln had a premonition: in fact, he has two of them.

Lincoln: WHOA! Guys, we are in for double trouble: I just spotted Hunter's Akuma and Varie's Akuma.

MY JAW AND NICO'S DROPPED!

CLANG CLANG!

ELI SHUT OUR JAWS!

Me: What the?! Two Akumas?!

Nico: Oh man! Who's Hunter's Akuma?

Lincoln: His name is Chum Wienerschnitzel, the Hypothetical Akuma of Hunter Drake Michaelson, he's a living sausage and also he's a chef and a master of chum and sausages. He was made because of one of his enemies hating his food and vowed revenge on his enemies by force feeding them chum.

WE GASPED!

Lincoln showed a sketch of him on his sketchpad, and we saw he's a living sausage with brown wings!

Hunter: (German Accent) Mein Gott!

Caleb Maxwell: And I know the person who hates his food, his name is Adam Schneider, he like Hunter is from

Germany, but he despises Hunter with a blazing vengeance, he flat out hates him and his guts. Adam did a ton of nasty things to Hunter, but every time, Hunter blasts him with his elemental powers, and one time, he blasted Adam with a fire blast and his clothes got burned off and was left butt naked, and we exposed his actions to the principal expelled him from school and because of how dangerous he is, he was sent to prison for life.

Me: Yikes!

Lincoln: And Varie, your Akuma's name is Dr. Varyll and Mrs. Hydia, the Hypothetical Akuma of Varie and she is a SPLIT PERSONALITY Akuma. Like the famous Dr. Henry Jekyll & Mr. Hyde she has 2 personalities: 1 is her good self who is kind and loving and sweet and giving. The 2nd is her most EVIL SIDE! And that is Mrs. Edwina Hydia and she is ruthless, sadistic and as insane as 100 Cletus Kasady's. She is super strong and vicious and she has the power to kill anyone that gets in her way and tear them apart with extreme savagery. She was made because of a monster that was hurting J.D. and she became this to get revenge on that monster.

Lincoln showed a sketch of her on his sketchpad, and we saw that one was a beautiful girl with a purple dress, and the other was absolutely vicious and savage!

WE GASPED!

Me: My God. Another Jekyll and Hyde Akuma, but this time, it's for Varie.

Nico: Oh man.

Nicole: Dad, if we ever find that monster, we will make him pay for this.

Caleb Maxwell: And if we ever run into Adam, he's gonna wish he stayed in prison forever. I've got a few buckets of chum with his name on it.

NICO TURNED GREEN IN THE FACE AND BARFED!

VOMITVILLE!

Nico: Dang it, J.D.! I need to get rid of that!

Me: I know.

Allie Maxwell: Let's take care of those two Akumas, and then, we get after Alien Empera and Sindri Myr.

Nemo: I'll talk with Hunter's Akuma.

Me: That leaves me with Varie's Akuma.

Nico: Good idea.

Caleb Maxwell: If they get violent, I'm gonna tie them up with ropes and send them to Vypra.

Me: Yeah.

Nadira: Two Akumas this time?!

Me: Yeah no kidding! This will be awesome! Nico you better swallow your pride.

Lana: I'll eat that Chum sausage.

Nico: (VOMITS ALL OVER MAY)

May: HEY!

Me: OH SICK!

May: LETS JUST GET THOSE AKUMAS BEFORE I TURN INTO A BARFBAG!

Me: You heard the lady!

We were off.

We went to the park.

We got to searching.

Puppetmon: They should be here somewhere

Me: Look there!

We saw people CHUCKING BISCUITS!

Me: YUCK! Chum Wienerschnitzel is close.

We saw him!

Me: Look there! That's him!

Hunter: Mein Gott! I can't believe mein Akuma is a gross sausage.

Lana: A Tasty chum sausage.

Chum Wienerschnitzel: (German Accent) Ahh guten tag everyone.

Poromon: Hunter? Is that you?

Chum Wienerschnitzel: Ja Poromon it's me.

Me: That is one disgusting sausage.

Chum Wienerschnitzel: It's because of that monster.

Me: Adam Schneider right?

Chum Wienerschnitzel: Ja! He will pay!

Qin: YEAH!

Poliwag: You need to calm down!

Chum Wienerschnitzel: Not till that monster pays!

Me: Then we'll stop you.

I fired waves of fire and blasted him.

Red X: Guess we got no choice.

Me: Lets get him.

I fired waves of fire and blasted him.

Red X fired blasts of energy and blasted him.

Chum Wienerschnitzel: My turn!

He fired chum blasts and they went into Nico's mouth and he swallowed!

Nico: OH NO!

Then NICO HURLED ALL OVER MAY AND DRENCHED HER IN VOMIT AND MAN OH MAN WAS IT BAD!

Lana then jumped and ate Chum Wienerschnitzel in one bite!

Lana belched.

Nico still was hurling and May drenched May in throw up,

Me: YUCK!

Nico: Oh boy.

May: Nico I am going to rip your stomach out of your body!

Nico: Sorry!

Horsea: Who's next?

Varie: My Akuma.

Me: I think she is coming now.

We saw Varie's Akuma, Dr. Varyll

Me: Dr. Varyll, I presume?

Dr. Varyll: (British Accent) That is correct J.D. my good man.

Varie: Boy I look beautiful like this in that dress.

Dr. Varyll: Indeed.

Manaphy: Just come quietly.

Dr. Varyll: I would if I could unfortunately.

She then drank a red potion and then she groaned in pain and then screamed!

Qin: WHOA!

She changed into a monster and was laughing like a fucked up lunatic!

Me: Mrs. Edwina Hydia, I presume!?

Mrs. Hydia: (LAUGHS) NOW YOU DIE!

Maria: Bring it on!

Varie punched her in the face and Maria blasted her all over.

Qin fired waves of lightning and blasted her all over!

Me: Where is Candle Jack!?

Lola: YEAH!

Varie: I knew we were forgetting someone. But I look terrifying as this!

Candle Jack: Here I am!

Me: Perfect!

Candle Jack: Whoa! Is that Varie's Akuma?

Me: Yep. She's a split-personality Akuma named Dr. Varyll and Mrs. Edwina Hydia.

Candle Jack: Ooh like a female Dr. Jekyll and Mr. Hyde.

Me: Yep.

Candle Jack: Let me help here.

He fired waves of fire and blasted her all over.

We blasted her all over.

Me: Okay you monster! It's time for you to go cold turkey!

I fired waves of energy and reverted her back to Dr. Varyll.

Me: There. She can be perfect for both the M.O.E. and the Redemption squad.

Maria: Awesome idea.

We sent her to the M.O.E.

Maria: Here May.

She washed her off.

May: Thanks Maria.

POW!

She punched Nico in the stomach and kicked him in the crotch!

Me: OOOH! Ouch!

May: Babe, next time, puke somewhere else!

Nico: SORRY!

Me: Oh god! Lets just get the usual battles out of the way before May kills Nico

Qin: Yeah!

Shockwave: May, you know it's illogical for Nico to not puke when he hears the word chum. Just like it's illogical for you not to get angry when someone steals your food.

May: Okay you're right on that Shockwave.

Lola: Yeah.

Shockwave: I speak nothing but facts and logical arguments.

Goro: Which is a bit scary,

Me: But it does help.

Nico: Yeah.

Then Heat Wave, Po Kong, Titanium Toenail, Melter, Touch and Go, Stinky Butt, Titania, Zexion, Zs'Skayr, and Biowulf came.

Nico: Heat Wave, Po Kong, Titanium Toenail, Melter, Touch and Go, Stinky Butt, Titania, Zexion, Zs'Skayr, and Biowulf.

Heat Wave: You need time to get the barf out of your system?

Nico: Yes, please!

Titanium Toenail: My advice? Do it in the bathroom.

Melter: It'll be less messy.

Nico: Yeah you're right.

Hibino: I would have told him but he wouldn't have gotten there in time.

Me: Oh boy

Mr. Go: We heard you fought an old enemy of May's.

Nico: We sure did. Her name was Laura Fletcher. Ugly Story behind it.

Po Kong (to Nora): You should take care of that Alolan Raichu

Nora: I will.

Me: Yep.

?: I agree.

DYSOTRON from episode 8 of Dino Thunder came!

Dysotron attacked Reefside and was first seen when the Dino Thunder Rangers spied him blasting lightning beams the city after cresting a hill.

They then summoned the Thundersaurus Megazord but Dysotron used his power to transport the Rangers into the Arctic. Luckily, they outsmarted him and stunned him with a spin of cold air before attacking him with their Ptera Rang, returning them to the city.

The Rangers then used their Tricera Fist and Tyranno Tail to knock him back and prevent him from sending them somewhere else.

They then shot him with a massive fireball and then powered up the Tyranno Drill to destroy Dysotron. He tried to teleport but this apparently failed and Dysotron was destroyed for good.

Tommy Oliver: Dysotron!

Dysotron: Been a while rangers.

Me: I remember you! You were attacking the city from a hill but you only had a minor roll in that one.

Dysotron: I know! That was not fair.

Me: I know. But it's not fair you didn't get a full episode.

Dysotron: Well, at least this makes up for it

Me: It sure does.

Qin: Yeah.

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

Laura Wynn: Yeah that was funny.

Sari: It sure was but it was also a math problem he was trying to figure out.

Fluttershy: Yeah that was very interesting to figure out. It was for something I once did in trigonometry.

Lilja: (Icelandic Accent) Yeah that is complex for me.

Guarding the entrance was ROBERUGA!

Hunter: Mein gott! Roberuga!

We hid and then saw ALIEN EMPERA!

Me: There he is.

They went to face him and Sindri Myr was with him!

Alien Empera: Ahh Candle Jack, Vergo and Ruby Knight. Nice of you all to come.

Candle Jack: It's nice to see you.

Alien Empera: (to Candle Jack) Before I kill Ultraman Mebius, how about I send you back to the afterlife?

Ruby Knight: Oh you wouldn't want to do that. Because our friends wouldn't be too happy about that.

Sindri Myr: Oh and who would they be?

Then out came the spirits of nebulae and they swirled around them both and then converged and then...

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMMMMMMM!

A massive fiery explosion blasted off above them and then a Phoenix Cry was heard and then we came out!

Me: Alien Empera and Sindri Myr. So we finally meet.

Hunter: Remember me?

Alien Empera: YOU! Hunter you are going to pay for everything you did to me!

RD Me: Sindri Myr, you will pay for corrupting my friends and locking me in that prison!

Lincoln: YOU TURNED US INTO WARMONGERING MONSTERS! You got us to hurt so many people!

Sindri Myr: (to the Royal Defenders) I may have corrupted you all. But you were the ones who punished the Disk Wars Heroes as well as any others that you didn't like, no matter if they were heroes or not.

Ed Cowart: And that was ALL YOUR FAULT! It was your fault to begin with!

J.D. 4: Let me speak to him too.

Me: Okay.

I formed a hologram of me from Hunter's universe from my crest.

J.D. 4: I would say it's nice to see you again Sindri Myr! But I would be lying.

Sindri Myr: YOU! You are with them too J.D.!?

J.D. 4: That's right! I now merged with the J.D. of this universe and I came and told them all about the atrocities you did in my universe. But I didn't know about everything you did in other universes! Especially all the crimes you did in Universe 712 for Tartarus.

Sindri Myr: I'm impressed you remember that J.D.

J.D. 4: Well this time no one is going to remember you after today!

Me: That is right!

Alien Empera: X Borgs, Indavers, Kudakks, attack!

An army of X Borgs, Indavers, and Kudakks appeared

Me: X-Borgs, Indavers and Kudakks! Nice!

I fired waves of energy and blasted them all over and massive fiery explosions Blasted off all over!

The Mebius Team got jumped by them and The Mebius team lay defeated at the hands of the X Borgs, Invaders, and Kudakks.

Alien Empera: (laughs evilly) How does it feel to know that all you've fought for is about to be for nothing?

POW!

I punched Empera in his face and knocked him down.

Poromon: (pecks an Indaver) Oh no! What do we do?!

Sandbar, Wendy, and Varie got an idea

Sandbar: Everyone in the audience! Lend the Ultraman Mebius team your strength!

Varie: They get stronger with your support!

Wendy: (Poliwah Accent) When we give the signal, share your energy with the Ultraman Mebius team. Okay? Ready...

go!

Everyone in the audience began sharing their energy with the Ultraman Mebius team. And soon, Hibino found the strength to get up.

Hibino: Sorry, Alien Empera. But we're not done yet!

With that, Hibino punched an X Borg, knocking it to the ground.

Alien Empera: WHAT!?

Sindri Myr: Impossible!

Hibino: Thanks for the help, everyone.

Ryu Aihara: We got a lot of fans out there.

Marina Kazama: I had no doubt about it.

George Ikaruga: Me neither.

Konomi Amagai: We still have to take this dirtbag down.

Teppei Kuze: So what are we waiting for?

Me: It's time to end this!

Alien Empera: I WILL HAVE MY REVENGE ON YOU AND MEBIUS FOR RUINING MY PLANS TO RULE THE GALAXY, HUNTER DRAKE MICHAELSON!

Sindri Myr: I don't care about your ruling over the galaxy, all I desire is to bring eternal chaos to everything in existence! As far as I'm concerned, you're nothing more than a loose end, Empera!

Sindri Myr decided to double cross Alien Empera and tried to use his power to corrupt The Royal Defenders again, but it didn't work!

Lincoln: Nice try, Sindri Myr, but I knew you were going to try that again. So, I decided to put a stop to that.

Varie: Now, it's high-time for you both to die here and now.

Sandbar: You've both lived for far too long.

Wendy Lebinomininsky: (Polish Accent) This is where your desires to rule the galaxy and bring chaos to all end here.

Sandbar: Let me, Varie, and Wendy transform with you guys!

Troy: Sure thing, Sandbar!

Super Megaforce Rangers: Super Mega Mode!

Poromon: (with Cutanner on his head) Yay!

Poliwag: (with Ricky on his head) Woohoo!

Will: We love this song!

Stacey: DARK CHANGE!

Saber Riders: Henshin!

With that, Kazuma pulls what looks like a strangely high-tech belt buckle and what looks like a playing card, an Ace of Spades, displaying a beetle of some kind with the Spade symbol on it's back and text reading "Change Beetle", before slipping the playing card into a slot on the belt buckle. He then slams the belt buckle onto his waist, causing a stream of cards to fly out of one end and connect to the other, forming the actual belt. Then with an arm raised to the sky, he lets out his battle cry.

Kazuma: Henshin!

(At his transformation cry, Kazuma pulls on a handle on the right side of his belt buckle, causing the front plate to flip around, revealing a red background and golden Spade symbol)

Blay Buckle: Turn Up!

As the Blay Buckle announces that, a blue energy card bearing the same beetle and Spade symbol emerges from the Buckle, which Kazuma immediately runs through, generating his suit. Primarily blue, but covered in silver armor with red detailing revealing a Spade symbol, and a head that kind of looks like a silver spade on a blue head with large red eyes, carrying a sword with a gold sided blade, some sort of counter set to 5000 and a silver Spade atop a red background on the hilt.

Sakuya: Don't leave me out.

Sakuya pulls out a device similar to the Blay Buckle, and a card similar to Kazuma's "Change Beetle" card, only is a Diamond suit Ace rather than a Spade, and is labeled "Change Stag" rather than "Change Beetle". Just as with Kazuma, Sakuya places the card into the Blay Buckle like device before placing it on his waist, forming the belt from cards just as before.

Sakuya: Henshin.

Now just as Kazuma did before, Sakuya pulls a switch on the right of his belt device, causing the panel holding the card to flip over, revealing a green background with a gold diamond on it

Garren Buckle: Turn Up!

With the announcement made, a blue card-like screen featuring the stag beetle from the "Change Stag" card appears from the Garren Buckle, and passes over Sakuya, providing him his suit of primarily red and silver, with two silver horns representing the pincers of a stag beetle emerging from above the green eyes, and forming a red and gold gun, with a similar counter to the one on Kazuma's sword, in his hand.

Mutsuki pulls out a gold and violet buckle with a clear plastic sleeve on one side, and another card, the fourth Ace, Ace of Clubs, showing a green and violet spider marked with the Club symbol, with the text "Change Spider" written upon it. The card is then immediately placed into the sleeve on the buckle before placing it on his waist.

Mutsuki: Henshin.

With that, Mutsuki hits the side of the belt, opening it up, revealing a purple Club symbol.

Leangle Buckle: Open Up!

As the Club symbol is revealed, a violet energy card with the same spider symbol on it emerges and covers Mutsuki, generating his green and gold suit with a bishop style helmet and a case of some sort on his right hip, holding a giant staff with a counter similar to Kazuma's sword and Sakuya's gun, with a giant club symbol on the end of it.

Hajime takes out a card, yet another Ace, but this time that of the Suit of Hearts, with "Change Mantis" written on it, showing a Mantis contained in a heart of pink amber.

Hajime: Henshin!

Hajime then scans the card through the split in the heart on his belt buckle, causing a shadowy energy to engulf him, consolidating into a black and gold armor with a mantis style head, with the heart symbol acting as a compound-eye style visor, carrying a bow)

Chalice Rouzer: Change!

Varie: That's right, and as for you, Sindri Myr, you have plagued the world and beyond for the last time, your desire for chaos across the world and beyond has led to the ruin of far too many lives for the last time!

Nagare Battou! Tategami Tenkai! Subete wo Hikiishi Tategami! Hyoujuusenki! Gao! Long Get!

Kazuma: Time for me to use Blade King form!

Sakuya: I'll use Garren Jack Form!

Kazuma and Sakuya remove cards from their Rouze Absorbers. Both take out a Queen of their suit, "Absorb Serpent" for the Queen of Diamonds and "Absorb Capricorn" for the Queen of Spades, but Sakuya grabs a Jack of Diamonds while Kazuma goes for the King of Spades, both placing their Queen cards in an empty slot near the top of the Rouze Absorbers.

Rouze Absorbers: Absorb Queen!

Now seeing their opportunity, Sakuya scans his Jack of Diamonds, labelled "Fusion Peacock".

Rouze Absorber (Sakuya): Fusion Jack!

Following suit, no pun intended, Kazuma scans his King of Spades, labelled " Evolution Caucasus"

Rouze Absorber (Kazuma): Evolution King!

With this process complete, the Rouze Absorbers gain a covering unique to their Riders. Sakuya's gains a green and gold diamond plate with a peacock on it, while Kazuma's is a blue and gold spade plate with a giant beetle on it. As these plates form, Sakuya's chest armor and parts of his helmet turn gold, revealing the same peacock design on the chestplate as six prongs resembling peacock feathers appear on his back. Once these prongs settle into a pseudo cape, a bayonette like blade forms on the end of Sakuya's gun. Simultaneously, every card in the Spade suit surrounds Kazuma, turning all of his armor gold while settling themselves into certain points across his body before changing the structure of his helmet to include two crown like points projecting from the sides, in addition to replacing the Blade Rouzer with an absolutely massive blue and gold sword with the signature Spade on it.

Hajime: Time to go Wild Chalice.

With his plan known, Hajime slides the card through the Chalice Rouzer.

Chalice Rouzer: Evolution!

As this happens, all of the cards in the Heart suit consolidate into Hajime, and in a red haze change his armor from black and gold to red and gold, with green replacing his visor, implanting the symbol of his King card onto his chestplate, while giving a spiky quality to his armor and conjuring two small sickle like swords in his hands.

Me: OH YEAH!

Mega Flygon charged at them and blasted Empera all over.

We fired massive energy waves and elements.

Maria Phoenix was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Maria Phoenix: NO! I control the power. It doesn't control me!

She turned into Moltres at will and fired fire blasts of intense power!

Kazuma: My team will attack first.

Hajime folds up the two sickle like blades, sticks them together and slots them into his bow, causing the Heart suit cards to come flying out of him and consolidating into one card marked "Wild", before he scans it against the gap in the two sickles.

Chalice Arrow: Wild!

Meanwhile, Sakuya and Mutsuki have both drawn three cards, though we don't get to see their numbers or identifiers and scan them into their gun and staff respectively.

Garren Rouzer: (As each card is scanned) Drop! Fire! Gemini! Jack Burning Shot!

Leangle Rouzer: (As each card is scanned) Rush! Blizzard! Poison! Blizzard Venom!

And all the while, Kazuma has pulled 5 cards from his armor and is inserting them into his giant sword)

King Rouzer: Spade Ten! Jack! Queen! King! Ace! Royal Straight Flush!

With their attacks ready, Sakuya's pseudo cape expands into wings, enabling him to fly. Icy energy begins to form around the tip of the Leangle Rouzer. Energy cards appear in front of Kazuma ready for him to slice through. Hajime draws back his Chalice Arrow, ready to fire. And then, Sakuya fires massive flaming bullets at Hiroshi, followed by Hajime's arrow, Mutsuki charging in and slashing right through Hiroshi, leaving him paralyzed from the poison in his strike.

Super Megaforce Rangers: Super Mega Cannon!

Kyurangers: All-Star Crash!

Orion: Super Silver Spear, Blaster Mode!

Tsurugi: Phoenix End!

Zenkaigers: Zenkai Cannon!

Rintaro: Blizzard Blades!

Rintaro delivers two light blue energy slashes to Hiroshi, partially freezing him in place. He then thrusts Suiseiken Nagare forward, producing a barrage of small icicles that strike Hiroshi.

Touma: Haou Souseizan!

Touma launches a silver energy slash with a galaxy trail at Hiroshi. At the same time, Kazuma charges straight into the Albino Joker with his King Rouzer in hand.

YOUR TIME IS UP!

Suddenly, the bell of judgement rang in his meaning his time was finally up! Then, the spirits of all those he'd killed appeared and grabbed him.

Spirits: Guilty!

The spirits found him guilty, and then, the kanji Black Abyss 黒深淵 appeared on his forehead, and he was being consumed by the black flames of The Black Abyss and he began to fade away: he was finally being erased by The Black Abyss!

Alien Empera: NO! NO! THIS ISN'T HOW IT WAS SUPPOSED TO END! DAMN YOU, MEBIUS AND HUNTER DRAKE MICHAELSON! DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (LETS OUT ONE LAST SCREAM BEFORE HE FINALLY FADES AWAY FOREVER)

GOOD RIDDANCE, YOU MONSTROUS BASTARD, AND DON'T YOU DARE COME BACK, YOU VIOLENT MONSTER OF CHAOS!

Everyone cheered as we holstered our weapons and we powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, longer tails and eleven massive and long orange wolf tails, 28th Century backpacks, large gold halos with four large orbiting gold rings on each corner behind the heads, large fifteen colored planets orbiting around the legs and fifteen black and red smaller planets orbiting around the waists, smaller planets orbiting around the fingers like rings, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and four sets of larger colored angel wings underneath the massive colored angel wings of Sandbar, Varie, and Wendy Lebinomininsky are permanent.

Hibino: Good riddance forever, Alien Empera.

Me: That monster finally paid the price for his crimes. Now, for one last piece of business.

We turned to the barrier Lincoln put up, and inside it was our next target: Sindri Myr.

Lincoln: Right, our last piece of business is The Chaos Sorcerer, Sindri Myr.

The barrier came down, and we saw Sindri Myr and he was absolutely enraged.

Sindri Myr: Damn you all, Team Loud Phoenix Storm, you've ruined my plans to finally bring eternal chaos to the world and beyond! YOU WIL ALL DIE!

Suddenly, the fifteen large planets orbiting around my legs, the fifteen large planets orbiting around Lincoln's legs, the twelve large planets orbiting around the Loud Sisters and Parents' legs, the fifteen large planets orbiting around Nico's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the twelve large dark blue planets orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the fifteen large aqua blue planets orbiting around Girl Jordan's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the twelve large fiery red planets orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the twelve emerald green planets orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the twelve large planets orbiting around Liam's legs, the eight large marine blue orbs orbiting around Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn Jr.'s legs, the eleven coral red orbs orbiting around Timon's legs, the twelve large blood red planets around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago's legs, the eleven large colored orbs orbiting around Twilight Sparkle and her friends, the eight large aqua and ocean blue orbs orbiting around Varie, William

Lincoln formed a massive and indestructible diamond barrier infused with absorption energy that protected all of us from powerful dark energy blasts that came out of nowhere and the barrier really stood strong against them and the dark energy blasts were absorbed into us and we grew even stronger.

Hunter: (German Accent) You deserved it, you monster, and now, you will pay for everything that you've done.

Suddenly, Hunter's blue eyes turned neon blue, and he was surrounded by a red, black, and yellow energy aura with stars, elemental forces, eagles, phoenixes, and angels, and as he approached Sindri Myr, he left red, black, and yellow energy, stars, elemental forces, eagles, phoenixes, and angels with every step.

Hunter: (German Accent) You have caused us far too much trouble to last an eternity, Sindri Myr, but now this is the end, your plan to spread chaos to the world and beyond end here, and now, you will pay the price for your crimes.

Suddenly, Hunter was surrounded by a massive vortex of red, black, and yellow energy with stars and elemental forces, there are eagles, phoenixes, and angels flying around the vortex, and in the vortex is a black phoenix with blood red eyes glaring at Sindri Myr: the blood red eyes of eternal death and eternal judgement.

Me: Incredible!

Nico: The last time Hunter transformed was when Frieza showed his ugly face.

Lincoln: Now, he's about to transform to destroy Sindri Myr, and make him pay for everything he's done.

Then, as the vortex faded, Hunter emerged, but he was changed forever.

We were amazed by the transformations of Sandbar, Varie, and Wendy Lebinomininsky, but when Sindri Myr saw it, he went mad and ran at them to kill them, but Sandbar, Varie, and Wendy Lebinomininsky fired a massive barrage of light cyan and moderate opal energy, aqua blue energy, orange energy, magic, water, ocean waves, fire, flames, earth, lava, turtles, Alicorns, mermaids, sea creatures, beasts, phoenixes, and angels, and they exploded as they hit Sindri Myr and sent him flying into a wall, he got back out, but now, he was enraged.

Red X (to Sindri Myr): Oh, I know the perfect way to kill you!

He fired red energy blasts and blasted Sindri Myr all over the place to kingdom-come.

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF SINDRI MYR TO NO END! NOW, THE BATTLE TO SAVE THE WORLD AND BEYOND FROM A REIGN OF ETERNAL CHAOS WAS ON!

Lincoln, Hunter Drake Michaelson, Sandbar, Varie, Wendy Lebinomininsky, Nico, and I and the rest of us went after Sindri Myr, and we fired extremely powerful blasts of rainbow energy, light cyan and moderate opal energy, aqua blue energy, orange energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Sindri Myr and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at her as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Hunter, Sandbar, Varie, and Wendy Lebinomininsky also did the same by firing colored energy slashes from their massive greatswords and gold-plated dragon claws, and he, Hunter Drake Michaelson, Sandbar, Varie, Wendy Lebinomininsky, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, and this was making Sindri Myr even angrier than ever.

Lincoln spotted The Monitor Orb embedded in Sindri Myr's head and he fired an energy dagger which shattered The Monitor Orb and we gained a massive power boost, and Sindri Myr screamed in such agonizing pain.

Hunter: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Elemental Firestorm International Bonds of Friendship Defender German Eagle Phoenix God Angel and Divine Elemental Firestorm International Bonds of Friendship Defender German Eagle Phoenix God Angel Hope)(German Accent) Let's use a Warhammer themed Final Smash to finish off Sindri Myr.

Mirai: You got it, Hunter.

Axel Adell: (Swedish Accent) Let's do it!

Lincoln, Hunter, Caleb Maxwell, Axel Adell, Khalyaka, Salar Pasdar, Andropov Zigfrids Yevgenievich, Tahara Udo, Matthias Feuchtwanger, Lateefa al-Dada, Nataša Marečková, Suwailim el-Noor, Woya, Leyati, Edwayl Mauroriane, Fletcher Connor, Atchara Paireerak, Maverick Wiseman, Kjell Skarsgård, Lennart Åkerlund, Gustav Sundström, Linus Sjöholm, Love Westermark, Gärdar Ekdal, Bansilal Abhedananda, Ajeet Chowdury, Anik Chowdhury, Jagannath Sastri, and all of Hunter's Friends: YOUR DAYS OF CAUSING CHAOS IN THE WORLD AND BEYOND ARE DONE FOR

Then, his spirit appeared.

Sindri Myr: YOU! YOU! I'M NOT FINISHED YET! I WILL RISE AGAIN AND ALL SHALL DESCEND INTO ETERNAL CHAOS!

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done here forever, Sindri Myr. YOUR TIME IS UP!

Suddenly, the bell of judgement rang in his meaning his time was finally up! Then, the spirits of all those he'd killed appeared and grabbed him.

Spirits: Guilty!

The spirits found him guilty, and then, the kanji Black Abyss 黒深淵 appeared on his forehead, and he was being consumed by the black flames of The Black Abyss and he began to fade away: he was finally being erased by The Black Abyss!

Sindri Myr: NO! NO! THIS ISN'T HOW IT WAS SUPPOSED TO END! DAMN YOU, ROYAL DEFENDERS AND HUNTER DRAKE MICHAELSON! DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (LETS OUT ONE LAST SCREAM BEFORE HE FINALLY FADES AWAY FOREVER)

GOOD RIDDANCE, YOU MONSTROUS BASTARD, AND DON'T YOU DARE COME BACK, YOU VIOLENT MONSTER OF CHAOS!

Everyone cheered wildly as we holstered our weapons and we powered down, and Hunter Drake Michaelson's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large fifteen red, black, and yellow planets orbiting around his legs and fifteen red, black, and yellow smaller planets orbiting around his waist, smaller planets orbiting around his fingers like rings, medium sized red, black, and yellow planets orbiting around his wrists and ankles, Third Eye, eleven massive and long brown wolf tails, and massive brown angel wings and four sets of larger brown angel wings underneath his massive brown angel wings are permanent, and the new bodies, clothes, weapons, jewelry, Third Eyes, longer tails and eleven massive and long orange wolf tails, 28th Century backpacks, large gold halos with four large orbiting gold rings on each corner behind the heads, large fifteen colored planets orbiting around the legs and fifteen black and red smaller planets orbiting around the waists, smaller planets orbiting around the fingers like rings, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and four sets of larger colored angel wings underneath the massive colored angel wings of Sandbar, Varie, and Wendy Lebinomininsky are permanent.

Hunter: (German Accent) And that is the end, your desire for chaos and destruction ends here and now, Sindri Myr.

Varie: Don't you ever come back again, you psychotic monster!

Sandbar: Rot in the fires of The Black Abyss forever!

Wendy Lebinomininsky: (Polish Accent) And may you never return.

Me: You got that right.

RD Me: It's finally over.

RD Lincoln: Sindri Myr's finally gone at long last.

RD Girl Jordan: He destroyed far too many lives for the last time, and now, this is where his reign of evil ends here and now.

Then, Lincoln's spell eventually wore off thanks to the death of Sindri Myr.

Nico: And with that, Hunter's unfinished business with Alien Empera is finally done, and we've seen the last of Sindri Myr.

Me: You got that right. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Lincoln: Ooh, I've got a good one: Arianna Westbrook, Gene-Slammer and Avatar of Marincess Basilalima.

Adriana Westbrook: I knew it was her next, and you guys are going to love meeting her, Arianna Westbrook is Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Basilalima. She's the second eldest sister of The Westbrook Sisters, and she's the second-in-command of The Marincess Water Princesses. Lincoln met Arianna Westbrook when she and the rest of us came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Arianna kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Arianna hates Lynn with a blazing passion, because that toxic super-aggressive superstitious belching farting gorilla polluted Lake Huron by dumping a dumptruck full of sewage into the lake, and she was laughing cruelly like the bitch she was, and enraged because of her behavior, Lincoln and Arianna blasted her with water and they even electrocuted her, and Lynn got so mad, she called Arianna a fish-faced bitch and Lynn said that she hopes that Arianna dies in a pool of her own blood and she'll dance on her remains. The audacity and utter malice of her threat made Lincoln see red, and he punched Lynn so hard in the face, he sent her flying back to the house, and when everyone heard Lynn's threat along with seeing what she did, Lynn got grounded for five months, and Luna, Laney, Leni, Lucy, Lana, and Lily dragged Lynn to her room and threw her inside a cage like the dumb gorilla that she was, and they turned to leave, but not before Luna gave her the finger, and that sent Lynn into a total psychotic tailspin of rage as she banged on the bars of the cage with her fists and beat her chest like a gorilla and roared like an animal!

EVERYONE WHO HADN'T HEARD IT BEFORE GASPED IN SHOCK AND HORROR! THEN, THEY GLARED AT LORI WITH ANGER!

Nico: Lynn Loud, of all the insidious, rotten, malicious things you've ever done to your own brother and his Guardian Angels, this is by far the fucking lowest!

Luna: Yep, you heard right, dude.

Laney: We really despised Lynn for what she did dumping a dumptruck full of sewage into the lake, and she was laughing cruelly like the misandrist toxic bitch she was.

Leni: But, what she did in calling Arianna a fish-faced bitch and hoping that Arianna dies in a pool of her own blood and that she'll dance on her remains, the audacity and utter malice of her threat made Lincoln see red, and he punched Lynn so hard in the face and sent her flying back to the house.

Lana: And when she was back inside, we tore her apart verbally, and for some of us, we also resorted to violence.

Me: I still remembered that day.

Varie: Me too, and I helped Lincoln, Arianna, and her sisters in cleaning up Lake Huron, and then, we went home and chewed her out.

Caleb Maxwell looked at his watch

Caleb Maxwell: It's time.

Allie Maxwell: Yeah. We'll see you guys back at home.

While we went back home and helped the Mebius team settle in, Caleb Maxwell, Allie Maxwell, and Marlene Maxwell headed to Lynn's Table and got to a table. Then, Claw Dane Drake arrived and sat at the table, as we ordered our food.

Claw Dane Drake: This is rather a quiet change to the restaurant of your uncle.

Caleb Maxwell: I've known about Uncle Christiano's past, and I've known of his associates. (Sighs) And this needs to be done, I need to put this chapter behind me for good.

Allie Maxwell: We all intend to put this chapter behind us, Caleb.

Marlene Maxwell: The same with me, honey.

Then, their food arrived and they enjoyed it, and they paid for the food and left and returned home to The World Tree Estate and Caleb Maxwell looked out into the distance.

Caleb Maxwell: (Narrating) A brand-new chapter lies ahead, the darkness and rage that weighed on my heart since my death eight years ago and my return from the dead eight years later finally faded after the truth was exposed and my eyes were open to the real truth about Dad's descent into crime, and finally, I made peace with Dad and he crossed over to the other side. But, as for Drake Maxwell, Nathan Daniels, Harold Devins, David Lawrence, Aaron Lowell, and the rest of Dad's money-sucking leech relatives, they were sent to The Black Abyss forever. Mom, Allie, and I will make sure Dad's legacy is remembered forever, but not as the head of The Syndicate, the crime organization that held New York in its grip, but as a family man who loved his family dearly and would do anything to keep that family safe from outside threats and from his own family who were responsible for so much evil and pain they caused in the past to both human and vampire.

Yuya: Time to summon my srongest monster!

HE SUMMONED ODD-EYES REBELLION DRAGON!

They fired waves of energy and elements and blasted Roberuga down.

He was beaten.

Yuya: What do you guys want to do while waiting?

Luan: Want to talk about which cards we got?

Yuya: Sure.

They went and did so.

Later we came back.

Yuya: Wow! What a battle.

Me: Yeah!

Brittney: We owe you big time Yuya.

Yuya: It was nothing Brittney.

Stinky Butt: That's another Ultraman enemy down.

Titania: And another Ultraman team recruited.

Zexion: (to Yuya and his friends) You guys did good too.

Yuya: We sure did!

Zuzu: That was fun!

Hibino: See you guys in 9 days.

Yuya: We'll be waiting!

Hibino then patted Yuya on the shoulder with a smile.

Zs'Skayr: We should celebrate.

Me: Good idea.

Biowulf: But first, does anyone still feel like farting?

Pinkie Pie, Indigo Zap, Loki and Rainbow Dash: (SUPER LOUD FARTS!)

Me: WHEW!

Pinkie Pie: PARDON!

Indigo Zap: Sorry!

Rainbow Dash: (LAUGHS) Sorry!

Nico: That was funny. But great job today everyone!

Varie: And this was fun. (To the viewers) Now we've seen the last of Sindri Myr and Empera.

Hunter: (To the viewers) Good riddance!

Me: Yeah!

We went to Lynn's Table and had a good meal. We later went back home and got Hibino and the team settled in. Later we went to sleep.

THE END

Alright, and for tomorrow, the next match-up is Travis Tackett VS. Demon Blood Influenced Travis Tackett

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Grand Rapids, Michigan, but we've got some really terrifying trouble: apparently, the home of Elena Brogan, is being haunted by the ghost of a man who used to live in the house back in the early 1900s, his name was Robert Daniels, a man who portrayed himself as a pastor who preached the word of God to the outside world, but the truth was far from his god-worshipping persona: in reality, he was an unfaithful man who committed acts of atrocious ungodly horror and his crimes were beyond horrific and any form of forgiveness, and when the truth came out about him, the people turned against him, and on the night of February 13th, 1938, they came to his house, dragged him out, and they administered their own form of justice: they lynched him and threw his body into the waters of The Tahquamenon River, but his spirit returned to his old home, and all who tried to move into his home were driven out in fear at the hands of the ghost of Robert Daniels.

An unholy and dangerous spirit from the past had returned still enforcing his ungodly horrific hold on his home, but we're not letting this go on any more, we're performing an exorcism to drive him out of the house and we're going to destroy him and send him to The Black Abyss, and we're going to meet Arianna Westbrook, Gene-Slammer and Avatar of Marincess Basilalima, she's Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Basilalima. She's the second eldest sister of The Westbrook Sisters and the youngest of Adriana Westbrook, and she's the second-in-command of The Marincess Water Princesses, an organization formed by Adriana Westbrook and the other Gene-Slammers and Avatars of the Marincess Duel Monsters, and their main goals are these: protect Lincoln from his enemies, protect the marine life all across the world's oceans, and to also help us. Lincoln met Arianna Westbrook when she and the other sisters came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Arianna kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Arianna hates Lynn with a blazing passion, because that toxic super-aggressive superstitious belching farting gorilla polluted Lake Huron by dumping a dumptruck full of sewage into the lake, and she was laughing cruelly like the bitch she was, and enraged because of her behavior, Lincoln and Arianna blasted her with water and they even electrocuted her, and Lynn got so mad, she called Arianna a fish-faced bitch and Lynn said that she hopes that Arianna dies in a pool of her own blood and she'll dance on her remains. The audacity and utter malice of her threat made Lincoln see red, and he punched Lynn so hard in the face, he sent her flying back to the house, and when everyone heard Lori's threat along with seeing what she did, Lynn got grounded for five months, and Luna, Laney, Leni, Lucy, Lana, and Lily dragged Lynn to her room and threw her inside a cage like the dumb gorilla that she was, and they turned to leave, but not before Luna gave her the finger, and that sent Lynn into a total psychotic tailspin of rage as she banged on the bars of the cage with her fists and beat her chest like a gorilla and roared like an animal!

Supergirl woke up to see Ralts staring at her.

Supergirl: Oh morning Ralts.

Ralts: Morning Kara. Time for Breakfast.

Supergirl: Oh. Right it's Whopper Pancake Tuesday. Be right down.

She went and got dressed and went to the table and I gave her a huge stack of pancakes.

Supergirl: Oh boy!

She got to eating.

Me: (LAUGHS) Man I love Whopper Pancake Tuesday.

Nico: Me too.

Eli: These are so good! (Eating) Yeah!

Nico: So this time we're going to meet Ruth's parents for J.D. Better him than me.

Me: I know but I'm not scared. Besides you guys will love her mom and dad and siblings.

Ruth Beer: Yeah my family is awesome and you guys are going to love meeting them.

Camie: I have a feeling this will be so awesome.

Nico: It sure will.

Laney: Man I love root beer as much as J.D. does.

Me: Who DOESN'T love root beer.

Twilight Sparkle: (LAUGHS) That is true.

Sunset Shimmer: Yeah it's good stuff.

Sunny Starscout: I agree.

Ace: I love root beer too. So good.

Eli: It sure is.

Ruth Beer: My parents make more than just root beer though. They make desserts from root beers and sodas.

Me: Yep.

Nico: Oh boy! Those sound so good.

Ruth Beer: Oh they are.

Ground Man: Looking forward to that one.

Nico: Ground Man, I want to thank you, Xandra, and your teams for coming.

Ground Man: No problem Nico. This is gonna be so fun.

Ground Scaravich: I agree there too.

Nico: Ground Scaravich, what do you like to do in your free time?

Ground Scaravich: If I told you, you probably would be disgusted by it.

Nico: Really?

Ground Scaravich: Yeah.

Nico: You can tell us anyway.

Ground Scaravich: Okay. I work at the sewage plant and collect balls of shit for making fertilizer.

Me: Well he is a dung beetle robot. What did you expect?

Nico: Okay, that's a bit disgusting but a good job nonetheless.

Lana: I think it's a good job too.

Ground Scaravich: Yeah it's good money. And that's right I am a dung beetle. And it's fitting.

Me: Yep.

Nico: Man yesterday was intense!

Lola: WHOA NO KIDDING! Wow!

Nico: We helped out the Mebius team.

Me: We sure did and that makes number 4 of the Ultraman Teams complete.

Aylene Carter: No kidding! That was so awesome.

Camie: It sure was.

Nico: Yep. Hunter's unfinished business is now done.

Varie: Yeah no kidding. My Akuma was cool though.

Nico: We also fought Sindri Myr.

Me: And brought justice to the Royal Defenders too.

Qin: We sure did.

Me: Yep.

Nico: And J.D.?

Me: Yes?

POW!

NICO PUNCHED ME IN THE HEAD!

Me: OUCH! WHAT THE FUCK WAS THAT FOR!?

Nico: You gave me your you know what!

Me: Oh my disease for C-H-U-M. Okay okay I'm sorry okay! I told Dysotron yesterday that I have a cure for you.

Nico: You did?

Me: Yeah. Trust me on this.

Nico: You better pray it will work or I will make sure I disembowel you!

May: Nico calm down down.

Me: Empty threat. But don't worry it will.

I grumbled.

Me: (Grumbling) Sore Chowderhead.

Maria: Is this the place?

Me: Yep.

We arrived at Ruth's house and it was a REALLY MASSIVE AND HUGE MANSION! It had an amazing garden and home to many fountains and more.

Nico: WOW!

Ruth Beer: Welcome to my humble abode.

Lola: Wow! Ruth your house is amazing!

Camie: It sure is!

Ruth Beer: Yeah because my family makes so much root beer, we are filthy rich. But also we make a wide variety of flavors of root beer.

Nico: Cool!

Lana: Boy this is awesome.

Me: Yeah it's cool.

Eddy got out a shovel.

Me: Eddy why do you have a shovel?

We went up to the door.

Eddy banged his shovel against the door.

WHAM WHAM WHAM WHAM WHAM WHAM WHAM WHAM WHAM!

AIR HORN HONK! DING DONG! DING DONG! DING DONG! DING DONG!

Me: Okay that was funny!

Eddy: Sorry I'm too lazy to knock or ring the doorbell.

Nico: Please tell me that got their attention

The door opened and out came Ruth's parents.

Ruth Beer: Hey mom and dad.

Frank Beer: Ruth! Welcome home!

Chloe Beer: Awesome to have you here.

Me: Hello Mr. And Mrs. Beer. Long time no see.

Frank Beer: Well J.D. so good to see you my boy!

Chloe Beer: My goodness you've grown into an amazing young man!

Me: I know.

Ruth Beer: Guys this is my mom and dad Frank and Chloe Beer.

Nico: Pleasure to meet you both.

Kids: RUTH!

Then 7 girls and 3 boys each with red, orange, yellow, green, blue, indigo, purple, black, brown and pink hair came and they hugged her.

Ruth Beer: Hey guys!

Strawberry Beer: Awesome to see you sis!

Orange Beer: Yeah we missed you!

Ruth Beer: I know.

Me: Hey kids! Been a while.

Kids: Brother J.D.!

They hugged me.

Lincoln: Wow! Ruth you have a lot of siblings!

Ruth Beer: I know. Guys these are my siblings. Strawberry, Orange, Banana, Apple, Blue Raspberry, Blueberry, Grape, Blackberry, Chocolate and Cotton Candy.

Nico: That is cute. You all named them after flavors of soda and fruit.

Frank Beer: Yes that's right.

Ruth Beer: Yeah. My real name is Butterscotch. But I like going by Ruth.

Camie: That is cool.

Maria: Hi there.

Banana Beer: Awesome to meet all of you!

Chloe Beer: Come on inside everyone.

We went in and we were drinking root beer.

Me: (Drinking Strawberry Root Beer) Mmm! Oh man this is so good.

Nico: (Drinking Banana Root Beer) Mmm! Boy all these flavors of root beer you make are all amazing!

Frank Beer: Yes it sure is.

Ruth Beer: Yeah. My family has been making root beer for years since 1900 and its been in my family for generations. We are one of the families that made Glendale, Wisconsin called the Soda Capital of the World.

Me: Yep it's true.

Lola: Boy that is awesome.

Laney: (Drinking Grape Root Beer) Mmm! Boy all these flavors are delicious.

Ruth Beer: Yep. My great great grandfather is the one who made Root Beer popular here.

Nico: That is amazing.

Lily: I'll say. And wow this grape root beer cake is amazing. (Eating) Mmm!

Chloe Beer: I'm so glad you like it.

Nico: Think we should've brought the mascots?

Me: They'll come when we face the baddie here.

Camie: Yeah.

Frank Beer: Indeed. So J.D. I take it you came to tell us about our daughter.

Me: Yes Mr. Beer. We found her on one of our rescues.

Nico: Yeah and J.D. like me is afraid you'll blow his brains out with a gun.

Chloe Beer: Oh goodness no! We wouldn't do that to him.

Frank Beer: Ah the old get your parents approval paranoia. I know the feeling. But J.D. you know I would never hurt you like that. Especially after all the good you and your friends have done for everyone.

Me: That is true.

Nico: Usually when we meet one of my friends I'm too scared to think straight to look at them. But not J.D.

Me: Yeah. But I would never hurt your daughter Mr. and Mrs. Beer.

Chloe Beer: We know you wouldn't. You have our blessings J.D.

Frank Beer: Indeed. Take good care of her.

Me: You have my word.

Frank Beer: Good.

Eddy: Wonder why we haven't gotten drunk yet

Me: It's root beer. It's soda.

Nico: Yeah you don't get drunk from it.

Eddy: Oh. That makes sense.

Then we heard a Pokemon Call. It was a familiar one!

Me: Wait I know that cry!

We went outside and we saw a GALARIAN ARTICUNO!

Me: Whoa! Galarian Articuno!

Maria: What's that doing here?

Me: No idea. But I think I might know.

Maria: One of the members of Sonya's team?

Me: Yeah.

Carol: Let me see. (Uses telepathy) (GASP) Gloria Haines!?

Maria: GLORIA!? She was turned into a Galarian Articuno!?

Me: Oh man! You know her?

Carol: We'll explain later! Maria lets go help her!

Maria: Lets do it!

They flew up to her!

Carol: Gloria calm down and let us help!

Maria: I think her mind's gone!

She fired laser blasts from her eyes.

They dodged them.

Maria: We got to calm her down.

Maria fired waves of water and Carol fired a Micro Oxygen ray blast and blasted her all over.

Me: Yeah! Hold on! (SNAPS FINGERS)

She fell and reverted back to a girl with purple blue hair, purple eyes and had Galarian Articuno in the middle of her forehead and had Galarian Articuno's wings and its tail and Carol and Maria flew and grabbed her and wrapped her in a blanket.

Carol: She'll be okay.

Maria: Lets bring her inside.

Me: Okay.

We did so.

We sat her on the couch.

She woke up.

Gloria Haines: (Groans) What happened? I feel like I got hit by a truck.

Carol: Gloria?

Maria: Are you alright?

Gloria Haines: Carol? Maria? (GASP) I thought I would never see you two again.

Carol: I know. Its been a while.

Gloria Haines: Where am I?

Me: You're in Ruth Beer's house in Wisconsin.

Ruth Beer: You were turned into a Galarian Articuno.

Me: Dark Gale did this to you.

Gloria Haines: (GASP) I remember!

She was in a dark purple jumpsuit and she was injected and in a lot of pain and busted out and then turned into a Galarian Articuno and flew off.

FLASHBACK ENDS

Gloria Haines: Oh man! That monster did this to me.

Me: You mean Elise Moonscar Elexton. She's an old enemy of mine and we're going to bring her down during the Ridonculous Race.

Gloria Haines: I will rip her apart.

Maria: Gloria is also a bang baby like me.

Me: Whoa!

Eli: She's a bang baby? Wow!

Nico: What powers do you have?

Gloria Haines: I have Elemental Manipulation. I can control fire, water, earth, wind, lightning, Sun, Moon, ice, lava, steam, poison, explosions, light, darkness, time, magic, gears, nature, skulls, metal and more.

Me: Wow!

Gloria Haines: I know. It's how I got the Superhero name Lady Element.

Nico: That is amazing.

Lana: I'll say.

Me: What were you doing when you were exposed to the Quantum Vapor?

Gloria Haines: I was heading home from the library to get ready for a test and then this loud explosion was heard and then this weird purple cloud rolled in out of nowhere and then it covered me. I felt really strange and then I went home and later woke up and then saw my room with mysterious elemental orbs floating around me and I commanded and controlled them and saw that the cloud did something to me. I had these powers. Which were amazing! I also saw myself floating off the floor and saw that I can fly too. I decided from there to help Static Shock in his adventures as Lady Element.

Me: Wow! That is amazing.

Qin: Yeah.

Maria: That was crazy for her.

Nico: How did you meet Carol and Maria?

Gloria Haines: I met them when we were in grade school. I met Carol when we were on our way to class and I helped her get rid of bullies that were causing Maria a lot of problems. I was taking self defenses classes and helped her take those jerks down. We became great friends after that. I helped Carol and Maria in many things. And I was also on the junior golf team with Carol. It was fun.

Nico: Wow.

Carol: We became known as the 3 Girl-Sketeers.

Me: Awesome team name.

Nico: What's your role in your spy team?

Gloria Haines: I'm the Elemental Mage of the Team. I use my powers to get rid of obstacles and all that in our way. But outside the team I like to be a superhero and help bust criminals. But I haven't been able to do that lately because I was so busy in my work as a spy.

Nico: Wow.

Carol: Yeah she was too busy with all that.

Lincoln: I know how that feels with Sam, Clover and Alex.

Me: Yeah.

Gloria Haines: I know. But Maria what happened? You were Aquamaria before and now you're cured.

Maria: I still have my water powers. But I was blessed by the Water Stallion of Tefnut.

Me: The Goddess of Water in Egyptian Myth. She cured her and reunited her with Carol. Carol saved her from herself.

Maria: Yep.

Carol: It's true. Even though Maria was made of pure water I didn't care what she looked like back then because she was still my best friend and sister. Like you Gloria.

Maria: I can't wait to introduce you to Horsea.

Carol: The 3 Girl-Sketeers are all back together.

Rarity: They sure are but lets get you some new clothes on you darling.

Maria: Oh right. Fashion Brigade lets give her the works!

They gave her awesome new clothes. She had blue and purple clothes and had her hair in a ponytail and had an elemental sword on her hip.

Gloria Haines: Wow! I look really amazing!

Maria: You sure do.

Me: Yep.

Frank Beer: I agree there.

Lincoln: Okay, gang, we're in for one really dangerous battle: we're here at Ruth Beer's house, but here's the dangerous part: we got word The Teriyaki Triad are here.

WE GASPED!

Me: Uh oh. That's not good. Wait weren't they those Chinese Mafia Leaders that Schnitzel defeated before?

Nico: Yeah.

Me: This is not good!

Lincoln: No, it's not, J.D. and here's where it gets even worse, they imprisoned one of Nico's friends in a Fortune Cookie.

Me: In a fortune cookie!? Weird

When Nico heard that, he got really pissed.

Nico: They...did...WHAT?!

Qin: I can't believe The Triad did this, when we find out who it was they imprisoned inside the fortune cookie, feathers are gonna fly! Lincoln, do you know how The Teriyaki Triad captured one of our friends? There's no way they did this alone.

Nico: Yeah!

The rainbow eyes on the shoulder blades of Lincoln's massive white angel wings and four sets of large white angel wings underneath his massive white angel wings glowed, and a vision orb formed in his left hand, and we saw who it was that did the deed: it was none other than the Evil Lori who once got turned into Kamen Rider Grimoire and the Evil Lynn who once got turned into another Dumbbelltron by Swartz, and they came back not by the hand of Anti-Monitor or Morgana Midnight Sparkle, they escaped from The Black Gates on their own.

Lincoln: You rotten little...!

Me: So the darknesses of Lynn and Lori are here too. Perfect! Now we can finish them.

Nico: So, that's who it was that did this?! Those bitches!

Lincoln: They were the ones who helped The Teriyaki Triad imprison one of your friends in a Fortune Cookie, because of you being friends with me. They do anything to piss me off to no end, you know what, when we find them, I'm gonna tear them apart!

Me: You got that right.

Suddenly, Lincoln had a premonition, and it's not good: it appears Morgana Midnight Sparkle and her minions have also brought back the Universe 666 versions of The Z-Fighters and the Saiyans, and she's sent them after us.

Lincoln: ARE YOU KIDDING ME?! MORGANA, YOU LITTLE...!

Me: What's wrong, Lincoln? Who did Morgana and her minions bring back?!

Lincoln: You're not going to like it one bit, J.D.: Morgana Midnight Sparkle and her minions have brought back the Universe 666 versions of The Z-Fighters and the Saiyans, and sent them after us.

WE GASPED!

Me: WHAT THE FUCK?!

Nico: SAY WHAT?!

Nico's mouth went wide open and his skeleton came out.

Qin: Of all the...! She just wants to make things even worse for herself and her minions.

Nico put his skeleton back.

Nico: I hate when that happens. I can't believe it, of all the nerve! Lincoln, I hope you absorb all of them again and send them all to The Black Abyss!

Lincoln: Believe me, I'm going to do just that!

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could.

Lori: You know, it's bad enough those another Dark Versions of me and Lynn helped The Teriyaki Triad imprison one of your friends, Nico, just to piss you, and mainly, Lincoln off, but now, Morgana and her minions brought back the Universe 666 versions of The Z-Fighters and the Saiyans! She literally is the worst!

Lincoln: She's going to die for this big time, Lori, she and her minions have committed too many blasphemies to last an eternity.

Me: That is for sure!

Frank Beer: So that's what we found outside. Follow us.

We went to the backyard and we saw a HUGE FORTUNE COOKIE!

Me: Whoa! That is a big cookie!

We went over to her.

Nico: (GASP) That's Joanna Liechtenstein. She's mine and Qin's friend from Leichtenstein and she has flower powers.

Me: Whoa!

We went over and tried to get her out. But it was harder than rocks.

Me: (GROANS) Geez! This is really strong fortune cookie crust!

Nico: Yeah!

Lana: I got this!

Lana then bit it!

CRUNCH!

She bit it and her teeth all fell out!

Lana: (MUFFLED) OUCH THAT HURT!

Han Solo: Boy it's like being trapped inside Carbonite.

Me: It sure feels like it Han.

Camie: Yeah.

I scooped up Lana's teeth.

Me: Here Lana. Maybe the tooth fairy can give you some dough.

Lana: Thanks.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more larger in muscle thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them until we finally kill them. (Sensed for The Teriyaki Triad) AHA! Gotcha! I just spotted The Teriyaki Triad, they're 20 yards away, and the Evil Lori who once got turned into Kamen Rider Grimoire and the Evil Lynn who once got turned into another Dumbbelltron by Swartz, are also there as well with your imprisoned friend, Nico. (Sensed The Universe 666 versions of The Z-Fighters and the Saiyans) And I just spotted Morgana's next sets of puppets.

Nico: Let's get those ducks, and Lincoln, you take care of those fucking bastards.

Lincoln: Got it.

Rarity heard a Pokémon cry

Rarity: Oh look here darlings.

We saw a Mega Diancie.

Me: Mega Diancie. Wow!

Qin: Cool! Fitting for you Rarity.

Rarity: Indeed.

Rarity gave her some food.

Rarity: There you go.

Mega Diancie: Oh thank you.

She was eating apples and food.

Rarity: Wanna come with me, darling?

Mega Diancie: Sure.

Qin: Awesome.

We then took off into the air and we set our sights on taking down The Teriyaki Triad and send Peking Duck to The Masters of Evil, and Lincoln is going to take down and absorb The Universe 666 versions of The Z-Fighters and the Saiyans and destroy the Evil Lori who once got turned into Kamen Rider Grimoire and the Evil Lynn who once got turned into another Dumbbelltron by Swartz and send them all to The Black Abyss.

We were flying in the air, and we spotted our targets: The Teriyaki Triad, along with their leader, Peking Duck. Plus, we also spotted one of Nico's friends who's been imprisoned in a fortune cookie, and Lincoln also spotted the Evil Lori who once got turned into Kamen Rider Grimoire and the Evil Lynn who once got turned into another Dumbbelltron by Swartz, but despite being normal for good, they're still really dangerous.

Nico: There's The Teriyaki Triad, along with their leader, Peking Duck. (Spots the fortune cookie with his friend imprisoned inside it) And there's our main goal.

Lincoln: (Spots Evil Lori and Evil Lynn) And there's that control freak bitch and that sore loser and filthy animal!

Lincoln fired orbs of colored fire with animals and mythical beasts orbiting around the cores from his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings at The Teriyaki Triad, Evil Lori, and Evil Lynn, and they got burned badly, and that angered them badly as we landed, and when Evil Lori and Evil Lynn saw Lincoln, they went ABSOLUTELY FUCKING BALLISTIC AND RAN AT LINCOLN TO KILL HIM!

Evil Lynn: (ENRAGED SCREAMING) STINKOLLLLLNNNNN!

Nico: You just don't know when to take a hint!

Me: Yeah you bitch!

But, before Lynn could try and punch him, Lincoln grabbed her by the collar of her jersey and hoisted her up, and he punched her hard in the face and sent her crashing into Evil

Lori, and they crashed into a wall, they got back out, but now, they were mega pissed!

Evil Lori: YOU UNGRATEFUL FUCKING OVERGROWN LITTLE TWERP! I WILL LITERALLY KILL YOU, YOUR WHORES, YOUR FRIENDS, AND YOUR FUCKING FAMILY! I HATE YOUR FUCKING GUTS MORE THAN LIFE ITSELF!

Lincoln's rainbow energy aura flared up extremely.

Me: Yeah fuck you too bitch!

Sienna Dawson: (Flips Evil Lori the finger) Up yours, bitch! You're not laying one fucking hand on our man!

Evil Lynn: YOU WRETCHED BAD LUCK SPREADING LOSER! YOU RUINED EVERYTHING FOR ME! YOU RUINED MY SPORTS LIFE, YOU TURNED EVERYONE AGAINST ME, YOU HUMILIATED ME, YOU GOT ME DISOWNED FROM MY FAMILY, YOU RUINED MY ENTIRE LIFE! IF I CAN'T BE A LOUD, THEN THERE WON'T BE ANY LOUDS! I WILL KILL ALL OF YOU AND DESTROY THIS ENTIRE PLANET AND KILL YOU ALL!

Lincoln: SHUT UP, YOU FILTHY ANIMAL!

Lincoln fired a white energy blast that hit Evil Lynn and Evil Lori and they both screamed and shrieked like banshees as they were burned by the pure white light!

Lincoln: It was all your fault from the very beginning, you both made my life Hell, and here's the reasons why. (To Evil Lori) You're nothing more than a bossy, pushy, out-of-control, vile, deplorable, monstrous, tyrannical, cell-phone obsessed control freak with a 60-foot stick up your butt! You're as cuddly as a venom-spitting King Cobra snake, and you have the fashion sense of a druid! You're no older sibling nor are you mature, you're just an immature total narcissistic spiteful witch who has no gratitude or consideration for the feelings of others, all you've ever cared about was yourself and your stupid phone! On top of that, you also used violence and intimidation to get what you want and I can't even count the numerous times you've made me put up with all of your crap and all the times that you've tried to kill me!

LINCOLN SLASHED AT HER FACE WITH HIS GOLD-PLATED DRAGON CLAWS ON HIS LEFT HAND AND LEFT FIVE SLASH MARKS ON HER LEFT CHEEK!

Qin: WHOA! BRUTAL!

Me: YEAH!

Nico: And he's just getting started! Now, it's Evil Lynn's turn.

Lincoln: (To Evil Lynn) And you, oh, don't even get me started with you! You're just a violent, super-aggressive, out of control, monstrous, deplorable, superstitious, belching, farting, rude disgusting pig with a 70-foot stick up your smelly butt! You're as cuddly as a cactus, and you're dumber than a truck tire! You're no winner at all, you're just a moron and an absolute filthy animal who enjoys inflicting pain on innocent people who have no means of defending themselves from your surprise beatings, and all you do is pick on others and enjoy torturing for your own selfish goals! On top of that, you also used violence and intimidation to get what you want and I can't even count the numerous times you've made me put up with all of your crap and all the times that you've tried to kill me! Plus, your superstitious rituals are nothing more than total bullshit, and another thing, (RAGE-FILLED SCREAM) THERE ARE NO

SOFTBALL GODS, THAT'S A STUPID DELUSIONAL BELIEF THAT A MORON LIKE YOU BELIEVES IN!

WE CHEERED WILDLY AT WHAT LINCOLN SAID!

Me: YEAH! THAT'LL TEACH THAT STUPID BITCH!

Nico: HAH! SUCK ON THAT, BITCHES! (FLIPPED HER AND EVIL LORI THE BIRD WITH BOTH HANDS)

THAT REALLY REALLY MADE EVIL LORI AND EVIL LYNN SCREAM WITH SUCH ABSOLUTE AND COMPLETELY CRAZY INSANE FURY, AND THEY RAN TO THE FORTUNE COOKIE AND GOT OUT GUNS AND AIMED IT AT THE COOKIE!

Evil Lori: SAY GOODBYE TO YOUR STUPID FRIEND, YOU FILTHY MONKEY! AND ONCE WE KILL HER, YOU AND THE TWERP ARE NEXT! (LAUGHING LIKE THE FUCKED-UP CRUEL EVIL TOXIC BITCH THAT SHE IS!)

Nico: YOU FUCKING BITCH!

NICO RAN AT EVIL LORI ONLY TO GET SHOT IN THE STOMACH BY EVIL LYNN!

May: NICO! (GROWLS) YOU HEARTLESS BITCH!

Then, Evil Lynn went up to Nico and put the gun to his head!

Evil Lynn: SAY GOODBYE, FILTHY MONKEY! (LAUGHING LIKE THE FUCKED-UP CRUEL EVIL TOXIC BITCH THAT SHE IS!)

THEN, AS SHE WAS ABOUT TO FIRE AGAIN, THIS TIME WITH THE GUN AIMED AT NICO'S HEAD! LINCOLN IN A TOTAL RAGE, USED TWO OF HIS MASSIVE AND LONG

WHITE WOLF TAILS AND GRABBED THE TWO BITCHES BY THE NECK AND HE SLAMMED THEM DOWN INTO THE GROUND, AND HE HAD A GLARE OF PURE FURY IN HIS EYES!

YOU'RE DOUBLE SCREWED, BITCHES!

Lincoln: You know what, you can beat me up numerous times for no reason, you can berate, belittle, and look down on me like the condescending bitches that you are, but when you dare to harm or threaten to murder my friends...! (ENRAGED SCREAM AND RAINBOW ENERGY AURA FLARES UP EXTREMELY) YOU CROSSED THE LINE FOR THE FINAL TIME! AND NOW, I'M PUTTING YOU BOTH DOWN FOR GOOD! (PUPILS TURN INTO SLITS AND LETS OUT A VERY LOUD WOLF ROAR!)

Lincoln felt a really sharp pain on his even more wider and even more muscular back, and then, his massive indestructible white angel wings with orange and aurora tips on the massive white feathers grew much larger for his new body with a wingspan of 65'0" and his medium sized white angel wings with orange and aurora tips underneath grew larger with a wingspan of 55'0" and his small sized white angel wings with orange and aurora tips underneath his medium sized white angel wings grew larger with a wingspan of 45'0", and the another pair of white angel wings with orange and aurora tips underneath his small sized white angel wings grew larger with a wingspan of 35'0" and the second another pair of white angel wings with orange and aurora tips underneath the new pair of white angel wings grew larger with a wingspan of 25'0.

Eli: Incredible.

Suddenly, Lincoln let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his entire body was covered in thick brown fur and his massive pecs and ten-pack abs were covered in tan fur, his deep sapphire blue eyes and rainbow iris of his Third Eye remain the same, but the pupils turned into slits, his fangs grew longer and his rows of straight teeth turned into wolf's teeth, and his nose turned to a wolf's nose and he grew a wolf snout and sturdy tan-colored muzzle, his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings remained the same, his eleven massive and long white wolf tails and large white wolf ears turned brown, his long wild white hair turned brown with white streaks and became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned dark blue, and he let out a loud howl as he turned into Lincoln The Nocturnal!

Lincoln: (HOWLS AND BEATS HIS CHEST LIKE A GORILLA)!

THEN, LINCOLN RAN AT EVIL LORI AND EVIL LYNN AND HE VICIOUSLY BEAT THEM REAL HARD, AND IT WAS REALLY REALLY BRUTAL!

Nico grunted in pain, and Lincoln caught him.

Lincoln: (Beastly Voice) Nico, are you okay?

Nico: I'm alright, don't worry, Lincoln.

Nico dug into his stomach with his fingers and pulled the bullet out, and his stomach healed as the wound sealed up. But, just as Evil Lori and Evil Lynn were about to attack again, they got attacked by soldiers of The Teriyaki Triad.

Me: YEAH! (Speaking Chinese) 照烧三合会的北京烤鸭，我们终于见面了。我从我们的朋友炸肉排那里听到了很多关于你的事情，以及他之前如何在杏仁蛋白软糖中击败你。(Peking Duck of the Teriyaki Triads, so we finally meet at last. I heard so many things about you from our friend Schnitzel and how he beat you before in Marzipan.)

Peking Duck: (Speaking in Chinese) 炸肉排完全愚弄了我！他羞辱了我，并让照烧三合会永远被驱逐出了这座城市！我发誓要报仇，发誓一定要让那个怪物为我犯下的罪行付出代价！炸肉排将为羞辱我付出代价！(Schnitzel totally fooled me! He humiliated me and got the Teriyaki Triad banished from the city forever! I vowed to take revenge, and I vowed to make that monster pay for the crimes I committed! Schnitzel will pay for humiliating me!)

I unsheathed my sword.

Me: You brought all that on yourself because of your arrogance and dishonorable tactics. You are not going to get out of this one alive.

He jumped and we clashed.

Lincoln: (Sensed massive energy signals) And there's no use in trying to hide your energy signals, Universe 666 versions of The Z-Fighters and the Saiyans, I knew you were coming.

We then saw our secondary targets: The Universe 666 versions of The Z-Fighters and the Saiyans, and like Lincoln said, they all bore the demonic Alicorn on their foreheads: proof of Morgana Midnight Sparkle and her minions bringing them back from the dead.

Selene Arcangela: Morgana and her minions really did bring you all back from the dead! She really is that insane!

Suddenly, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them one by one into the chests of The Universe 666 versions of The Z-Fighters and the Saiyans, and then, Lincoln began absorbing them into his body as he and all of us assimilated their powers and abilities, as his rainbow energy aura and immense rainbow protective aura flared up extremely and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

When Lincoln was done, nothing's left of them except for their clothes, and he banished them to The Black Abyss.

Lincoln: (Beastly Voice) That'll teach you disgraces to the real Z-Fighters and Saiyans.

Elise Shiranui: Yikes, that was brutal. Okay, you've had your fun, but now, it's our turn.

Pakura: That's right, we're going to take down Peking Duck and kill Evil Lori and Evil Lynn at the same time.

Suddenly, the eyes of Elise Shiranui and Pakura turn neon red and neon brown, and they were surrounded by red and orange energy auras with stars, fire, flames, samurai, lizards, heat, phoenixes, and angels, and as they approached Peking Duck and The Teriyaki Triad along with Evil Lori and Evil Lynn, they left red and orange energy, stars, fire, flames, samurai, lizards, heat, phoenixes, and angels with every step.

Pakura: I was rather surprised to find out that you and The Teriyaki Triad were here right at Ruth Beer's home, Peking Duck, and you got some moxie imprisoning one of Nico's friends inside a fortune cookie.

Elise Shiranui: But, when we found out that Evil Lori and Evil Lynn, the two bitches who had a hand in making Lincoln's life Hell were the ones who helped you in that task, I knew only they would do something as vile and deplorable as this. But, don't worry, you and the rest of The Triad will be welcome in The Masters of Evil. As for you and that butt-sniffing animal, you're heading for a place far worse than The Black Gates, and don't think I hadn't forgotten about what you did in trying to burn down the whole and blame Lincoln for it, you bitch! Now, I'm going to enjoy making you pay for it with your life!

Suddenly, Elise Shiranui and Pakura were surrounded by massive vortexes of red and orange energy, stars, fire, flames, and heat surrounding the vortexes, there are samurai, lizards, phoenixes, angels, and the Shiranui Duel Monsters flying around the vortexes, and in the vortexes are orange phoenixes with blood red eyes glaring at Peking Duck, The Teriyaki Triad, Evil Lori, and Evil Lynn: the blood red eyes of eternal death and eternal judgement.

Me: Whoa!

We were amazed by the transformations of Elise Shiranui and Pakura, and when Lincoln saw Elise Shiranui, he had an atomic red blush on his face, hearts in his eyes, and his wolf nose was gushing out blood. But, when Evil Lori and Evil Lynn saw it, they went ballistic and ran at them to kill them, but Lincoln having had enough of them fired a barrage of rainbow energy, elemental forces, animals, and mythical beasts that hit those two animals and sent them crashing into a wall, they got back out, but they were mega pissed off, especially Evil Lynn who beat her chest like a gorilla and let out a roar.

Lance Loud: Oh man, so that's...?!

Lynn Sr.: That's the animal that was inside Junior and the monster that was inside Lori, and it was because of Killjoy Huggins and the dark side of Chase Young.

Lincoln, Elise Shiranui, Pakura, Caleb Maxwell, Allie Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I went after Peking Duck, The Teriyaki Triad, Evil Lori, and Evil Lynn, and we fired extremely powerful blasts of rainbow energy, red and orange energy, black and blood red energy, dark purple and pink energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Peking Duck, The Teriyaki Triad, Evil Lori, and Evil Lynn and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving scars on them and Caleb Maxwell, Allie Maxwell, Cage Blunt, James Blunt, and Travis Tackett shot them multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cage Blunt, Travis Tackett, James Blunt, Allie Maxwell and Caleb Maxwell did the same by firing black and blood red energy slashes from their gold plated claws, and Lincoln, Elise Shiranui, Pakura, Caleb Maxwell, Allie Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and it was making Evil Lori and Evil Lynn even angrier than ever.

Then, Lincoln fired energy blasts that tied up Peking Duck and The Teriyaki Triad, leaving both Evil Lori and Evil Lynn to deal with.

Lincoln: (Divine Echoing Beastly Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Alright, who's next?

Evil Lynn: (ENRAGED SCREAM) STINKOLLLLNNN! I'LLLLLL KILLLLL YOOOOOUUUUU!

Evil Lynn let out a belch and charged at Lincoln on all fours and grunting like an animal, but then, Lincoln grabbed Evil Lynn's right fist with his left hand, and then, he began sucking out her immense strength and energy and it went into him as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

May: What the?! He sucked out her immense strength and energy!

Luna: And made her incredibly weak! Nice!

When Lincoln was done, Evil Lynn was now incredibly weakened after he sucked out her immense strength and energy, and he slashed her into shreds and sent her to The Black Abyss.

Lincoln: (Divine Echoing Beastly Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (To Evil Lori) You're next, you parasite.

Evil Lori screamed like a banshee and charged at Lincoln, but then, Lincoln grabbed Evil Lori's right fist with his left hand, and then, he began sucking out her strength and energy and it went into him as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Laney: That'll teach her!

When Lincoln was done, Evil Lori was now incredibly weakened after he sucked out her immense strength and energy, and he slashed her into shreds and sent her to The Black Abyss as well. Everyone cheered as we holstered our weapons and powered down, and Elise Shiranui's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long red wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large red and orange planets orbiting around her legs, fifteen smaller red and orange planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized red and orange planets orbiting around her wrists, and her massive red angel wings and four other sets of large red angel wings underneath her massive red angel wings are permanent, and Pakura's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large green and orange planets orbiting around her legs, fifteen smaller green and orange planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized green and orange planets orbiting around her wrists, and her massive green angel wings and four other sets of large green angel wings underneath her massive green angel wings are permanent.

Then, we beamed Peking Duck to The Masters of Evil.

Nico: And that is that. I didn't even know those two bitches had crawled out of The Black Gates as well.

Lincoln: (Beastly Voice) This was due to their hatred towards me, and when you've seen the kind of trouble those two have caused me, you develop this Sixth Sense of knowing what Lori, Lynn, Lola, Lisa, and Luan are going to do to me.

Me: That's true.

Poliwag: And you drained Evil Lynn dry of her strength, power, and energy and made it your own, same with Evil Lori.

Kiara Kessler: We knew that Lynn always relied on using her strength and force to get her way, but she hadn't realized of what we've been doing to get Lincoln far stronger than her and the other evil Loud Sisters, and he's more than a few times smashed her into the dirt after she peed her shorts upon seeing her brother being taller, more imposing, and far more stronger than her physically and mentally.

Poromon: Yuck. Lynn, you're a pig! And I didn't say this yesterday, but it's like your Fire Moon and Lincoln the Nocturnal form have become one like with J.D.

Lincoln: (Beastly Voice) That's right, like J.D., I mastered the Wolf Miraculous and became one with my Lincoln the

Nocturnal Form unlocking the form Super Fire Moon Celestial Xelnaga.

Lincoln reverts back.

Me: Whoa.

Nico: That'll show them!

Xenia: YEAH!

Me: WHEW! That was brutal!

Camie: No kidding!

Rarity: Boy it sure was darlings!

Mega Diancie: I'll say!

Nico: Nice job Mega Diancie!

Mega Diancie: Thanks Nico.

Poromon: Want some beer?

Mega Diancie: Oh no thanks. I don't drink.

Me: Okay then

Poromon: Aww J.D. I was gonna say that!

Me: Sorry Poromon.

Poliwag: (Does Puppy Eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Joanna Liechtenstein: At least I'm free now.

Qin: No kidding.

Poromon: Can I have the nearby beer then?

Me: It's only root beer actually. It's non-alcoholic. Root Beer is not real beer it's soda.

Poromon: Oh. I see.

Me: Still good stuff though.

Rhinox: I agree there too. (Zapping) (GROANS) Energon! Beast Mode!

He transformed.

Me: There's Energon here?

Blue Raspberry: Oh right here. Is that what this is?

She revealed a hidden patch of Raw Energon.

Me: Raw Energon. Thank goodness our blasts didn't hit it.

Nico: Good thing.

Rhinox: I didn't know that was here too.

Static: It's good to have you back, Gloria

Gloria Haines: Same here Virgil.

Qin: Yeah.

We got to harvesting the energon for Optimus Primal.

Me: Almost there and there. That's the last of it.

Maria: Gloria, this is Horsea

Horsea: Hello.

Gloria Haines: Oh hey Horsea!

Horsea: It's awesome to meet you.

Gloria Haines: Same here.

May came back and man was she a mess,

May: (Groans) What a beating.

Manaphy: You were awesome Mama.

May: Thanks Manaphy.

Maria: Horsea's been my best friend since Narnia

Gloria Haines: I can see that. That is amazing.

Maria: She can be very emotional at times

Nico: Yeah it's true.

Horsea: Yeah it's a problem.

Gloria Haines: I can see. But that is awesome that you have your own mascot Maria.

Maria: It sure is.

Me: Many of us do.

Maria: But she helps in spreading the word about a certain trailer.

Gloria Haines: What trailer? Wait You mean Winnie the Pooh Blood and Honey?

Me: Yep.

Poromon: LOOK AT IT!

Qin: See?

Me: We had a massive lawsuit done on that trailer earlier last year.

Gloria Haines: Oh man! I remember seeing that with everyone! That was nuts! I saw your mom as presiding judge over that case.

Maria: Yep. Mom is a judge and she is very good at it.

Nico: Yep it's true.

Plankton: Ok, Nico. We have to do something about this… problem of yours

Nico: You mean my chum throwing up problem?

Me: Yeah. And I know just the place to help you conquer it head on.

Nico: You mean?

Me: Yep. You're not going to like it but it's the only way to get you to stop hurling your guts out.

Gloria Haines: What do you mean by that?

Sakura Knudson: (Whispering) Nico throws up his guts when he hears the word chum. Bro had the same problem too.

Nico: Yeah he did. This all stemmed from when Mr. Lynn showed us that he liked chum.

Me: His school ran out of food and all they had left to eat was chum.

Lynn Sr.: It's true and it's also how I liked it.

Mr. Krabs: Like how I loved eating chum.

Me: Yeah.

Nico: (TURNING GREEN) Uh oh!

Me: OH BOY!

ZOOM!

I ran fast and got a trash can and he threw up in it!

VOMIT STORM!

Me: Sorry Nico.

Nico: It's okay.

Me: But yeah it stemmed from me throwing up like that. Look.

I showed a nasty lump on my head.

Me: Nico punched me in the head because he thought I gave it to him.

Gloria Haines: Ouch!

Qin: Yeah.

Nico: Tell me what your solution is

Me: Okay but don't tear my brain out. We're going to chum planet to get you to use your willpower to hold in it long enough for you to stop. It worked during Hay Lin's big day mission for me. So it can do the same for you.

Nico: Lets hope you're right.

Gloria Haines: Wait there's really a planet made of chum?

Me: It's true. It's weird but it's all true.

Maria: Yeah no kidding.

Gloria Haines: GROSS!

Qin: I know. It's awful.

Me: Nico hold it in long enough for us to take care of the Anothers.

Nico: Okay. Who do we got?

Eli: (Concentrates) Whoa! We got Another Xandra, Supergirl, Beast Machines Megatron, Balthazar the Bounty Hunter, Spider Queen, Mr. Chuckles and Lady Frostbite.

Nico: Oh before we find out who is up, Ground Man what do you do in your free time?

Ground Man: Oh I work in a mine and harvest diamonds.

Me: That's a good job.

Qin: yeah.

Nico: I agree.

Me: So Ground Man, Ground Scaravich, Emerald Man, Venom Woman, Aurora Woman and Tidal Woman.

Supergirl: This will be amazing.

Me: Yep.

Eli: And I sense the Anothers minus Xandra and Supergirl are 1 person.

Me: Cool.

Nico: There they are!

We saw Another Beast Machines Megatron, Balthazar the Bounty Hunter, Spider Queen, Mr. Chuckles and Lady Frostbite!

Me: WHOA! This is gonna be awesome.

Nico: Yep!

Another Beast Machine Megatron: (In a girls voice) I agree there.

Nico: (GASP) That voice.

They merged and she reverted back and was a girl with purple hair, purple eyes, purple clothes, purple angel wings and had the Decepticon Symbol on her forehead, shirt and skirt and had a Dark Energon Sword.

Nico: Dahlia Deceptia!

Me: Whoa the Embodiment of the Decepticons!

Dahlia Deceptia: That's right. Starscream and Decepticons it's good to see you all.

Armada Starscream: You too Dahlia.

Me: I take it you heard about everything that happened because of the war ending and the Destruction of Unicron and how Nico was appointed as the leader of the Decepticons?

Dahlia Deceptia: I sure did and I'm so proud of Nico for becoming the leader and leading them to redemption.

Nico: Yeah.

Me: By the way are the Another Supergirl and Xandra friendly or hostile?

Dahlia Deceptia: Friendly and they are amazingly strong.

Me: Wow!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

She glowed and the anothers were separated.

Me: Action time!

We fired waves of energy and blasted them and I caught the Wonder Ride Books.

Maria: Time for backup! (TURNS DIAL) INFINITY WORM NATURE BRIGADE!

She summoned Infinity Mijinion, Parallel Woods, Foley, Flora, Beanbon and Gobchomplin.

Me: YEAH!

Qin: Awesome.

Dahlia Deceptia: Unicron was a monster.

Me: Yeah he was. He was Cybertron's Equivalent of the Devil himself. We called him the Transformer Devil.

Skywarp: Nico's a damn good boss!

Dahlia Deceptia: I can tell he's doing much better than the Megatron I knew.

Me: Megatron of the Decepticons was a TERRIBLE Leader! (To Aligned Megatron) Uh no offense.

Aligned Megatron: None taken.

Me: Did you give the Megatron you once knew a threat?

Dahlia Deceptia: I sure did. I threatened that if he didn't stop this senseless war that he would meet an end like no other.

Me: At OUR Hands. And that came to pass.

Nico: And this world's Decepticons aren't the only ones under my command.

Live Action Barricade: He's right on that. He has us from the Live Action Universe.

Aligned Shockwave: And us from the Aligned Universe.

Animated Starscream: And the Animated versions of us too.

Me: And also under Nico's command are the Predacons who are the Descendants of the Decepticons.

Scorponok: He's right on that there.

Retrax: And he does a great job leading us too.

Dahlia Deceptia: Wow! You guys have been busy.

Starlight Glimmer: I know and I'm the ambassador of the Live Action Transformers universe.

Me: It's true and that was a challenge.

Nico: Yep. But there have been some who aren't a big fan of Cybertronians

Me: Yeah ugly story there.

Dahlia Deceptia: I heard about what happened. Primus filled us in last year on what went down there and it was terrible. Cemetery Wind did a number on that world.

Me: And so did a bunch of paranoid xenophobic douchebags. We killed all of Cemetary Wind and some of them we sent to prison.

Nico: We don't know for certain. But we can only guess in theory.

Dahlia Deceptia: Oh man! That is crazy!

Me: Yeah it was. But after what happened there we decided to give them a good talking too. We reprimanded everyone that was after the Transformers and got them to understand that the Transformers are friends and not the enemy.

Nico: It took some doing but yeah.

Live Action Bumblebee: I was lucky enough to escape with the others

Dahlia Deceptia: That is crazy! I'm glad everything is corrected there.

Starlight Glimmer: Yeah I agree.

Maria: Don't forget about the Minicons.

Me: Yeah the Minicons are just as amazing.

Dahlia Deceptia: I can tell they are all with you and that is so awesome.

Me: It sure is.

Nico: The last time we fought Megatron was when he was possessing a Kaiju

Me: Yeah! That was crazy! It was his spirit that possessed it.

Dahlia Deceptia: OH MAN! That is crazy!

Lily: Yeah! I killed that version of Megatron with Vector Prime's sword. Skewered him all the way through his Black Spark!

Dahlia Deceptia: WOW! That is incredible!

Dr. Nick: And we fought him when me and my friends joined up

Nicole: It's true. That was awesome.

Qin: Yeah.

Dahlia Deceptia: That is amazing. I'm glad he is gone.

Me: Well he may return. But we'll be ready for Megatron.

Nico: Yep.

Dahlia Deceptia: I agree.

Me: Now we have Another Xandra and Supergirl to face.

Nico: They should be coming any minute

Me: How about Right now?

We saw ANOTHER XANDRA AND SUPERGIRL!

Supergirl: WHOA! Another Me!

Nico: Yep.

Another Xandra: This is gonna be cool.

Me: (GASP) That voice!

She reverted back and it was a girl with orange and red hair, red eyes, red and orange clothes, had firebird angel wings and had a tiara with the symbol of the Phoenix Dopant 2 on it and on her skirt and she had a Phoenix Gearblade in her hand.

Me: (GASP) Phoebe Tallories Phoenix!

Phoebe Tallories Phoenix: That's right. Awesome to see you again.

Me: You too. Phoebe is a master of fire magic and is a deadly force of fire.

Xandra: Wow! She knows magic like me!

Me: Yep.

Another Supergirl: Long time no see Kara.

Supergirl: (GASP) That voice!

She reverted back and was a girl with blond hair, blue eyes and white clothes with the Supergirl Symbol on her shirt and she had a blue skirt.

Supergirl: Erra!

She and Erra hugged.

Nico: You two know each other?

Supergirl: She's my twin sister.

Superman: (GASP) Wow!

Me: Wow! Awesome to meet you Erra. I take it you heard about what happened to Krypton. It exploded.

Erra: It sure did. But I have good news. Krypton was brought back.

WE GASPED!

Me: Krypton is back!? HOW!?

Professor Paradox then came.

Professor Paradox: Perhaps I can answer that James. Krypton was brought back after you all destroyed the Prime Universe version of Brainiac and the Legions version of him. After you guys destroyed them it resurrected all the worlds he took.

Me: Whoa! So now Krypton is fully restored!

Nico: Amazing!

Qin: Then if Anti-Monitor brought Both Brainiacs back then we can destroy them for good.

Me: A big twist of irony would be if we faced them on Krypton, the very planet Brainiac destroyed.

Superman: It sure would be interesting.

Nico: What's to stop it from blowing up again?

Professor Paradox: Do not worry I personally made sure to ensure that they would never cause such a heinous action gain. I told them never to harvest the core of Krypton ever again. As a result, Krypton is now fully restored.

Me: That is good news professor.

Nico: It sure is.

Kaito: (gets out Patranger gear) Did Swartz promise you anything?

Zocks: (gets out Kyuranger gear) Because we can grant it instead.

Chloe Bourgeois: (gets out Lupinranger gear) Zocks, I'm helping out too.

Zocks: Okay.

They got Kyurangers and LupinRangers and Patrangers weapons.

Phoebe Tallories Phoenix: No he didn't because we vanished in a swirl of fire and got out of there.

Me: WHOA! The Fire Vortex Escape maneuver.

Nico: Nice.

Phoebe Tallories Phoenix: Yep.

Sougo: (gets out Patranger Ridewatch) The last thing we want is Krypton being destroyed again

Geiz: (Gets out Kyuranger Ridewatch) We need to make sure it doesn't explode.

Tsukuyomi: (gets out Lupinranger Ridewatch) That's something we don't want to happen

Sougo got Patren1gouArmor, Geiz got ShishiRedArmor, and Tsukuyomi got LupinRedArmor.

Me: Yeah Krypton exploding again would be horrible.

Qin: It would be horrible.

Me: Brainiac destroyed Krypton before but we're not going to let him destroy it again.

Erra: I agree!

Lincoln: Lets separate you girls.

We did so.

Me: Yeah! Lets do it!

Nico: (gets out Xandra's Ridewatch) Time to let the magic happen!

May: (Gets out Balthazar the Bounty Hunter's ridewatch) Time for the hunt.

Maria: (Gets out Mr. Chuckles ridewatch) Feel the laughter!

Ground Scaravich: (Gets out Beast Machines Megatron's ridewatch) Impressive. Yessss.

They used the powers of Xandra, Supergirl, Beast Machines Megatron, Balthazar the Bounty Hunter, Spider Queen, Mr. Chuckles and Lady Frostbite and blasted them all over.

Then Mandark, The Boogie Man (Powerpuff Girls), Raja Jaja, Cruncha Muncha, Mojo the Kid and Silver Spooner came.

Me: WHOA!

Nico: Nice team Mandark!

Mandark: Thank you Nico and it's a really amazing team too.

Me: Yep.

CRUNCH!

Me: YEOWCH!

I saw Cruncha Muncha biting my butt!

Me: Hey what's the big idea!?

Cruncha Muncha: Sorry! Force of habit.

Nerissa: My team must be next

Me: Yep.

But then we saw Ornismon flying overhead.

Me: Ornismon! Wow!

Xenia: COOL!

Me: What's he doing here.

But then we smelled a REALLY HORRIBLE SMELL!

SEAL BARK!

Me: OH GOOD GOD! WHAT THE FUCK IS THAT HORRIBLE ODOR!? ED!?

Ed: Wasn't me!

?: Sorry! That's me!

We saw Garbagemon!

Me: Garbagemon! No wonder!

Garbagemon: (In a girls voice) (Turkish Accent) And it's gonna be good.

Nico: Sasha Istanbul!? Wow!

She reverted back and was a girl with dark purple hair, purple eyes, red and purple clothes, red angel wings and had a new crest in the middle of her forehead and had Garbagemon on her shirt and skirt and had the Turkey Coat of Arms on her arm and had a Dirt Magisword in her hand and had a red digivice on her hip. Ornismon landed by her.

Sasha Istanbul: Awesome to see you again Nico. We got this! (ECHOING) JUNK CHUNKER!

She fired poop from her hand.

Ornismon: (Echoing) COSMIC RAY!

She fired a blast of star energy from his mouth and the blasts all hit the anothers and they exploded! I caught the Ridewatches and purified them.

Me: YEAH!

Lana: I like her already!

Me: Yeah that is cool! Also Sasha you're one of Turkey's Digidestined. I can tell because of the Turkish Coat of arms on your arm.

Sasha Istanbul: That's right.

Me: Yeah.

Takuya: And I didn't expect you to have Ornismon for a partner.

Sasha Istanbul: I know. Shocking but cool.

Me: Yep.

Ground Scaravich: Do you have a favorite memory of Nico?

Sasha Istanbul: I sure do. When a bunch of Impmon were running around in the Blue Mosque and me and Nico met and stopped them and sent them back to the Digital World.

Me: So Istanbul was having problems with Digimon too.

Sasha Istanbul: That's right.

Me: Wow.

Nico: Yep. It was crazy but Impmon didn't do put up much of a challenge back then.

Me: Wow.

Nico: Yep.

Nico and Sasha hugged.

Nico: I've missed you and you need a bath.

Sasha Istanbul: I missed you too and I guess it has been a while.

Me: Yep.

We later went back home.

Apparently, the old home of Elena Brogan, is being haunted by the ghost of a man who used to live in the house back in the early 1900s, his name was Robert Daniels, a man who portrayed himself as a pastor who preached the word of God to the outside world, but the truth was far from it: in reality, he was an unfaithful man who committed acts of atrocious ungodly horror and his crimes were beyond horrific and any form of forgiveness, and when the truth came out about him, the people turned against him, and on the night of February 13th, 1938, they came to his house, dragged him out, and they administered their own form of justice: they lynched him and threw his body into the waters of The Tahquamenon River, but his spirit returned to his old home, and all who tried to move into his home were driven out in fear at the hands of the ghost of Robert Daniels.

An unholy and dangerous spirit from the past had returned still enforcing his ungodly horrific hold on his home, but we're not letting this go on any more, we're performing an exorcism to drive him out of the house and we're going to destroy him and send him to The Black Abyss.

Lincoln: Whoa, we're here in Grand Rapids, Michigan, and I know what we're going to do here, not only am I going to rescue the eighteen girls here, but we've got some really terrifying trouble.

Elena Brogan: And I know what that is. Follow me.

We followed Elena Brogan, and we arrived at her old house.

Nico: This seems like a nice house, but why did Lincoln say there's trouble?

Lucy Loud: Gasp, I think I know why, this house is haunted by the ghost of a man who used to live in the house back in the early 1900s, his name was Robert Daniels, a man who portrayed himself as a pastor who preached the word of God to the outside world.

Luna: But, the truth was far from it, dude: in reality, he was an unfaithful man who committed acts of atrocious ungodly horror and his crimes were beyond horrific and any form of forgiveness, and when the truth came out about him, the people turned against him, and on the night of February 13th, 1938, they came to his house, dragged him out, and they administered their own form of justice: they lynched him and threw his body into the waters of The Tahquamenon River.

Nico: (GULPS)

Lincoln: But, according to legend, his spirit returned to his old home, and all who tried to move into his home were driven out in fear at the hands of the ghost of Robert Daniels.

Qin: Oh, sweet God, then, that means your Guardian Angel and her family had been living in a home that was once the dwelling of a truly ungodly man from the 1900s.

Lincoln: An unholy and dangerous spirit from the past has returned still enforcing his ungodly horrific hold on his home, but we're not letting this go on any more, we're performing an exorcism to drive him out of the house and we're going to destroy him and send him to The Black Abyss.

Ground Man: How are we going to drive this ghost out of the house if he doesn't want to move?

Lincoln: Leave this to us.

We headed inside the house, and we felt the evil and darkness that dwelled here inside the house.

Eli: The presence here is really heavy.

Lincoln: Robert's evil spirit is here, no question.

Elena Brogan: When we were living here, he'd done so many horrific things to scare us. First, he hit Dad in the stomach and back, then, he slashed at Mom's face with a knife, and one night, he wrote the word, "Die", on the wall of my old room in blood, and we also heard the sound of evil laughter echoing in the room. We had to move out or who knows what he was going to do next.

Nico: Just be glad The Mascots aren't here for this, or they're gonna be screaming their heads off.

Suddenly, The Mascots popped out of hiding in Lincoln's tails.

Me: What the? Poromon, what are you guys doing here?

Manaphy: I told you hiding inside Lincoln's tails was a bad idea.

Lincoln: So, that's where you were all hiding?

Nico: Well, those tails of yours are that large, they can hide anyone or anything inside. This is bad, we got to get them out of here before the ghost shows up.

Suddenly, we saw a girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long ocean blue hair with light blue streaks, blue eyes, blue purple angel wings, blue clothes, long white sleeveless trenchcoat with stars, water, ocean waves, sea creatures, phoenixes, and angels on the coattails, and on the back is Marincess Basilalima, she has a water greatsword in hand and with her are the eighteen girls.

Lincoln: (GASPS) Arianna Westbrook, Gene-Slammer and Avatar of Marincess Basilalima.

Arianna Westbrook: That's right, and I got the eighteen girls away, but they chose a bad spot to hide since we're here in Elena's old house which is haunted by the ghost of Robert Daniels. Let's head out and perform the exorcism.

We headed outside the house, and then, Lincoln poured salt around the house that formed into a circle.

Manaphy: Salt around the house?

Me: For centuries, salt has the power to trap dark spirits inside to keep them from harming others, and it's also perfect for the exorcism.

Then, Lincoln began the prayer.

Lincoln: Our Father, who art in heaven, Hallowed be thy name. Thy kingdom come, Thy will be done on earth, as it is in heaven. Give us this day our daily bread. And forgive us our trespasses, as we forgive those who trespass against us.

Suddenly, we heard an inhuman unholy roar echo from the house: Robert Daniels felt what we were doing, and he's trying to keep himself from being evicted.

Eli: Hurry, we need to finish the prayer and fast.

Lincoln: And lead us not into temptation, but deliver us from evil. For thine is the kingdom, the power, and the glory forever. Amen.

Then, as soon as Lincoln finished, the ghost let out one last inhuman roar as he was removed from the house, but then, he went inside Poromon and possessed him.

Robert Daniels: (In Poromon's body) You miserable bastards, how dare you evict me from my home! It's my house, I can do whatever I want and any who get in my way will die horribly!

Dragon Musk Ox Justice and Divine Sub-Zero Arctic Thundersnow Ice Dragon Musk Ox Hope, and Ed Cowart, Ets, Ken, Nicole, Nico, Gage the Hedgehog, and Eli unholstered their massive greatswords and transformed, and we went after the ghost of Robert Daniels, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Then, Lincoln swung his massive greatsword and fired a blast of black fire that hit the ghost of Robert Daniels, and he was sent to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Lincoln: And that is that for Robert Daniels, he's had this coming since 1938. (To Arianna Westbrook) And it's so good to see you again, Adriana.

Arianna Westbrook: You too, Lincoln, it's been seven years since we last met.

Suddenly, Arianna Westbrook had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Arianna Westbrook was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Arianna Westbrook: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Arianna Westbrook and hugged her, and Arianna Westbrook is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Arianna Westbrook: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs and back) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Arianna Westbrook, Gene-Slammer and Avatar of Marincess Basilalima, she's Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Basilalima. She's the second eldest sister of The Westbrook Sisters, and she's the second-in-command of The Marincess Water Princesses, an organization formed by Adriana Westbrook and the other Gene-Slammers and Avatars of the Marincess Duel Monsters, and their main goals are these: protect Lincoln from his enemies, protect the marine life all across the world's oceans, and to also help us. Lincoln met Arianna Westbrook when she and the other sisters came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Arianna kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Arianna hates Lynn with a blazing passion, because that toxic super-aggressive superstitious belching farting gorilla polluted Lake Huron by dumping a dumptruck full of sewage into the lake, and she was laughing cruelly like the bitch she was, and enraged because of her behavior, Lincoln and Arianna blasted her with water and they even electrocuted her, and Lynn got so mad, she called Arianna a fish-faced bitch and Lynn said that she hopes that Arianna dies in a pool of her own blood and she'll dance on her remains. The audacity and utter malice of her threat made Lincoln see red, and he punched Lynn so hard in the face, he sent her flying back to the house, and when everyone heard Lori's threat along with seeing what she did, Lynn got grounded for five months, and Luna, Laney, Leni, Lucy, Lana, and Lily dragged Lynn to her room and threw her inside a cage like the dumb gorilla that she was, and they turned to leave, but not before Luna gave her the finger, and that sent Lynn into a total psychotic tailspin of rage as she banged on the bars of the cage with her fists and beat her chest like a gorilla and roared like an animal!

Nico: You have no idea of how pissed off we were yesterday when Selene told us of what Lynn did.

Me: That incident is something Varie and I still remembered all too well.

Lincoln: Varie almost got that close to tearing Lori a new one, and you almost tore Lynn apart from what I remember, J.D., and now that you're here, Arianna.

Lincoln with his massive muscular arms still wrapped around Arianna Westbrook leaned his head down the right side of Arianna Westbrook's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Arianna Westbrook: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Arianna Westbrook with blue gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Arianna Westbrook: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Arianna Westbrook.

Arianna Westbrook had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Arianna Westbrook's waist, and he leaned down to her face and kissed her on the lips, and with Arianna Westbrook's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Arianna Westbrook had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Arianna Westbrook: (In Heaven) My God.

Then, we went up to the eighteen girls, and when Lincoln saw them, he immediately recognized them. The eighteen girls are Aililou Finnian, Azuki Shinatsu, Chacha Akaza, Demitra Midia, Espada Love, Furan Takaki, Garrett Kinua, Kikiyo Yamato, Kimi Satou, Kodama Himegami, Lilou

Finnian, Minerva Martha, Minori Rokujou, Syria Ootsuka, Tomika Amato, Uruchi Minaya, Yang Ming, and Yuuka Amato from Maken-Ki!

Lincoln: Oh wow, it's Aililou Finnian, Azuki Shinatsu, Chacha Akaza, Demitra Midia, Espada Love, Furan Takaki, Garrett Kinua, Kikiyo Yamato, Kimi Satou, Kodama Himegami, Lilou Finnian, Minerva Martha, Minori Rokujou, Syria Ootsuka, Tomika Amato, Uruchi Minaya, Yang Ming, and Yuuka Amato from Maken-Ki!

Nicole: So, those are the girls that Arianna rescued, thank goodness she got them away from that evil ghost.

Lincoln: She sure did. Are you girls okay?

Aililou Finnian: Yes, we're okay, thanks to you.

Aililou Finnian: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made seventeen clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Aililou Finnian: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eighteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Aililou Finnian, Azuki Shinatsu, Chacha Akaza, Demitra Midia, Espada Love, Furan Takaki, Garrett Kinua, Kikiyo Yamato, Kimi Satou, Kodama Himegami, Lilou Finnian, Minerva Martha, Minori Rokujou, Syria Ootsuka, Tomika Amato, Uruchi Minaya, Yang Ming, and Yuuka Amato with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned home, and everyone was shocked to find out that the villain we went after was the ghost of an ungodly man from the late 1930s named Robert Daniels.

But, when Lincoln showed everything that happened such as performing the exorcism, but that ghost possessed Poromon who along with the other Mascots came with us by sneaking into Lincoln's long and large wolf tails and tried to attack us and Allie Maxwell freeing Poromon from the ghost and we trashed him and Lincoln fired a wave of black fire that banished him to The Black Abyss forever, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Arianna Westbrook have a lot of catching up to do, now that she's back in town.

Maria: What the heck? Poromon, what the heck were you and the others thinking?!

Lincoln: I'm gonna make sure you guys get some discipline for that reckless stunt.

Suddenly, Lincoln saw Sebastian who had summoned demonic minions and he had a cruel grin upon his face. But, Lincoln snapped his fingers and destroyed the demons and...!

BONK!

LINCOLN BASHED HIM IN THE HEAD WITH A MALLET AND HE HAD A LUMP ON HIS HEAD!

Lincoln: Don't even think about it, you psychotic moron, or I'm gonna make your ears bleed.

Sebastian Mendez: Oh please, you can't do anything to me!

Lincoln: (Smirks) Oh really?

LOUD CRUNCH!

LINCOLN CRACKED HIS KNUCKLES AND SEBASTIAN LET OUT A DEMONIC SHRIEK!

Poromon, Mascots, and Ed: WHAT A PEST!

Edd: That's disgusting.

Poromon, Mascots, and Ed: MAKE HIM STOP!

WE BUSTED OUT LAUGHING!

Nico: (LAUGHING HYSTERICALLY) That gag never gets old!

Me: (LAUGHING HYSTERICALLY) Nice one!

Caleb Maxwell: Have you guys dealt with something like this before with him?

Nico, Qin, Connor, Mindy, Alicia, and their friends: You don't want to know, Caleb.

Qin: Yeah, long before we got rid of that insidious dark side of his and that demon, he was an out of control monster, a bloodthirsty demon from Hell, and an extremely violent psychopathic, deranged, omnicidal, murderous bastard who sought to destroy all life on Earth and the universes beyond.

Nico: Once, we had trust in him many years ago, but a wedding incident with one of my old friends showed that he betrayed us by conspiring with her sluttybritches of a sister and my friend's husband who committed infidelity by having an affair with that slut and get her killed. That incident caused us to cut all ties with him, and my three siblings swore that if they ever saw him again, they would finish him off and send him to Hell.

Cage Blunt: Damn...!

Travis Tackett: That's brutal.

Caleb Maxwell: But, he's clean now, right?

Nico: He is. (Whispers in Caleb's ears) But, sometimes you got to watch him closely, he tends to have a few psycho episodes at times.

Drakus: Which is why we appointed ourselves as enforcers in case he tries anything crazy.

Sebastian Mendez: Looks who's talking, you also have extremely crazy ideas in that brain of yours, Drakus, it's why I put that shock collar on your neck to control you, you tried to go after Brainiac on your own and tried to suggest shooting Fear Fox.

Drakus: But, I'm now free from that dog collar you put on my neck. (Smirks) You can't control me anymore, so there.

Drakus' harem blushed heavily at his stand against Sebastian.

Cyclonus (X-Squad): That was really really hot.

Rachel Carrington: Drakus proved his manliness again, this time, by putting him in his place once more.

Sebastian Mendez: (DEMONIC GROWL)

Here's the second scene

After Lincoln and all of us dealt with the ghost of Robert Daniels and sent him to The Black Abyss and this time forever, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Arianna Westbrook saw Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Arianna Westbrook: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and in his human form, he also got one awesome tan, and he's also doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Arianna, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Arianna Westbrook: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how

much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Arianna Westbrook: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, we saw one of The Watchers come inside.

Watcher: Caleb, we've got trouble?

Caleb Maxwell: What's wrong?

The Watcher took out a dagger and it had the same mark that's on Caleb's right arm, Allie's, his mom's, and the rest of his mom's relatives.

Caleb Maxwell: Oh no, not him!

Me: You know whose dagger that belonged to?

Caleb Maxwell: I do, and I hoped never to see him again: this dagger belongs to my uncle, Damian Maxwell, he's Uncle Christiano's brother and Mom's second older brother, and like the rest of us, he also bears the mark, but he's a total hardass and the multitude of times he's come over, he's beaten up Dad because of what those relatives of his did in murdering his wife and kids.

Christiano Maxwell: I should've known it was him, and your Mom didn't want to breathe the same air as Damian, and one incident, he almost killed you and you were only sixteen back then, and that led to your Mom calling me about it, and I dragged him out, and your mom almost got close to cutting all ties with him.

Allie Maxwell: I still remembered that, I screamed out loud and that got Mom to save you, Caleb.

Marlene Maxwell: After what that hardass tried to do, I don't even know if I can forgive him despite he's family.

Cage Blunt: But, it still needs to be done, as you said, he's family.

Caleb Maxwell: Yes, it's true, he's my second uncle and Uncle Christiano's brother and Mom's second older brother, so I'll try and reason with that hardass. But, the second he pulls anything on me, I will drag him straight to the council and they'll decide on a punishment with him.

Lincoln: That's a good idea, Caleb.

Nico: If he's as dangerous as you say he is, then, you're gonna need help from your sister.

Me: That's a good idea.

Poromon: Shouldn't you offer him some beer? That way...!

Caleb Maxwell: Poromon, didn't you hear what I said? And no amount of beer is gonna change the mind of that hardass, he has a one-track mind and the brain of an ape. The only thing that ape will ever understand is violence and brute force, and that's exactly what I'm going to give him.

Lincoln: Yikes.

Marlene Maxwell: Ooh, looks like he's really angry now. After seeing Damian's dagger, he still holds the memories of what that ape-brained moron tried to do in killing him when he was sixteen and Allie who was still little at that time. This is gonna get really messy.

K'Lynn Neu: (Swooning) Lincoln's really changed that much over the years, he's grown up that much and he's also now become that manly.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Megafruit Paradise, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, eightteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Tamamo, Gaia, Ortega, Simulator Layer, Cinnamon, Marino, Ariem, Meiko Okamoto, Rachel Myres, Sable Spirit, Magilily Neu, Taylor Neu, Arie Neu, Sony Neu, Olivia Neu, Sophia Neu, K'Lynn Neu, Merida Neu, and Kai Neu on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Girl Jordan: I knew Magilily and her siblings also had feelings for Lincoln ever since we were five, and they saw him as a kind and caring person, and he always stood up for anyone in need.

Jenna: You guys had no trouble at all.

Taylor Neu: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Izzy, Namine and Pepperdance's 3rd mission.

Nico: Anyone else want to go with Izzy, Namine, and Pepperdance? Besides Linka's brothers, Bad Cure Girls, Kusuna, Cajun Fox, Mike Chilton, Axel Manning, and Nokama?

Captain Planet Linka: I'll go.

White Lightning: So will I.

Boruto: I'll go.

Sarada: Same here.

Boruto: Same here.

Me: Boruto is Naruto's son. He's my nephew.

Kanata: Really?

Me: Naruto and I aren't related by blood. I've looked out for him since he was little and we became brothers in terms of bonds. So Boruto is my nephew.

Kanata: Wow that is awesome!

Boruto: Yeah me and Uncle J.D. are very close.

Kanata: I can tell.

Axel Manning: I'm part of A.T.O.M.

Kanata: What does that stand for?

Me: It stands for Alpha Teens On Machines. It's like a spy organization and their mission is to defend the world from dangerous villains. Axel is a good friend of mine and we go way back.

Axel Manning: J.D. helped me and my friends destroy Alexander Paine a while back.

Me: Yep. It was 12 years ago. This was before the formation of Team Loud Phoenix Storm.

Kanata: Wow! That is amazing!

Nico: It sure is.

Mike: As for me, I'm part of the Burners

Me: They were a rebel group underneath a futuristic version of Detroit, Michigan which was a short hop away from the World Tree Estate.

Eli: It's true. It was located 20 miles away from us.

Kanata: Wow that's pretty close.

Me: Their enemy was another old enemy of mine, Abraham Kane.

Eli: Yep.

Kanata: Wow! That is crazy!

Me: Yep. Mike and I go way back too.

Mike Chillton: It's true.

Eli: Yep.

Kanata: So, Pepperdance, tell us more about yourself.

Pepperdance: (Cajun Accent) Ooowee! I'm a hot sauce maker and I make hot sauces.

Me: She and her family make some of the deadliest hot sauces ever and I love them.

Boruto: Me too. I love nuclear hot food.

Me: Yep.

Kanata: Wow! You guys are spicy!

Me: Yep.

Kanata: Can I try some?

Pepperdance: Think you can handle it?

Kanata: sure.

She got out her hot sauce in a jug.

Me: Better get out the riot shields.

Nico: Yep.

He drank some.

Me: (GULPS)

Then...

KRABOOOOOOOOOOOMMMM!

A MASSIVE JET OF FIRE EXPLODED OUT OF HIS MOUTH AND HE SCREAMED IN PAIN!

WE ABSORBED THE FIRE FROM IT!

I fired waves of water and steam came out of his mouth!

Me: I warned you it was that hot.

Kanata: (WHEEZING) THAT WAS HOT! But it was good.

Cajun Fox: How about you try mine too?

Kanata: Sure.

Me: Got to admire his spirit.

Leon: Yeah.

Nokama: I'll say.

He gave Kanata some of his hot sauce. He drank it and then...

MASSIVE FIERY EXPLOSION!

A MASSIVE JET OF EXPLOSIVE FIRE EXPLODED OUT OF HIS MOUTH AND WE ABSORBED THE FIRE!

I fired waves of water and he got cooled down and steam came out.

Me: WHOA! That was intense!

Lexx: Yeah!

He was cooled down.

Me: You okay?

Kanata: I'll be fine. That was awesome.

Me: You got gritt there. I'll tell you that.

Nico: Has there been anything going on since last visit?

The Alarm went off and we saw MICLAS!

Me: Miclas!

Eli: I remember him!

Nico: Whoa! Lets go get him!

We were off.

We were flying.

Nico: He's gotta be here somewhere

Me: There!

We saw MICLAS!

Eli: There he is! GODZILLA!

Miclas roared.

Then a familiar roar was heard!

GODZILLA ROARS!

(GODZILLA THEME PLAYS)

Godzilla roared as he went to him.

Miclas: (ROARS)

Godzilla: So Miclas is next. Looking forward to this.

Kanata turned into ULTRAMAN DECKER!

Godzilla fired an Atomic Ray blast and it hit Miclas and exploded all over!

MASSIVE FIERY EXPLOSIONS!

Nokama: Taste this!

She got out her Mission Memory for Dirty Bubble!

DIRTY BUBBLE!

She fired Dirty Bubbles and blasted Miclas all over!

Mike got out his Mission Memory for Yost Venom!

YOST VENOM!

He fired waves of darkness and blasted Miclas all over.

Axel Manning got out his Mission Memory for Heatstroke!

HEATSTROKE!

Axel Manning: FEEL THE FIRE!

He fired waves of energy and fire and blasted Miclas.

Godzilla fired waves of Atomic Energy and blasted him.

The Bad Cure Girls charged at him and blasted him.

Bad Cure Sunny: YEAH!

Then lightning blasts hit Miclas all over.

Me: WHOA!

Then the Embodiment of Shock Rock appeared!

Me: (GASP) Sheena Shockrock!

Nico: Shock Rock's Embodiment!

Sheena Shockrock: (Grunts) Yeah! (GROANS) (CLUTCHES HER HEAD) Help me J.D.! HELP ME!

Me: Fight it Sheena! Fight it!

Sheena lost control and fired lightning blasts at White Lightning

White Lightning dodged them.

KRABBBBBBBBOOOOOOOOOOOMMM!
KRABBBBBBBBOOOOOOOOOOMMMMMMM!

White Lightning fired waves of lightning and blasted her.

?: (ECHOING) AURORA ANGEL R!

Powerful energy balls went at Sheena!

A fire energy blast flew at her too and the blasts knocked her down!

We saw Varodurumon and a girl with orange hair made of pure fire and she had fire angel wings and had orange clothes and a sword of fire and an orange digivice and she had Bangladesh's emblem on her arm!

Nico: (GASP) Sarai Hex and Varodurumon.

Me: Whoa you're Bangladesh's Digidestined! That is amazing! I can tell because you have Bangladesh's emblem on your arm.

Sarai Hex: That's right J.D. And Nico it's good to see you.

Varodurumon: Same here.

Nico: You too guys.

Captain Planet Linka charged at her

Linka: WIND!

She fired a wind blast and blasted Sheena down.

Sarai and Varodurumon blasted her all over.

Linka's brothers fired waves of elements and blasted Micla all over.

I fired the Antidote Ray and injected it into her.

Captain Planet Linka got out her Mission Memory for Whirlin!

WHIRLIN!

She fired waves of wind and blasted Sheena and Micla all over.

Me: YEAH!

Godzilla fired Atomic blasts.

Boruto and Sarada fired energy blasts and smashed Sheena down.

Sarai and Varodurumon fired waves of energy and blasted Sheena down and she was cured.

Sheena Shockrock: (Groans) What a headache.

Eli came and helped.

Eli: You'll be okay.

Me: Lets finish him.

Kanata: With pleasure!

We fired energy blasts and the blasts all hit Micla and he exploded!

EXTREMELY MASSIVE FIERY EXPLOSION!

Me: YEAH! Micla you have failed this world!

Godzilla roared in victory!

Nico: Nice job!

Me: Yeah!

Sarai Hex: That was fun!

Varodurumon: It sure was!

Me: Yep. Sarai what's your favorite memory of Nico?

Sarai Hex: When me and Nico met in Dhaka. There were Golemon running amok and we battled them and sent them back to the Digital World.

Me: Whoa! So Dhaka in Bangladesh had Digimon problems too.

Sarai Hex: That's right.

Me: Whoa.

Nico: Yep. And Sarai is half Firemane Angel.

Me: Is she a gene-slammer?

Nico: Nope she is born a hybrid of that.

Me: Whoa! That is amazing!

Nico: Yep.

Nico and Sarai hugged.

Nico: I've missed you.

Sarai Hex: Same here.

Me: Aww.

* * *

We came back home.

May: How did it go guys?

Me: Really awesome.

We told them everything and it was awesome.

May: Wow! That is awesome.

Me: It sure was.

Nico: Next time, Riku, Double D, Cassidy, Soji, and Takumi should come

Me: Awesome!

Nico: Yeah!

Cassidy: This will be awesome!

Me: Yep.

* * *

Later we were getting ready to head to the Chum Planet.

Rachael Serillo: You sure this is gonna work?

Plankton: You got a better idea?

Me: Here we go.

We teleported to the planet and we were there.

Me: Okay were here.

Nico saw the place.

Nico: Oh boy! (TURNING GREEN)

I covered his mouth!

Me: Hold it in Nico. Remember, use your will to hold it in.

Chun Li Xing Yuan: You can do it!

Me: Believe me I don't like it either but you can do it.

Nico nodded and concentrated.

Nico: (In his head) Come on Nico! You can do it! Come on!

Nico held it in!

Headstrong: Is it working?

Nico: So far.

Me: Lets try it. What do you see?

Nico: Chum.

Me: Chum.

Nico: So... (GASP) IT WORKED! YOU DID IT! IT WORKED!

WE CHEERED!

Me: SEE!? YOU DID IT!

Nico: YEAH!

Maria: Nice job bro!

?: That was awesome!

The Embodiment of Soldier Stonekong.

Shanna Stonekong: Shanna Stonekong, embodiment of Soldier Stonekong reporting!

Yusei: Wow! Awesome to see you Shanna!

Lok: Yeah looking great!

Shanna: You too Yusei and Lok. Been a while.

Pipes: How did you meet Yusei and Lok?

Shanna: I met Yusei when he was battling Sayer. Got to kick his butt all the way into Ccarayhua's mouth into the fires of hell.

Misty Tredwell: That was you! You kicked him into Ccarayhua's mouth!?

Shanna: Yep.

Me: Wow! That is strong. Nice one.

Shanna: Yep. And I met Lok when he was battling DeFou and I kicked him right in his balls.

Me: Nice! Would you like to join us?

Shanna: I would be honored.

Me: Cool.

We went back home.

Nico: Thanks guys! That was needed. (STOMACH GRUMBLED) UH OH!

Nico ran to the trash can and threw up BIG! YUCK!

Nico: OH THAT WAS NEEDED! What the?

He saw something and it looked like a bug.

Nico: Guys what is this?

He came with the bug.

Me: Hmm. ((GASP) What in the 9 Fucking Levels of Hell is that?!

Brittney: (GASP) I don't believe it! That's a Netherworld Chum Bug! It's a supernatural bug that makes you throw up at the mere mention of chum!

Brittney showed a picture of it in her books.

Brittney: This bug is from Hell and it makes you throw up at the mere mention of chum and it really is gross.

Me: So that's the bug that was in us when we threw up all over! It must've been inside me when I had chum on that dare from Lana.

Lana: Oh man! I didn't know that was in there!

Brittney: You usually don't know about it till it's too late. These are spirit bugs.

Me: Geez!

Napalm Man: I had no idea those existed

Me: Me neither!

Nico: Yeah!

Brittney sent the bug back to hell.

Me: There we go.

Timon: I would hate to be the mook that has to eat that bug.

Pumbaa: Me too.

* * *

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Me: Yep.

Lightning Dust was playing Suicide Squad: Kill the Justice League.

Me: What are you playing L.D.?

Lightning Dust: Suicide Squad: Kill the Justice League.

She was doing really well on it too.

Me: Wow! Go Lightning!

Harley Quinn: Boy this brings back memories.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than our old enemy, Brainiac from our prime universe, he has been brought back from the dead by Anti-Monitor, and he wants revenge on us for destroying him. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is something that's really going to piss us all off: I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than our old enemy, Brainiac from our prime universe, he has been brought back from the dead by Anti-Monitor, and he wants revenge on us for destroying him.

WE GASPED AND AS SUCH, WE WERE PISSED OFF!

May: ARE YOU KIDDING ME?!

Me: I KNEW IT!

Qin: Of all the villains, Brainiac has been brought back?!

BUT OUT OF ALL OF US, DRAKUS WAS ALSO EXTREMELY PISSED OFF!

Drakus: That bastard, he just doesn't know when to stay dead! That's it, I'm heading out there right now, and I'm gonna destroy him!

Caleb Maxwell eventually put a shock belt on his waist.

Caleb Maxwell: I can't have you doing that, Drakus. We will take him down together, and don't even think about going out on your own. That shock belt I put on you is a million times stronger than the collar Sebastian put on you, if you try anything to disobey Nico's orders, you will be shocked and the pain you will get will feel like you were hit with 900,000,000 volts of lightning.

Drakus: I do not care, Brainiac must pay for this, and I will do it myself and I will take down anyone who gets in my way!

Caleb Maxwell: Alright, that's it, you asked for it.

Caleb Maxwell activated the shock belt on his wrist computer, and Drakus got painfully shocked with 900,000,000 volts of lightning.

Nico: Yowza! Man, that is powerful!

Lincoln: That was awesome, and Caleb, you're not gonna like...

Caleb Maxwell: I know what you're gonna say, Damian's also coming for us too. I knew he would, but I'm ready for him.

Allie Maxwell: Same with me.

Just then, The Justice League arrived.

Superman: We just got the word that Brainiac has returned.

Nico: You heard right, Kal, finally, this is where it ends for him. Alright, team, let's go, the time to destroy Brainiac has finally come.

Lincoln: He's terrorized the galaxy for the final time, this is where it ends for him once and for all.

The previous group came.

Zs'Skayr: Can me, Heat Wave, Po Kong, Titanium Toenail, Melter, Touch and Go, Stinky Butt, Titania, Zexion, and Biowulf go with you guys?

Nico: Yes you all can come with.

Qin: Yep.

Zs'skayr: Great!

Gabriel: Nico, which Gene Slammer do you think you'll meet next?

Nico: Cherrymon next.

Me: Ooh that will be cool.

Qin: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was the next of the dark nightmares that haunted Caleb Maxwell and brought to life by Morana Desdemona and her minions: Demon Blood Influenced Travis Tackett, and he's coming after us. When we saw it, we knew it meant trouble.

Lincoln: So, you're finally on the move.

Travis Tackett: Lincoln, that figure we saw, that wasn't...?

Lincoln: I'm afraid so, Travis: the figure that we saw was your Demon Blood Influenced self, the next of the dark nightmares of Caleb Maxwell brought to life by Morana Desdemona, and he's coming after us.

Travis Tackett: And like Cage's Demon Blood Influenced self, he too is tied to my demons from the past: the massacre at The Hollowshade Bar and one of the two responsible for Caleb's introduction to the world of the vampires. But, I'm confronting my demons and putting a stop to this for good.

Nico: Confronting the demons that haunted you, many of us did that before, and you'll definitely make sure you end those demons for good. Alright, team, let's go, this is the last time we'll ever deal with Brainiac.

Lincoln: That monster's caused more than enough damage to too many innocent people to last an eternity, this is where he dies here and now, and after I drain him dry and send him to The Black Abyss, we're confronting the next of Caleb's nightmares.

Travis Tackett: The demons that haunted me since the Hollowshade Massacre and the demons that haunted Caleb, this nightmare's going to end here and now.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed to the ship and we were off to the newy restored Krypton to finally deal with Brainiac, and this time, we'll make sure Brainiac dies here and now, and once we got done killing Brainiac, Travis Tackett is going to face his Demon Blood Influenced self: the combination of his demons from The Hollowshade Massacre and the part of the nightmares that haunted Caleb Maxwell.

We were off

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 11,435.6: The U.S.S. Valoroous Phoenix is en route to the newly restored Krypton to battle 2 Brainiac's who have been brought back by Anti-Monitor and we're going to make sure those monsters pay for everything they did. Lightning Dust has a strong suspicion that she believes that they have clones of the Justice League under their control. Our mission is to destroy all of them.

Heatwave: Where are we going again?

Me: We're going to Krypton. It was restored.

Heatwave: But I thought it exploded.

Me: It did. But Professor Paradox told us that after we killed Brainiac in the Legion of Superheroes universe, we restored all the worlds that Brainiac destroyed. Including the Prime Universe version of Krypton.

Nico: Yep.

Heatwave: Whoa!

Ruckus: I hope it's not too far.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw KRYPTON FULLY REBORN!

Nico: Krypton.

Superman: My home planet.

Supergirl: Wow.

Qin: This is gonna be awesome.

Ace: Wow so that's what Krypton was like before it exploded.

Me: Yep and this time Krypton is not going to explode again.

Nico: Yep.

We got to landing and then we got out and saw Krypton.

Me: Wow!

Camie: Krypton is amazing!

Eli: It sure is!

Varie: Yeah!

Superman: It's good to be back home. But I call Earth my home now.

Supergirl: Same here.

Me: It's okay Kal and Kara. Just be glad your planet is back.

Ace: So this is Krypton. I always wondered what it was like before it exploded.

Nico: Yep. Krypton is a Highly advanced world. Thousands of years ahead of us.

Me: Yep.

Titanium Toenail: Should we call Toad for this?

Me: Better call Toad and Mandark.

Titanium Toenail: Good idea.

He did so.

Toad: We're here.

Mandark: Wow! So everything we heard is true!

Toad: Wow! Kara your home planet is back.

Supergirl: It sure is.

Totally Spies Alice: Happy to have Krypton back, Superman?

Superman: I sure am. But Earth will always be home to me.

Supergirl: Same here.

Superboy: And me too.

Hor-El Krypton: I'm glad Krypton is back though.

Kallie Krypton: Same here.

Me: Like a Krypton family reunion in a way.

Nico: Yep.

Mr. Touch: Why did Krypton explode to begin with?

Mr. Go: It was the council, right?

Me: No their energy reserves were depleted and they looked to harvesting the core of Krypton. Which was a suicide mission. As a result the core became unstable which lead to Krypton exploding. Brainiac helped the process along.

Camie: Man what a jerk!

Brainiac 5: My ancestor was a monster.

Me: He was.

Itasis: That WAS a foolish action

Me: Yes it was.

Qin: Yeah not very smart.

Camie: I agree. Good thing you guys all got everyone out of here just in time.

Me: Yep. That's why I built my ship. As a rescue ark in case Earth or any other planet was on the verge of doom.

Nico: Good call there.

Titania: That's not happening again

Me: Nope. This time Krypton is going to be put under our protection.

Nico: Good.

Qin: Yeah.

Camie: The view of the planets Red Sun is amazing though.

Lola: It sure is.

Nitro Man: Let me use my speed to see if there's anyone approaching

Me: Okay.

Nico: Proceed.

ZOOM!

He ran fast and we waited.

Then he came back.

Nitro Man: I did see something coming. It's a floating green crystal with red eyes.

Lincoln gasped as he had a premonition.

Lincoln: That was Supergirl's Akuma!

WE GASPED!

Lincoln: Her name is Plagueite. The Hypothetical Akuma of Supergirl and she was turned into a Floating Crystal of pure Kryptonite. But it's 100 times stronger than normal Kryptonite. She can fire lasers and fire blasts. She was made when Brainiac destroyed Krypton and she vowed to kill Brainiac no matter what.

Me: WHOA!

He showed us a sketch and it was a glowing green crystal with red eyes.

Biowulf: That's gonna be tricky

Me: No kidding. Good thing I made Superman and the Kryptonians immune to Kryptonite no matter how strong it is.

Qin: Yeah no kidding.

Camie: If Lex Luthor were exposed to Plagueite he would die in an instant.

Bad Juju: How far is she?

Nitro Man: Over there!

We saw a green light coming and it was getting closer and closer.

Me: At least she won't be hard to spot.

Camie: Yep.

Zexion: Is that her?

Me: Yep.

She got closer and closer. Until she was in front of us.

Qin: Whoa.

Plagueite: So you all made it. I take it you all are here to kill Brainiac.

Me: That's right. I find this to be completely ironic. Being made of Kryptonite, the one thing that Kryptonians are weakest from.

Plagueite: I know. Really ironic.

Windsweeper: Kara, you still remember us, right?

Plagueite: I do. I would never forget my friends.

Me: Good. We want to kill Brainiac as much as you do.

Plagueite: I know. I lost this planet to him before and I won't let that happen again.

Me: Neither will we.

Stinky Butt: I suppose asking you stand down wouldn't work?

Plagueite: No. And don't even think of attacking me, Kal. I'm pretty much your Achilles Heel

Superman: Oh really?

He fired a laser vision blast and it smashed her down.

Plagueite: What?!

Nico: We're now immune to Kryptonite

Toad: But it looks like we're doing this the hard way!

He fired slime and it hit her in her eyes.

I fired waves of energy and blasted her all over.

Nico: Too bad you aren't Metallo. I'm sure Superman would love shocking him with Kryptonite Immunity.

Plagueite: My turn!

She fired a Kryptonite beam and I deflected it back.

Supergirl, Superman, Superboy and Legion Superman fired laser Vision blasts and blasted her down and she was knocked out.

Camie: Take that.

Qin: Yeah!

Buffo: Buffo enjoyed subduing Akuma

Me: Yeah!

Camie: Always fun.

Lola: It sure is.

Melter: Let's go after Brainiac now

Eli: Right. Both of them are 1,000 yards ahead.

Nico: Lets go.

Me: Brainiac may have 12th level intelligence, but he doesn't have one thing that we have.

Nico: A heart.

We went to face him and we saw BOTH BRAINIAC AND LEGION BRAINIAC!

Me: Targets sighted!

Clown Man: Entrance time!

We went at them.

Brainiac: Soon these fools will die again.

Legion Brainiac: It's only a matter of time.

Then the spirits of Krypton flew in and they swirled around them and converged and then...

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

A massive fiery explosion blasted off above them and a phoenix cry was heard and then energy blasts hit them and smashed them down and we came out.

Me: Game's over Brainiacs!

Qin: You will pay for everything you did!

Po Kong: I'm gonna enjoy flattening you!

Brainiac: Unlikely we will give you the chance.

Legion Brainiac: I told you that we are part of a hive mind. So now, you will fight both of us. But why stop there?

Brainiac made 3 copies of himself while Legion Brainiac made 2 copies of himself. But that wasn't all. Brainiac became a look alike version of Superman while Legion Brainiac became a look alike version of Martian Manhunter. Brainiac's copies became look alike versions of Flash, Green Lantern, and Batman while Legion Brainiac's copies became look alike versions of Hawkgirl and Wonder Woman

WE GASPED!

Bender:...well, we're boned.

Lightning Dust: JUST LIKE IN SUICIDE SQUAD! I KNEW IT!

Harley Quinn: NOW We can kill the Justice League!

Superman Brainiac: Ironic. You will die at the hands of Earth's Mightiest heroes.

Superman Brainiac fired his heat vision at Superman, Batman Brainiac threw a Batarang at Batman, Flash Brainiac ran at Flash, Green Lantern Brainiac fired a green laser at Green Lantern, Martian Manhunter Brainiac flew at Martian Mahunter, Hawkgirl Brainiac sung his mace at Hawkgirl, and Wonder Woman Brainiac swung his lasso at Wonder Woman.

I formed a force field and blocked their strikes!

Hor-El Krypton: SUCK ON THIS!

She got out her spear and stabbed Superman Brainiac with it and he went down like a sack of potatoes

Harley Quinn bashed Batman Brainiac with her hammer!

I kicked Flash in the face.

Batman: Superman, I have a plan.

Superman: You always do. What is it?

Batman: Follow my lead.

Batman threw a Batarang at Superman Brainiac. Seeing where Batman was going with this, Superman fied his heat vision at Batman Brainiac, Vert drove the Saber at Flash Brainiac, Captain Marvel fired an energy blast at Green Lantern Brainiac, Danny fired an ecto blast at Martian Manhunter Brainiac, Princess What's Her Name charged at Wonder Woman Brainiac, and Maximum Ride flew at Hawkgirl Brainiac.

They blasted and bashed them all over and blasted them with incredible energy blasts.

Me: Take that!

I fired an energy blast at the Brainiacs and Lightning Dust blasted them both with lightning and electrocuted them all over.

Qin: Take that!

Flash Brainiac: My name is Vril Dox. And I am the fastest man alive.

Me: Nice try. But I am faster!

ZOOM!

I ran fast and punched Flash Brainiac and smashed his head clear off his shoulders! He was really a Brainiac Robot.

Me: They're Brainiac Robots!

Heatwave: (sees Flash Brainiac) In the old days, I always wanted to fry any version of Flash!

Me: Roast him alive Mick.

The robot was still moving.

Heatwave: Gladly.

He fired a wave of fire and incinerated him into ashes and molten metal.

Po Kong charged at him and smashed Brainiac all over.

Geoforce: Lets bring the rock!

Po Kong and Geoforce: ROCK MOUNTAIN SQUISHER!

They formed a huge mountain and smashed them both.

Green Lantern Brainiac: I am Vril Dox! Green Lantern!

Bleez: I don't think so!

She fired a red energy blast and it hit him and he exploded into a million pieces!

Nico: OH YEAH!

Bleez: Back in the old days as a Red Lantern I wanted to kill the Green Lantern.

Lola: That is true!

Titanium Toenail charged at him And slashed both Brainiacs with Titanium blades.

Iron Woman: Take this!

Titaniam Toenail and Iron Woman: IRON TITANIUM BLAST!

They fired waves of titanium and iron blasts and blasted both Brainiacs.

Anita: (Voice sounding like the Imperium) J'onn J'onz. Its been a long time. Now I can eliminate the last Martian who has defied us for centuries.

She absorbed him into her and dissolved the Martian Manhunter Brainiac.

Me: WHOA!

Nico: Nice one Anita!

She reverted back.

Anita Bathory: (BURPS) He tasted good.

Me: Yuck.

Melter charged at him and fired energy blasts and blasted both Brainiacs.

Aquagirl: For Atlantis.

Aquagirl and Melter: AQUATIC ENERGY BLAST!

They fired waves of water and energy and blasted both Brainiacs.

Cheetah: Take this!

She slashed and sliced and diced the Wonder Woman Brainiac into a million pieces with her claws!

Cheetah: Back in the old days I was one of Wonder Woman's Enemies.

Qin: You sure were.

Me: 4 down 3 to go.

Touch & Go charged at them and bashed the 2 Brainiacs.

Carol Ferris: Lets make this fun.

Touch & Go and Carol Ferris: LOVE CYBER BLAST!

They fired waves of energy and blasted the 2 Brainiacs.

Carol Ferris: I've been wanting to do this for a long time to Wonder Woman! But this was before I was saved from myself. (Looks at Girl Jordan)

Girl Jordan smiled.

She fired a wave of purple energy and blasted the Wonder Woman Brainiac and she exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

She was blasted into a million pieces!

Me: Take that!

Stinky Butt charged at them And farted on them!

LOUD NASTY FARTS!

Lola: YUCK!

Omaima Lexington: Taste Whale Farts!

Stinky Butt and Omaima: SUPERFART ULTRA BLAST!

LOUD MASSIVE NASTY FARTS! The farts shorted their arms out.

Hor El stabbed Superman Brainiac in the heart with her spear.

Hor-El: You are NOT THE REAL SUPERMAN!

Volcana: I agree!

SHE FIRED A MASSIVE BLAST OF FIRE AND MELTED THE SUPERMAN BRAINIAC INTO MOLTEN METAL!

Nico: YEAH!

Hor El: Nice job Claire.

Volcana: I've been wanting to do that to Superman for a while. I was a bad guy back in the old days.

Me: I remember that.

Titania charged at them and smashed them down with her strength.

Manny Armstrong: Lets give them a hand!

Titania and Manny: STRONG SMASHING PULVERIZER!

They bashed down both Brainiacs.

Shayana Thanagar: Time for justice of Thanagar!

She flew and slashed her all over and kicked her mace out of her hand and slashed her into a million pieces.

Killing the Hawkgirl Brainiac!

Nico: OH YEAH! I can't believe we're gonna say this but Justice League...

Me: You have failed this world!

Nico: Yep.

Me: Now the Justice League is no more. The Brainiac versions of it.

Nico: Now for our 2 rogue computers.

Roxy Rocket charged at them and blasted them with missiles.

Dusty (Planes): Lets make this fun!

Roxy and Dusty: AERIAL THUNDER BLAST!

They fired waves of energy and lightning and blasted them.

Zs'Skayr charged at them and fired energy blasts.

They fired waves of sonic energy and blades of energy and smashed them all over.

Me: You read my mind!

Nico: LONG LIVE THE LEGION!

Me: BIG BANG KAMEHAMEHA!

Nico: NEGATIVE KARMA BALL!

Lincoln: OMEGA CANNON!

Naruto: TAILED BEAST BOMB!

We fired huge energy blasts and balls and the blasts combined and they hit Legion Brainiac and he was sent into space and he exploded!

EXTREMELY MASSIVE AND INCREDIBLY POWERFUL EXPLOSION OF NOVA PROPORTIONS!

He was completely obliterated in an instant!

Nerissa: ONE DOWN!

Me: And one to go.

Qin: No backup plans will save him this time!

Me: YEAH!

Superman fired his heat vision.

Same with Supergirl, Superboy, Legion Superman and me and we blasted Brainiac all over.

Me: YEAH!

Qin: Take that!

Then Anti Wanda, Rex Goodwin, Roxy Rocket, Nergal, Raven Branwen, Duff Killigan, Bonz, Dr. Polaris, Leap Frog, and Chemistro came.

Nico: Anti Wanda, Rex Goodwin, Roxy Rocket, Nergal, Raven Branwen, Duff Killigan, Bonz, Dr. Polaris, Leap Frog, and Chemistro.

Danny Phantom: It was a creepy one! We went to a scary house. It was the house of Elena Brogan.

Carol Ferris: Apparently, the old home of Elena Brogan, is being haunted by the ghost of a man who used to live in the house back in the early 1900s, his name was Robert Daniels, a man who portrayed himself as a pastor who preached the word of God to the outside world, but the truth was far from it: in reality, he was an unfaithful man who committed acts of atrocious ungodly horror and his crimes were beyond horrific and any form of forgiveness, and when the truth came out about him, the people turned against him, and on the night of February 13th, 1938, they came to his house, dragged him out, and they administered their own form of justice: they lynched him and threw his body into the waters of The Tahquamenon River, but his spirit returned to his old home, and all who tried to move into his home were driven out in fear at the hands of the ghost of Robert Daniels.

Roxy Rocket: That is scary! I didn't know that happened back then!

Blizzard Wolffang: We sure did. And we found out the cause of what was making us vomit from chum being mentioned.

Raven Branwen: What was it?

Irina Wendolva: It was a supernatural bug called the Netherworld Chum Bug. It's a parasitic insect that makes you throw up at the mere mention or sight of chum. J.D. had it first and then Nico inadvertantly.

Twilight Sparkle: Yeah no kidding! That was crazy.

Starshine Sparle: Yeah we had no idea it was inside one of us!

Troy Burrows: Rangers that's a Super Mega Win.

Nico: It's over, Brainiac, we already know that Anti-Monitor brought you back from the dead, but we've dealt with you before, and we'll do so again.

Supergirl: But, this time, it'll end with you gone forever.

?: Not unless I destroy all of you first!

Caleb Maxwell: I know that voice from anywhere, you better come out now, Uncle Damian, there's no use hiding.

We then saw the secondary target: a man with dark brown hair, black stubble on his jaw, blood red eyes and a scar on his left cheek, he was really strong physically, he had on a long black trenchcoat, black long-sleeved shirt, black leather pants, black knee-high boots, black gloves, and in his hands are two broadswords, it was Caleb Maxwell's second uncle, Damian Maxwell.

Caleb Maxwell: I don't believe you, Uncle Damian, has your hatred towards my dad's relatives driven you to making a deal with Brainiac?!

Damian Maxwell: As if I'd ever listen to a goddamn spawn of that asshole! I should've killed you and the little brat all those years ago, you're nothing but the spawn of that asshole!

Caleb Maxwell: You just don't know when to stop shooting your big fat mouth off. Yes, I know that Dad's relatives killed Aunt Jessica and our cousins, Michael and Felicia, all those years ago, but that doesn't give you the right to try and kill your own sister's kids.

Allie Maxwell: But, I guess even a hardass like you refuses to listen to reason. Well, if you won't listen to reason, there's only one thing you will listen to.

Damian Maxwell: Like I ever give a damn of what you two brats are capable of...!

Caleb Maxwell: How about we wipe that mouth right off your stupid face, you idiot?!

Suddenly, Caleb Maxwell screamed in unholy rage and he was surrounded by a very massive vortex of black and blood red energy with stars, darkness, dark magic, black magic, Satanic Magic, and shadows surrounding the vortex, there are skulls, demons, phoenixes, and angels surrounding the vortex, and in the vortex is a red phoenix with blood red eyes glaring at Damian Maxwell: the blood red eyes of eternal judgment.

Then, Allie Maxwell screamed in unholy rage, and she was surrounded by a very massive vortex of purple and pink energy with stars, darkness, dark magic, black magic, Satanic Magic, and shadows surrounding the vortex, there are skulls, demons, phoenixes, and angels surrounding the vortex, and in the vortex is a red phoenix with blood red eyes glaring at Damian Maxwell: the blood red eyes of eternal judgment.

Me: OH SHIT!

Nico: DAMN, THIS IS GONNA GET UGLY!

Lincoln: Damian Maxwell really crossed it forming an alliance with Brainiac in his hatred of them, now they are really going to kick his ass.

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF BRAINIAC TO NO END! NOW, THE BATTLE TO SAVE THE GALAXY FROM DESTRUCTION WAS ON!

We charged at Brainiac, and we fired massive and powerful barrages of colored energy blasts, stars, elemental forces, mythical beasts, and animals, and they exploded with incredible power as they hit Brainiac, and we slashed at him with our massive greatswords leaving scars on Brainiac. Then, we'd spotted The Monitor Orb embedded in Brainiac's head, Lincoln fired an energy dagger that hit The Monitor Orb and it shattered and we gained a massive power boost, and Brainiac screamed in so much agonizing pain.

Meanwhile, Caleb Maxwell and Allie Maxwell went after Damian Maxwell, and Caleb Maxwell fired bullets that hit him in the legs and arms, and Chris and the other Watchers appeared and started firing at him as well, and Caleb Maxwell and Allie Maxwell fired blasts of darkness and dark energy and they hit Damian Maxwell, and he got sent flying into a tree, he got back out, but boy, was he mega pissed.

He tried to attack again, but Caleb Maxwell hit him hard in the head with his left pistol in his left hand and knocked him out.

Caleb Maxwell and Allie Maxwell went back to help us take care of Brainiac for good. But, then, Damian Maxwell's eyes opened again, HE WASN'T OUT YET!

Lincoln and the girls fired waves of energy and elements that took the forms of Superman, Firestorm, Aquaman, Wonder Woman, Red Tornado, Static, The Flash, and Batman, and they slammed right into Brainiac and exploded.

Lincoln and his harem: DC COMICS FINAL SMASH: DC BLAST!

Lincoln and his harem fired Ki blasts based on the DC superheroes, and they slammed right into Brainiac and exploded with incredible power.

Toad: It must be really humiliating for you to die at my hands, huh?

Brainiac 5: And mine too!

They fired waves of energy and blasted them all over.

Then, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers and he stabbed them into Brainiac's chest and he began absorbing him and he and all of us assimilated Brainiac's Technokinesis, Various gear and weapons, Energy blasts, Forcefields, Vast psionic abilities such as Telepathy, Mind control, Mind reading, Mind manipulation, Telekinesis, Flight, Superhuman strength, Superhuman speed, Superhuman durability, Healing factor, 12th level intellect, and skills as a Master scientist and Master engineer, as his rainbow energy aura and immense rainbow protective aura flared up extremely and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

When Lincoln was done, Brainiac was a toothpick and Toad fired a wave of energy and he was destroyed! Then his spirit appeared along with the spirit of Legion Brainiac.

Brainiac: You! You! I am not finished yet!

Legion Brainiac: ME NEITHER!

YOUR TIME IS UP!

Suddenly, the bell of judgement rang in their ears meaning their time was finally up! Then, the spirits of all those Both Brainiacs killed appeared and grabbed him.

Spirits: Guilty!

The spirits found them both guilty, and then, the kanji Black Abyss 黒深淵 appeared on their foreheads, and they were being consumed by the black flames of The Black Abyss and they began to fade away: they were finally being erased by The Black Abyss!

Brainiac: NO! NO! THIS ISN'T HOW IT WAS SUPPOSED TO END! CURSE YOU, JUSTICE LEAGUE AND DRAKUS HYDRAX! DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (LETS OUT ONE LAST SCREAM BEFORE HE FINALLY FADES AWAY FOREVER)

Caleb Maxwell: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Dark Death Harbinger Darkness Demon Phoenix Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Dark Death Harbinger Darkness Demon Phoenix Angel Hope) (Sensed something) Ah, shit, Nico, look out!

Nico dodged an attack from Damian Maxwell who woke up and he was still pissed, and then, Caleb tied Damian Maxwell up in a straitjacket.

Everyone cheered as we holstered our weapons and we powered down, and Caleb Maxwell's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large fifteen black and red planets orbiting around his legs and fifteen black and red smaller planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized black and red planets orbiting around his wrists and thighs, eleven massive and long dark brown wolf tails, and massive dark brown angel wings and four sets of larger dark brown angel wings underneath his massive dark brown angel wings are permanent, and Allie Maxwell's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind her head, large fifteen purple and pink planets orbiting around her legs and fifteen purple and pink smaller planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized purple and pink planets orbiting around her wrists and thighs, eleven massive and long dark brown wolf tails, and massive dark brown angel wings and four sets of larger dark brown angel wings underneath her massive dark brown angel wings are permanent.

Caleb Maxwell: I did say that he was ape-brained, he doesn't know when to stay down, but don't worry, we'll take care of this ape-brained moron.

Nico: That's good. And to this, we finally say, good riddance forever, Brainiac!

Me: Your time is finally up!

Lincoln: Don't you ever come back, you rotten monster. Now, there's one last thing to do and one last loose end to tie up: Travis Tackett's Demon Blood Influenced self.

Lincoln formed a massive and indestructible diamond barrier infused with absorption energy that protected all of us from a suddenly flurry of claw attacks.

Lincoln: (Catches the scent of blood) I knew there was no mistaking the scent of blood, you better get out here, Demon Travis, or we're forcing you out.

A figure came out, and it was none other than Travis Tackett's Demon Blood Influenced self as he remembers himself from 1985: he had the same long blonde hair, but with black sclera, blood red iris, and he was dressed in a white shirt, black short-sleeved jacket with silver shoulder pads, dark blue jeans, black fingerless gloves, and black knee-high boots.

Travis Tackett: So, you've shown up at last.

Demon Blood Influenced Travis Tackett: You can't get rid of me that easily, I'm part of you.

Travis Tackett: Yes, you're part of me, but you're part of the demons that haunted me since 1985, but this is where it ends here and now.

Suddenly, Travis Tackett was surrounded by a very massive vortex of black and blood red energy with stars, darkness, dark magic, black magic, Satanic Magic, and shadows surrounding the vortex, there are vampire bats, phoenixes, and angels surrounding the vortex, and in the vortex is a blood red phoenix with blood red eyes with blue ring glaring at his Demon Blood Influenced self: the blood red eyes of eternal death and eternal judgement and the blue ring of understanding.

Suddenly, Travis Tackett felt a sharp pain on his wider and muscular back, and then, his massive blonde angel wings with blood red tips on the feathers grew much larger for his new body with a wingspan of 65'0" and his medium sized blonde angel wings with blood red tips underneath his massive blonde angel wings grew much larger with a wingspan of 55'0" and his small sized blonde angel wings with blood red tips underneath his medium sized blonde angel wings grew much larger with a wingspan of 45'0" and another pair of blonde angel wings with blood red tips grew and sprouted out underneath his small sized blonde angel wings with a wingspan of 35'0" and another pair of blonde angel wings with blood red tips grew and sprouted out underneath his small sized blonde angel wings with a wingspan of 25'0", and his long blonde tail grew larger and longer, Travis Tackett has a Ring of The Phoenix with blood red gem and heart-shaped gem embedded in it on his right ring finger and Blue Lantern Ring on his left finger and Stone of Gelel embedded in his left hand, and he has on white fingerless gloves with a blood red phoenix, blood red dragon, blood red angel, and blood red vampire bat on them and he has gold-plated armor on his fingers and gold dragon claws covering his fingers with black finger claws and smaller planets orbiting around his fingers like rings and he also now has medium sized black and blood red planets orbiting around his wrists and ankles.

Cage Blunt: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody

Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel Hope) Now, then, let's take care of this bastard, Travis.

Travis Tackett: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel Hope) Let's do it.

Travis Tackett and Cage Blunt went after Demon Blood Influenced Travis Tackett, and they fired extremely powerful blasts of black and red energy, stars, darkness, dark magic, black magic, Satanic Magic, blood, shadows, vampire bats, phoenixes, and angels at Demon Blood Influenced Cage Blunt, and they exploded with incredible power as they hit him. Then, they attacked him with their massive greatswords leaving painful scars on him, and they even scratched him with their gold-plated dragon claws and they smashed him all over the place with their superhuman strength, and it was making Demon Blood Influenced Travis Tackett even more enraged.

Demon Blood Influenced Travis Tackett: H-how?! How is this even possible?!

Caleb Maxwell: It's because like Cage, Travis is no longer tied down by what happened in the past. I saw it for myself, the night he and Travis pushed me out of the way and got riddled with bullets from Drake in his insanity. But, it was also because of you: the demon of Travis' past, that I found out about the past of my mom and her family from 40 years ago, and that we were connected to the world of the vampires. (Looks down to the floor) Yet, I've also hadn't forgotten about the nightmares I'd gotten: getting chased every night by you and a Demon Blood Influenced Cage Blunt, praying every night for the nightmares to end, losing sleep every night by waking up to a moment of getting attacked, getting Demon Blood in my system, and finally, to that very night when I'd gotten bitten! I've suffered so many nightmares due to it, and it hurt me to my very core!

Travis Tackett: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel Hope) Caleb...

Suddenly, Travis Tackett walked to Caleb Maxwell, and he hugged him as Caleb broke down and cried bloody tears onto Travis' shirt, and we also saw it as well.

Travis Tackett: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel Hope) Just like Cage, I know that what I did will haunt me forever, I did a lot of things I'm not proud of. But, I promised myself this: I won't let the demons of the past hold me back, and I'll continue to move forward.

Demon Blood Influenced Travis Tackett saw it and smiled.

Demon Blood Influenced Cage Blunt: You made the right step in the direction you chose.

Suddenly, Demon Blood Influenced Travis Tackett faded away, but not before giving Travis Tackett a gift: his powers and abilities added to his own. Travis Tackett felt it for himself as he let go of Caleb Maxwell for a bit.

Travis Tackett: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel Hope) Rest in peace.

Travis Tackett and Cage Blunt holstered their massive greatswords on their backs and powered down and Travis Tackett's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large fifteen black and blood red planets orbiting around his legs and fifteen black and red smaller planets orbiting around his waist, smaller planets orbiting around his fingers like rings, medium sized black and blood red planets orbiting around his wrists and ankles, Third Eye, longer blonde tail, and massive blonde angel wings and four sets of larger brown angel wings underneath his massive blonde angel wings are permanent and Cage Blunt's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large fifteen black and red planets orbiting around his legs and fifteen black and red smaller planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized black and blood red planets orbiting around his wrists, longer brown tail, and his massive brown angel wings and four other sets of massive brown angel wings underneath his massive dark brown angel wings are permanent.

Me: That was a surprise, the battle didn't end with your Demon Blood Influenced self getting killed by you and Cage, Travis.

Travis Tackett: No, it was because of Caleb breaking down and me comforting him that did the job.

Cage Blunt: We caused that kind of pain to Caleb when we were drunk on Demon Blood long ago, but since then, we'd become friends.

Caleb Maxwell: But, it wasn't easy, I still had the nightmares of those previous nights from long ago haunting me, and I'd broken down in private every night since then.

Nico: It's alright to break down like that and cry, Caleb.

Me: That's right.

Lincoln: It's normal to break down like that and cry, but having a shoulder to cry on, that's even more important.

Eli: That's right.

Me: You said it. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Lincoln: Ooh, I've got a good one: Anahita Westbrook, Gene-Slammer and Avatar of Marincess Blue Slug.

Adriana Westbrook: I knew it was her next, and you guys are going to love meeting her, Anahita Westbrook is Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Blue Slug. She's the third eldest sister of The Westbrook Sisters, and she's the water mage of The Marincess Water Princesses. Lincoln met Anahita Westbrook when she and the rest of us came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Anahita kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Anahita hates Lola with a blazing passion, because that toxic super-aggressive bad-tempered she-demon pageant diva polluted Lake Michigan by dumping a dumptruck full of glitter into the lake, and she was laughing cruelly like the bitch she was, and enraged because of her behavior, Lincoln and Anahita blasted her with water and they even electrocuted her, and Lynn got so mad, she called Anahita a fish-faced bitch and Lola said that she hopes that Anahita dies in a pool of her own blood and she'll dance on her remains. The audacity and utter malice of her threat made Lincoln see red, and he blasted Lola hard with a massive blast of water, he sent her flying back to the house, and when everyone heard Lola's threat along with seeing what she did, Lola got grounded for five months, and Luna, Laney, Leni, Lucy, Lana, and Lily dragged Lola to her room and threw her inside a cage like the animal that she was, and they turned to leave, but not before Luna gave her the finger, and that sent Lola into a total psychotic tailspin of rage as she banged on the bars of the cage with her fists and screeched like a chimpanzee!

EVERYONE WHO HADN'T HEARD IT BEFORE GASPED IN SHOCK AND HORROR! THEN, THEY GLARED AT LOLA WITH ANGER!

Nico: Lola Loud, of all the insidious, rotten, malicious things you've ever done to piss off your own brother and his Guardian Angels, this is by far the fucking lowest!

Luna: Yep, you heard right, dude.

Laney: We really despised Lola for what she did dumping a dumptruck full of glitter into the lake, and she was laughing cruelly like the misandrist toxic bitch she was.

Leni: But, what she did in calling Anahita a fish-faced bitch and hoping that Anahita dies in a pool of her own blood and that she'll dance on her remains, the audacity and utter malice of her threat made Lincoln see red, and he blasted her with a massive blast of water and sent her flying back to the house.

Lana: And when she was back inside, we tore her apart verbally, and for some of us, we also resorted to violence.

Me: I still remembered that day.

Varie: Me too, and I helped Lincoln, Anahita, and her sisters in cleaning up Lake Michigan, and then, we went home and chewed her out.

Damian Maxwell: (GRUNTS) You think you've won?! You think this is all over?! I'll get out, and I'll make sure to kill you all!

Then, Caleb Maxwell knocked him out with a punch to the face.

Caleb Maxwell: Shut up already.

Marlene Maxwell: Let's get him to your Uncle Christiano, time with his brother will straighten him out.

Caleb Maxwell sent his uncle Damian Maxwell to his Uncle Christiano with a message: Don't go easy on his rehabilitation.

Raven Branwen: It might not have been Luthor or Darkseid.

Bonz: But we still got rid of one of Superman's worst enemies

Me: We sure did. Both of them.

Dr. Polaris: I never liked Brainiac anyway.

Livewire: Me neither.

Volcana: Yeah he was a monster. But this was back when I waas a bad guy in the Legion.

Me: I know.

Leap Frog: How shall we celebrate?

Chemistro: Is there a restaurant on Krypton?

Superman: Well the food here is much different than Earth.

Me: Yeah.

Nico: Still I know lots of good restaurants. Now Krypton is under our protection. Great job everyone.

Supergirl: (To the viewers) This was awesome and fun.

Lola: It sure was.

We went back home and enjoyed a good meal at a pizza restaurant and went home and went to sleep.

Varie: I agree there.

Nico: No kidding there.

Nerissa: I agree too there. This is gonna be fun too.

Nico: Nerissa, I want to thank you, Mandark, and your teams for coming

Phoebe Vandom: I sure am. All of my friends are happy to be with our sisters.

Me: I'm glad about that.

Ace: What does she mean by that?

Me: I had a dream about the previous Guardians of Candrakar before Will and her friends and it showed Phoebe and her friends fighting Phobos and he sent them into Limbo until we killed him and banished him to the Black Gates. Will Vandom: It's true.

Maria: And we saw that Krypton is restored

Me: Yeah we sure did!

Camie: Krypton is an amazing planet.

Mandark: It sure is and we told General Zod about Krypton being reborn and he was glad that his home planet was back.

Me: Yeah but after how he tried to launch that coup I don't think his people are going to welcome him back with open arms.

Camie: I agree.

Nico: Yeah I agree there. Also now that Brainiac is gone for good, Krypton is not going to explode anytime soon.

Qin: I agree there too.

Nico: He turned into clones of the Justice League

Rainbow Dash: Boy that was awesome!

Lightning Dust: Yeah it was! And it was like we lived the entire Suicide Squad game.

Me: And all the villains they faced before got their victory from back in the old days. Well some of them did. I don't know the full extent of the number of enemies that each hero of the Justice League battled. But It was fun.

Nico: It sure was!

Maria: Though I think the Brainiac clones had to change genders for the Hawkgirl and Wonder Woman clones

Me: Maybe.

Nico: It's possible.

Lola: Yep. Either way we've officially have seen the last of Brainiac.

Lana: Good riddance.

Lisa Loud: Indeed.

Nico: Don't forget what today is.

Me: Yep it's Valentines Day.

Misty Tredwell: The day of love.

She and Camie nuzzled my arms.

Me: (LAUGHS) Now ladies I have more than enough of me to go around.

Camie: Good.

May kissed Nico.

Lincoln got kissed by Earth Chan.

Lincoln: (TOOTS LIKE A STEAM HORN)

Qin: (LAUGHS) So fun!

Camie: Yeah it sure is.

King Kai: (Telepathically to us) Nico, everyone can you hear me?

Me: Loud and Clear King Kai.

King Kai: There's still going to be an Akuma. But on this rescue.

Me: Thanks for telling us. Oh speaking of which we should be getting a premonition from Lincoln about it.

Lincoln: Okay, gang, we're in for one really dangerous battle: we're here on the planet Dilgan, but here's the really dangerous part, I just got word that Nerissa's Akuma, Dark Nerris, has been sighted here.

WE GASPED!

Me: Oh crap!

Nico: That's not good. What's her story, Lincoln?

Lincoln: You're not gonna like it, she was as Nerissa was back when we first fought her and she is a dangerous and deadly one. She has all the powers she had when we fought her the first time, and she was made when she was defeated by J.D. the first time, and she vowed to kill him no matter what.

Lincoln showed his sketchbook and his sketch of Dark Nerris, and she looked exactly like Nerissa back then when she went on her powerhungry spree.

Suddenly, Nerissa, Kadma, Halinor, Yan Lin, and Cassidy appeared, and when we saw the sketch, we were horrified.

Cassidy: My God.

Me: So Nerissa's Akuma is out to kill me! This is gonna be brutal!

Kadma: This is no doubt going to be a dangerous battle.

Yan Lin: Indeed.

Nerissa: It's true she has all the powers from when you all first fought me, but we've grown and evolved since then.

Wallflower Blush: That's right. Now, we got to take her down.

Momo: And send her to Vypra.

Lincoln: But, not after we beat her down and tie her up before she causes any more damage.

Suddenly, Lincoln had a premonition, and it's not good: it appears Morgana Midnight Sparkle and her minions have also brought back that murderous buttface bully, William Newton, and she's sent him after us.

Lincoln: ARE YOU KIDDING ME?! MORGANA, YOU LITTLE...!

Me: What's wrong, Lincoln? Who did Morgana and her minions bring back?!

Lincoln: You're not going to like it one bit, J.D.: Morgana Midnight Sparkle and her minions have brought back that murderous buttface bully, William Newton, and she's sent him after us.

WE GASPED!

Me: WHAT THE FUCK?!

Nico: SAY WHAT?!

Nico's mouth went wide open and his skeleton came out.

Qin: Of all the...! She just wants to make things even worse for herself and her minions.

Nico put his skeleton back.

Nico: I hate when that happens. I can't believe it, of all the nerve! Lincoln, I hope you tear Old Buttface apart once again!

Lincoln: Believe me, I'm going to do just that!

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could.

Lori: This is going to be like a repeat of when we faced Nerissa the first time, and that demon and her minions have some nerve bringing back William Newton, Lincoln's going to tear him apart.

Nicole Nerissa: That he will, and this is going to be one difficult battle against Mom's Akuma.

Nerissa: I know, Nicole.

Lincoln: But, she still needs to be stopped, there's no doubt about it.

Ace: Who was William Newton?

Me: A bully that we got expelled a while back and it was back when we first met Earth.

Nico: I heard about all that. That was intense.

Lola: Yeah he was a jerk!

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of

Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more larger in muscle thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them until we finally kill them. (Sensed for Dark Nerris) AHA! Gotcha! I just spotted Dark Nerris, she's 20 yards away, and she's already heading for us to kill J.D. (Sensed William Newton) And I just spotted Old Buttface.

Nico: Let's get her.

Carol Ferris heard a Pokemon Cry.

Carol Ferris: Look guys!

We saw a Swirlix.

Me: Swirlix. Cool!

Swirlix: Yeah I'm starving.

Me: Here you go.

We gave her apples.

Swirlix: Thank you.

She was eating.

Carol Ferris: You're welcome.

Nico: Wanna come with us?

Swirlix: Sure!

Carol Ferris: Awesome!

Nico: Great!

Me: Yeah!

We then took off into the air and we set our sights on taking down Dark Nerris and send her to The Masters of Evil and Lincoln's going to destroy William Newton and send him straight to The Black Abyss.

We were flying in the air, and we spotted our target: Dark Nerris, the Akuma of Nerissa.

Nico: There's Dark Nerris.

Lincoln: She's just as dangerous as Nerissa when we first faced her. But, it's high-time that we show her how much more powerful we've grown since then.

Lincoln fired many orbs of colored energy with elemental forces and mythical creatures representing the elements of Fire, Earth, Water, Wind, Lightning, Gravity, Sky, Mountain, Light, and Darkness orbiting around the cores from his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings at Dark Nerris, and she got burned badly, and that angered her badly as we landed.

Nerissa: I shouldn't be so surprised to know that you, an Akuma of myself when I was poisoned by Chase Young's

Dark Side decades ago, would show up.

Me: But, this is where it ends for you.

Nico: Your days of trying to seek vengeance on J.D. end here and now.

Lincoln: We're taking you down once and for all. And William Newton, you can come out now, I can see stink lines coming off you!

We then saw our secondary target: William Newton, and like Lincoln said, he has the demonic Alicorn on his forehead, proof of Morgana Midnight Sparkle bringing him back from the dead.

Selene Arcangela: So, it's true, that bitch brought you back from the dead to get revenge.

Earth: You really don't know when to quit, now do you!

William Newton: SHUT UP, BITCH! NOW, DIE!

William Newton ran at Earth to kill her, but Lincoln slashed off his head, legs, arms, and torso with his massive greatsword and sent his spirit to The Black Abyss.

Lincoln: You're still an idiot as always, William, I warned you that if you get anywhere near Earth again, I was going to kill you.

Nerissa: Lets dance.

Me: Except things are different!

I then powered up and released my aura and then in a massive vortex of energy I transformed! I'm now more powerful than ever before.

I teleported and punch her in the stomach and she flew away and fired a blast of lightning and we went at each other and we were exchanging blows at a rapid pace and it was getting powerful. Dark Nerris fired a blast of lightning and I dodged it and I fired a blue energy wave and she dodged it and fired a powerful blast of lightning and I deflected it and fired a powerful red energy blast and she dodged it. We were really going at it and our battle was shaking the very foundation of the entire planet and the entire universe to the core. We stopped and we were facing each other.

Me: I don't understand you Nerissa. You were a Guardian of Candrakar and you did so many good deeds for both worlds. You became consumed with powerlust and became a heartless monster bent on conquering the universe. Why did this happen?

Dark Nerris: Because they took my power away from me!

Me: Your mind was considered too weak for the Heart and you will never get its power ever again.

Dark Nerris: (Growls) Just for that one I will blow you to pieces!

Me: I would like to see you try. I vowed to make you pay for causing problems to both of our worlds!

I flared up my power to an incredible degree.

Me: NOW DDDDIIIIIIIIIIIIIIIIIIIIIIIIIIIIIIEEEEEEEEEEEEEEEEEEEEEEE!

My aura flared up to an incredible level and the skies had lightning strike everywhere at a rapid level.

Me and Dark Nerris went at each other again and it was a powerful fight that not only shook the entire planet to the core, but it also shook the very fabric of the entire universe to the very brink. On planets all over the universe people were sensing the sheer viciousness and ferocity of our battle.

Nico: WHOA! WHAT POWER!

Camie: UNBELIEVABLE!

I fired 4 more energy blasts at her as she was flying and she stopped 2 of the blasts with her feet and the other two with her hands and she was struggling to hold them back. I fired another blast and she saw it coming and I flew up to her as the blasts hit and exploded. In the cloud of smoke I punched her and then we clasped hands and we flared up our auras. Mine was Rainbow and Dark Nerris' was pitch black. Our hands were locked together and our auras mixed and lightning clashed and formed in them. The storm clouds above us intensified and lightning struck at an incredible level at 400 bolts every half a second and the ground was shaking violently at an incredible level. Suddenly from out of no where an energy blast hit Dark Nerris in the back and exploded and I head butt her and kick her in the stomach and send her crashing into the ground.

CRASH!

I landed by her as she got up

Goku: Lets get her guys!

Goku, Vegeta, Gohan and Trunks went Super Saiyan.

Piccolo went Super Namek.

We all went at Nerissa and hit her with everything we had at her.

Piccolo: Special Beam Cannon!

Piccolo fired an orange and purple energy beam and Dark Nerris dodged it and went at him. Tien appeared in front of her and placed his hands on the edges of his eyes.

Tien: SOLAR FLARE!

Tien released a blinding flash of white light that was brighter than 100 suns and it blinded Dark Nerris temporarily.

Dark Nerris: MY EYES!

Tien held his hands in a triangle shape.

Tien: TRI-BEAM! HA!

He fired a yellow energy blast at Dark Nerris and it hit her and exploded.

KRABBOOOOOOOOMMMMM!

Dark Nerris was sent flying and she stopped.

Superman fired a laser vision blast and burned her leg and he punched her in the face.

Superman: Lets use our combo on her Goku!

Goku: You got it. (Cups hands to Side) KAAAA! MEEE! HAAA! MEEE! HAAAAAAAAAAA!

CRASH!

Will: I will never forgive you for everything you've done Nerissa!

Will fired a blast of lightning and electrocuted her.

Yamcha formed a Spirit Ball.

Yamcha: Spirit Ball!

He threw an energy ball. Dark Nerris got up and it hit her in multiple places at his command and it hit her in the back and exploded with incredible power.

Taranee: You got it J.D.

I fired a black energy ball with red lightning around it.

Taranee and Will fired fire and lightning.

Me, Taranee and Will: SOLAR ECLIPSE DEATH BOMB!

Our techniques combined and the energy ball turned into a black flaming sun and it hit Dark Nerris and exploded with incredible power.

KRABBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

The explosion was so powerful and so devastating that it shook the area.

When the smoke cleared Dark Nerris got up and she was on her last legs.

Swirlix charged at her.

She fired energy blasts and blasted Dark Nerris all over the place.

Qin: Take this!

She fired waves of lightning and blasted Dark Nerris all over.

Qin: Take this and that!

She fired waves of lightning, ice and fire and blasted her.

Camie: YEAH

He fired waves of energy and blasted her far.

Megan: And you did all that while I was with J.D. and the others!

Will Vandom: It's over for you Nerissa! We played all your devilish games, brought the pain to your minions, and killed all your henchmen! Now all that's left is to destroy you once and for all and finish you off!

Me: Like I said back in the end of 2018, you are gonna pay for your crimes!

Wallflower Blush: That's right!

Manaphy jumped at her and blasted her and smashed her nose.

Qin: YEAH!

May: Take this!

She fired waves of ice and froze her.

Suddenly, the eyes of Nerissa, Wallflower Blush, Momo, Cassidy, Halinor, Yan Lin, and Kadma turned into neon colors, and they were surrounded by colored energy auras, stars, magic, elemental forces, Alicorns, phoenixes, and angels, and as they approached Dark Nerris, they left colored energy, stars, magic, elemental forces, Alicorns, phoenixes, and angels with every step.

Nerissa: I never thought I'd have to deal with you, an Akuma born from what Chase Young's Dark Side turned me into.

Wallflower Blush: But, we all felt that it was unavoidable, that we're going to be facing Akumas of The Guardians of Kandrakar.

Momo: And we're starting with your Akuma, Nerissa.

Cassidy: The one born from what you became because of Chase Young's Dark Side, and that was corrupted by a lust for power.

Halinor: When the truth came out that Chase Young's Dark Side was responsible for what'd happened to you, we were indeed horrified.

Yan Lin: He crossed a severe line decades ago, and for that, he will never ever be forgiven.

Kadma: When we finally face him in the future, we will make sure that monster pays for all of his misdeeds with his own blood.

Suddenly, Nerissa, Wallflower Blush, Momo, Cassidy, Halinor, Yan Lin, and Kadma were surrounded by massive vortexes of colored energy with stars, magic, and elemental forces surrounding the vortexes, there are Alicorns, phoenixes, and angels flying around the vortexes, and in the vortexes are colored phoenixes with blood red eyes glaring at Dark Nerris: the blood red eyes of eternal judgement!

Me: Incredible!

Nico: Not only are Wallflower Blush and Momo transforming.

Lincoln: But, the first generation of The Guardians of Kandrakar as well. Will and the others are going to see it for themselves, and who knows, when they get their chance to shine, they'll also transform as well like their predecessors.

Then, as the vortexes fade, Nerissa, Wallflower Blush, Momo, Cassidy, Halinor, Yan Lin, and Kadma emerged, but they were changed forever.

Lincoln, Nerissa, Kadma, Yan Lin, Cassidy, Halinor, Wallflower Blush, Momo, Caleb Maxwell, Allie Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I went after

Dark Nerris who fired energy blasts at us, but we deflected them all, and we fired extremely powerful blasts of rainbow energy, pink energy, pink and green energy, pink and sky blue energy, pink and orange energy, forest green and spring green energy, red and white energy, black and blood red energy, dark purple and pink energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Dark Nerris and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving scars on them and Caleb Maxwell, Allie Maxwell, Cage Blunt, James Blunt, and Travis Tackett shot them multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cage Blunt, Travis Tackett, James Blunt, Allie Maxwell and Caleb Maxwell did the same by firing black and blood red energy slashes from their gold plated claws, and Lincoln, Nerissa, Kadma, Yan Lin, Cassidy, Halinor, Wallflower Blush, Momo,, Caleb Maxwell, Allie Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and it was making Dark Nerris even angrier than ever.

Rachel kicked Nerissa in the face and fired a sound blast at her.

Starfire fired numerous starbolts at Nerissa and they exploded when they hit.

Rachel: Lets use our combo Starfire.

Starfire: This is gonna be fun!

Rachel: SONIC BLAST!

Rachel fired a blast of sound and Starfire fired laser vision and starbolts.

Rachel and Starfire: SONIC STAR LASER!

The blasts combined and turned into a sonic laser and it hit Dark Nerris and burned her in her leg.

Then we got help from Captain Atom. He fired an energy blast at Dark Nerris. It exploded when it hit her.

I punched Dark Nerris into ground and Krillin formed an energy disk.

Krillin: DESTRUCTO DISK!

He threw the disk and it slashed Dark Nerris in the face.

Me: It's over Dark Nerris. You're finished!

I flared up my aura.

Dark Nerris got up and she was building up her power to incredible levels and she was incredibly enraged.

Dark Nerris: IF I CAN'T HAVE THIS MOTHERFUCKING UNIVERSE, THEN NO ONE CAN!

Me: You will pay for everything you did Nerissa! (Cups hands to Side) TIMES 1,000,000,000 SOLAR KAAAA! MEEEE! HAAAA! MEEEE!

Dark Nerris: NOW YOU ALL DIE! QUINTESSENCE!

She fired a massive stream of pitch black energy from her hands and I fired a massive Rainbow Solar Kamehameha blast.

Me: HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!

I fired a massive Rainbow Kamehameha Wave of incredible power.

Krillin sensed the incredible amount of power coming from the blasts.

Krillin: That's way too big! Lets go!

Everyone flew away from the blast area. The blasts collided and a massive power struggle began. Once everyone got to a safe distance they saw the struggle that was taking place.

Krillin: They're gonna change the shape of the whole universe!

Piccolo: Dark Nerris!

Varie: What power! Come on guys! Lets help J.D. out!

Goku: Right!

Everyone went to distract Dark Nerris so I can finish her off once and for all.

(DBZ Calling The Dragon theme plays)

They landed on different sides.

Piccolo: SPECIAL BEAM CANNON!

He fired his Special Beam Cannon and it hit Dark Nerris in the back.

Tien: TRI-BEAM!

He fired a yellow energy blast and the rest of the Z Fighters fired energy blasts.

Sailor Soldiers: PLANET ETERNAL POWER!

The Sailor Soldiers combined their power and fired a massive white energy blast.

Nico fired a powerful blast of fire energy and it hit Dark Nerris. The blasts hit Dark Nerris and it provided some form of distraction.

Me: I've got to reach deeper! (Intensifies blast) HAAAAAAAAAAAAAAAAAA!

Dark Nerris was being pushed back and she intensified her blast.

Me: I'VE HAD ENOUGH OF YOU NERISSA!

Dark Nerris: You're all so anxious to die aren't you? Well all you had to do was ask!

She fired a blast of energy wind and blew them all away.

Me: I HATE YOU NERISSA! (INTENSIFIES BLAST) HAAAAAAAAAAAAAAAAA!

Dark Nerris intensified her blast. Lightning struck all over the area from the blast.

Everyone fired back at Dark Nerris!

Dark Nerris: WHY CAN'T YOU PEOPLE JUST STAY DOWN!?

She fired more energy wind and blew them away again.

But they kept getting up and fired more blasts.

Dark Nerris: They just keep lining up to die!

They fired more blasts at her.

Dark Nerris fired more wind.

Dark Nerrisa: NO CHANCE! YOU HAVE NO CHANCE!

She intensified the energy wind even more and blew them away.

Will: We have to combine all our Guardian Powers on Dark Nerris. Vegeta we have to help J.D.!

Vegeta: You know it Will!

They flew above Dark Nerris and Vegeta charged up his blast.

King Kai felt the enormous power of our blasts and something was gonna happen!

King Kai: OH NO! DILGAN IS GONNA BLOW!

The power of our blasts was so strong and powerful that it was threatening to tear the entire planet apart!

The ground was shaking apart and earthquakes were going on all over the place!

Lincoln: The Planet is gonna explode!

The parents of the Guardians were rooting us on.

Susan: YOU CAN'T TAKE MY WILHELMINA AWAY FROM ME! SHE'S MY BABY AND NO ONE CAN TAKE HER AWAY! (CRYING)

Tom: Right! J.D. Won't let that happen because he is unbeatable! He won't let our babies be taken away! J.D. CAN'T BE BEATEN!

Elizabeth: Right! YOU CAN'T TAKE HER BECAUSE J.D. WON'T LET HER! HE CAN'T BE BEATEN!

The effects of our battle were being felt around the whole planet and the entire universe!

Goku: (To me telepathically) Release it J.D.! Release everything! Remember all the pain she has caused, the people she has hurt, now make that your power!

Me: I will Master Goku!

Vegeta: FINAL FLASH!

He fired his energy blast and the Guardians fired their blasts.

Vegeta and the Guardians: ELEMENTAL FINAL DESTROYER!

The blasts combined and hit Dark Nerris. It exploded and it provided a distraction. She saw them and it was the moment I was waiting for.

Goku: NOW'S YOUR CHANCE!

Me: GO TO HELL NERISSA! HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!

I intensified the blast to an incredible level of power and it overtook Dark Nerris' blast and destroyed it. The blast was so powerful and so devastating that it was more than enough.

(Death of Frieza, Cell and Buu theme plays)

Dark Nerris was being destroyed because of it.

Dark Nerris: I AM INVINCIBLE!

Dark Nerris was completely obliterated by the sheer power of the blast in an instant and there was nothing left of her. The blast went out into space and it dissipated harmlessly.

I powered down and I wasn't even in the least bit exhausted.

Me: It's finally over.

Piccolo: (Gasps) He did it. Dark Nerris' energy has completely vanished!

Will: At last. It's finally over!

Krillin: But you mean we're really safe again?

Tien: Yeah bud. It looks like it.

Yamcha: Oh man. Its been a few years since the last time I heard someone say that.

Then, Lincoln fired shadow blasts that enveloped Dark Nerris, and he began sucking out Dark Nerris' powers from when we first fought her and it went into him as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, the shadow blasts vanished and he tied Dark Nerris up in a rainbow straitjacket and he sent her to The Masters of Evil. Everyone cheered as we holstered our weapons and powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, longer tail and horn, eleven massive and long russet red wolf tails, 28th Century backpacks, large gold halos with four large gold rings orbiting around the heads, fifteen large colored planets orbiting around the legs, fifteen smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and four sets of colored angel wings underneath the massive colored angel wings of Nerissa, Wallflower Blush, Momo, Cassidy, Halinor, Yan Lin, and Kadma are permanent.

Me: And that is that.

Nico: Big time, that battle against Dark Nerris was similar to our first battle against Nerissa, but we showed her how much powerful we'd gotten since then.

Cage Blunt: So, are you going to introduce us to your friends, Lincoln?

But, before Lincoln could, Faye Flameheart had her hands on Lincoln's massive hairy pecs and Gianna Grass Kusa and Nemo Numa also surrounded him, and they proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When they were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, he had an atomic red blush on his face, hearts in his eyes, his nose was gushing out blood, steam whistled out of his large wolf ears and normal ears, and he was literally in Heaven.

Lincoln: (In Heaven) Oh..., man...!

WE BUSTED OUT LAUGHING!

Selene Arcangela: I think you should leave this to us, the first girl is Gianna Grass Kusa, Embodiment and Avatar of The Hidden Grass Village and Goddess Queen of Nature, Grass, Plants, and Flowers, she's Lincoln's Guardian Angel from The Hidden Grass Village and she's a powerful shinobi and powerful master of nature, and she's The Goddess Queen of Nature, and a deadly powerful and lethal force of good, and she's a great power that makes even the Akatsuki fear her including Orochimaru. She's also a very deadly and powerful force to be reckoned with and she also is known as the only one to take down all members of the Akatsuki all at once. She's good friends with Naruto, Fu, Ino, and Sakura and she even taught them many techniques she knows, and she's known as The Executioner of the most evil criminals ever in The Blood Prison and holds the highest ever kill count ever known for any ninja and she's responsible for killing over 500,000 criminals in there, essentially emptying the entire prison. She's a member of The Gods of The Shinobi Villages, a group of girls who are the gods of said villages and hold more power than the Kages and the Daimyo combined and they can destroy any ninja no matter how powerful they are. She met Lincoln long ago, and she knew that he's not only a Shinobi of The Hidden Leaf Village, but he's also a good friend to Naruto, Fu, Ino, Sakura, and many Shinobi across the world of Shinobi, and she also taught him many powerful Nature Style Jutsu, along with mastering the powers of nature, grass, flowers, and plants. Lincoln made her a beautiful necklace, and to show thanks, she kissed Lincoln on the lips, and one time, Naruto arranged a date for Lincoln and Gianna to go to a Japanese Restaurant, and they both enjoyed their date, and Gianna hates all of Lincoln's enemies with a vengeance and she vowed that if they dared to hurt Lincoln again, she would slash them and use them as fertilizer for her plants.

Michelle Emperyous: The second girl is Nemo Numa, Embodiment and Avatar of The Hidden Swamp Village and Goddess Queen of Plants, Magic, and Darkness, she's Lincoln's Guardian Angel from The Hidden Swamp Village and she's a powerful shinobi and powerful master of nature, and she's The Goddess Queen of Plants, Magic, and Darkness and a deadly powerful and lethal force of good, and she's a great power that makes even the Akatsuki fear her including Orochimaru. She's also a very deadly and powerful force to be reckoned with and she also is known as the only one to take down all members of the Akatsuki all at once. She also has a very powerful friendship with Naruto and Shion and she hates Yomi and his followers with a vengeance including Moryo and she vowed to make sure they pay. She's a member of The Gods of The Shinobi Villages, a group of girls who are the gods of said villages and hold more power than the Kages and the Daimyo combined and they can destroy any ninja no matter how powerful they are. She met Lincoln long ago, and she knew that he's not only a Shinobi of The Hidden Leaf Village, but he's also a good friend to Naruto, Shion, and many Shinobi across the world of Shinobi, and she also taught him many powerful Plant, Dark, and Magic Style Jutsu, along with mastering the powers of darkness, magic, and plants. Lincoln made her a beautiful necklace, and to show thanks, she kissed Lincoln on the lips, and one time, Naruto arranged a date for Lincoln and Nemo to go to a Japanese Restaurant, and they both enjoyed their date, and Nemo hates Lola with a vengeance, and Lola's not the only one that knows how to blackmail someone, Nemo has some nasty dirty laundry on Lola and she threatened Lola that if she didn't stop hurting Lincoln, she would show it to The Pageantry World and get her banned from all pageants forever.

Rurika Matsumoto: And the third girl is Faye Flameheart, Gene-Slammer of Infernite, she's Lincoln's Guardian Angel from The Hoenn Region and his substitute Gym Teacher, and she's the twin sister of Flannery, and like her sister, she specializes with Fire Type Pokemon, but she has blue hair and blue clothes. She and Lincoln made a huge Fire Pokemon collection out of faux materials, and Lincoln made Faye Flameheart a blue fire bikini. To show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age he will marry Faye Flameheart and Flannery along with the rest of his harem, and she hates Flip with a blazing passion because of everything he's done in Michigan, but if that's not bad enough, he tried to capture Faye's Pokemon and sell them on The Black Market, that angered her badly and she set his three-cheeked butt on fire and pulverized him, and she sent him back to prison.

May: I remember Faye all too well, she and Flannery are known as The Flameheart Twins, and they are unstoppable. They even torched some Team Rocket grunts who tried to kill them and capture their Pokemon, no one dared to mess with them.

Faye Flameheart: That's right, we were unstoppable.

?: I still remembered what she did to Flip, and boy, did that mutant get burned.

Suddenly, we saw a girl with brown hair, orange eyes, orange angel wings, orange and brown clothes, the Hidden Hot Water Village symbol on her skirt and forehead, and Anti-Jashin symbol and kanji on her right arm and Hidan's scythe in her right hand.

Lincoln: (GASPS) Yulia Yuga, Embodiment and Avatar of The Hidden Hot Water Village and Goddess Queen of Lava, Steam, and Water.

Nico: Wait, what?

Selene Arcangela: I knew she'd also come as well. Everyone, this is Yulia Yuga, Embodiment and Avatar of The Hidden Hot Water Village and Goddess Queen of Lava, Steam, and Water, she's Lincoln's Guardian Angel from The Hidden Valley Village and she's a powerful shinobi and powerful master of nature and animals, and she's The Goddess Queen of Lava, Steam, and Water, and a deadly powerful and lethal force of good, and she's a great power that makes even the Akatsuki fear her including Orochimaru. She's a powerful force of nature and absolutely hates the cult of Jashin with a Vengeance. She killed all of them and left Hidan as the only survivor and vowed to finish him when the time came, anyone that follows Jashin is dead meat, and she's also good friends with Naruto, Fu, Sakura, Yugito Nii, and Samui. She's a member of The Gods of The Shinobi Villages, a group of girls who are the gods of said villages and hold more power than the Kages and the Daimyo combined and they can destroy any ninja no matter how powerful they are. She met Lincoln long ago, and she knew that he's not only a Shinobi of The Hidden Leaf Village, but he's also a good friend to Naruto, Fu, Ino, Sakura, Yugito Nii, Samui, and many Shinobi across the world of Shinobi, and she also taught him many powerful Lava, Steam, and Water Style Jutsu, along with the powers of lava, steam, and water. Lincoln made her a beautiful necklace, and to show thanks, she kissed Lincoln on the lips, and one time, Naruto arranged a date for Lincoln and Yulia to go to a Japanese Restaurant, and they both enjoyed their date, and Yulia hates Hawk and Hank with a vengeance and she vowed that if those two overgrown gorillas dared to hurt Lincoln again, Yulia would have them sent to the darkness of Hell.

Me: Whoa, so we're not the only ones who hate that insane asshole, Hidan, and The Cult of Jashin? Awesome.

Lincoln: She really despises that death cult with a vengeance, and that's why she killed them all and left Hidan as the only survivor and she vowed to finish him when the time comes. If that bastard does try anything, we will finish him off for good and send him to The Black Abyss, and it's so good to see you girls. (Smirks) Of course, for that little ambush.

Lincoln made three clones and while he pinned Faye Flameheart to the floor, his clones also pinned Yulia Yuga, Gianna Grass Kusa, and Nemo Numa to the floor, and they kissed the girls on the lips and marked them by biting them on the right trapezius and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from the right trapezius and the marks sealed up and Lincoln kissed the spot where they bit them and helped them up, and they also had an Elemental Thunderbird Necklace of Eternal Love with green, orange, and blue gems on the gold lightning bolts and green, orange, and blue crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi and a white and gold accented Elemental Thunderbird Choker of Eternal Love on their necks.

Faye Flameheart: Whoa, I had no idea you had such an animalistic romantic side to you, Lincoln, and in addition to how much you've grown, from the 11-year-old little boy we've known into a giant 9'10" hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man.

Yulia Yuga: Same here, he really has grown a lot and he's still the same gentleman we all know.

Gianna Grass Kusa: That's true, but of course, having an animalistic romantic side to him, that also really came as a huge surprise.

Nemo Numa: I think my heart skipped a beat when he pinned us down and kissed us on the lips. (Seductive Voice and rubs Lincoln's massive pecs) Hope you're ready for some fun later on tonight, big man.

Me: Ooh boy, looks like things just got really hot and steamy.

Lincoln had a blush on his face.

Lincoln: J.D.

Eli: (Sensed the Anothers) Uh oh, heads up, we got Anothers coming our way. Oh crud, two of the Anothers is really really hostile towards Hunter and J.D.

Hunter: (German Accent) Towards me?

Ingrid: (German Accent) Mein Gott!

Me: And me as well. It's been a while.

Caleb Maxwell: Damn, if Eli said this Another is really hostile towards Hunter, there's no mistaking who it is.

Another: (German Accent) YOU MISERABLE DUMKOFT! I WILL HAVE MY REVENGE ON YOU, HUNTER DRAKE MICHAELSON!

Another: AND YOU WILL FUCKING PAY FOR THROWING ME IN PRISON, SHITHEAD KNUDSON!

Hunter: (German Accent) MEIN GOTT! I'd recognize that voice from anywhere!

Me: (SAVAGE WOLF GROWL) Along with that goddamn insult!

Caleb Maxwell: I should've known, you better get out of that cheap suit you're wearing, Adam Schneider.

Me: Same with you, Rusty Bloodthorn!

The Anothers changed back into Adam Schneider, a male with long wild blonde hair, blue eyes that turned red with hatred, and he was wearing a prison jumpsuit, and my hated old bully from high school, Rusty Bloodthorn, a male thug and punk with long wild blood red hair, red eyes of hatred, and he was wearing a red prison jumpsuit.

Nico: We heard the story about Adam from Caleb, but you know this fucker?

Me: Unfortunately, I do.

Varie: Same with me. Rusty Bloodthorn is a miserable thug and punk and an absolute scum of the earth monster who'd terrorized Colorado for years, and he's the very monster that hurt J.D. by beating him up so horribly, he had to spend a month in the hospital.

EVERYONE GASPED AND GROWLED LIKE SAVAGE WOLVES IN ANGER TOWARDS RUSTY BLOODTHORN!

Nico: YOU ABSOLUTE PILE OF SHIT! I'M GONNA TEAR YOUR EYEBALLS OUT OF YOUR FUCKING HEAD AND SHOVE THEM DOWN YOUR THROAT, AND THEN, I'M GONNA SLICE YOUR CROTCH OFF AND SHOVE IT UP YOUR ASS!

Eli: We're not letting you two leave here alive!

Varie: And that's what led to my hypothetical Akuma being created!

Adam Schneider: (German Accent) YOU WILL DIE, MICHAELSON!

Rusty Bloodthorn: AND SO WILL YOU, SHITHEAD KNUDSON!

They turned back into Anothers, and we went after them and blasted them with energy and elements and we got the Wonder Ride Books, and we tied them up. Then, Caleb Maxwell had his guns pointed at their heads.

Caleb Maxwell: Swartz may have turned you both into Anothers with the promise of revenge on Hunter and J.D., but I can tell someone else had a hand in freeing you both from prison and getting you all to Swartz. If you two don't tell me who, I'm gonna blow your brains right out of your skulls!

Adam Schneider spat at Caleb Maxwell's face, and then...!

BANG!

CALEB MAXWELL FIRED AND BLEW ADAM SCHNEIDER'S HEAD OFF AND BANISHED HIM TO THE BLACK ABYSS!

Caleb Maxwell: If you don't want to suffer the same fate as that shithead, you spill your guts right now.

Rusty Bloodthorn: FUCK YOU! FUCK YOU ALL!

Rusty Bloodthorn spat at Caleb Maxwell's face, and then...!

BANG!

CALEB MAXWELL FIRED AND BLEW RUSTY BLOODTHORN'S HEAD OFF AND BANISHED HIM TO THE BLACK ABYSS!

Caleb Maxwell wiped the spit of his face.

Caleb Maxwell: Assholes.

Nico: You okay, Caleb?

Caleb Maxwell: I'll be fine.

Nico: That was intense!

Me: WOW! NO SHIT! Boy that was the most brutal battle ever!

Qin: YEAH!

Dark Nerris' spirit then appeared.

Dark Nerris: (now a spirit) Now I know how Cassidy felt. At least things can't get any worse for me.

Nicole: (takes out the Book of Vile Darkness) Oh, yes they can!

Dark Nerris: Me and my big mouth.

Nicole: (Chants an Incantation) ALDURON ENLENTHRANEL VOSOLUN LIRUS-NOR!

Dark Nerris was sucked into the Book of Vile Darkness and she was sealed into it for all eternity.

Me: Enjoy Hell, Nerissa.

Caleb: Goodbye "Mother".

Me: And eternal servitude to the M.O.E.

Qin: Yep.

Nerissa: Wow! That was awesome!

Camie: Was that what the battle was like back then?

Me: Yep. Threatened to rip all of Earth apart.

Camie: Incredible!

Ace: Wow! That was intense!

Hibino: That was awesome!

Qin: It sure was!

Nico: Nice job Swirlix!

Swirlix: Thanks Nico! That was awesome!

Me: Yep.

Poromon: Want some beer?

Swirlix: Oh no thanks. I don't drink.

Poromon: Okay then.

Poliwag: (Does puppy eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Flash: For the record, Brainiac is NOT the Fastest Man Alive!

Me: Nope. YOU are Barry.

Flash: Yep that is true.

Me: In fact you, Sonic, Rainbow Dash, Speedy Gonzales, Roadrunner and the super speed masters we know are all the Fastest.

Rainbow Dash: That is too true!

Green Lantern: I feel like we're forgetting something.

Then we heard a familiar cry.

Me: (GASP)

We saw GALARIAN ZAPDOS!

Me: Whoa! Galarian Zapdos!

Green Lantern: Called it.

Me: You sure did Hal!

Lynn: Wow! This is gonna be cool! Lets see.

Lynn used Telepathy and it was someone she remembers all too well!

Lynn: (GASP) Stormy Thunderbolt!?

Me: Wait you mean the famous female Super Athlete!? Oh man!

Nico: You know her Lynn?

Lynn: Long story! I'll tell you later! Lets help her!

She went over to her.

Lynn: Stormy remember me!?

She roared at her!

Me: Her mind is lost!

Lynn: Not for long!

She went at Lynn and Lynn dodged all her strikes.

She dodged them with amazing speed!

Me: WHOA! That is fast speed.

Lynn jumped and fired lava blasts and smashed her down.

Me: This will save her! (SNAPS FINGERS)

She fell to the ground and reverted back and was a girl with orange hair, yellow eyes and had yellow wings and had Galarian Zapdos in the middle of her forehead.

Lynn went and wrapped her in a blanket and brought her over.

She woke up.

Stormy Thunderbolt: (Groans) (Sees Lynn) Lynn? Is that you?

Lynn: Yeah Stormy it's me.

Stormy Thunderbolt: What happened? Where am I?

Me: You're on the volcanic planet of Dilgan.

Lynn: Thank goodness you're okay. You were turned into a Galarian Zapdos.

Stormy Thunderbolt: (GASP) I remember! I was made that because of Dark Gale.

She was in an orange suit and injected and busted out and she turned into Galarian Zapdos and ran and busted out. She then ran through a portal to Dilgan.

FLASHBACK ENDS

Stormy Thunderbolt: That was awful!

Me: At least you're back to normal. Sorry you missed out on the battle here. As you can see there was a massive struggle here.

She saw blast craters and explosion debris all over.

Stormy Thunderbolt: What happned here?

Me: Ugly story.

Nico: How did you meet Lynn?

Stormy Thunderbolt: I met her back when I was in kindergarten. She was only 4 back then and I helped her get into the sports world. I taught her everything I knew about sports and how to win with honor and love and grace.

Me: Wow.

Luna: It's true dudes. She taught Lynn how to be a great sports star.

Me: Wow! That is awesome.

Lincoln: Yeah Lynn learned so much about sports from her.

Stormy Thunderbolt: Yeah it was fun. (See's Lynn's Ring) Lynn is that a Superbowl Ring?

Lynn: Oh yeah it sure is. I was given this ring by the legendary Dan Marino. He gave me his ring as a token of gratitude for helping to save his life from Ray Finkle.

Stormy Thunderbolt: (GASP) The player that missed the field goal back in 1984 in Superbowl XVII?

Me: That's right.

Stormy Thunderbolt: Wow! I heard you guys brought him to justice a while back.

Lynn: We sure did. But also Stormy I forgot your teachings about honor, love and grace due to dark circumstances.

Me: It's a really ugly story that was going on over the last 9 years.

Anna Anyanova: It's a scary story too. We'll tell you about it soon.

Nico: What's your role on your spy team?

Stormy Thunderbolt: I'm the muscle and fighter of the team and a deadly fighter.

Me: Whoa that is awesome.

Stormy Thunderbolt: It sure is.

Nico: What's your life outside your spy team?

Stormy Thunderbolt: I like to practice in the gym in fighting. And also I like to play in the park and teach at the gym.

Me: That's okay then.

Rarity: Lets give you some new clothes then darling.

The Fashion Brigade gave her awesome new orange athletic clothes and she looked awesome.

Stormy Thunderbolt: Awesome! Perfect for me as a sports master.

Me: Yep.

Stormy Thunderbolt: Talk about a naked revival.

Me: Yeah no kidding.

Qin: Yeah.

Horsea: Are you okay now?

Stormy Thunderbolt: I'm okay now. Thank you.

Horsea: Good.

Camie: Yeah.

Poromon: Manaphy, I have a surprise for you later

Manaphy: Looking forward to it.

Camie: Aww.

Me: Yeah. Now we can get ready for the fun. The Anothers.

Lola: Cool!

Eli: (Concentrates) WHOA! We got Another

Me: Wow!

Lola: This is gonna be awesome.

Nico: So Nerissa, Kadma, Yan Lin, Halinor, Cassidy (C.H.Y.K.N), Will, Irma, Taranee, Cornelia, Hay Lin (W.I.T.C.H.) Phoebe, Hayley, Emma, Nicole, Xenia (P.H.E.N.X.), Matt Olson, Lillian Hale and Elyon Brown are up.

Me: Generations of Candrakar. I like that.

Qin: Actually Nerissa, Phoebe Vandom, Hayley Lair, Emma Cook, Nicole Hale and Matt Olson.

Nico: Yep.

Eli: And I sense the Anothers minus Mandark are one person.

Me: Nice.

Nico: There they are!

We saw Another The Boogie Man (Powerpuff Girls), Raja Jaja, Cruncha Muncha, Mojo the Kid and Silver Spooner!

Me: Nice!

CRUNCH!

Nico: YEOWCH!

Nico saw Another Cruncha Muncha biting him on his butt!

Nico: HEY!

Nico got it off him.

Nico: What's the big idea pipsqueak!?

Another Cruncha Muncha: (In a girls voice) Sorry about that. Couldn't help it.

Nico: Melora Minia!? Whoa!

The Anothers merged and reverted back and it was the Embodiment of The Minicons!

Me: Whoa! The Embodiment of the Minicons! That is cool!

Sonar: Wow! Awesome to see you again Melora.

Melora Minia: Same to you Sonar.

Me: Awesome to meet you Melora.

Melora Minia: Same here.

Poromon: You're the Ambassador of the Minicons?

Melora Minia: I sure am. Actually the Embodiment of the Minicons.

Me: Cool!

Sarge: Wait that's one of our Swords you have there.

Me: That's one of the energy swords from Halo.

Melora Minia: It sure is. I love that game.

Me: Nice. By the way is the Another Mandark friendly or hostile?

Melora Minia: Friendly and she is a really powerful genius.

Me: I think we know the connection for that one.

Qin: Yep.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

She glowed and the anothers were separated.

Me: Action time!

Lynn: Me and Stormy got this.

Stormy Thunderbolt: Lets do it!

Lynn and Stormy: THUNDERBOLT LAVA BURST!

They fired a blast of lightning and lava and blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Nico: And now, we wait.

Me: We don't have to wait long!

We saw ANOTHER MANDARK!

Me: There's the Another,

Another Mandark: (In a girls voice) And it will be as good as showing the powers of rainbands from a hurricane.

Me: (GASP) Haiyan Hurricane!? Whoa!

Nico: (Head sparks) Okay ouch! That hurt my head.

She reverted back and was the Embodiment of Hurricane!

Haiyan Hurricane: Awesome to see you again J.D. and You are doing well in a world as amazing and volcanic as this one.

Nico had crash screens on his eyes and he had smoke coming out of his ears and his head was sparking.

Poromon: You okay, Nico?

Me: Oh boy you overloaded him.

Eli: I got this.

Eli kicked him and he was back.

Nico: Whoa! That really hurt my head.

Me: Lana can you give him a block of ice?

Lana: Sure thing.

Lana did so.

Nico: Thanks Lana.

Me: Haiyan was born with a really high IQ of 60,000 which is really amazing. And she graduated from Grade School, High School and College at the age of 2.

Lisa Loud: Wow I must say that is absolutely impressive for someone of your caliber.

Haiyan Hurricane: Indeed it is.

Me: And she has the powers of a hurricane and can blow her enemies away with the fury of the strongest hurricanes of all.

Laney: Wow! That is amazing!

Haiyan Hurricane: Yes and it's awesome.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Haiyan Hurricane: No he didn't. I blew him away with the ferocity of a hurricane on Saturn and hurled him at 45.232363 kilometers away.

Nico: WHOA! UH OH!

BOOOM!

NICO'S HEAD EXPLODED!

Me: HOLY SHIT!

Qin: OH MAN!

Camie: GEEZ!

Haiyan Hurricane: Oops.

Nico's head regenerated.

Nico: (GROANS) I hate it when that happens!

Me: Well at least I didn't blast you! Now you know how Jeebs feels.

Nico: No need to remind me.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju armor!

Lincoln: Lets separate you first.

We did so.

Me: Lets get it on!

Nico: (gets out Mandark's Ridewatch) I can be smart too!

May: (Gets out Raja Jaja's ridewatch) Lets make this fun for India.

Maria: (Gets out Mojo the Kid's ridewatch) DRAW!

Phoebe Vandom: (Gets out The Boogie Man's ridewatch) LETS GET FREAKY, FUNKY AND NASTY!

They used the powers of Mandark, The Boogie Man (Powerpuff Girls), Raja Jaja, Cruncha Muncha, Mojo the Kid and Silver Spooner and blasted the Another.

Then Vanishing Gungaroo, Firegeist, Fire Elemental Myrmidon, Magmin, Fire Snake and Fire Bat came.

Nico: WHOA! Nice team Vanishing Gungaroo!

Vanishing Gungaroo: (Australian Accent) Thanks Nico mate!

Me: Wow! That is cool! Infernal too!

Shade Man: My team is next.

Nico: Yep!

Then Austroposeimon came!

Me: Whoa! Austroposeimon!

Qin: Nice!

?: It sure is!

Cherrymon came!

Me: Cherrymon! Wow!

Nico: Wow!

Cherrymon: (In a girls voice) (Dutch Accent) Ja this will be fun too.

Nico: Anneleise Barnhart! Wow!

She reverted back and was a girl with blond hair, green eyes, green clothes and had red angel wings and had a new crest in the middle of her forehead and had Cherrymon in her shirt and skirt and had the Netherlands Coat of Arms on her arm and had a green digivice and had a Mugga Cider Magisword in her hand.

Anneleise Barnhart: Ja good to see you Nico. We got this.

They fired waves of cherries and flowers and blasted the Another and I caught the Ridewatch and purified it.

Me: OH YEAH!

Qin: COOL!

Me: Awesome! And Anneleise you're the Netherlands Digidestined. I can tell because of the Netherlands Coat of Arms on your arm.

Anneleise Barnhart: Ja that's right and my family are known for making pies.

Me: Boy who doesn't love pie.

Nico: Yeah.

Phoebe Vandom: Do you have a favorite memory of Nico?

Anneleise Barnhart: Ja I sure do. When me and Nico met. We battled a bunch of Cherrymon that were running around in Amsterdam and we battled them as they were tearing apart the stores.

Me: So Amsterdam was having Digimon Problems too.

Nico: Yep.

Me: Wow.

Nico: Yeah.

Nico and Anneleise hugged.

Nico: I missed you.

Anneleise: Me too Nico.

We went back home.

One of Lincoln's old enemies, a dark sorcerer by the name of Antoine Badeaux, has returned from the dead and has been sighted at The Catacombs, an intricate labyrinth of subterranean tunnels underneath Paris, and he's planning on resurrecting the six million corpses that've died and been buried in the Catacombs for centuries and he intends to unleash them upon Paris, and finally, the world. But, we're not going to let that happen, we are going to stop this mad sorcerer and send him on a one-way trip to The Black Abyss forever.

Lincoln: Ah, we're here in Paris for Valentine's Day, and I know what we're going to do here, not only am I going to rescue the five girls here, but we got some huge trouble in Paris, specifically near The Catacombs.

Selene Arcangela: I believe I know who's responsible. One of Lincoln's old enemies has been sighted here, his name is Antoine Badeaux, a dark sorcerer from Paris in the 13th Century, he dabbled in The Black Arts and he descended down a road towards black magic, and it caused him to go mad.

Me: Oh boy.

Nicholette Torrington: Eventually, he was captured, and on the orders of the King, Antoine Badeaux was executed for his crimes on May 15th, 1265. He came back from the dead the first time in 2021 over 756 years after his death and he tried to raise an army of Crusader soldiers and send them to conquer the world. But, we killed him and sent him straight back to Hell. Now, three years later, Antione Badeaux has returned from the dead once again.

Nico: And he's here in Paris, but why?

Lincoln: I think I know why, he's heading for The Catacombs, an intricate labyrinth of subterranean tunnels underneath Paris, and he's planning on resurrecting the six million corpses that've died and been buried in the Catacombs for centuries and he intends to unleash them upon Paris, and finally, the world.

WE GASPED IN HORROR!

Eli: That undead madman!

Nerissa: He intends to finish what he failed to do back in 2021.

Marinette: And for him, heading for The Catacombs is a better alternative because he'd tried to bring back the army of Crusaders three years ago, but that failed. Now, he's heading for The Catacombs. We got to stop him before it's too late!

Suddenly, we saw a girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long ocean blue hair with light blue streaks, blue eyes, blue purple angel wings, blue clothes, long white sleeveless trenchcoat with stars, water, ocean waves, sea creatures, phoenixes, and angels on the coattails, and on the back is Marincess Blue Slug, she has a water greatsword in hand and with her are the five girls.

Lincoln: (GASPS) Anahita Westbrook, Gene-Slammer and Avatar of Marincess Blue Slug.

Anahita Westbrook: That's right, and I got the five girls away. It turns out Antoine captured them and was planning on killing them after he brings back the six million people who died and were buried in the Catacombs for centuries.

Lincoln: He's still insane as ever. Let's end this madman once and for all.

We headed for the entrance to The Catacombs, and we saw a man with black hair and he was dressed in medieval black robes, it was Antoine Badeaux, the dark sorcerer of 13th Century Paris and hated enemy of Lincoln and his Guardian

Angels, and he was about to begin with the resurrection as a black magic circle appeared at the entrance.

Antoine Badeaux: (French Accent) Soon, all of Paris and the world will burn in the flames of Hell! (LAUGHING MALEVOLENTLY)

Lincoln: Which will be never, Antoine!

Lincoln fired a white energy blast which hit the black magic circle and destroyed it.

Antoine Badeaux: (French Accent) NO! NO! DAMN YOU, LINCOLN LOUD! WHY CAN'T YOU JUST LEARN TO STAY OUT OF MY BUSINESS AND DIE?!

ANTOINE BADEAUX WENT MAD WITH RAGE!

Then, Lincoln swung his massive greatsword and fired a massive shower of blades of light that hit and pierced Antoine Badeaux all over the place, and the blades of light destroyed his body and his dark soul was sent to The Black Abyss forever. We cheered as we holstered our weapons and powered down.

Lincoln: Your seven-hundred year vengeance against the world finally ends here and now, Antoine Badeaux. (To Anahita Westbrook) And it's so good to see you again, Anahita.

Anahita Westbrook: You too, Lincoln, it's been seven years since we last met.

Suddenly, Anahita Westbrook had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Anahita Westbrook was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Anahita Westbrook: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Anahita Westbrook and hugged her, and Anahita Westbrook is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his

jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Anahita Westbrook: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or

massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Anahita Westbrook, Gene-Slammer and Avatar of Marincess Blue Slug, she's Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Blue Slug. She's the third eldest sister of The Westbrook Sisters, and she's the water mage of The Marincess Water Princesses. Lincoln met Anahita Westbrook when she and the rest of us came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Anahita kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Anahita hates Lola with a blazing passion, because that toxic super-aggressive bad-tempered she-demon pageant diva polluted Lake Michigan by dumping a dumptruck full of glitter into the lake, and she was laughing cruelly like the bitch she was, and enraged because of her behavior, Lincoln and Anahita blasted her with water and they even electrocuted her, and

Lynn got so mad, she called Anahita a fish-faced bitch and Lola said that she hopes that Anahita dies in a pool of her own blood and she'll dance on her remains. The audacity and utter malice of her threat made Lincoln see red, and he blasted Lola hard with a massive blast of water, he sent her flying back to the house, and when everyone heard Lola's threat along with seeing what she did, Lola got grounded for five months, and Luna, Laney, Leni, Lucy, Lana, and Lily dragged Lola to her room and threw her inside a cage like the animal that she was, and they turned to leave, but not before Luna gave her the finger, and that sent Lola into a total psychotic tailspin of rage as she banged on the bars of the cage with her fists and screeched like a chimpanzee!

Nico: You have no idea of how pissed off we were yesterday when Selene told us of what Lola did.

Me: That incident is something Varie and I still remembered all too well.

Lincoln: Varie almost got that close to tearing Lola a new one, and you almost tore Lola apart from what I remember, J.D., and now that you're here, Anahita.

Lincoln with his massive muscular arms still wrapped around Anahita Westbrook leaned his head down the right side of Anahita Westbrook's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Anahita Westbrook: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Anahita Westbrook with blue gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Anahita Westbrook: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Anahita Westbrook.

Anahita Westbrook had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Anahita Westbrook's waist, and he leaned down to her face and kissed her on the lips, and with Anahita Westbrook's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Arianna Westbrook had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Anahita Westbrook: (In Heaven) My God. Oh, Lincoln, about the five girls that I got away from Antoine Badeaux, they are beautiful mega voluptuous babes.

Me: Then, it's time for us to leave.

The rest of us left, and Lincoln, Nicole, and his harem went up to the five girls, and when Lincoln saw them, his nose gushed out blood upon seeing them. The five girls are Megumi Morisaki, Mako Suzumo, and Anna Okudera from Wives Once Wild and Kozue Takama and Mai Katsuragi from Lover-in-Law.

Lincoln: Oh, whoa, it's Megumi Morisaki, Mako Suzumo, and Anna Okudera from Wives Once Wild and Kozue Takama and Mai Katsuragi from Lover-in-Law.

Nicole: Uh oh. Now, I know why Anahita said that, and why Dad and the others left, Lincoln, these five girls are extremely beautiful and voluptuous as you see before you.

Lincoln: And prime targets for perverts, if we see any of them, I'll tear them apart. Are you girls okay?

Megumi Morisaki: Yes, we're okay, thanks to you.

Then, when Megumi Morisaki and the other four girls saw who it was that saved them from Antoine Badeaux, their faces turned atomic red upon seeing the 18-year-old 9'10" tall, handsome heartthrob hulking hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with colored phoenix fire ombre streaks on the Megumi Morisaki: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Megumi Morisaki: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Megumi Morisaki, Mako Suzumo, Anna Okudera, Kozue Takama and Mai Katsuragi with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks. Lincoln, Nicole, and his harem returned home, and everyone was shocked to find out that the villain we went after was another old enemy of Lincoln's named Antoine Badeaux, a dark sorcerer from 13th Century Paris and that Lincoln and his Guardian Angels destroyed him three years ago when he first came back from the dead nearly seven hundred years after his death.

But, when Lincoln showed what we all did in first destroying his spell to bring back the six million people who died and were buried in The Catacombs and all of us beating him down and finally Lincoln sending him to The Black Abyss forever, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Anahita Westbrook have a lot of catching up to do, now that she's back in town.

Maria: I don't believe it, I thought you got rid of Antoine three years ago.

Lincoln: Unfortunately, he refused to stay dead.

Nico: And he came back once again to finish what he started.

Me: And now, he's finally gone forever.

Timmy Turner: That's for sure.

Eli: Too bad we don't have the answers as to how Adam Schneider and Rusty Bloodthorn escaped from prison and went to Swartz and got turned into Anothers to get revenge.

Caleb Maxwell: I should've known they weren't going to spill that easily and would rather die than tell. (To Sebastian Mendez) But, you. You know something that we don't.

Sebastian Mendez: What? I don't know anything.

Cage Blunt: Yes, you do. Because from what Nico told us, long ago, you went from trusted friend to murderous backstabbing bastard traitor.

Travis Tackett: And you might have some "old friends" of yours who are possibly wanting to squeal.

Qin: Wait, I remember that Mata Hari, Cindy Storm, and many of our friends who are in The FBI and CIA told us that after Sebastian had reportedly died and was sent to the darkness of Oblivion for his crimes, Sebastian's minions continued to cause havoc in his name, all of whom we've hunted down and thrown in prison. (Smirks) (To Cage Blunt) Planning on giving him an interrogation, Cage?

Cage Blunt: If it comes to that, we'll get an interrogation room ready.

Jack Howard: (Smirks) We'll give him the third degree if he gets testy.

Sebastian Mendez: Kind of like how I am right now!

Suddenly, the place turned dark as organ music plays in the background and Sebastian rises off the ground with a malicious grin on his face and his teeth turned into sharp fangs, and, he opens his mouth, and then...!

Sebastian Mendez: (ROARS LIKE A DEMON AND SNAKES COME OUT AND ROARED AND FIRED DARK FIRE LIKE CRAZY)

Jack Howard: What the actual Hell?!

Caleb Maxwell, Cage Blunt, and Travis Tackett: Seriously, is that all you got?

Caleb Maxwell, Cage Blunt, and Travis Tackett went up to the snakes and Cage Blunt and Travis Tackett punched them in the face and they grabbed them and yanked them out of Sebastian's mouth as he screamed like a demon in agonizing pain before they tied him up with the snakes.

Nico: (TRYING HARD NOT TO LAUGH) H-Holy...DAMN!

Sebastian Mendez: (STRUGGLES TO GET OUT AND ROARS LIKE A DEMON)

Lincoln: Okay, wiseguy, you asked for it.

Lincoln took a deep breath, and then...!

LINCOLN LET OUT THE LOUDEST WOLF ROAR IN THE HISTORY OF THE WORLD AND IT WAS SO LOUD, IT SENT

SEBASTIAN FLYING INTO A WALL, AND THEN, HE FELL INTO A TRASHCAN PLACED THERE BY OUR MASCOTS!

Me: WHOA!

Nico: Oh..., man.

After Lincoln and all of us dealt with Antoine Badeaux and sent him to The Black Abyss and this time forever, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Anahita Westbrook saw Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Anahita Westbrook: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and in his human form, he also got one awesome tan, and he's also doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Anahita, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Anahita Westbrook: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before

Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Anahita Westbrook: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Hunter: (German Accent) We do have another video to show you all, it shows the first time Caleb met The Big Claw Gang and Claw Dane Drake. Of course, Panther almost made Caleb lose it and go full demon on him, and right around the same time Cage and Travis were about to show up.

Hunter put the video on the big screen as it played and it showed Caleb Maxwell working at his Uncle Christiano's restaurant and he was taking the orders of the customers and bringing them their food and even cleaning the tables and floors.

Past Caleb Maxwell: Wow, business here is really taking off, look at the amount of customers that are coming here.

Past Christiano Maxwell: That's true, and you've been working really hard here and at college as well.

Past Caleb Maxwell: You know me.

Suddenly, some cars arrived at the restaurant, and a couple of figures came out of the cars, and what Caleb didn't recognize were they were none other than Claw Dane Drake, Carla Drake A.K.A. Carla Claw, Chester, Nick Price A.K.A. Crowe, Sarah A.K.A. Hex, Chett A.K.A. Shroud, Sally Gamble, Jessie Jean A.K.A. Patch, Mad Cat Max, Nekome, and Ichiro, but they are in civilian clothes.

Past Christiano Maxwell: Ah, welcome.

Past Claw Dane Drake: I believe I have a reservation here.

Past Caleb Maxwell: (Checks the book) Ah, yes, here we are. Please follow me.

Caleb Maxwell showed them to the table as they took their seats, and he gave them the menus, and they've placed their orders.

Past Caleb Maxwell: Thank you, your orders will be ready in a few minutes.

Caleb Maxwell walked to the kitchen.

Chef: Caleb, you know who those figures are, they're none other than Claw Dane Drake, Carla Drake A.K.A. Carla Claw, Chester, Nick Price A.K.A. Crowe, Sarah A.K.A. Hex, Chett A.K.A. Shroud, Sally Gamble, Jessie Jean A.K.A. Patch, Mad Cat Max, Nekome, and Ichiro of The Big Claw Gang!

Past Caleb Maxwell: Wait, what?!

Caleb Maxwell peeked out and he finally recognized them.

Past Caleb Maxwell: Ah, shit, it really is them. Okay, let's not panic, they're not doing anything at the moment, but let's keep this to ourselves and not draw any attention to ourselves.

Caleb Maxwell came out a few minutes later with the orders of The Big Claw Gang and brought them to their table. Then, he moved to clean some nearby tables, but it's also bad timing: he saw the sun was about to set.

Past Caleb Maxwell: (Thinking) As if things weren't bad enough, the sun's about to set, and I know what that means. I've got to get out of here.

Caleb Maxwell was about to turn and clock out, but then, Panther grabs his right shoulder.

Past Panther: And where do you think you're going, kid?

Past Caleb Maxwell: Heading to my boss to clock out and head home.

Past Carla Claw: Panther, leave him alone, that's Christiano's nephew.

Past Panther: Relax, I ain't going to do anything to him.

Past Caleb Maxwell: Sorry, but I ain't got no time to chat. I've got to go.

Past Shroud: Hey, Panther, why don't we show him what happens when he rejects our invitation?

Past Panther: (Smirks) Not a bad idea, Chett.

Suddenly, Shroud jumped out of his seat and he and Panther took Caleb Maxwell outside with the gang following, and Shroud punched him in the stomach as he gasped in pain. Then, Panther also punched him in the stomach, which caused his eyes to shrink in pain and tears to fall from his eyes.

THEN, CALEB MAXWELL LET OUT AN UNHOLY SCREAM AND SENT FLYING A SHORT DISTANCE AND CRASHED ONTO THE GROUND!

Me: Damn!

Roxy Drake: Carla's boyfriend really crossed it that day, and so did Shroud.

Past Carla Claw: Nice going, Panther, now we're in trouble.

Suddenly, Caleb Maxwell let out an unearthly scream, and he threw up some blood as his nails grew into black claws. He got back up, but as he lifted his head up, his eyes turn from brown to red and the sclera of his eyes were about to turn black.

Past Caleb Maxwell: I'm going to kill you.

Caleb Maxwell was about to head towards Panther and Shroud and tear their throats open, but suddenly, Caleb Maxwell's mark reacted and it started bleeding as he winced in pain, and he turned to see Cage Blunt and Travis Tackett approaching.

Past Caleb Maxwell: (Eyes change back and nails shrink back) Ah, shit!

Caleb Maxwell ran off with the two vampires following, and as he got back inside his home, he shut the door in their faces and locked the door. Then, he cleans his right arm and face.

Past Caleb Maxwell: First, The Big Claw Gang shows up, then, two of them got me so riled up I almost turned into that, and then, those two vampires show up. If this keeps up, someone's gonna find out.

The video ends.

Me: Yikes! Man, Panther really crossed Caleb in a really nasty way!

Lincoln: And Shroud as well also crossed him too.

Caleb Maxwell: Those two really angered me by punching me in the stomach and I almost lost it and went after them, but my mark reacting caused me to change back and I ran back home, and I then slammed the door in the faces of Cage and Travis. Of course, after that incident, Uncle Christiano had found out from his old contacts that the customers on that night were The Big Claw Gang, and he had them banned.

Roxy Drake: Carla tried to keep things civil, and she may have seen you get nervous. Of course, she and the others didn't know who you were and what happens every night when the sun goes down.

Casey Antonio: If anything, your brother was lucky to only get punched in the stomach by Panther and Shroud, Allie.

Allie Maxwell: Normally, but Uncle Christiano can also get violent if his nephew gets hurt.

Carter Kenrick: Screw that, your brother should've torn their throats out and drank their blood.

Allie Maxwell: Carter!

Cage Blunt: (Snickers) Oh boy, you just angered Allie. Hit the dirt!

The NYPD Nightshift took cover, then, she really let him have it!

Allie Maxwell: First of all, Carter Kenrick, my older brother's tried to remain civil even when he met The Big Claw Gang and Claw Dane Drake face to face for the first time, and second, he panicked at the very sight of seeing the sun going down knowing he's going to run into Cage and Travis yet again and fearing he would this time die, and third, it's true Panther and Shroud started the fight, but Carla wanted to keep things civil, so that way, Caleb could leave work and head back home before the sun sets on the city. Plus, Mom found out about him accidentally drinking demon blood, and she didn't want to say anything to me about it fearing of what could happen. So, don't you say another thing like that again, got that?!

Buffy Blain: (LAUGHING HYSTERICALLY) Oh man, Allie, you sure know how to really put someone down like that!

Caleb Maxwell: I hoped never to see that again.

Marlene Maxwell: Same here. But, she did get that from me, same with you.

Nico: What do you mean?

Christiano Maxwell: I should've said this, but when their mom was sixteen, she was the leader of a biker gang of women, and she was always known for her strong sense of justice and defending the innocent from the guilty, and when we were kids, she had a fire in her eyes when she gets mad and it always ended with some dumbass getting his butt handed to him. (Shudders) Mom tried to intervene, but Marlene was really strong!

Me: Whoa!

Varie: Incredible!

Maria: Damn, now I know where you and Allie got that kind of strength from and the strong sense of justice.

Lincoln: That's really incredible!

Rita: It sure is.

Cage Blunt: Jeez, she really got you.

Captain Whitten: I think it's best to say this: never ever anger Allie Maxwell.

Jazz Jackson: I know that all too well, she's one fiery person and she's vicious like her brother.

Allie Maxwell: Jazz, while true I'm fiery when I get mad, the viciousness belongs to my brother, and I know how vicious he really is.

Casey Antonio: However, you got along great with us, Caleb had some time though.

Vessie Harris: True, he was only focused on getting revenge.

Cuffs Lane: And on the two people or rather one person behind his pain and suffering.

Abby Smith: Drake Maxwell, Caleb's younger brother and murderer.

Caleb Maxwell: The scum of the earth and the asshole responsible for putting my mother and my little sister through the combined hell of Dad's money-sucking leech relatives and the threat of The Syndicate coming after them after he killed me.

Jack Howard: If it were up to us, we'd haul him in front of the judge, and I wouldn't be surprised if they put the needle in his arm.

Roxy Drake: Or throw him in the gas chamber.

Me: But, they eventually met their end with The Black Abyss, no question.

Lincoln: That's right, and now, they're gone for good, and Marcus Maxwell, from what we saw, is now in Heaven. So, that means...!

Roxy Drake: Dad's video of Marcus Maxwell's truth of why he went into crime broke the curse his own son put on him in his vengeful anger.

Nico: Whoa.

We got a shower, and then, Lincoln, Haley, Gloria, Echo, Simulator Alisa Bosconovich, Kunimitsu II, RID Strongarm, Cybertron Override, Energon Treadbolt, Live Action Fracture, Shimo, Gaw, and Flora D'splora are heading to Yoshi's Tropical Island. But, they're not the only ones going there, the rest of Lincoln's harem were also heading there as well, and another added surprise: my harem and Nico's harem were also there as well.

Haley, Gloria, Echo, Simulator Alisa Bosconovich, Kunimitsu II, RID Strongarm, Cybertron Override, Energon Treadbolt, Live Action Fracture, Shimo, Gaw, and Flora D'splora, along with the rest of Lincoln's harem are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Haley, Gloria, Echo, Simulator Alisa Bosconovich, Kunimitsu II, RID Strongarm, Cybertron Override, Energon Treadbolt, Live Action Fracture, Shimo, Gaw, and Flora D'splora all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all.

Lily the Mermaid: Varie? May? What are you all doing here?

Varie: J.D. sent us a message to head here to Yoshi's Tropical Paradise.

May: Same with Nico. What's going on?

Suddenly, Lincoln, Nico, and I arrived, and we had on red robes.

Lincoln, Nico, and Me: Happy Valentine's Day!

The girls were all surprised!

Lily the Mermaid: (Surprised) What?! This was...?!

Varie: A Triple Date for Valentine's Day, that really is so sweet!

May: Thanks, guys! But, you realize the sun's about to set.

Me: We know.

That stunned our harems.

Lincoln: See, we had a little surprise planned for you.

Suddenly, the sun set on Yoshi's Tropical Island, and the full moon rose.

Suddenly, Lincoln let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his entire body was covered in thick brown fur and his massive pecs and ten-pack abs were covered in tan fur, his deep sapphire blue eyes and rainbow iris of his Third Eye remain the same, but the pupils turned into slits, his fangs grew longer and his rows of straight teeth turned into wolf's teeth, and his nose turned to a wolf's nose and he grew a wolf snout and sturdy tan-colored muzzle, his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings remained the same, his eleven massive and long white wolf tails and large white wolf ears turned brown, his long wild white hair turned brown with white streaks and became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned dark blue, and he let out a loud howl as he turned into Lincoln The Nocturnal.

Then, I let out a growl as my abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on my body and my entire body was covered in thick brown fur and his massive pecs and ten-pack abs were covered in tan fur, my rainbow eyes and rainbow iris of my Third Eye remain the same, but the pupils turned into slits, my fangs grew longer and his rows of straight teeth turned into wolf's teeth, and my nose turned to a wolf's nose and I grew a wolf snout and sturdy tan-colored muzzle, my massive rainbow angel wings and two other sets of large rainbow angel wings underneath my massive rainbow angel wings remained the same, my eleven massive and long rainbow wolf tails and large rainbow wolf ears turned brown, my long wild rainbow hair turned brown with rainbow streaks and became wilder and my large gold halo with four large orbiting gold rings orbiting the corners behind my head turned dark blue, and I let out a loud howl as I turned into J.D. The Nocturnal.

And Nico let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his entire body was covered in thick brown fur and his massive pecs and ten-pack abs were covered in tan fur, his deep sapphire blue eyes and rainbow iris of his Third Eye remain the same, but the pupils turned into slits, his fangs grew longer and his rows of straight teeth turned into wolf's teeth, and his nose turned to a wolf's nose and he grew a wolf snout and sturdy tan-colored muzzle, his massive dark blue angel wings and two other sets of large dark blue angel wings underneath his massive dark blue angel wings remained the same, his eleven massive and long dark blue wolf tails and large dark blue wolf ears turned brown, his long wild dark blue hair turned brown with dark blue streaks and became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned dark blue, and he let out a loud howl as he turned into Nico The Nocturnal.

May: Whoa, Nico!

Nico: (Beastly Voice) Lincoln fed me a bag of his blood, and as a result, I also gained a werewolf form and became Nico the Nocturnal, and I feel even more stronger and more powerful than ever.

Lincoln: (Beastly Voice) Yep. (Smirks) Now, for our next surprise.

Lincoln, Nico, and I undid the straps on our red robes, and we grabbed them, and we removed our red robes, and tossed them into the wind.

Lincoln had on his new large black speedo with a Thunderbird and heart and lightning bolt on its stomach surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

I had on my new large black speedo with a Phoenix and heart and flame on its stomach surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, red sandals, my jewelry and accessories, and I had my weapons holstered in case of trouble.

And Nico had on his new large black speedo with a Dragon and heart and flame on its stomach surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

When our harems saw it, they had atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood.

May: (Swooning) My God!

Varie: (Swooning) Oh my!

Lily the Mermaid: (Swooning) Whoa!

Lincoln, Nico, and Me: (Flexing our massive muscles and Seductive Voices) Like what you see, ladies?

Then, we got jumped on and kissed on the lips.

Lincoln: (Beastly Voice) Alright, now, let's get this special Valentine's Day date started.

Lincoln, Haley, Gloria, Echo, Simulator Alisa Bosconovich, Kunimitsu II, RID Strongarm, Cybertron Override, Energon Treadbolt, Live Action Fracture, Shimo, Gaw, and Flora D'splora, and the rest of his harem, me and my harem, and Nico and his harem dived into the waters, and they began swimming, and they also saw the marine life that lived there, then, they went back to the beach, and the girls of our harems took turns in giving Lincoln, Nico, and I a deep tissue massage which not only relaxed our muscles and entire bodies, but they also released some tension we'd been carrying.

Then, we made clones of ourselves and did the same thing giving the girls deep tissue massages, and when we were done, they were literally relaxed. Then, we had an amazing volleyball game, and we went into a workout area Lincoln created, and Haley, Gloria, Echo, Simulator Alisa Bosconovich, Kunimitsu II, RID Strongarm, Cybertron Override, Energon Treadbolt, Live Action Fracture, Shimo, Gaw, and Flora D'splora, and the rest of his harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000.000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

And my harem got an extremely massive and deep atomic red blush on their faces when they saw me lift thirteen massive 900,000,000,000,000.000-lb barbells I summoned in my hands and eleven massive and long brown wolf tails, and they were really swooning over me especially when I started showing off by flexing my muscles.

And Nico's harem got an extremely massive and deep atomic red blush on their faces when they saw Nico lift thirteen massive 900,000,000,000,000.000-lb barbells Nico summoned in his hands and eleven massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Lily the Mermaid, Varie, and May: (Swooning) So manly and hunky!

Then, we had some lunch, and then, Lincoln made clones of himself and he and his clones went up to Haley, Gloria, Echo, Simulator Alisa Bosconovich, Kunimitsu II, RID Strongarm, Cybertron Override, Energon Treadbolt, Live Action Fracture, Shimo, Gaw, and Flora D'splora, and the rest of his harem and they hugged the girls in their abnormally massive and powerful muscular arms and Haley, Gloria, Echo, Simulator Alisa Bosconovich, Kunimitsu II, RID Strongarm, Cybertron Override, Energon Treadbolt, Live Action Fracture, Shimo, Gaw, and Flora D'splora, and the rest of his harem placed their hands on the massive pecs of Lincoln and his clones.

I made clones of myself and me and my clones went up to the girls in my harem and we hugged the girls in our abnormally massive and powerful muscular arms and my harem placed their hands on the massive pecs of me and my clones.

And Nico made clones of himself and he and his clones went up to the girls in his harem and they hugged the girls in his abnormally massive and powerful muscular arms and his harem place their hands on the massive pecs of Nico and his clones.

And then, we all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Haley, Gloria, Echo, Simulator Alisa Bosconovich, Kunimitsu II, RID Strongarm, Cybertron Override, Energon Treadbolt, Live Action Fracture, Shimo, Gaw, and Flora D'splora and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. We came back home to The World Tree Estate, and everyone saw that Lincoln, Nico, and I were covered in kisses on our faces, bodies, and ten-pack abs, and Lincoln was carrying Lily the Mermaid in his arms, I was carrying Varie in my arms, and Nico was carrying May in his arms.

Eli: Whoa, you guys really had a good time at Yoshi's Tropical Island.

Lincoln: (Beastly Voice) It...was so...!

May, Varie, and Lily the Mermaid: (In Heaven) AWESOME!

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Haley, Gloria, Echo, Simulator Alisa Bosconovich, Kunimitsu II, RID Strongarm, Cybertron Override, Energon Treadbolt, Live Action Fracture, Shimo, Gaw, and Flora D'splora on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Now, Haley, Gloria, Echo, Simulator Alisa Bosconovich, Kunimitsu II, RID Strongarm, Cybertron Override, Energon Treadbolt, Live Action Fracture, Shimo, Gaw, and Flora D'splora are in your harem, Linky.

Haley, Gloria, Echo, Simulator Alisa Bosconovich, Kunimitsu II, RID Strongarm, Cybertron Override, Energon Treadbolt, Live Action Fracture, Shimo, Gaw, and Flora D'splora showed the marks Lincoln made on the right sides of their necks.

Jenna: And we had no trouble at all.

Haley: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Varie: Same with J.D.

May: And Nico, and they also turned into their werewolf forms, and we were literally swooning and swarming over them.

Serena Logan: And he really got THAT confident!

Rarity: Well, you all helped in that matter.

Lincoln: (Beastly Voice) She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: (Beastly Voice) You know we made a clone of that mutant.

Lincoln: (Beastly Voice) He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: (Beastly Voice) The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy stopped farting like crazy and we were laughing hysterically.

Lincoln: (Beastly Voice) That's still as hilarious as ever! (LAUGHS)

Nico: (Beastly Voice) Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: (Beastly Voice) When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: (Beastly Voice) Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We may not have a mission since today's Valentine's Day, but I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was the next of the dark nightmares that haunted Caleb Maxwell and brought to life by Morana Desdemona and her minions: Demon Blood

Influenced Captain Whitten, and he's coming after us. When we saw it, we knew it meant trouble.

Lincoln: So, you're finally on the move.

Travis Tackett: Lincoln, that figure we saw, that wasn't...?

Lincoln: I'm afraid so, Travis: the figure that we saw was Captain Whitten's Demon Blood Influenced self, the next of the dark nightmares of Caleb Maxwell brought to life by Morana Desdemona, and he's coming after us.

Captain Whitten: I see, but I don't know how he's connected to any of Caleb's nightmares. (Realizes something) Oh God. Now, I remember, the night of The Hollowshade Massacre, I came there, and I saw the bodies of the drained patrons, and Caleb wasn't drained like the patrons, but he was riddled with bullets, which pointed out that Drake and the four higher-ups of The Syndicate shot him to death and fled before we came here. Then, a few years later, while I was in the office, I felt a cold chill in the air, and then, I saw Caleb, but it turns out he was a ghost.

Me: He must've come back as a ghost, and did he leave something that pointed you to his brother?

Carter Kenrick: He left Drake's gun on his desk, and when we tested the ballistics from one of the bullets from his gun to the one in his body, it proved that Drake was the culprit.

Caleb Maxwell: But, by then, Drake went into hiding after Dad removed him from his position.

Nico: Despite that, you still wanted to avenge your own murder. Alright, team, let's go, we may not have a mission for today, but we still got to take down Demon Blood Influenced Captain Whitten.

Lincoln: Right.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Gotham Royal York to take down Demon Blood Influenced Captain Whitten.

We arrived at Gotham Royal York Park to hunt down our next target: Demon Blood Influenced Captain Whitten.

Nico: Alright, we're here in Gotham Royal York Park. Now, where's Demon Blood Influenced Captain Whitten?

Me: He's here alright. I smell demon blood in the air.

Lincoln: And there's no use in trying to hide.

?: Well, you need not look any further.

imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive and indestructible diamond barrier infused with absorption energy that protected all of us from a suddenly flurry of claw attacks.

Lincoln: (Catches the scent of blood) I knew there was no mistaking the scent of blood, you better get out here, Demon Captain Whitten, or we're forcing you out.

A figure came out, and it was none other than Captain Whitten's Demon Blood Influenced form: he looks exactly like him, but with black sclera and blood red iris.

Captain Whitten: My God, so, you've finally arrived.

Demon Blood Influenced Captain Whitten: You can't get rid of me that easily, I'm part of you.

Captain Whitten: Yes, you're a manifestation of the day I encountered Caleb's ghost a few years later, but this nightmare ends here and now.

Suddenly, Captain Whitten was surrounded by a very massive vortex of black and blue energy with stars, darkness, dark magic, black magic, Satanic Magic, and shadows surrounding the vortex, there are vampire bats, phoenixes, and angels surrounding the vortex, and in the vortex is a dark blue phoenix with blood red eyes with blue ring glaring at his Demon Blood Influenced self: the blood red eyes of eternal death and eternal judgement and the blue ring of understanding.

Then, as the vortex faded, Captain Whitten emerged, but he was changed forever.

Captain Whitten grew to 9'10" in height, he now has abnormally massive and powerful upper and lower body muscles and ten-pack abs, he has on large gold braces on his massive biceps and thighs, he still has fifteen large black and blue planets orbiting around his legs and fifteen smaller black and blue planets orbiting around his waist, he has blue highlights in the bangs of his long blonde hair going down to the upper part of his neck with blood red phoenix fire ombre streaks on the back and his large gold halo in the center with gold angel wings on the bottom behind his head now have embedded blue crescent moon gems and the four large orbiting gold rings on each corner also have blue gems embedded in them, he has neon green eyes and a black and blue energy aura with stars, darkness, dark magic, black magic, Satanic Magic, blood, shadows, vampire bats, phoenixes, and angels surrounding him and immense protective neon rainbow aura with all of the elements swirling around it, he has a black and blood red vampire bat surrounded by a phoenix and angel emblazoned on his forehead and Third Eye with blood red iris, he has on vampire bat earrings with blue gems for eyes and holding the Star, Dark, Blood, God, Xelnaga, and Eternity Kanjis in its claws, he has on a Crystal Necklace of The Buddha with blue red gems in the black crescent moon links and blue crystal links and blue vampire bat-shaped Element of Harmony and on the bottom of The Element of Harmony is a vampire bat with blue gems for eyes and holding the Star, Dark, Blood, God, Xelnaga, and Eternity Kanjis in its claws for the pendant and white and gold accented choker on his neck. Cage Blunt: Yes, like the captain said, it's true, you're a manifestation of the day I encountered Caleb's ghost a few years later. But, you're also a ghost of the past.

Travis Tackett: But, this is where another nightmare ends here and now.

James Blunt: And where another of Caleb's nightmare's ends here and now.

Cage Blunt: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow

Bloody Darkness Vampire Phoenix God Angel Hope) Now, then, let's do this, Captain.

Captain Whitten: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel Hope) I'm surprised you're also joining, Blunt, the same goes with Tackett, and your old man.

Travis Tackett: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel Hope) We've dealt with this before, since we were the ones who made the dumb mistake drinking demon blood.

James Blunt: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel Hope) And that led to Caleb's introduction to our world. Now, let's take care of this final piece of business.

Captain Whitten, Cage Blunt, Travis Tackett, and James Blunt went after Demon Blood Influenced Captain Whitten, and they fired extremely powerful blasts of black and blood red energy, black and blue energy, stars, darkness, dark magic, black magic, Satanic Magic, blood, shadows, vampire bats, phoenixes, and angels at Demon Blood Influenced Captain Whitten, and they exploded with incredible power as they hit him. Then, they attacked him with their massive greatswords leaving painful scars on him, and they even scratched him with their gold-plated dragon claws and they smashed him all over the place with their superhuman strength, and it was making Demon Blood Influenced Captain Whitten even more enraged.

Demon Blood Influenced Captain Whitten: H-how?! How is this even possible?!

Caleb Maxwell: It's because the captain is no longer weighed down by what happened back in the past, and we're already freed from the very person who killed me years ago. Plus, we already found out about the truth about Dad when we went after Claw Dane Drake, and that led to the end of the anger and rage I had towards Dad, and I forgave him.

Captain Whitten: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel Hope) That's right, and I'm still continuing on with my dedication to the police and protecting everyone in need.

Demon Blood Influenced Captain Whitten saw it and smiled.

Demon Blood Influenced Captain Whitten: You made the right step in the direction you chose.

Suddenly, Demon Blood Influenced Captain Whitten faded away, but not before giving Captain Whitten a gift: his powers and abilities added to his own.

Captain Whitten: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow

Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel Hope) Rest in peace.

Captain Whitten, Cage Blunt, Travis Tackett, and James Blunt holstered their massive greatswords on their backs and powered down, and Captain Whitten's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large fifteen black and blue planets orbiting around his legs and fifteen black and blue smaller planets orbiting around his waist, smaller planets orbiting around his fingers like rings, medium sized black and blue planets orbiting around his wrists and ankles, Third Eye, longer blonde tail, and massive blonde angel wings and four sets of larger blonde angel wings underneath his massive blonde angel wings are permanent, Travis Tackett's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large fifteen black and blood red planets orbiting around his legs and fifteen black and blood red smaller planets orbiting around his waist, smaller planets orbiting around his fingers like rings, medium sized black and blood red planets orbiting around his wrists and ankles, Third Eye, longer blonde tail, and massive blonde angel wings and four sets of larger blonde angel wings underneath his massive blonde angel wings are permanent, Cage Blunt's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large fifteen black and blood red planets orbiting around his legs and fifteen black and red smaller planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized black and blood red planets orbiting around his wrists, longer brown tail, and his massive brown angel wings and four other sets of massive brown angel wings underneath his massive brown angel wings are permanent, and James Blunt's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large fifteen black and red planets orbiting around his legs and fifteen black and red smaller planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized black and blood red planets orbiting around his wrists, longer dark brown tail, and his massive dark brown angel wings and four other sets of massive dark brown angel wings underneath his massive dark brown angel wings are permanent.

Me: That was a surprise, the battle didn't end with your Demon Blood Influenced self getting killed by you, Captain.

Captain Whitten: That's right, just like Cage, Travis, and James, my demon blood influenced self had merged with me after I finally made peace.

Caleb Maxwell: And with that, another nightmare ends here.

Me: You said it. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Lincoln: Ooh, I've got a good one: Avonlea Westbrook, Gene-Slammer and Avatar of Marincess Blue Tang.

Adriana Westbrook: I knew it was her next, and you guys are going to love meeting her, Avonlea Westbrook is Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Blue Tang. She's the third eldest sister of The Westbrook Sisters, and she's the warrior of The Marincess Water Princesses. Lincoln met Avonlea Westbrook when she and the rest of us came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Avonlea kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Avonlea hates Lisa with a blazing passion, because that toxic cold-hearted, emotionless polluted Lake Michigan by dumping a dumptruck full of chemicals into the lake, and she was laughing cruelly like the bitch she was, and enraged because of her behavior, Lincoln and Avonlea blasted her with water and they even electrocuted her, and Lisa got so mad, she called Avonlea a fish-faced bitch and Lisa said that she hopes that Avonlea dies in a pool of her own blood and she'll dance on her remains and harvest her organs. The audacity and utter malice of her threat made Lincoln see red, and he blasted Lola hard with a massive blast of water, he sent her flying back to the house, and when everyone heard Lola's threat along with seeing what she did, Lisa got grounded for five months, and Luna, Laney, Leni, Lucy, Lana, and Lily dragged Lisa to her room and threw her inside a cage like the animal that she was, and they turned to leave, but not before Luna gave her the finger, and that sent Lisa into a total psychotic tailspin of rage as she banged on the bars of the cage with her fists and screeched like a chimpanzee!

EVERYONE WHO HADN'T HEARD IT BEFORE GASPED IN SHOCK AND HORROR! THEN, THEY GLARED AT LISA WITH ANGER!

Nico: Lisa Loud, of all the insidious, rotten, malicious things you've ever done to piss off your own brother and his Guardian Angels, this is by far the fucking lowest!

Luna: Yep, you heard right, dude.

Laney: We really despised Lisa for what she did dumping a dumptruck full of chemicals into the lake, and she was laughing cruelly like the misandrist toxic bitch she was.

Leni: But, what she did in calling Avonlea a fish-faced bitch and hoping that Avonlea dies in a pool of her own blood and that she'll dance on her remains and harvest her organs, the audacity and utter malice of her threat made Lincoln see red, and he blasted her with a massive blast of water and sent her flying back to the house.

Lana: And when she was back inside, we tore her apart verbally, and for some of us, we also resorted to violence.

Me: I still remembered that day.

Varie: Me too, and I helped Lincoln, Avonlea, and her sisters in cleaning up Lake Michigan, and then, we went home and chewed her out.

We headed back home, and my harem, Lincoln's harem, and Nico's harem were heading to bed after an awesome Valentine's Day.

Girl Jordan: That was so much fun we all had on Valentine's Day.

Paige: You said it.

Varie: It was really amazing.

Lily the Mermaid: And the surprise moonlight date Linky, J.D., and Nico planned for us at Yoshi's Tropical Island and them turning into their werewolf forms, I couldn't forget how much of a heartthrob he also is in werewolf form.

May: And seeing Nico in his werewolf form, I had a nosebleed to the extreme.

?: (Beastly Voices) Glad you all had fun.

Suddenly, the girls entered into our rooms, and my harem saw me in my werewolf form sitting on my super extra-extra-extra large bed fit for his expanding harem and I was only in a pair of large red underwear, and when they all saw my, my harem had massive atomic red blushes on their faces, hearts in their eyes, and their noses were really gushing upon seeing me.

Then, Nico's harem saw Nico in his werewolf form sitting on his super extra-extra-extra large bed fit for his expanding harem and he was only in a pair of large orange underwear, and when they all saw Lincoln, his harem had massive atomic red blushes on their faces, hearts in their eyes, and their noses were really gushing out blood upon seeing their hotter, sexier hunk of a future husband.

Lincoln, Nico, and Me: (Seductive Beastly Voices) Like what you see, ladies?

Girl Jordan: (In Heaven) Oh yeah.

Lincoln made clones of himself and they walked up to his harem and they wrapped their abnormally massive and powerful muscular arms around their waists, which took them by surprise and brought an atomic red blush to their faces as their chests pressed against the massive pecs of Lincoln and his clones and their stomachs pressed against their ten-pack abs, which'd brought an atomic red blush to the faces of Lincoln and his clones, and they shared a deep passionate and romantic kiss as the girls placed their hands on the massive pecs of Lincoln and his clones.

Lincoln: (Seductive Beastly Voice) This is also part 2 of our Valentine's Day surprise.

Nico: (Seductive Beastly Voice) Lincoln, J.D., and I had it all planned, the moonlight date on Yoshi's Tropical Island was the first part.

Me: (Seductive Beastly Voice) And now, here's part 2, an all-night lovemaking fest, hope you ladies are ready for one...wild...night.

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: Stormy, you and Lynn can come with me too

Stormy Thunderbolt: I would be honored!

Lynn: Awesome!

Me: Here Stormy you may need this.

I gave her a breathing mask like Star Lord's.

Me: You can't breathe space yet like we can.

Stormy Thunderbolt: Oh thanks. I do still have a lot to learn.

Me: Yeah.

Optimus Prime: And me and Ax will go next.

Nico: Okay then.

Me: And I'll go in too.

We went into the simulator and we were on The Darker Side of the Moon!

Me: OH YEAH!

Stormy Thunderbolt: Wow! We're on the moon!? This is amazing!

Nico: Yep.

Bowser: Thanks!

Me: Oh this is Stormy Thunderbolt.

Lynn: Yeah she just joined us on Nico's rescue.

Bowser: Awesome to meet you.

Stormy Thunderbolt: Same here.

Me: She's a Galarian Zapdos Gene-slammer and Dark Gale turned her into that.

Bowser: Did Ed get Leni a Valentine's Day gift yet?

Nico:...for our sake and Leni's, I hope he did

Me: Ed says he has something huge planned. Lincoln and Ed are working on it.

Bowser: Oh. Good.

Me: Yep. Lets make this fun too.

Bowser: You got it!

Stormy: Like old times, Lynn?

Lynn: You know it Stormy!

Stormy and Lynn: VOLCANIC THUNDERSTRIKE BLAST!

They fired waves of lightning and fire and blasted Bowser all over.

Me: YEAH!

I fired waves of blue fire and blasted him.

Optimus Prime fired laser blasts and Ax fired energy waves.

They blasted Bowser all over.

Stormy was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Stormy Thunderbolt: No! I control the power! It doesn't control me!

She reverted back and then took off her mask and turned into Galarian Zapdos and smashed Bowser all over!

She came back and reverted back and got her mask back on.

Me: YEAH!

?: That was awesome!

2 figures came! It was the Embodiment of Unicron and the Embodiment of Avalanche Yeti came!

Nico: (GASP) Zeiram Unicron!

Nico: Relax J.D. she's a good girl.

Me: Oh.

Shanti Yeti: Shanti Yeti, Embodiment of Avalanche Yeti.

Flash: WHOA! Shanti!

Vert: Awesome to see you!

Shanti Yeti: Awesome to hear your voices Vert and Barry. Been a while.

Nico: (gets out Xandra and Mandark's Ridewatches) Time for magic and technology to unite!

Me: Just as long as your head doesn't explode again.

Nico: It won't.

He activated them and fired energy blasts and blasted Bowser.

Me, Optimus Prime, Zeiram, Ax, Shanti, Lynn and Stormy fired energy and elements and blasted Bowser all over and we knocked him out.

He was down and we won!

Me: YEAH!

We got the one moon!

Then we high five!

Nico: How did you meet Flash and Vert?

Shanti: I met Flash whe he was going after Captain Cold and he and I kelped bring him down.

Flash: It's true. This was before the Justice League joined the team.

Me: Wow! That is awesome.

Shanti: Yep and I met Vert when he was going after Krytus and I helped bring him down and we banished him.

Me: WHOA! I have a feeling Krytus will return when it's Vert's time to shine.

Vert: I have that feeling too.

Me: Yep.

Zeiram: Yeah.

Me: So Zeiram you are the Embodiment of Unicron? That is amazing!

Nico: Yeah! And we destroyed him.

Zeiram: I know. I heard about all that and that was awesome. He had it coming.

Me: Yeah. What's your favorite memory of Nico?

Zeiram: When me and Nico killed Energon Unicron. That was amazing.

Nico: Yep.

Nico and Zeiram hugged.

Nico: I've missed you.

Zeiram: Same here.

Me: Happy Valentines Day to you all too.

Camie: Yeah!

Qin: Awesome.

Lola: Ah Lamore!

Poromon: Happy Valentine's Day, Manaphy.

He gave her a box of awesome chocolates.

Manaphy: Oh wow! I love chocolates!

Camie: Yeah. And J.D.?

Me: Yes?

She kissed me.

We made out

Poliwag: Happy Valentine's Day, Horsea.

He gave her a bouquet of roses.

Horsea: Oh Roses!

She sniffed them.

Horsea: Oh they are beautiful.

Poromon: Nico, which Gene Slammer do you think you'll meet next?

Nico: Parrotmon next.

Me: Ooh! I remember that was the very first Digimon that attacked back a long time ago.

Nico: That's right.

Qin: I remember that. That was crazy.

Lola: Yeah.

Poromon: I remember that one.

Me: Yeah that was nuts.

Tai Kamiya: I remember that one too.

Camie: Wow.

Poliwag: Yeah.

Nico: Okay. The 4 of you have fun working on Leni's present.

Lincoln: We will.

Ed: Yeah!

Later Lincoln was spreading the love

Lincoln: [opens the house door with a bunch of hearts in his arms] Happy Valentine's Day, Gotham Royal York! [throws hearts everywhere]

[The hearts transition to Lincoln handing a heart to Girl Jordan and she loved it and kissed him on the lips and he tooted like a steam whistle and loved it. Then Another transistion shows him giving one to Squidward, And he loved it and shook his hand. Another transition shows SpongeBob giving one to Ronnie Anne who loves the heart and he kissed her and she explodes like Fireworks. Another transition to a dejected Plankton walking into one of Lincoln's shoes. Lincoln gives him a tiny heart using tweezers, who seems surprised at the heart. Another transition shows Lincoln leaping over to the houses of the Eds where Ed was.]

Ed: Happy Valentine's Day, Lincoln. I'm Gravy Cakes for you. [gets out an heart-shaped Gravy Cake with an arrow stuck through it]

Lincoln: [Takes it and eats it] Mmm! Delicious Ed! [And takes out a bottle of chocolate syrup] Well, I'm bubbles for you, Ed. [blows a chocolate heart bubble]

Ed: [sticks his tongue out and closes his eyes, the chocolate heart lands and pops on his tongue as he eats it, and he licks his lips] Yum! Leni is gonna love the Gravy balloon you made for her.

[A giant gravy hot air balloon with the faces of Leni and Ed drawn on it is shown. Ed and Lincoln run over to the balloon. Ed gets into the basket]

Ed: Take me through the plan again.

Lincoln: Okay. [blows a chocolate carnival] Step one: [manly voice] Leni and I get to the Valentine's Day carnival. [Chocolate bursts all over the screen and transitions to Leni in her room with a Valentine's Day dress and putting a dress and clothes together.]

Lincoln: Hi Leni!

Leni: Hey Linky! Happy Valentine's Day! Here's your present.

She gave him a shirt with jewels and hearts.

Lincoln: Thanks Leni! I love it! And I have a present for you!

Leni: You do?

Lincoln: It's the greatest... [Leni gets excited] ...the bestest... [Leni gets more excited] ...the most fantabulous... [Leni gets even more excited] ...present ever! [bounces and rolls all around all excited and overjoyed] But you can't have it yet. [Leni stops rolling and bouncing around]

Leni: Huh? Why not?

Lincoln: Because it's not ready yet.

Leni: Oh. Should I wait?

Lincoln: Just follow me and you will see.

Leni: Okay.

Lincoln: We still need time to prepare it.

Leni: We?

Lincoln: Yep. I'm helping Ed with it

Leni: Oh wow!

Lincoln: It's gonna be a while. But you'll see it when we get there.

Leni: Okay.

They went to the place.

They arrived at the Carnival.

Lincoln: Okay, Leni, here we are.

Leni: [gasps as she sees the carnival] You got me a carnival? Mine! All mine, mine, mine, mine. [runs inside the carnival and Lincoln runs in behind her] Mine, mine, mine! All right, everybody out! This is my carnival!

Lincoln: It's not the carnival.

Leni: Oh.

Eddy: How about me and Sockhead help you get the present ready?

Ed: Sure guys.

Edd: Wonderful!

They got the balloon ready and it was airborne.

Lincoln: Okay this will be fun [takes a quarter out of his pocket] Here, why don't you take this quarter and...

Leni: [snatches it from Lincoln] Oh my gosh, a quarter! I've always wanted a quarter!

Lincoln: It's not the quarter.

Leni: Oh.

Lincoln: Now, take that quarter and buy some cotton candy... [Leni interrupts and Lincoln's finger deflates]

Leni: Cotton candy! I can't believe it! [chases the cotton candy seller] Cotton candy!

Cotton Candy Seller: Hey, get away! Hey!

Nico: Let's get some cotten candy first.

Me: Good idea.

We went and got some.

Ed: Ed to Lincoln. Ed to Lincoln. [Lincoln takes out a walkie-talkie where Ed's voice is coming from] Ed to Lincoln. Come in, Lincoln.

Lincoln: Ten-four, Ed, Lincoln here. [we see Ed, Edd & Eddy closing in with the balloon on the carnival]

Ed: [floating toward the carnival in the balloon] I got Eddy and Double D with me. We got a visual on the carnival. You want me to bring her in?

Lincoln: Ohh, not yet, Ed. Leni's still trying to guess what her Valentine is.

Ed: [chuckles] You are such a silly guy. Ed out. That Lincoln... [a dark version of Sergio with a group of pigeons and they are heading toward the balloon] Sergio!? And Pigeons!?...Gravy eating Pigeons!

Leni: So if it's not cotton candy, then what is it? I can't take it!

Leni: C'mon, guys. What's my present?

Nico: You'll have to guess!

Me: Yeah.

Leni: [points at a tent] This tent?

Nico: No.

Eli: Try again.

Leni: [holds up random guy who is waiting in line for a ride] This guy?

Laney: Leni no.

Nico: No. [we see micro-organisms crawling around; it's Leni's view through a microscope]

Leni: This paramecium?

Nico: [laughs] Nope.

Lisa: Nice try though.

Leni: [giggles] Heh, you're a sly one. I can't find here in the carnival...because it's on top of Mount 'Climb Up and Fall Off'. [runs up the mountain and falls off then runs back to Lincoln] It wasn't there either!

Lincoln: Are you sure? [runs up the mountain and falls off again; Lincoln uses his walkie-talkie to tell Ed something] Lincoln to Ed, you can bring it in now. [Ed is using a whip to shoo Dark Sergio and the Pigeons away]

Edd: Uhh, Lincoln, we got ourselves a little problem. We got a dark version of Sergio and a pack of gravy-eating pigeons trying to rustle the balloon! Hi-yah! Get away, you sweet-toothed birds! Hi-yah! We're going to be a little late!

Lincoln: [gets worried] Late? But what about... [Leni still jumping on and off mountain] ...Leni?

Eddy: Hing-ya! Take him up to the Ferris wheel and we'll meet you there! Eddy out!

Lincoln: [puts away the walkie-talkie] If Lincoln doesn't get her valentine... [screams]

Leni: [suddenly appears from behind, all bruised] I'm pretty sure it's not up there, Lincoln!

Lincoln: Leni! Uhh, actually it's on the Ferris...

Leni: Ferris wheel!

[Leni grabs Lincoln and runs toward the Ferris wheel. Bubble transition to the two on the Ferris wheel being brought to the top.]

Leni: I'm ready for the greatest Valentine's present in the whole world now, Lincoln.

Leni: Well, this is where you're gonna get it...I hope. Just keep looking out there, sis. [Lincoln talks to Ed again on the walkie-talkie] Lincoln to Ed, Lincoln to Ed, come in, Ed! [The Eds are still fighting Dark Sergio and the pigeons]

Eddy: Eddy to Lincoln, We got ourselves in a ditch here! We're way off course! The pigeons are eating the balloon! They're everywhere! [One pigeon bites the balloon and the air goes out and it floats down] Aw, shoot! We're going down, Lincoln! Switch to plan B!

Lincoln: [shocked] No, no, B, Eddy! No, B! [Leni is smiling big waiting for her surprise] Uh, Leni, you know how sometimes you plan something special and things don't just work out?

Leni: No...no...eh-gee! [moves the ferris wheel seats back and forth and then up and down. Next, the Ferris wheel is jumping up and down and then Lincoln puts out his hand/arm]

Lincoln: Leni, here it is! [Leni stares at Lincoln's hand/arm]

Leni: What's that?

Lincoln: It's a handshake... a friendly handshake.

Leni: A handshake? That's the big gift? You got me a handshake?

Lincoln: A friendly handshake. Happy Valentine's Day!

Me: (In my head) I don't like where this is gonna go.

Nico: Guys, I really hope the Eds come here with Leni's present soon. Otherwise...

Me: I know. Just be patient.

Camie: Curse that bird.

Penny Parrot: Oh guys I have some good news and bad news. The good news is I successfully cured Sergio of his party problem.

Me: Awesome! But why is Sergio with the Ed's?

Penny Parrot: Well that's the bad news. His dark side separated and is doing parties and mayhem in his place.

Me: Oh boy.

Nico: So, that's Dark Sergio attacking the balloon right now?

Penny Parrot: Yep.

Camie: Oh boy.

[Leni pauses then shakes Lincoln's hand, stares at it, and makes a grumpy looking face. Leni laughs and the Ferris wheel descends. Montage: At the Buddy Bounce, Lincoln is happily jumping while Leni is still looking at her hand with the same grumpy look. At the roller coaster, Lincoln is happily raising his hands while Leni is still looking at her hand with the same grumpy look. At the fun house, Lincoln is happily jumping as the air blows his hair upwards while Leni is simply grumpily walking as the air just blows her skirt. Bubble transition to them sitting in the bench.]

Leni: [sighs and stops grumpily looking at her hand] I've been thinking. At first, a handshake doesn't seem like much, but really it's the thought that counts… [Incidental 8 walks up with a box shaped like a heart full of chocolates in her arms]

Incidental 8: Hey, Lincoln, I just wanted to thank you for this box of chocolates.

Lincoln: Uh, no problem, Fran. [Incidental 8 walks off]

Leni: And even though I was expecting more... [Incidental 42 with roses walks up]

Incidental 42: Thanks for the roses, SpongeBob. Happy Valentine's Day.

Lincoln: You too, Dave. [Incidental 42 walks off]

Leni: And not that it matters that we've been friends for so long... [Incidental 49 walks by with a bike]

Incidental 49: Hey, Lincoln, thanks for the bike! [talking to Leni] Can you believe this guy? I just met him this morning! [Incidental 49 walks away, and Leni begins to fume]

Leni: So as I was saying...

Incidental 27: Uh, excuse me, do you guys have the time?

Me: Yeah it's 4:25.

Leni: [turns red in anger, snaps and yells with rage, which is followed by her picking up and throwing Incidental 27 across the screen, shocking Lincoln and us] Leni needs love, too! [Leni goes psycho freaky. A crashing sound is heard. She furiously bangs her stomach like a gorilla, grunts angrily as she runs closer towards the screen, angrily approaches a balloon cart, then furiously cuts the balloon strings from a salesman and furiously smashes the balloon cart with her buttocks. Cut to scene where children play with a guy in a heart suit; the children run off as Leni approaches] I defy you, Heart man! [Leni angrily rips the suit in half and continues her rampage]

P.A. System: Attention, everyone, there's a dumb blonde teenager on the loose! [everyone runs screaming]

To make matters worse, Leni got out her sword and began using her gravity powers.

SHE WAS TEARING THE PLACE APART!

Lincoln: [gasps; gets mad] Leni!

Leni: [turns around with an evil look on her face; angrily grumbles gibberish in a barbaric manner, making everyone scared and run to a dead-end at the lake dock; Leni roars with rage]

GODZILLA ROAR!

[Everyone gets scared.]

Nico: I expected Ed to do this, not Leni!

Me: Me too!

[She menacingly walks towards the crowd. The citizens take a step back and Lincoln are scared; Leni's shadow looms over Lincoln's horrified face as he prepares to face the inevitable as Leni roars and growls maniacally. Suddenly, The Eds arrives just in time behind Leni with the repaired balloon and whipping at Dark Sergio and the Pigeons]

Eddy: Yee-haw! Get along, little birdies! Gallop, you Birds! Finally a good use for stupid birds! And I hate birds! [whipping the birds as the Eds lands in the carnival with the balloon right behind Leni and letting the birds go]

Lincoln: [smiles, relieved] Yeah! The Ed's here! Woo-hoo! Look, Leni, it's here! It's here! The best Valentine in the whole wide world is right behind you! [jumping up and down pointing behind Leni]

Leni: [ignores Lincoln] Sure it is.

Lincoln: [jumping] I'm telling you, it's right there! Turn around!

Leni: Uh-uh.

Lincoln: [desperately] Leni, just turn around! [Leni still wouldn't listen. Everyone is yelling at Leni to turn around, but he doesn't]

Me: Leni turn around you bean dip brain!

Crowd: Turn around! You nincompoop! Why you!

Leni: You must think I'm pretty dumb, huh?!

Crowd: Yes! Turn around!

Leni: No!

Crowd: [chanting] Turn around! Turn around!

Me: Just do it cheese dip!

Lori sighed, grabbed Leni's head, and turned it around.

Leni: [notices the gravy balloon, then is confused and speaks gibberish]

Lincoln: Happy Valentine's Day, Leni! [Leni jumps for joy and jumps on the balloon]

Leni: Yay! My valentine! Hey, is this solid chocolate?

Lincoln: Leni, no! [Leni bites the balloon and gravy explodes everywhere. Leni and Lincoln are in the mess]

All of us were.

Leni: Aw, Ed and Lincoln... You didn't have to get me anything.

WE LAUGHED!

Leni: Wait. So this was my present.

Ed: It was all from me, Leni.

Lincoln: Yep.

Nico: Now, let's enjoy the carnival

Me: Good idea. HAPPY VALENTINES DAY EVERYONE!

All of us: HAPPY VALENTINES DAY!

WE CHEERED!

Nico: Lincoln was just buying time for them to get it.

Me: Yeah.

Leni: Oh thank you guys! And I love gravy!

Ed: Aww Happy Valentines Day Leni!

Leni: I'm sorry I wrecked everything, guys

Me: No harm done.

Everyone forgave Leni.

I snapped my fingers and fixed everything.

Ed: And I got something else too.

Ed got down on one Knee and he WAS GOING TO POP THE QUESTION TO LENI!

EVERYONE GASPED AND WERE IN AWE!

Ed: Leni will you marry me?

He had a beautiful ring made of emeralds.

Leni: OH ED YOU BIG LUMP! OF COURSE I WILL!

Leni hugged him and kissed him and we cheered wildly for them both!

We later went back home.

We dragged our harems to our beds in our rooms and closed the doors as the barriers activated, and the girls were in for one wild night.

Alright, and for tomorrow, the next match-up is Carter Kenrick VS. Demon Blood Influenced Carter Kenrick

For Lincoln's rescue tomorrow, Lincoln and his group are heading to the northern part of Gotham Royal York: where many of the rich and affluent families live, and we're heading for Isabella Van Kessler's home to meet her parents, and we're going to see how they've been doing in their new home after we got rid of that unhinged insane heartless witch, Mia. But, bad news: that unhinged insane rich hating heartless witch, Mia, has returned thanks to the madness of Morgana Midnight Sparkle and her minions, and she still wants revenge on Lincoln and Isabella Van Kessler. But, Lincoln and Isabella Van Kessler are absolutely through with her, they're going to destroy her once and for all, and this time, they're sending her to The Black Abyss forever, and we're going to meet Avonlea Westbrook, Gene-Slammer and Avatar of Marincess Blue Tang, she's Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Blue Tang. She's the third eldest sister of The Westbrook Sisters, and she's the warrior of The Marincess Water Princesses. Lincoln met Avonlea Westbrook when she and the rest of us came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Avonlea kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Avonlea hates Lisa with a blazing passion, because that toxic cold-hearted, emotionless polluted Lake Michigan by dumping a dumptruck full of chemicals into the lake, and she was laughing cruelly like the bitch she was, and enraged because of her behavior, Lincoln and Avonlea blasted her with water and they even electrocuted her, and Lisa got so mad, she called Avonlea a fish-faced bitch and Lisa said that she hopes that Avonlea dies in a pool of her own blood and she'll dance on her remains and harvest her organs. The audacity and utter malice of her threat made Lincoln see red, and he blasted Lola hard with a massive blast of water, he sent her flying back to the house, and when everyone heard Lola's threat along with seeing what she did, Lisa got grounded for five months, and Luna, Laney, Leni, Lucy, Lana, and Lily dragged Lisa to her room and threw her inside a cage like the animal that she was, and they turned to leave, but not before Luna gave her the finger, and that sent Lisa into a total psychotic tailspin of rage as she banged on the bars of the cage with her fists and screeched like a chimpanzee!

Next up is Irma's day to shine and we're going to battle Big Boss from Metal Gear Solid and send him to prison.

See you all next time.

METAL GEAR JUSTICE

Irma woke up to see Goldeen staring at her

Irma: Oh morning Goldeen.

Goldeen: Morning Irma. Time for breakfast.

Gatomon: I'm going to eat Goldeen for breakfast!

Irma: Don't even think about it Gatomon! Be right down.

She went and got dressed and we were having egg omelettes.

They were good.

Me: Candrakar is looking great.

Varie: It sure is.

Qin: I agree.

Ace: So this is Candrakar! It's amazing!

Camie: It sure is.

Lola: Yep.

Nico: Shade Man, I want to thank you, Vanishing Gungaroo, and your teams for coming

Shade Man: (Transylvanian Accent) It's not problem Nico. This will be so fun.

Me: It sure will.

Dark Mantis: I'm ready for some fun.

Nico: Dark Mantis, what do you like to do in your free time?

Dark Mantis: I teach at a Ninja Dojo. I teach the Ninja Style Martial Arts moves for the Mantis Style.

Me: Ooh! Cunning, deadly and swift.

Dark Mantis: It sure is.

Qin: Yeah.

Dark Mantis: Yep.

Maria: Mantis Style?

Dark Mantis: Stealth of the Praying Mantis in the shadows.

Maria: Ooh that is cool.

Qin: Yep.

Camie: Yeah.

Nico: Valentine's Day was hectic and fun.

Eddy: Me and Sockhead helped prepare Ed's gift to Leni

Me: You sure did and that was so cool that you made a Gravy Cake balloon.

Qin: It sure was awesome.

Eddy: Yeah it sure was amazing.

Lola: I just can't believe Leni would go bonkers like that!

Camie: Yeah!

Maria: I expected Ed to do that, not her

Eddy: That is something Lumpy would have done

Lily: Patrick did the same thing on Valentines day too.

Nico: But I didn't expect Ed to propose to her

Me: Me neither.

Qin: Yeah.

Eddy: Ed is the first one out of us to propose. Next up has to be Sockhead and Linka.

Camie: I have that feeling too.

Varie: Yep.

Nico: Haven't been to Candrakar in a while

Me: I know. It has been a while.

Lola: The whole place is looking good though.

Camie: It sure is.

Lincoln: Okay, gang, we're in for one really dangerous battle: we're here on Kandrakar, but here is the dangerous part, it appears our old enemy, Phobos, has returned from the dead once again, and he still wants revenge on us.

WE GASPED!

Me: WHAT THE FUCK?! THAT POWERHUNGRY ASSHOLE'S COME BACK AGAIN?!

Nico: Of all the...! That bastard just doesn't know when to quit. That's it, he's heading right for The Black Abyss.

Then, Will, Irma, Taranee, Cornelia, Hay Lin, Elyon, Megan, Phoebe Vandom, Hayley Lair, Emma Cook, Nicole Hale, and Xenia Lin appeared.

Phoebe Vandom: I can't believe Phobos is back once again! Well, this time, this is where it all ends here and now, we're sending him straight to The Black Abyss once and for all.

Lincoln: That's right, Phoebe, and I'm still angry for what he did in banishing you, Hayley, Emma, Nicole, and Xenia to another dimension beyond space and time and locked you all in a state of suspended animation, trapping you in Limbo for all eternity. So, I'm gonna make sure he pays even more.

Suddenly, a book appeared in Lincoln's hands: it was The Book of Secrets.

Elyon: (GASPS) Oh, no way, Lincoln, what you got in your hands is The Book of Secrets that once belonged to my brother, and it has all of Phobos' secrets and plans for me locked inside.

Will: We eventually gained the Seal of Phobos, which can open anything trapped within the Heart of Kandrakar, and we learned of his plan to drain his sister dry of her powers.

Eli: That bastard!

Lincoln: But, now that I have his book in hand, his plans to drain his sister dry of her powers can go straight to Hell.

Lincoln put The Book of Secrets into his 28th Century backpack.

Lincoln: Now, let's go find Phobos and end him for good.

Suddenly, Lincoln had a premonition, and it's not good: it appears Morgana Midnight Sparkle and her minions have also brought back Damien Blakewell, along with his gang of thugs, The Harbingers of Chaos, and sent them after us.

Lincoln: ARE YOU KIDDING ME?! MORGANA, YOU LITTLE...!

Me: What's wrong, Lincoln? Who did Morgana and her minions bring back?!

Lincoln: You're not going to like it one bit, J.D.: Morgana Midnight Sparkle and her minions have brought back Damien Blakewell, along with his gang of thugs, The Harbingers of Chaos, and sent them after us.

WE GASPED!

Me: WHAT THE FUCK?!

Nico: SAY WHAT?!

Nico's mouth went wide open and his skeleton came out.

Qin: Of all the...! She just wants to make things even worse for herself and her minions.

Nico put his skeleton back.

Nico: I hate when that happens. I can't believe it, of all the nerve! Lincoln, I hope you turn werewolf and tear them apart.

Lincoln: That'll easily be arranged.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could.

Lori: I literally can't believe it, first we deal with Nerissa's Akuma, now we have to deal with Elyon's powerhungry and insane brother once again, and on top of that, Damien Blakewell and his thugs have come back?!

Lincoln: Yep, Morgana Midnight Sparkle and her minions really are the worst!

?: And I found the next girl who got Gene-Slammed by that bitch!

Suddenly, we saw a girl arrive: she has long black hair with purple streaks, purple eyes, purple clothes, rainbow angel wings, and she has a gold greatsword in hand.

Lincoln: (GASPS) Elena Elexton, Gene-Slammer and Avatar of All The Legendary Pokemon.

Me, Sakura, and my sisters: Elena's here?!

Nico: Wait, and she has the last name Elexton?!

Lincoln: Wait, hold on, she's not like Elise.

Anna Anyanova: He's right, she's not like her bitch sister, this is Elena Elexton, Gene-Slammer and Avatar of All The Legendary Pokemon, she's Lincoln's Guardian Angel from Colorado who was born with the powers of the Elemental forces of Fire, Water, Earth, Wind, Lightning, Sun, Moon, Ice, Lava, Steam, Poison, Explosions, Light, Darkness, Time, Magic, Gears, Nature, skulls, Metal, and more, along with being born with the powers of all the Legendary Pokemon, immortality, invincibility, incredible superhuman abilities, and rainbow angel wings and she's a skilled swordswoman, but here's the shocking part, she's the older sister of Elise Moonscar Elexton, but Elena despised her sister because of all the criminal activities she's done and for being a total bitch to everyone in her path, and she was the one who helped J.D. and Sakura in busting her entire operation and got her sent to prison in The Vault for life with no possibility of parole for carrying thousands of tons of crack cocaine and billions of dollars in cash fourteen years ago. But, as you guessed it, Elise Elexton escaped from prison and became the leader of The Dark Gale Organization and was out to destroy the world and get her revenge on me and Sakura for destroying her operation. Elena Elexton found out about The Flowers of Justice, and she sent out the call to them for help, but as we know, The Flowers of Justice were captured by Elise Elexton and Gene-Slammed into Legendary Pokemon and she intended to use them in her mad quest to destroy the world. Lincoln met Elena Elexton, and she trained him hard in using the powers of the Elemental forces of Fire, Water, Earth, Wind, Lightning, Sun, Moon, Ice, Lava, Steam, Poison, Explosions, Light, Darkness, Time, Magic, Gears, Nature, skulls, Metal, and more, along with the powers of all the Legendary

Pokemon, and she told him all about her depraved sister, and he swore that he would help in destroying her and her minions. Lincoln made her an awesome and powerful gold greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her and the rest of his harem, and she's kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of his enemies on a tight leash in case they get out of control, but she absolutely despises her sister, Elise Elexton, with a blazing passion and intends to kill her and destroy The Dark Gale.

Me: I remember her all too well, and when she found out that bitch escaped, she sent out the call to The Flowers of Justice for help, but as we know, The Flowers of Justice were captured by Elise Elexton and Gene-Slammed into Legendary Pokemon and she intended to use them in her mad quest to destroy the world.

Lincoln: And we've been rescuing them and restoring them, and it's so good to see you again, Elena.

Lincoln pinned Elena Elexton to the floor, and he kissed her on the lips and marked her by biting her on the right trapezius and fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the mark sealed up and Lincoln kissed the spot where bit her and helped her up, and she also had an Elemental Thunderbird Necklace of Eternal Love with purple gems on the gold lightning bolts and rainbow crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and a white and gold accented Elemental Thunderbird Choker of Eternal Love on her neck.

Elena Elexton: Whoa, I had no idea you had such an animalistic romantic side to you, Lincoln, and in addition to how much you've grown, from the 11-year-old little boy we've known into a giant 9'10" hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man, and you're still the same gentleman we all know, but of course, having an animalistic romantic side to you, that also really came as a huge surprise. I think my heart skipped a beat when you pinned me down and kissed me on the lips. (Seductive Voice and rubs Lincoln's massive pecs) Hope you're ready for some fun later on tonight, big man.

Me: Ooh boy, looks like things just got really hot and steamy.

Lincoln had a blush on his face.

Lincoln: J.D.

Ace: Who is Phobos?

Me: He was a tyrannical prince that wanted to rule all of Meridian with an Iron Fist.

I went over his history and it was awful!

Prince Phobos (simply known as Phobos) is an evil prince and the most recurring antagonist in the comic book

W.I.T.C.H. and the animated series of the same name.

In the comic book, he serves as the primary antagonist during the first story arc, and returns in the 4th story arc. In the animated series, he serves as the primary antagonist during the first season, and returns shortly before the end of the second season.

He was voiced by Mitchell Whitfield.

Prince Phobos took the throne of the kingdom of Metaworld (known as Metamoor in the W.I.T.C.H. comic book series and Meridian in the W.I.T.C.H. TV series) after his parents' disappearance some time prior to the opening chapter of the first story arc/season, and began to drain the life force of the people in order to fuel his own magical powers with the aim of becoming strong enough to take over other worlds. However, realizing that Phobos posed a great threat, the Council of Kandrakar, a realm at the center of the universe, raised a magical shield, known as the Veil around Metamoor, sealing Phobos inside and cutting it off from the rest of all other worlds.

During the first story arc/season Phobos' primary concern is finding his long lost sister Elyon Brown, whose powers are equal to his own (In the comic book, according to both Phobos and the Oracle, Elyon is even stronger than Phobos himself) and was spirited away to Earth approximately 12 years prior, so that he can drain her life force and add it to his own. With her power, Phobos would be able to break through the Veil and begin his conquest of other worlds.

At first, Phobos is unaware of his sister's identity, and sends his minions to find her, first by searching through birth records, and then using a magical talisman known as the Star of Threbe. After finding her and successfully poisoning her mind against her friends and family, Phobos brings his sister to Metamoor and attempts to gain her trust for long enough to drain her of her powers. Despite successfully draining some of his sister's power, Phobos' plans are foiled by the Guardians during the final installment of the Metamoor story arc/Season one. He is exposed as a villain, and is imprisoned by Elyon after a heated magical duel over the control of Metamoor and the kingdom's fabled Crown of Light which is belongs only to the female rulers as the laws of Metamoor decreed.

Following his defeat in Season 1 of the animated series, Phobos was briefly released by the Knights of Vengeance early in season 2, but was defeated while attempting to retake the Royal palace of Metaworld/Meridian from Elyon. He returned again late in Season 2, when the Guardians realized that, as a heir to the throne of Meridian, he was able to break the rule that "A Heart cannot be taken by force", and release him in order to deprive Nerissa of her Seal (which incorporated the Heart of Meridian), on the condition that he surrender the Seal to them afterwards. However, Phobos breaks his vow and instead uses the Seal to reconquer Meridian. After retaking Meridian, Phobos sets his sights on Kandrakar, and is on the verge of taking it when he is betrayed by Lord Cedric, who swallows him whole, thus gaining his powers for his own. After Cedric's defeat, Phobos is returned to Elyon's dungeon. In the episode "V is for Victory", Phobos causes much confusion by glamouring Matt, Caleb and Blunk as himself such as when Blunk/Phobos eats crickets and when Caleb/Phobos holds Cornelia's hand.

In the comic story arc "Trial of the Oracle", he became the new Oracle, as he was found to have used his negative emotions to switch minds with Endarno, who was the guardian of the Tower of Mists, the tower in Kandrakar where Phobos, Cedric, Frost, and many other villains were imprisoned in. Once he is restored to his rightful body by the Guardians, he realizes he has lost and leaps off of a balcony into the never-ending void beneath Kandrakar, declaring that he will "never be imprisoned again".

However, even he is unable to create portals that would link Earth and Meridian, as he himself stated in one episode, though he was able to create a portal to the enchanted painting the Guardians were trapped in, in hopes that his minions would go into the painting and finish off the Guardians (in the comic book, certain facts differ, such as the portal to the painting was an opening in the Veil, and Cedric was the one who opened the portal, though this leads to confusion, for if Cedric could make openings in the Veil, then it is surprising that Phobos cannot, and the Veil erected by Kandrakar is quite useless, and confusion is merely increased by more puzzling facts).

In the final confrontation against the Guardians, Phobos transforms Cedric into a red, more beastly monstrous version that is able to rival the combined strength of all five Guardians, though Will's quick thinking tricked Cedric into wearing the Crown of Light, thus draining the magic infused into him by Phobos away. Phobos also traps his sister Elyon in energy rings after using trickery to overpower her.

He has on numerous occasions proven to be a formidable opponent, wielding powers at least equal to those of his sister, Elyon. For example when he fought the Guardians of the Veil in the final episode of the Meridian story-arc he quickly defeated them and would have destroyed them, had Elyon not intervened. However he had stolen all of the power of Meridian and most of Elyon's powers. When he fought them again in the Nerissa story-arc he no longer possessed the power he had stolen from Elyon or Metamoor and still appeared to be more powerful than all of the Guardians put together.

He appears to be immortal as he has existed since the creation of the Veil which was created soon after the dawn of time. He is hinted to be the source of all evil in creation. Whilst he ruled Metamoor his power appeared to be so great that his moods affected the landscape of Metamoor and to a lesser extent Earth, because Earth and Metamoor are connected by Portals.

* * *

When it was done everyone that hadn't heard about it was shocked!

Raythor: Like I said before, Phobos has no honor. He is totally honorless.

Nico: And that's one of the reasons why we killed him.

Laney: Yeah!

Elyon: He is no brother of mine.

Camie: Soon we will kill him again and banish him to the Black Abyss.

Me: Yep.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread

out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more larger in muscle thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them until we finally kill them. (Sensed for Phobos) AHA! Gotcha, you bastard! I just spotted Phobos, he's 20 yards away and he's really, and I mean, really pissed off at us big time! (Sensed Damien Blakewell and The Harbingers of Chaos) And I just spotted Morgana's next collection of puppets.

Nico: Time to finish what we started long ago and send Phobos to The Black Abyss forever.

Gwen heard a Pokemon cry.

Gwen: Look guys!

We saw a Mightyena!

Me: Whoa a Mightyena!

Gwen: Aww and the poor guy is hungry.

She gave it apples.

Mightyena: Ahh thank you.

She was eating them.

Mightyena: Mmm!

Gwen: Want to come with?

Mightyenna: I would be honored.

Me: Awesome!

Then we heard a familiar cry and we saw A GALARIAN MOLTRES!

Me: WHOA! Galarian Moltres!

Nico: COOL!

Mightyena: Galarian Moltres!?

Me: What's that doing here?

Nico: And how did it get here?

Me: Good question.

Brittney: Lets see.

Brittney used her telepathy and gasped!

Brittney: (GASP) Raven Sanderson!?

Shannon: What?! She's one of my family!?

Brittney: She sure is! I got to help her!

She flew up to her!

Brittney: Raven stop!

She roared at her.

Brittney: Her mind is gone.

Brittney fired dark magic blasts.

Galarian Moltres fired waves of dark fire and the blasts collided and exploded.

MASSIVE FIERY EXPLOSION!

Me: Take this!

I fired a light blast and it hit her.

I snapped my fingers and she reverted back and was a girl with black hair, magenta eyes and had Galarian Moltres in the middle of her forehead and had its wings.

Brittney flew and wrapped her in a blanket and brought her over.

Brittney: She'll be okay.

Me: Good.

She woke up.

Raven Sanderson: (Groans) (Sees Brittney) Brittney? Is that you?

Brittney: Yeah Raven it's me.

Raven Sanderson: Brittney it's great to see you!

Brittney: Thank goodness you're okay. You were turned into a Galarian Moltres.

Raven Sanderson: (GASP) I remember! Dark Gale did that!

Elena Elexson: My sister did that to you.

Raven Sanderson: Your sister?

Elena Elexson: Oh sorry I'm Elena Elenson, Elise is my little sister and she is a monster.

Raven Sanderson: Oh man. I remember what happened.

She was dressed in a black body suit and she was injected and busted out and turned into Galarian Moltres and flew out!

FLASHBACK ENDS

Raven Sanderson: That was awful!

Shannon: I can tell. Also you and I are related too. You're also a descendant of the Sanderson Sisters?

Raven Sanderson: That's right. They are my ancestors.

Shannon: They are my ancestors too. So we must be cousins.

Raven Sanderson: I guess so.

Nico: The Sanderson Sisters are part of the Masters of Evil

Raven Sanderson: So everything I heard is true. Our ancestors are in the M.O.E.

Me: That's right.

Nico: What is your role in the Flowers of Justice?

Raven Sanderson: I'm the dark mage of the group and a master of dark magic.

Brittney: I was the one that taught her how to use Dark Magic.

Nico: Whoa!

Raven Sanderson: It's true. But outside the team I'm a teacher at the museum to teach everyone about what Salem, Massachusetts was like back in the 17th century.

Me: Those were dark times back then.

Nico: How did you meet Brittney?

Brittney: Me and Raven met in Salem and when I saw her mark of the Witch on her arm, I took her under my wing as my student in Dark Magic to use for good. We developed an amazing bond of friendship too.

Raven Sanderson: It's true.

Camie: Wow that is amazing.

Varie: Yeah.

Lucy Loud: You'll be perfect for the Goths of Darkness

Brittney: I was just about to say that Lucy.

Rarity: Lets get you some clothes that are fitting for it darling.

The Fashion brigade gave Raven an amazing black dress and she had a dark sword too.

Raven Sanderson: Wow! This is amazing.

Me: It sure is.

Brittney: Now you are completely one with the darkness of the night.

Xenia: Yep.

Me: Now lets go after Phobos. He better start praying.

Nico: Yeah.

Me: This will be good.

Nico: He should be here somewhere

Qin: We'll find him.

We then took off into the air and we set out to destroy our old enemy, Phobos, once and for all, and send him, Damien Blakewell, and his thugs to The Black Abyss forever.

We were flying in the air, and we spotted our target: Phobos, the powerhungry and insane monster of Kandrakar, and he's mega pissed off big time at us.

Nico: There's Phobos, and he's still pissed off at us!

Lincoln: After destroying him more than four times, it drove him completely insane with rage and hate towards us. Now, it's high-time we finally destroy him for good.

Lincoln fired many orbs of colored energy with elemental forces and mythical creatures representing the elements of Fire, Earth, Water, Wind, Time, Lightning, Stars, Hatred, and Light from his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings at Phobos, and he got burned badly, and that angered him badly as we landed.

Phobos: YOU! YOU MISERABLE WEAKLINGS! HOW DARE YOU SHOW YOUR FACES TO ME!

Nico: We should be saying that to you, shithead!

Me: You've got some damn nerve coming back once again, Phobos!

Phoebe Vandom: You really are a bastard and a pile of shit!

When Phobos saw Phoebe Vandom, Hayley Lair, Emma Cook, Nicole Hale, and Xenia Lin, his face went pale.

Phobos: NO! NO! I MADE SURE ALL OF YOU WERE BANISHED TO ANOTHER DIMENSION AND LOCKED IN LIMBO FOREVER!

Lincoln: We found them and brought them back!

Me: Yeah! Now it's time for you to die!

Lincoln unholstered his greatsword and slashed Phobos' left eye and he held the left side of his face and screamed in agonizing pain as blood dripped from his left eye: and we saw that Lincoln's strike destroyed Phobos' left eye!

Phoebe Vandom: Whoa! You destroyed his left eye!

Lincoln: I'm gonna destroy more than his left eye in a few seconds.

Me: Yep.

Will: Lets get him! GUARDIANS UNITE!

In a massive surge of energy Will and the Guardians including me transformed!

Will Vandom: (ENERGY SURGES) THE HEART!

Nico: I agree! You will pay for your crimes!

Our auras flared up to such an extreme intensity and our power was so strong and powerful that it was making the entire area of the universe shake extremely violently. Pebbles, rocks and boulders lifted off the ground and the lightning and fire tornadoes intensified even more. I fired another blast and he saw it coming and I flew up to him as the blasts hit and exploded. In the cloud of smoke I punched him and then we clasped hands and we flared up our auras. Our hands were locked together and our auras mixed and lightning clashed and formed in them. The storm clouds above us intensified and lightning struck at an incredible level at 400 bolts every half a second and the ground was shaking violently at an incredible level. Manaphy headbutt Phobos and blasted him.

Horsea squirted Ink into his eyes.

Nico: YEAH!

Liincoln: And Damien, you and your thugs can come out now, there's no use hiding.

Suddenly, we heard wolf howls, and then, we saw our secondary targets: Damien Blakewell and his thugs, The Harbingers of Chaos, and like Lincoln said, he has the demonic Alicorn on his forehead, proof of Morgana Midnight Sparkle bringing him back from the dead.

Selene Arcangela: So, it's true, that bitch brought that asshole back from the dead.

Gina Readington: That's not the worst part, Selene.

Suddenly, Damien Blakewell and his thugs transformed into werewolves!

Selene Arcangela: WHAT THE?!

Gina Readington: Claude bit them and turned them into werewolves, and Lincoln tore them all apart, devoured their hearts, and absorbed their remains.

Lincoln: Now, I'm going to do so again.

Suddenly, Lincoln let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his entire body was covered in thick brown fur and his massive pecs and ten-pack abs were covered in tan fur, his deep sapphire blue eyes and rainbow iris of his Third Eye remain the same, but the pupils turned into slits, his fangs grew longer and his rows of straight teeth turned into wolf's teeth, and his nose turned to a wolf's nose and he grew a wolf snout and sturdy tan-colored muzzle, his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings remained the same, his eleven massive and long white wolf tails and large white wolf ears turned brown, his long wild white hair turned brown with white streaks and became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned dark blue, and he let out a loud howl as he turned into Lincoln The Nocturnal!

Lincoln: (HOWLS AND BEATS HIS CHEST LIKE A GORILLA)!

THEN, LINCOLN RAN AT DAMIEN BLAKEWELL AND HIS THUGS AND HE TORE THEM ALL APART AS HE THRASHED THEM INTO THE GROUND AND SLASHED AT THEM WITH HIS GOLD-ARMORED DRAGON CLAWS, AND THEN, HE PLUNGED HIS HAND INTO DAMIEN BLAKEWELL'S CHEST AND REMOVED HIS HEART AND DEVOURED IT, AND HE DID THE SAME TO THE THUGS AS HE PLUNGED HIS HAND INTO THEIR CHESTS AND REMOVED THEIR HEARTS AND DEVOURED THEM, AND HE ABSORBED THEM BY STABBING THEM WITH THE TIPS OF HIS TAILS THAT HE TURNED INTO CELL'S STINGERS AND HE GREW EVEN STRONGER!

FINALLY, WHEN THE STINGERS CHANGED BACK, HE BANISHED THEIR SOULS TO THE BLACK ABYSS AFTER HE ALSO DRAINED THEIR SOULS OF ENERGY!

Lincoln: (Beastly Voice) (Smirks and crosses his arms across his chest) And If you thought you were relying on those thugs to kill us, you were wrong, Phobos.

Lincoln reverted back and WHAT HE DID MADE PHOBOS GO COMPLETELY INSANE WITH RAGE!

Irma: Now, it's high-time for all of us to end him once and for all.

Nicole Nerissa: Let me go first. I've had it up to hear with him!

Suddenly, Nicole Nerissa's pink eyes turned neon pink and she was surrounded by a pink energy aura with stars, magic, quintessence, life energy, lightning, phoenixes, and angels, she unholstered her massive Nicole Nerissa's Kandrakar Electric Eternal Quintessence Greatsword of Magical Justice from her back, and as she approached Phobos, she left pink energy, stars, magic, quintessence, life energy, lightning, phoenixes, and angels with every step.

Nicole Nerissa: I should've known that you'd return once again, Phobos. For over 1,000 years, you've caused far too much trouble to Meridian, Kandrakar, and the entire universe, and for what, your desire to rule over everything. You still make me sick to no end, and for that, we will make absolutely sure that you, the traitor of Meridian, is destroyed once and for all!

Suddenly, Nicole Nerissa was surrounded by a massive vortex of pink energy with stars, magic, quintessence, life energy, and lightning surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a black phoenix with blood red eyes glaring at Phobos: the blood red eyes of eternal death and eternal judgement.

Me: WHOA!

Nico: Oh man!

Lincoln: Makes sense Nicole would also get a chance to shine, and this time, it's against the hated Phobos.

Then, as the vortex faded, Nicole Nerissa emerged, but she was changed forever.

Suddenly, Nicole Nerissa felt a pain on her back, and then, her massive black angel wings with pink tips on the large black feathers grew much larger for her new body with a wingspan of 50'0" and medium sized black angel wings with pink tips grew and sprouted out underneath her massive black angel wings with a wingspan of 40'0" and small sized black angel wings with pink tips grew and sprouted out underneath her medium sized black angel wings with a wingspan of 30'0" and another set of black angel wings with pink tips grew and sprouted out underneath the small sized black angel wings with a wingspan of 20'0" and another set of black angel wings with pink tips grew and sprouted out underneath the new black angel wings with a wingspan of 10'0", and her eleven massive and long black wolf tails with pink tips and pink markings grew larger and longer for her new body. QUINTESSENCE KANDRAKAR GUARDIAN PHOENIX GOD ANGEL LOVE!

We were amazed by Nicole Nerissa's Super Angel-Kandrakar Quintessence Guardian-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was gushing out blood, and when he saw Phobos about to kill her and drain her dry of her powers, Lincoln fired a barrage of rainbow energy blasts, elemental forces, mythical beasts, and animals which hit Phobos and sent him flying into a wall, and that pissed him off to no end!

Nicole Nerissa: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Electric Lightning Quintessence Kandrakar Guardian Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Electric Lightning Quintessence Kandrakar Guardian Phoenix God Angel Love) Thanks for the assist, Linky. Alright, Will, Irma, Taranee, Cornelia, Hay Lin, Elyon, Megan, Phoebe Vandom, Hayley Lair, Emma Cook, Nicole Hale, and Xenia Lin, you all ready?

Will, Irma, Taranee, Cornelia, Hay Lin, Elyon, Megan, Phoebe Vandom, Hayley Lair, Emma Cook, Nicole Hale and Xenia Lin: You bet.

Suddenly, the eyes of Will, Irma, Taranee, Cornelia, Hay Lin, Elyon, Megan, Phoebe Vandom, Hayley Lair, Emma Cook, Nicole Hale and Xenia Lin turned into neon colors, and they were surrounded by pink energy auras, stars, magic, elemental forces, phoenixes, and angels, and as they approached Phobos, they left pink energy, stars, magic, elemental forces, phoenixes, and angels with every step.

Will: For too long, you have caused all of Kandrakar and Meridian so much trouble, Phobos.

Irma: You caused untold pain and suffering to so many innocent people and all for your very delusional desire for power.

Taranee: That's the very reason why you ultimately got your rightful punishment: death by our own hands.

Cornelia: Yet, even after all these years, you still refuse to learn your lesson and still come after us like the monster that you are.

Hay Lin: That is truly unforgivable, you really are a monster.

Elyon: Not to mention the fact you also murdered our parents and tried to kill me as well, and even Eliza hated you as much as we all do.

Megan: You've gone and crossed far too many lines to count in your pursuit of power, you psycho!

Phoebe Vandom: And we certainly can't forgive you for what you did in banishing us to another dimension beyond space and time and locked us in a state of suspended animation and trapping us in Limbo for all eternity.

Hayley Lair: We lost years of our lives because of you, you out of control psychopathic power-crazed basket case!

Emma Cook: But, thanks to Lincoln and J.D. for freeing us, we thought we were finally rid of you long ago.

Nicole Hale: But, as always, you refuse to stay dead and gone forever.

Xenia Lin: This time, it'll end here and now, we will finish you off once and for all, Phobos, this time, stay down!

Suddenly, Will, Irma, Taranee, Cornelia, Hay Lin, Elyon, Megan, Phoebe Vandom, Hayley Lair, Emma Cook, Nicole Hale, and Xenia Lin were surrounded by massive vortexes of pink energy with stars, magic, quintessence, and elemental forces surrounding the vortexes, there are phoenixes and angels flying around the vortexes, and in the vortexes are colored phoenixes with the symbols of Fire, Water, Earth, Stars, Wind, Quintessence, and Time on their stomachs and blood red eyes glaring at Phobos: the blood red eyes of eternal death and eternal judgement!

Me: Incredible!

Nico: Phobos, your time's up, you asshole!

Lincoln: Now, the next generations of The Guardians of Kandrakar are also going to transform, and Phoebe, Hayley, Emma, Nicole, and Xenia are getting payback on that bastard for what he did years ago.

Then, as the vortexes fade, Will, Irma, Taranee, Cornelia, Hay Lin, Elyon, Megan, Phoebe Vandom, Hayley Lair, Emma Cook, Nicole Hale, and Xenia Lin emerge, but they were all changed forever, and Phobos was about to face eternal doomsday!

Lincoln, Nicole Nerissa, Will Vandom, Irma Lair, Taranee Cook, Cornelia Hale, Hay Lin, Elyon Brown, Megan McAllister, Phoebe Vandom, Hayley Lair, Emma Cook, Nicole Hale, and Xenia Lin went after Phobos who fired energy blasts at us, but we deflected them all, and we fired extremely powerful blasts of rainbow energy, pink energy, pink and green energy, pink and sky blue energy, pink and orange energy, forest green and spring green energy, red and white energy, black and blood red energy, dark purple and pink energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Phobos and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on them and Caleb Maxwell, Allie Maxwell, Cage Blunt, James Blunt, and Travis Tackett shot them multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cage Blunt, Travis Tackett, James Blunt, Allie Maxwell and

Caleb Maxwell did the same by firing black and blood red energy slashes from their gold plated claws, and Lincoln, Nicole Nerissa, Will Vandom, Irma Lair, Taranee Cook, Cornelia Hale, Hay Lin, Elyon Brown, Megan McAllister, Phoebe Vandom, Hayley Lair, Emma Cook, Nicole Hale, and Xenia Lin, Caleb Maxwell, Allie Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and it was making Phobos even angrier than ever.

Then, Lincoln stabbed his left hand's gold-plate armored dragon claws into Phobos' chest.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You drained so many people dry of their life forces to fuel your own powers, but now, it's your turn to feel the very pain you inflicted on them.

Then, Lincoln began sucking out and absorbing Phobos' magic, elemental abilities, Energy Drain, Matiokinesis, High intellect, Energy Blast Projection, Glamour, Transformation, Scrying, Life Force Absorption, Flight, Telepathy, Telekinesis, Illusion Casting, Teleportation, Arcana, Spells and Curses, Whisperers and Murmurers Summoning, Matter Manipulation, and Elemental Magic of Air, Earth, Fire, Water, and Quintessence, along with Phobos' life force and the life forces of all his victims he drained and it went into him as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, as soon as Lincoln was done, Phobos was a desiccated withered old man drained of his life force and powers, and Lincoln tossed his corpse into the air and we blasted him and destroyed him. Then, his spirit appeared.

Phobos: You! You! I am not finished yet!

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done here forever, Phobos. YOUR TIME IS UP!

Suddenly, the bell of judgement rang in his meaning his time was finally up! Then, the spirits of all those he'd killed appeared and grabbed him.

Spirits: Guilty!

The spirits found him guilty, and then, the kanji Black Abyss 黒深淵 appeared on his forehead, and he was being consumed by the black flames of The Black Abyss and he began to fade away: he was finally being erased by The Black Abyss!

Phobos: NO! NO! THIS ISN'T HOW IT WAS SUPPOSED TO END! CURSE YOU, GUARDIANS! DAMN YOU, SISTERS! DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (LETS OUT ONE LAST SCREAM BEFORE HE FINALLY FADES AWAY FOREVER)

GOOD RIDDANCE FOREVER, YOU MONSTER FROM HELL, AND DON'T YOU DARE COME BACK, YOU PIECE OF TRASH!

Everyone cheered as we holstered our weapons and powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, eleven massive and long colored wolf tails, 28th Century backpacks, large gold halos with four large gold rings orbiting around the heads, fifteen large colored planets orbiting around the legs, fifteen smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and four sets of colored angel wings underneath the massive colored angel wings of Nicole Nerissa, Will Vandom, Irma Lair, Taranee Cook, Cornelia Hale, Hay Lin, Elyon Brown, Megan McAllister, Phoebe Vandom, Hayley Lair, Emma Cook, Nicole Hale, and Xenia Lin are permanent.

Me: And that is that.

Nico: Now, we are finally rid of Phobos for good!

Lincoln: Now, Kandrakar, Meridian, and the entire universe are finally safe from him.

?: Aw man, I missed the fight.

Suddenly, we saw a girl arrive: she has brown hair, orange eyes, brown clothes, brown angel wings, the kanji for Cave on her forehead and skirt, and she has a sword in hand.

Lincoln: (GASPS) Dena Doukutsu, Embodiment and Avatar of The Hidden Cave Village and Goddess Queen of Earth, Lava, and Crystals.

Me: Wow!

Nico: And sorry you missed the fight, but you did see what Lincoln did to finish him off.

Dena Doukutsu: I sure did.

Cage Blunt: So, are you going to introduce us to your friends, Lincoln?

But, before Lincoln could, Dena Doukutsu had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When she was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, he had an atomic red blush on his face, hearts in his eyes, his nose was gushing out blood, steam whistled out of his large wolf ears and normal ears, and he was literally in Heaven.

Lincoln: (In Heaven) Oh..., man...!

WE BUSTED OUT LAUGHING!

Selene Arcangela: I think you should leave this to us, this is Dena Doukutsu, Embodiment and Avatar of The Hidden Cave Village and Goddess Queen of Earth, Lava, and Crystals, she's Lincoln's Guardian Angel from The Hidden Cave Village and she's a powerful shinobi and powerful master of nature, and she's The Goddess Queen of Earth, Lava, and Crystals, and a deadly powerful and lethal force of good, and she's a great power that makes even the Akatsuki fear her including Orochimaru. She's also a very deadly and powerful force to be reckoned with and she also is known as the only one to take down all members of the Akatsuki all at once. She also has a very powerful friendship with Sakura, Fu, Kurotsuchi, and many shinobi, and she also got fed up with the dark atrocities done by Orochimaru and vowed to destroy him completely when the time came. She's a member of The Gods of The Shinobi Villages, a group of girls who are the gods of said villages and hold more power than the Kages and the Daimyo combined and they can destroy any ninja no matter how powerful they are. She met Lincoln long ago, and she knew that he's not only a Shinobi of The Hidden Leaf Village, but he's also a good friend to Naruto, Sakura, Fu, Kurotsuchi, and many Shinobi across the world of Shinobi, and she also taught him many powerful Earth, Lava, and Crystal Style Jutsu, along with mastering the powers of earth, lava, and crystals. Lincoln made her a beautiful necklace, and to show thanks, she kissed Lincoln on the lips, and one time, Naruto arranged a date for Lincoln and Dena to go to a Japanese Restaurant, and they both enjoyed their date, and Dena hates Hawk and Hank with a vengeance and she vowed to leave them down a deep cave with no hope of getting out if they hurt Lincoln.

Nico: I think you're a little late, we already got rid of Orochimaru and sent him and his minions to The Black Abyss.

Lincoln: And we celebrated the death of that snake and we restored Cira to power as the rightful head of The Hidden Sound Village, and it's so good to see you again, Dena. (Smirks) Of course, for that little ambush.

Lincoln pinned Dena Doukutsu to the floor, and he kissed her on the lips and marked her by biting her on the right trapezius and fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the mark sealed up and Lincoln kissed the spot where bit her and helped her up, and she also had an Elemental Thunderbird Necklace of Eternal Love with brown gems on the gold lightning bolts and brown crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and a white and gold accented Elemental Thunderbird Choker of Eternal Love on her neck.

Dena Doukutsu: Whoa, I had no idea you had such an animalistic romantic side to you, Lincoln, and in addition to how much you've grown, from the 11-year-old little boy we've known into a giant 9'10" hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man, and you're still the same gentleman we all know, but of course, having an animalistic romantic side to you, that also really came as a huge surprise. I think my heart skipped a beat when you pinned me down and kissed me on the lips. (Seductive Voice and rubs Lincoln's massive pecs) Hope you're ready for some fun later on tonight, big man.

Me: Ooh boy, looks like things just got really hot and steamy.

Lincoln had a blush on his face.

Lincoln: J.D.

Nico: And that's the end of that.

Me: Wow! No kidding! That was intense!

Nico: Like yesterday.

Camie: No kidding!

Lola: Wow! That was brutal!

Xenia: It sure was!

Varie: Yep.

Mightyena: That was awesome!

Nico: Yep and nice job Mightyena!

Mightyena: Thanks Nico! That was cool!

Poromon: Want some beer?

Mightyena: Oh no thanks I don't drink beer. I don't like the taste.

Poromon: Okay then.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Maria: Do you like steak?

Mightyena: LOVE STEAK!

Me: Ooh here then.

RUMP ROAST MAGISWORD!

I gave her a lot of steaks.

Nico: You feeling okay, Cassidy?

Cassidy: Of course. Why?

Nico: Because this morning, you've had strange cravings.

Lana: Yeah like a Chocolate Ice Cream and brussels sprout sundae with mayonnaise and chum.

All of us: EW!

YUCK AND BARF O RAMA!

Cassidy: I'm fine. Really

Me: Okay.

Nico: First thing after Izzy's mission, you're seeing Ratchet

Cassidy: But I'm...

Nico: That's an order.

Cassidy: Okay.

Eddy: So, Leni. How did you like your gift?

Leni: It was so totes delicious and awesome!

Eli: That is good.

Qin: Nice!

Double D: Good. Because you ALMOST DESTROYED THE CARNIVAL!

Eddy: Easy sockhead. J.D. fixed it. Besides it was fun.

Qin: Yeah

Poromon: We expected that behavior from Patrick and Ed. Not you.

Leni: I know.

Patrick: (LAUGHS) Yeah that is something I would do.

Ed: (LAUGHS) Yeah!

Lily: I guess they didn't want to do repeat performances.

Xenia: Yeah.

Leni: I'm sorry, guys. I just wanted my gift!

Nico: And Ed proposed to you.

Leni: He totes sure did.

Camie: Yeah.

Me: Now Ed before your wedding we're giving you a good bath with soap.

Ed: "SOAP! YUCK! FRESH! CLEAN! ZESTY!"

Nico: Oh, Shade Man. What do you like to do in your free time?

Shade Man: I hadn't really given it some thought.

Nico: Well what do you dream of doing?

Shade Man: Detective around haunted houses.

Qin: Cool!

Sakura Knudson: You should team up with Scooby Doo and friends and make sure Shaggy goes whether he likes it or not.

Erica Haddock: Yeah that is for sure. Keep those chickens in line.

Shade Man: I would like that.

Qin: Cool.

Shade Man: And I'll make sure to have lots of Scooby Snax.

Me: Good idea

Eddy: Hey, Lumpy. You should have lots of gravy and buttered toast at your wedding.

Ed: Oh boy oh boy! Buttered toast and gravy! (LAUGHS)

Me: And he can have Pudding Skin too.

Ed: [smiling] "Pudding skin?"

Eddy: And all of Rolf's chickens will attend.

Ed: CHICKENS!

Rolf: NO CHICKENS! ROLF WILL RELEASE HIS RAGE NOW!

ROLF THEN BASGED AND SMASHED AND PULVERIZED AND BRUTALLY THRASHED EDDY!

Nico: Rolf. Stand down! I think having your chickens attend will be a great idea.

Rolf: Oh so sorry banana tail Nico boy. Rolf just being protective of his chickens.

Nico: Okay.

Me: I agree.

Eddy: As I was saying, your vows can be lines from your comic books.

Nico: That would be cool.

Lola: Yeah!

Nico: Nice

Lori: You'll love the married life Leni.

Nico: Yep.

Lynn Sr: But just make sure not to cheat on Leni, okay?

Ed: I won't. I will love her as much as I love chickens

Eddy: It's true.

Lynn Sr.: Good.

Nico: Awesome.

Rolf: Great!

Nico: Wilfred can be in the wedding too

Liam: We can have the wedding on my farm if y'all want.

Carmen: Good idea.

Rolf: I hope you don't mind Rolf's animals

Liam: They love yer animals Rolf.

Rolf: Okie dokie.

Qin: Cool.

Varie: Yeah.

Nico: Are you enjoying the steak, Mightyena?

She was finished with them.

Mightyena: I'm all finished.

Me: Boy you were starving.

Mightyena burped.

WE LAUGHED AND MIGHTYENA LAUGHED TOO.

Mightyena burped out a bone.

Me: Whoa. Good thing that's a Steak Bone.

Camie: Yeah.

Mightyena: My bad.

Me: No worries.

Gwen: That was still funny though.

Me: Well now we've seen the last of Phobos. Will, girls, are you all happy he's gone forever?

Will: Yep. We have a good idea who we're facing on our times to shine anyway

Me: I think I know too.

Will: Yeah. For me it's Maki

Irma: Big Boss for me.

Taranee: Errol

Cornelia: Void Queen.

Hay Lin: And Yost Green Goblin.

Me: Maki is Eiji's main enemy. HE has a score to settle against me.

Ace: Why?

Me: I slashed off his arm and left my mark on him.

Ace: Whoa! That's brutal.

Me: Yep.

Irma: I bet I'm first out of all of us

Me: I have that feeling too.

Xenia: Yeah.

Goldeen: Gatomon planned to eat me this morning

Kari: Gatomon!

Gatomon: Sorry! I can't help it. I'm a cat Digimon after all.

Nico: We know. But don't eat the mascots.

Gatomon: Okay.

She secretly had her fingers crossed

Me: Don't even think about it Gatomon. I see your fingers crossed behind your back, If you can even call those fingers.

Gatomon pouted.

Me; Seriously you need to not go after the mascots that are fish.

Gatomon: Okay okay.

Me: Anyway lets face the anothers now.

Nico: Oh right. Got distracted by that.

Eli: (CONCENTRATES) Whoa! We got Another Vanishing Gungaroo, Irma, Firegeist, Fire Elemental Myrmidon, Magmin, Fire Snake and Fire Bat.

WE GASPED!

Me: Whoa! So Shade Man, Dark Mantis, Ghost Man, Trash Man, Ghost Woman and Arachne Woman.

Nico: Yep.

Eli: And I sense that the Anothers minus Vanishing Gungaroo and Irma are 1 person.

Me: Whoa.

Camie: Cool.

Nico: There they are!

We saw Another Firegeist, Fire Elemental Myrmidon, Magmin, Fire Snake and Fire Bat!

Qin: WHOA!

Me: Wow! All Dungeons and Dragons fire monsters! Just like old times huh Sheila?

Sheila (D&D 1983): I agree there.

Another Firegeist: (In a girls voice) And gonna be fun.

Nico: (GASP) That voice!

They merged and she reverted back and it was the Embodiment of the Maximals!

Nico: Maxxine Maxi!

Me: Whoa the Embodiment and Ambassador of the Maximals!

Maxxine Maxi: That's right and Optimus Primal it's great to see you and the Maximals again.

Optimus Primal: It's good to see you too Maxxine.

Eddy: You met her before?

Optimus Primal: Yes it was during when we were loading Protoform X into his pod to be ready to be dumped.

Maxxine Maxi: That's right and I was against trying to dump Protoform X on a faraway world.

Nico: I see. I remember.

Me: No offense Optimus but I don't know what the hell the Maximal Elders were thinking in making a replica of Starscream's Immortal Spark.

Optimus Primal: None taken there.

Nico: Yeah that was really playing with fire.

Maxxine Maxi: Yeah it was a mistake to even try with that.

Laney: I agree.

Me: Rampage is now in the M.O.E. Under Vypra's jurisdiction.

Maxxine Maxi: That's good. He'll be under control there.

Me: Yeah. By the way is the Another Vanishing Gungaroo and Irma friendly or hostile?

Maxxine Maxi: Friendly. And this is gonna be interesting.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

She glowed and the anothers were separated.

Me: Action time!

We fired waves of energy and blasted them and I caught the Wonder Ride Books.

Maria: Time for backup! (TURNS DIAL) MAGIC NEOPIA DOOM FORCE!

She summoned Xandra, Beast Machines Megatron, Balthazar the Bounty Hunter, Spider Queen, Mr. Chuckles and Lady Frostbite!

Nico: YEAH!

Qin: Yeah!

Nico: And now we wait.

Qin: Yep.

Me: We don't have to wait long!

We saw Another VANISHING GUNGAROO AND ANOTHER IRMA!

Me: WHOA!

Vanishing Gungaroo: CRIKEY! This is gonna be crazy!

Another Vanishing Gungaroo: (In a girls voice) I agree there.

Me: (GASP) That voice.

She reverted back and it was the Embodiment of the Element Dopant!

Me: Eleanor Element!

Nico: Whoa! The Element Dopant! That is cool!

Eleanor Element: It sure is. I am a master of the elements as well as the spirits of the Aboriginal Powers.

Vanishing Gungaroo: Learned all that down in the land down under didn't you mate?

Eleanor Element: That's right.

Another Irma: Irma is that you?

Irma: (GASP) That voice!

She reverted back and was a little version of Irma.

Irma: (GASP) Mira!

Irma and Mira hugged!

Nico: I thought Irma had only one sister

Me: Me too.

Hayley Lair: Mira!

Hayley hugged her too.

Irma: Mira is my youngest sister. She went missing a while back.

Me: Oh man.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Mira Lair: It's true.

Me: Wow that is clever.

Nico: Yep.

Zocks and Kairo: ZENKAIJU GEAR!

They donned their Zenkaiju Armor!

Lincoln: Lets separate you first.

We did so.

Qin: Lets do it!

Nico: (gets out Vanishing Gungaroo's Ridewatch) Time to feel the power of Australia!

Dark Mantis: (Gets out Firegeist's ridewatch) Time for some burn!

They used the powers of Vanishing Gungaroo, Irma, Firegeist, Fire Elemental Myrmidon, Magmin, Fire Snake and Fire Bat and blasted the Anothers.

Then Boomer Kuwanger, Phoenix (D&D), Orcwort, Blackjack, Porcupine Nezilar, Real American, Lobster Dopant, Sailsnake, Air Elemental, Elder Tempest and Flame Ghost came,

Me: WHOA!

Nico: Nice team Boomer Kuwanger!

Boomer Kuwanger: Thanks Nico!

Maria: Are those from Dungeons and Dragons?

Boomer Kuwanger: Yep they sure are.

Me: Cool!

Ranamon then came.

Me: Ranamon!

Ranamon: I'm here with my partner y'all.

?: Me.

Out came Parrotmon!

Me: Parrotmon!

Nico: WHOA!

Parrotmon: (In a girls voice) This will be fun.

Nico: Marie Hoareau!

She reverted back and was a girl with blue green hair, blue green eyes, blue green clothes and blue wings and had a new crest in the middle of her forehead. She had Parrotmon on her skirt and shirt and had the Coat of arms of the Seychelles on her arm and an Aquamarine sword and an Aqua Digivice on her hip.

Marie Hoareau: We got this Nico! (Echoing) SONIC DESTROYER!

She fired an energy blast and her Ranamon fired waves of energy and blasted the Anothers and I caught the ridewatches and purified them.

Me: Oh yeah!

Stacy: Wait until you meet the Ranamon we know

Marie's Ranamon: Looking forward to it.

Me: Yeah! And you're one of the Seychelles Digidestined. I can tell because of the Seychelles Coat of arms on your arm.

Marie Hoareau: That's right. Good place.

Me: Yeah it sure is.

Dark Mantis: Do you have a favorite memory of Nico?

Marie Hoareau: When me and Nico met. A bunch of Dolphmon were attacking the Seychelles and me and Ranamon and a bunch of my mermaid friends faced them. Nico came and helped us take them down and send them back home.

Me: Whoa even the Seychelles had Digimon problems? Boy no place around the world was safe from the Digimon Skirmish.

Nico: I know.

Nico and Marie hugged.

Nico: I missed you and Ranamon.

Marie Hoareau: We did too Nico.

Ranamon: Same here Nico.

We later went back home.

But, bad news: that unhinged insane rich hating heartless witch, Mia, has returned thanks to the madness of Morgana Midnight Sparkle and her minions, and she still wants revenge on Lincoln and Isabella Van Kessler. But, Lincoln and Isabella Van Kessler are absolutely through with her, they're going to destroy her once and for all, and this time, they're sending her to The Black Abyss forever.

Lincoln: Ah, we're here in the northern part of Gotham Royal York: where many of the rich and affluent families live, and I know what we're going to do here, not only am I going to rescue the nine girls here, but we're heading for Isabella Van Kessler's home to meet her parents, and we're going to see how they've been doing in their new home after we got rid of that unhinged insane heartless witch, Mia.

Selene Arcangela: I remember that unhinged heartless witch all too well, what she did was on the borderline of madness.

Me: Yep, and on Halloween last year, he sent her to The Black Gates.

Nico: But, ever since Anti-Monitor and Morgana Midnight Sparkle and her minions, The Midnight Princesses, compromised The Black Gates before they were repaired and strengthened, there's no doubt that unhinged heartless witch has also escaped.

Lincoln: And you just hit the nail on the head, Nico: that unhinged insane rich hating heartless witch, Mia, has returned thanks to the madness of Morgana Midnight Sparkle and her minions, and she still wants revenge on me and Isabella Van Kessler.

Shade Man: She really is nothing but pure evil.

Isabella Van Kessler: You said it. We need to get to Mom and Dad before that unhinged witch does.

We headed on over to Isabella Van Kessler's mansion, and it was even more beautiful than ever. We went inside, and we met a man and woman dressed in fancy clothes: they were Isabella Van Kessler's parents.

Isabella Van Kessler: Mom, Dad!

Michael Van Kessler: Isabella?

Sarah Van Kessler: Honey? Oh, thank God you're alright.

They hugged.

Lincoln: She is, Mr. and Mrs. Van Kessler, and I suppose you heard the news of Mia returning from The Black Gates thanks to that insane she-demon Morgana Midnight Sparkle and her minions.

Michael Van Kessler: We did, Lincoln. And it gets worse than that, Mia has a massive army of over 3,000 hired thugs and mercenaries, they're coming here to destroy us our mansion and kill us all.

WE GASPED!

Lincoln: She really has lost it big time. I've got an idea, remember what I did to Einon's men in making their desire for money come true?

Nico: Oh, no way, you're going to use The Djinn's powers on Mia's mercenaries and thugs.

Lincoln: I still have The Stone of The Sacred Fire I made when we went after The Djinn from Wishmaster.

We saw above the gem-shaped Element of The Magic of Friendship embedded on Lincoln's halo was his Stone of The Sacred Fire.

Eli: Let's find that witch and tear her to shreds.

Suddenly, we saw a girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long ocean blue hair with light blue streaks, blue eyes, blue purple angel wings, blue clothes, long white sleeveless trenchcoat with stars, water, ocean waves, sea creatures, phoenixes, and angels on the coattails, and on the back is Marincess Blue Tang, she has a water greatsword in hand and with her are the nine girls.

Lincoln: (GASPS) Avonlea Westbrook, Gene-Slammer and Avatar of Marincess Blue Tang.

Avonlea Westbrook: That's right, and I got the girls away from that unhinged heartless witch, Mia, before she could kill them, but she's now so pissed off, she and her army of 3,000 thugs and mercenaries are heading here now, they're on the attack.

Lincoln: Let's go, gang.

We headed out, and we saw that unhinged heartless witch, Mia, along with her army of 3,000 thugs and mercenaries. Suddenly, Lincoln's deep sapphire blue eyes and the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings underneath his massive white angel wings turned red, and we knew he was going to use The Djinn's powers.

Lincoln: What would all of you desire, instead of following that unhinged witch's orders?

The thugs and mercenaries tried to fight it, but Lincoln got the better of them as he relied on their desires and their greed.

Thug: Wealth beyond all of our imaginings.

Lincoln: (Smirks) As you wish.

Suddenly, the army of 3,000 soldiers began vomiting massive amounts of blood-covered gold, and they were also convulsing in pain, and they dropped their weapons, and we also collected them as bounties. Lincoln's demonic red eyes changed back to deep sapphire blue and the demonic red iris of his Third Eye changed back to rainbow colors.

Mia: NO! NO! NNNNNNNNNNNNNNNNOOOOOOOOOOOOOOOOOOOOOOOOOOO! DAMN YOU! FUCK YOU, LINCOLN LOUD! WHY CAN'T YOU JUST DIE LIKE THE FUCKING LOSER THAT YOU ARE?! THAT WAY I CAN FINALLY DESTROY EVERYTHING?!

MIA WENT MAD WITH RAGE AND CURSED AT LINCOLN AND SPOUTED TOXIC HATE AT HIM AS HIS RAINBOW ENERGY AURA FLARED UP EXTREMELY!

Then, Lincoln swung his massive greatsword and fired a massive shower of blades of light that hit and pierced Mia all over the place, and the blades of light destroyed he and her soul was sent to The Black Abyss forever. We cheered as we holstered our weapons and powered down.

Lincoln: Now, for one final act of business.

Suddenly, Lincoln's Stone of The Secret Fire above the gem-shaped Element of The Magic of Friendship embedded on Lincoln's halo glowed.

Lincoln: I claim that which is owed.

Suddenly, Mia's army of 3,000 thugs and mercenaries convulsed even more in pain, and then, their souls were pulled out of their bodies and Lincoln's Stone of The Sacred Fire absorbed them into the stone, and as soon as Lincoln was done, he absorbed all of the energy from the army of thugs and he sent their souls to The Black Gates forever.

Lincoln: Now, we're finally through with dealing with you, Mia. (To Avonlea Westbrook) And it's so good to see you again, Anahita.

Avonlea Westbrook: You too, Lincoln, it's been seven years since we last met.

Suddenly, Avonlea Westbrook had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Avonlea Westbrook was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Avonlea Westbrook: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Anahita Westbrook and hugged her, and Avonlea Westbrook is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Avonlea Westbrook: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo

with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Avonlea Westbrook, Gene-Slammer and Avatar of Marincess Blue Tang, she's Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Blue Tang. She's the third eldest sister of The Westbrook Sisters, and she's the warrior of The Marincess Water Princesses. Lincoln met Avonlea Westbrook when she and the rest of us came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Avonlea kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Avonlea hates Lisa with a blazing passion, because that toxic cold-hearted, emotionless polluted Lake Michigan by dumping a dumptruck full of chemicals into the lake, and she was laughing cruelly like the bitch she was, and enraged because of her behavior, Lincoln and Avonlea blasted her with water and they even electrocuted her, and Lisa got so mad, she called Avonlea a fish-faced bitch and Lisa said that she hopes that Avonlea dies in a pool of her own blood and she'll dance on her remains and harvest her organs. The audacity and utter malice of her threat made Lincoln see red, and he blasted Lola hard with a massive blast of water, he sent her flying back to the house, and when everyone heard Lola's threat along with seeing what she did, Lisa got grounded for five months, and Luna, Laney, Leni, Lucy, Lana, and Lily dragged Lisa to her room and threw her inside a cage like the animal that she was, and they turned to leave, but not before Luna gave her the finger, and that sent Lisa into a total psychotic tailspin of rage as she banged on the bars of the cage with her fists and screeched like a chimpanzee!

Nico: You have no idea of how pissed off we were yesterday when Selene told us of what Lisa did.

Me: That incident is something Varie and I still remembered all too well.

Lincoln: Varie almost got that close to tearing Lola a new one, and you almost tore Lisa apart from what I remember, J.D., and now that you're here, Avonlea.

Lincoln with his massive muscular arms still wrapped around Avonlea Westbrook leaned his head down the right side of Avonlea Westbrook's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Avonlea Westbrook: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Avonlea Westbrook with blue gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Avonlea Westbrook: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Avonlea Westbrook.

Avonlea Westbrook had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Avonlea Westbrook's waist, and he leaned down to her face and kissed her on the lips, and with Avonlea Westbrook's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Avonlea Westbrook had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Avonlea Westbrook: (In Heaven) My God.

Then, we went up to the nine girls, and when Lincoln saw them, he immediately recognized them, the nine girls are Aiko Kajima, Ayu Oikawa, Chinu Isaki, Hane Sawara, Hime Kajiki, Moroko Kotohiki, Nina Kurome, Sayori Konoshiro, and Yamame Hiiragi from No Pants!

Lincoln Oh wow, it's Aiko Kajima, Ayu Oikawa, Chinu Isaki, Hane Sawara, Hime Kajiki, Moroko Kotohiki, Nina Kurome, Sayori Konoshiro, and Yamame Hiiragi from No Pants!

Nicole: Avonlea did awesome getting them away from that unhinged insane witch.

Lincoln: Mia hated me that much, and she'd do anything to make me suffer. Are you girls okay?

Aiko Kajima: Yes, we're okay thanks to you.

Then, when Aiko Kajima and the eight other girls saw who it was that saved them from that unhinged heartless rich hating insane witch, Mia, their faces turned atomic red upon seeing the 18-year-old 9'10" tall, handsome heartthrob hulking hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with colored phoenix fire ombre streaks on the back of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr.

Aiko Kajima: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made eight clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and

his clones, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Aiko Kajima: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Aiko Kajima, Ayu Oikawa, Chinu Isaki, Hane Sawara, Hime Kajiki, Moroko Kotohiki, Nina Kurome, Sayori Konoshiro, and Yamame Hiiragi with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned home, and everyone was shocked to find out that the villain we went after was none other than Lincoln's old enemy, that unhinged insane rich hating heartless witch, Mia, who returned thanks to the madness of Morgana Midnight Sparkle and her minions, and she still wanted revenge on Lincoln and Isabella Van Kessler.

But, when Lincoln showed what he did in using The Djinn's powers on Mia's 3,000 thugs and mercenaries and then us thrashing Mia down and finally Lincoln sending her to The

Black Abyss forever and draining the souls of her army of 3,000 thugs and mercenaries of their energy and sent them to The Black Gates forever, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Avonlea Westbrook have a lot of catching up to do, now that she's back in town.

Maria: I don't believe it, I thought we were finally rid of that unhinged witch, Mia.

Lincoln: We were, until Morgana Midnight Sparkle and The Midnight Princesses decided to bring that unhinged heartless witch back.

Nico: And she came back once again to finish what she started.

Me: And now, she's finally gone forever.

Eli: I'm also glad that Elena Elexton didn't even get turned by Elise Elexton.

Caleb Maxwell: She didn't because she's already The Gene-Slammer and Avatar of All The Legendary Pokemon, and she was born that powerful. (To Sebastian Mendez) And, as for you. We know where your old minions are.

Sebastian Mendez: What? You don't know anything.

Cage Blunt: Yes, we do, and from what Nico told us, long ago, you went from trusted friend to murderous backstabbing bastard traitor.

Travis Tackett: And your "old friends" of yours are already with Elise Elexton.

Qin: Whoa, they've allied with Elise Elexton?! No wonder we haven't been able to find any of them back in the past. (Smirks) (To Cage Blunt) Planning on giving him an interrogation, Cage?

Cage Blunt: If it comes to that, we'll get an interrogation room ready.

Jack Howard: (Smirks) We'll give him the third degree if he gets testy.

Sebastian Mendez: Kind of like how I am right now!

Suddenly, the place turned dark as organ music plays in the background and Sebastian rises off the ground with a malicious grin on his face and his teeth turned into sharp fangs, and, he opens his mouth, and then...!

Sebastian Mendez: (ROARS LIKE A DEMON AND SNAKES COME OUT AND ROARED AND FIRED DARK FIRE LIKE CRAZY)

Jack Howard: What the actual Hell?!

James Blunt: Seriously, is that all you got?

James Blunt went up to Sebastian and he hung him like a punching bag.

James Blunt: This always impressed Christa back then during a boxing match I got into.

James Blunt gave him a few good left and right hooks. Then...!

Sebastian Mendez: Oh no...!

POW!

DING DING DING!

JAMES BLUNT KNOCKED HIM OUT WITH A GOOD LEFT HOOK!

Christa: Now, that's the man I married.

Nico: (TRYING HARD NOT TO LAUGH) H-Holy...DAMN!

Allie Maxwell: See, this is why you never ever want to mess with Cage's dad, he's that tough, no wonder Christa fell in love with him and got married to him.

Sebastian Mendez: (DEMONIC GROWL)

Lincoln: (Smirks) Okay, wiseguy, you asked for it.

LOUD CRUNCH!

LINCOLN CRACKED HIS KNUCKLES AND SEBASTIAN LET OUT A DEMONIC SHRIEK AND EVEN THE SNAKES THAT CAME OUT OF HIS MOUTH SCREAMED AND THEY ALL RAN INTO HIS ROOM!

Poromon, Mascots, and Ed: WHAT A PEST!

Edd: That's disgusting.

Poromon, Mascots, and Ed: MAKE HIM STOP!

WE BUSTED OUT LAUGHING!

Nico: (LAUGHING HYSTERICALLY) That gag never gets old!

Me: (LAUGHING HYSTERICALLY) Nice one!

We went back home.

At the estate I was comforting Mia's mother who was crying hard over the kind of monster she turned into.

Mia's mom: (Crying) I've completely failed her. I should have done something to help her but instead she turned into this monster. (crying) I failed her! What kind of a mother am I?

Me: It's not your fault. You didn't fail Mia. She failed you. She was consumed with hatred and jealousy and she hated everything. She brought all this on herself.

Mia's Mom: She destroyed all those peoples houses! (Crying)

I hugged her in sympathy.

Me: It's okay. It's okay.

She then was crying hysterically!

Mia's mom: (CRYING HARD) IT'S ALL MY FAULT! I SHOULD HAVE GOTTEN HER THE HELP SHE NEEDED!

She cried hard and uncontrollably.

Seeing her cry this hard made my heart hurt.

After Lincoln and all of us finally dealt with Mia and sent her to The Black Abyss and this time forever, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Avonlea Westbrook saw Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Avonlea Westbrook: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and in his human form, he also got one awesome tan, and he's also doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Avonlea, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Avonlea Westbrook: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Avonlea Westbrook: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Hunter: (German Accent) We do have another video to show you all, this shows a run in Caleb had with The Big Claw Gang a day after the incident at his Uncle Christiano's restaurant, and after the fight that occurred, Caleb broke down in depression, but this time, Cage and Travis didn't show up.

Hunter put the video on the big screen as it played and it showed Caleb Maxwell coming home from college and work, and as Hunter said, it was a day after the incident at his Uncle Christiano's restaurant and his encounter with The Big Claw Gang.

Past Caleb Maxwell: Oh man, yesterday was quite an event. I can't believe I ran into The Big Claw Gang, along with their leader himself who never shows his face, Claw Dane Drake. But, the two of them, Panther and Shroud, if I ever see their faces again, I'm gonna make them pay.

?: You sure got some moxie saying something bold like that.

Suddenly, Caleb Maxwell turned around, and he saw the last group of people he would ever run into: Carla Drake A.K.A. Carla Claw, Chester, Nick Price A.K.A. Crowe, Sarah Parker A.K.A. Hex, Chett A.K.A. Shroud, Sally Gamble, Jessie Jean A.K.A. Patch, Mad Cat Max, and Nekome of The Big Claw Gang.

Past Caleb Maxwell: Oh Hell no!

Past Crowe: We heard every word that came out of your mouth, guess you're still sore about Panther and Shroud about yesterday.

Past Caleb Maxwell: What the hell do you think?! I got beaten thanks to those two, and I almost got that close to losing it big time!

Past Panther: Should we do more? Cause I'm ready once again.

Past Caleb Maxwell: Go to Hell!

Caleb Maxwell ran at Panther, and it turned into a really nasty fist fight. When the fight ended, Panther had not a single scratch, but Caleb Maxwell was seriously beaten and blood was coming out of his mouth.

Past Caleb Maxwell: Had enough?!

Past Panther: (Smirks) Hah, you didn't even hurt me.

Then, Panther punched him in the stomach, which caused his eyes to shrink in pain and tears to fall from his eyes.

THEN, CALEB MAXWELL LET OUT AN UNHOLY SCREAM AND SENT FLYING A SHORT DISTANCE AND CRASHED ONTO THE GROUND!

Past Shroud: Nice one, Panther.

Then, The Big Claw Gang left leaving Caleb Maxwell writhing in pain, but he got up from the ground and he walked home in pain, but he also had tears in his eyes as sorrow and depression got to him.

Past Caleb Maxwell: Is...this truly it? Is all the work I've been putting into becoming a police officer one day...just going to waste...?! Is life even worth living?! First, I find out

Dad and Drake's dirty business, now every night, I run into two bloodthirsty vampires and now, even being beaten to alike this by The Big Claw Gang's tough guy? Damn it, damn it all!

Caleb Maxwell broke down as he truly let all the pain welled up inside him out. Suddenly, Caleb Maxwell's mark reacted and it started bleeding as his cries of pain mixed with his cries of despair.

Past Caleb Maxwell: D-Damn it.

?: I've been waiting to meet with you..., Caleb Maxwell.

Suddenly, Caleb looked up and he saw a vampire cat with light orange fur, caramel brown muzzle, red eyes, brown hair and brown tail, and he was dressed in a fancy suit from the 19th Century. It was Marcus Mackenzie.

Caleb Maxwell got up with the help of Marcus Mackenzie, as the vampire cat saw the mark on his right arm.

Past Marcus Mackenzie: You bear the mark. Come with me, there is a lot that you need to hear.

Caleb Maxwell went with Marcus Mackenzie as they went to a hospital located near The Supreme Yuridia Authority, and a vampire cat female nurse tended to his wounds.

Past Marcus Mackenzie: You are actually a rare case, Caleb Maxwell. We'd been watching you ever since that night you encountered those two vampires, and the mark you have on your right arm.

Past Caleb Maxwell: I've been wanting to ask about it.

Past Marcus Mackenzie: The mark we speak of is a deep connection that your family on your mother's side has with us.

Past Caleb Maxwell: Mom...? And her relatives...?

Past Marcus Mackenzie: Yes. 40 years ago, your parents saved one of our own: a vampire, he was attacked by the parents of your ex-father, Marcus Maxwell. Your mother's parents saved him with a blood transfusion, and this caught the attention of the council quickly. We wanted to make sure they didn't remember that day by wiping that memory clean, but things actually took a different turn, the council saw you mother's parents were a rare case: humans who help out all those in need including vampires.

Past Caleb Maxwell: I had no idea about that. Mom only told me about her encounters with vampires when she was my age, and that was it.

Past Marcus Mackenzie: That was only due to her finding out about the mark on your arm, as she too also has it. The mark you possess was given to your grandparents the night we approached them and only they and those in their family line pure of heart possess the mark forever welcoming your mother and her relatives to our world.

Past Caleb Maxwell: I see, and I'm rather shocked that Dad's relatives would do this over forty years ago. I didn't bother asking Mom about them or her relatives, I was only a child back then. But, ever since two years ago when I found out Dad and Drake's secret, I'd begun wondering how many more demons Dad's side of the family have.

Past Marcus Mackenzie: Far more than you think.

When Marcus Mackenzie revealed how much darker those demons in Caleb's Dad's side of the family were, his face went pale with horror.

Past Caleb Maxwell: (Horrified) My God. They did all that?! Dad..., your family is literally the scum of the earth, and so are you and Drake! You're all irredeemably rotten to the depths of your black hearts and stained souls!

Suddenly, Caleb felt a dark tension grip his heart: as if something terrible was about to happen tomorrow on Halloween.

Past Caleb Maxwell: Mr. Mackenzie..., I have a favor to ask you. Something terrible is about to happen tomorrow night on Halloween, and..., it may be my final night alive. If I do not return home on that night, I want The Watchers to keep an eye on Mom and Allie. Now that I know Dad's relatives are absolute scum, they're gonna be going after them for their money: the money I'd been earning at my job, I've also been putting into their accounts as well, and those leeches will be after that and the house. Not even getting the cops on them will get them to stop, from what I found out from my Uncle, apparently, they've also committed murder and rape.

That made the vampires' eyes go red when he said that.

Past Caleb Maxwell: Was it something I said.

Past Marcus Mackenzie: When you described the crimes of murder and rape, those two crimes are the worse, and we've killed and drained many murderers and rapists dry of blood over the centuries. Are you absolutely sure of this?

Past Caleb Maxwell: Yes, I am. We'd since cut all ties with Dad's relatives along with Dad and Drake, and they're dead to us.

The vampires agreed as the video ended, and we were stunned.

James Blunt: I don't believe it, you made a deal with our clan in the event you were about to die.

Nico: You felt like death was going to come for you, so you made one last attempt to save your sister and your mom with that deal.

Chris: Even the Watchers were stunned at Caleb's bold proposition.

Marcus Mackenzie: Along with the elders, but Caleb proved to be someone who loved his family with all his heart, and he would do anything to protect them.

Lincoln: That proved it: Caleb was a hero and Drake was a villain.

Me: You said it.

Eli: Hunter, you've got to show more videos you have with your friend, this is getting really good!

Hunter: (German Accent) Well, since you asked.

Caleb Maxwell: We'll have plenty of time for that tomorrow. But, you guys do see how my life's been a complex journey though.

Allie Maxwell: We also couldn't forget the times you also got injured saving Mom from Drake.

Me, Nico, and Lincoln: Wait, what?!

Marcus Mackenzie: That's what one of the nurses at our meeting place found on him: he had many wounds from those times he'd saved his mother from Drake Maxwell, and they were too horrendous to describe, and it's a wonder he survived them all.

Marlene Maxwell: I'm just as amazed that he didn't die, some of them were life-threatening.

Nico: Unreal.

We got a shower, and then, Lincoln, Lila Sportwin, Shay Grassland, Ms. Wimple, Ms. Babcock, Katka, Rafisol, Honey Bee, Serena, Annie, Silvie, Odette, Mao, Edeliss, Renka, Ros'enna, Lunaful, Phalde, Julia, Elma, Rebecca, Berri, Minoa, Katya, Mischa, and Deena are heading to Seaside Hill.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Lila Sportwin, Shay Grassland, Ms. Wimple, Ms. Babcock, Katka, Rafisol, Honey Bee, Serena, Annie, Silvie, Odette, Mao, Edeliss, Renka, Ros'enna, Lunaful, Phalde, Julia, Elma, Rebecca, Berri, Minoa, Katya, Mischa, and Deena are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Lila Sportwin, Shay Grassland, Ms. Wimple, Ms. Babcock, Katka, Rafisol, Honey Bee, Serena, Annie, Silvie, Odette, Mao, Edeliss, Renka, Ros'enna, Lunaful, Phalde, Julia, Elma, Rebecca, Berri, Minoa, Katya, Mischa, and Deena all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all.

Katka: Wow, so this is Seaside Hill, it sure is beautiful.

Lincoln: It sure is, Katka, and it's perfect for our first date, shall we?

Lincoln, Lila Sportwin, Shay Grassland, Ms. Wimple, Ms. Babcock, Katka, Rafisol, Honey Bee, Serena, Annie, Silvie, Odette, Mao, Edeliss, Renka, Ros'enna, Lunaful, Phalde, Julia, Elma, Rebecca, Berri, Minoa, Katya, Mischa, and Deena dived into the waters, and they began swimming, and they also saw the marine life that lived there, then, they went back to the beach, and the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an amazing volleyball game, and they went into a workout area Lincoln created, and Lila Sportwin, Shay Grassland, Ms. Wimple, Ms. Babcock, Katka, Rafisol, Honey Bee, Serena, Annie, Silvie, Odette, Mao, Edeliss, Renka, Ros'enna, Lunaful, Phalde, Julia, Elma, Rebecca, Berri, Minoa, Katya, Mischa, and Deena got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000.000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Renka: (Swooning) So manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Lila Sportwin, Shay Grassland, Ms. Wimple, Ms. Babcock, Katka, Rafisol, Honey Bee, Serena, Annie, Silvie, Odette, Mao, Edeliss, Renka, Ros'enna, Lunaful, Phalde, Julia, Elma, Rebecca, Berri, Minoa, Katya, Mischa, and Deena and they hugged the girls in their abnormally massive and powerful muscular arms and Lila Sportwin, Shay Grassland, Ms. Wimple, Ms. Babcock, Katka, Rafisol, Honey Bee, Serena, Annie, Silvie, Odette, Mao, Edeliss, Renka, Ros'enna, Lunaful, Phalde, Julia, Elma, Rebecca, Berri, Minoa, Katya, Mischa, and Deena placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Lila Sportwin, Shay Grassland, Ms. Wimple, Ms. Babcock, Katka, Rafisol, Honey Bee, Serena, Annie, Silvie, Odette, Mao, Edeliss, Renka, Ros'enna, Lunaful, Phalde, Julia, Elma, Rebecca, Berri, Minoa, Katya, Mischa, and Deena and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, twenty-five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Lila Sportwin, Shay Grassland, Ms. Wimple, Ms. Babcock, Katka, Rafisol, Honey Bee, Serena, Annie, Silvie, Odette, Mao, Edeliss, Renka, Ros'enna, Lunaful, Phalde, Julia, Elma, Rebecca, Berri, Minoa, Katya, Mischa, and Deena on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Lila Sportwin, Shay Grassland, Ms. Wimple, Ms. Babcock, Katka, Rafisol, Honey Bee, Serena, Annie, Silvie, Odette, Mao, Edeliss, Renka, Ros'enna, Lunaful, Phalde, Julia, Elma, Rebecca, Berri, Minoa, Katya, Mischa, and Deena are in your harem, Linky.

Lila Sportwin, Shay Grassland, Ms. Wimple, Ms. Babcock, Katka, Rafisol, Honey Bee, Serena, Annie, Silvie, Odette, Mao, Edeliss, Renka, Ros'enna, Lunaful, Phalde, Julia, Elma, Rebecca, Berri, Minoa, Katya, Mischa, and Deena showed the marks Lincoln made on the right sides of their necks.

Jenna: You guys had no trouble at all.

Katka: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Izzy, Namine and Pepperdance's final mission.

Nico: Anyone else want to go with Namine, Izzy, and Pepperdance? Besides Riku, Double D, Cassidy, Soji, and Takumi?

SpongeBob: I will come.

Grizzly: So will I.

Me: Okay. Anyone else?

Scorponok (BW): I'll go with you all too.

Nico: Okay Scorponok. Lets go.

We were off.

We arrived.

Kanata: Hey guys!

Me: Hey Kanata.

Izzy: Guys, meet Riku, Double D, Cassidy, Soji, and Takumi.

Riku: Awesome to meet you. I'm Riku.

Edd: Greetings. I'm Linka's boyfriend Eddward but with 2 D's. But everyone calls me Double D.

Cassidy: I'm Cassidy, Guardian of Water and Ambassador of the 555 Riders.

Soji: I'm Soji Tendo of the Kabuto Riders.

Takumi: And I'm Takumi Inui of the 555 Riders.

Kanata: Awesome to meet you all.

SpongeBob: I'm SpongeBob Squarepants. It's awesome to meet you.

Grizzly: I'm Max Markham but everyone calls me Grizzly. I'm one of Iron Man's old enemies.

Kanata: Awesome to meet you both.

Scorponok: I'm Scorponok, Second in Command of the Predacon Forces under Nico.

Kanata: Whoa one of the Transformers! Awesome to meet you.

Scorponok: Same here.

Nico: Can we discuss more at the base?

Kanata: Sure.

We then arrived at the base.

Kamata: So Double D, tell us more about yourself.

Double D: Well I am originally from Peach Creek, Georgia and I am the brains with my friends Ed and Eddy. Ed being the silly lovable oaf and Eddy being the schemer.

Linka: They do all kinds of scams for Jawbreakers.

Kanata: Those little candies

Linka: No these are those that are as big as your head. But they are delicious.

Double D: They sure are delicious.

Kanata: I see. I can tell. But Double D how come you where a hat all the time?

Me: Trust me you do not want to know.

Nico: Some things are best left unsaid or unseen.

Major Disaster: Even if we do show you, you'll vomit. Trust me

Me: It'll even make your eyes turn inside out.

Kanata: Oh. Okay. I see your point.

Me: Yeah They did all kinds of funny scams too.

Linka: They sure did and they were cool. They did this one for show.

She got out her Thingamajig.

Linka: Watch.

She pressed the button on it and then out came a nice chair for Kanata!

Linka: Tadah!

Kanata: That is cool!

Nico: Yeah it sure is.

Double D: And eventually, I made my Iron Boy suit

Kanata: Wow! Like an Iron Man suit?

Double D: Exactly!

Kanata: Cool!

Me: We all thought that was awesome too.

Nico: Yep.

Cassidy: Yeah I agree.

Kanata: By the way we felt these 2 enormous energy spikes.

Me: Oh those were us. We had 2 VERY Devastating battles on 2 planets against 2 deadly enemies.

Cassidy: One was the Akuma of my best friend Nerissa and the other was our old foe Phobes.

Me: Yep. I destroyed the Akuma in an Epic Kamehameha Wave Struggle.

Nico: And we all destroyed Phobos and avenged all the people he hurt and more.

Me: Yeah.

Kanata: I remember seeing those two battles on the news! Those were intense!

Me: They sure were. The battle with Nerissa back in 2018 threatened to tear the entire planet apart.

Nico: Yeah.

Spongebob: Oh, do you guys want Krabby Patties?

Me: SpongeBob makes really awesome Krabby Patties.

Linka: Yep. SpongeBob is one of the Neptune Crusaders and he and Lily make great Krabby Patties at the Krusty Krab.

Kanata: Cool!

(THE RAKEHORNPIPE PLAYS)

SpongeBob got out the stuff and made some Krabby Patties and got to eating.

Kanata: (Eating) MMM! Oh boy! This is delicious!

Me: Yep.

Soji: As for me, I battled against Worms.

Me: And no these are not Earthworms. They are monsters that came from the Distant Edge of the universe and they wanted to take over the world.

Eli: Yeah and they were fast monsters.

Me: It was a battle of speed against them.

Kanata: Wow! That is amazing.

Me: Yep. Had to take off my weighted coat to match them.

Takumi: As for me, the Mission Memories came from my team.

Cassidy: It's true.

Kanata: That is awesome! So your team got these.

Takumi: Yep.

Me: By the way I hope Masato is next on the monsters we're going to face.

Kanata: Who is Masato?

Me: He was a douchebag asshole monster rider that I HATE!

Nico: It's a really nasty story. He was a rider gone bad.

I went over his history.

When I was done everyone was shocked!

Kanata: That is sick! What kind of a monster is he!?

Me: A monster that I loathe with every fiber of my being. We gave him the black gates earlier and Anti-Monitor may have brought him back.

Eli: Yeah. Cassidy and bro took him down and killed him.

Me: I slashed his head off and mounted it on a spear and sent it to the Blade Riders.

Nico: it's true.

Linka: Yep.

Cassidy then got queasy.-

Me: Uh oh I should have been so graphic!

ZOOM!

I ran and got a trash can and she threw up in it.

Cassidy: (VOMITS)

Me: She has been like this ever since she woke up this morning.

Eli: Yeah.

Kanata: Is she going to be okay?

Me: We'll find out when we get home.

I put the trash can back and then came back to the table and then I stepped in something and slipped!

Me: WHOA!

CRASH!

Me: OUCH!

Nico: You okay?

Me: Yeah. I'm okay.

I had my hand in something.

Me: What the?

I saw that my hand was covered in a blue slime.

Me: What in the?

I smelled it.

Me: It's blood!

Eli: Blue blood?

Nico: What the hell? Blue Blood? Who would have that?

Me: No idea. But I think it might have to do with our next embodiment.

Eli: That's not Spock's blood. Spock has Blue blood.

Me: So do Horseshoe Crabs but there aren't any of them here.

Eli: Yeah.

Nico: (to Cassidy) I don't think you vomited because of how J.D. described killing Masato. You're going to Ratchet after we're done here.

Cassidy: I know.

Me: We did say that she would. For now lets see if any monsters are running around.

The Alarm went off!

Me: Uh oh!

We saw GUDON!

Me: Gudon! I remember him!

Nico: Me too!

Me: Lets gear up!

Soji and Takumi: HENSHIN!

Me: YEAH! Oh Kanata was there a fight here before we got here that lead to blue blood being on the floor?

Kanata: Now that you mention it yes there was. One of the embodiments came and we fought her. We wounded her and cut her arm.

Me: From the way this blood was it must've happened about 30 minutes ago.

Nico: Yeah.

Namine: Kanata, before we head out, how about we give you an edge?

Me: And here.

We gave him his own keyblade as well as his own legend items.

Me: You'll like your archenemy.

Nico: Yep.

Kanata: Awesome!

Me: Lets go!

We were off!

We saw a trail of blood!

Nico: Eww. More of it!

Me: She must be really bleeding bad. I'll have the medical unit come and help.

Nico: Good idea.

Eli: THERE!

We saw GUDON!

Me: There he is!

Eli: Yep. Now for some fun! MANDA!

Out of the water arose MANDA!

Manda roared.

Manda: So Gudon is next. Awesome.

Eli: Yep.

Kanata turned into ULTRAMAN DECKER!

Me: YEAH!

Nico: Soji, I got a new super form for you!

Soji: Lets test it out then!

He enabled his new Super Form and it had all the Zectors come and merge with him. He got amazing butterfly wings and a rainbow armor!

CHANGE INSECTIA!

Me: COOL!

Scorponok: Better be ready too! Scorponok, TERRORIZE!

He transformed!

Nico: YEAH!

Me: Lets get it on!

Manda fired a blast of energy from his mouth and blasted Gudon all over.

MASSIVE FIERY EXPLOSIONS!

Scorponok fired missiles and blasted Gudon all over.

Soji got out his Mission Memory.

TERUTERU HANAMURA!

He fired waves of energy and blasted Gudon all over.

Eli fired waves of Force Lightning and electrocuted Gudon.

Takumi: Time to go Axel!

Complete!

He was ready!

Me: OH YEAH!

Takumi got out his Mission Memory!

DREADTRUX!

He fired laser blasts!

Me: Cassidy are you gonna be okay?

Cassidy: Yeah.

She got out her Mission Memory.

NOSFERATA!

She fired waves of energy and blasted Gudon!

Cassidy: See? I'm fine!

Nico: We still have to check.

Then blue blood dripped onto Nico's face.

Nico: Huh?

We saw a girl with red hair, red eyes and black clothes and black wings and a tiara with Vicetopus on it.

Me: (GASP!) Callie Vicetra!

Nico: Vicetopus' Embodiment.

She landed and clutched her arm.

Me: Oh man!

We saw the wound on her arm.

Me: Whoa that is a nasty wound! Let me take a look.

I took a look.

Me: Geez! This looks like a blast wound.

Callie Vicetra: (GRUNTS) Yeah. Kanata got me as I was trying to fight it.

Nico: You can attack him now.

Me: Nico she's too weak from blood loss. She won't be able to do so.

Nico: You're right.

Callie Vicetra: I got to (GRUNT) Try!

She fired a wave of energy and blasted Gudon.

Me: Hold on Callie. You'll be all right.

I called the medical units from the team.

Callie Vicetra: (GRUNT) It hurts so much!

Me: Just hang on Callie. The medical unit is coming.

Callie Vicetra: (Grunt) Okay.

I sensed what's coming and jumped back as she lost control and went at Grizzly.

She fired a wave of energy at Grizzly

He dodged it and I fired the antidote ray and injected it into her.

Me: There!

Grizzly charged at her and smashed her down.

?: FIRESTORM!

A blast of fire blasted Callie.

A girl with black hair, red eyes, black clothes, black angel wings with flames on them and had the symbol of Cerberus from Huntik in the middle of her forehead and on her skirt and she had the symbol of Blood Spiral on her arm.

Nico: (GASP) Alyona Smerdyakova!

Me: WHOA! The gene-slammer of Cerberus? Wait and you're a member of Blood Spiral!

Nico: Wait it's all right! She's on our side!

Alyona Smerdyakova: (Russian Accent) I'll tell you all later.

Spongebob charged at her And fired Krabby patties.

Scorponok fired waves of missiles and blasted her.

Riku fired waves of energy and blasted her.

Kanata: Lets see what this can do.

He used his Mission Memory.

MAGMA CENTIPEDE!

He fired waves of lava and blasted Gudon!

Double D: This will stop you!

He fired waves of energy and blasted Callie and Alyona fired energy and fire blasts and smashed Callie down.

The Antidote took effect and she was back to normal.

Callie Vicetra: What happened? (GROANS IN PAIN) OH MAN! What happened to my arm!?

Spongebob got out his Mission Memory

SPYMASTER!

He fired eergy blasts and blasted Gudon!

Me: The medical unit is coming.

Double D got out his Mission Memory.

ZS'SKAYR!

He fired darkness blasts and blasted Gudon.

Riku got out his Mission Memory.

CAPTAIN BARBOSSA!

He fired energy beams and blasted Gudon!

Spongebob got out a bubble bomb

SpongeBob: SpongeBob to mission control. The Launch is a go.

He fired it and it slammed into Gudon and exploded!

Nico: AWESOME! Lets finish him!

Me: Gladly!

We fired waves of energy and blasted Gudon and he exploded!

EXTREMELY MASSIVE FIERY EXPLOSION!

Me: OH YEAH!

Nico: Gudon you have failed this universe.

We regrouped.

The Medical Unit came and loaded Callie into it.

Nico: You're gonna be okay.

Callie Vicetra: Thank you guys.

They took her back home to the estate.

Alyona Smerdyakova: That was fun.

Me: I'm stumped Alyona. How come you are a member of Blood Spiral?

Nico: She's a mole on the inside. She is telling the world how they operate while working for them.

Me: Oh I get it. But yeah that is cool. Do you have a favorite memory of Nico?

Alyona Smerdyakova: I sure do. When me and Nico took down some of the Organization before and we killed them.

Me: Know that feeling myself.

Eli: Yep.

Nico and Alyona hugged.

Nico: I've missed you. Also its been a while since we met a Huntik Monster gene-slammer.

Alyona Smerdyakova: It sure is. And I missed you too.

Izzy Moonbow: This was still fun though!

Kanata: Izzy, ever since I met you, Namine, and Pepperdance, I've seen you 3 as sisters.

Izzy: (GASP) WOOHOO! WE HAVE A NEW BROTHER!

They hugged him.

Pepperdance: OOOWEE!

Namine: Yeah!

Nico: (LAUGHS) That is awesome.

Me: It sure is.

Scorponok: Yeah! (ZAPPING) Oh no! Beast mode!

He turned back into a scorpion.

Me: Energon buildup.

Nico: Oh man.

We later went back home

We arrived.

May: Hey guys. How did it go?

Me: Really awesome!

We told everyone everything that happened.

May: WHOA! That is intense!

Me: It was.

Nico: Lucy, you, Dora, and Brittney's missions are up next

Lucy Loud: Wicked.

Brittney: Awesome. This will be fun.

Dora Santiago: Yeah!

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Cassidy was being taken to the infirmary.

Mercury Lovenia: Here's the patient, Ratchet.

Ratchet saw Cassidy.

Ratchet: Yeah boss filled me in on Cassidy. Lets see what's going on.

Cassidy got onto the table and he did a diagnostic.

Benito Yamaguchi: Anything?

Ratchet smiled!

Ratchet: She's pregnant!

They gasped!

Benito and Mercury squealed in excitement!

Cassidy: (GASP) I'm Pregnant!? (GASPS IN EXCITEMENT!) I'M PREGNANT!

We busted in!

Me: You're pregnant!

Hotlink: You're pregnant?!

Me: CASSIDY!

Cassidy and me hugged and laughed and everyone cheered wildly for me and Cassidy

?: That is awesome!

We saw the embodiment of Tornado Tonion!

Tonia Tornado: Tonia Tornado, Embodiment of Tornado Tonion.

Chazz: Good to see you again Tonia.

Kaiba: It has been a while.

Tonia Tornado: It sure has been a while Seto and Chazz.

Swerve: How did you meet Chazz and Kaiba?

Tonia Tornado: It's obvious. I met them during a dueling tournament and I saw how their duel ended in a draw.

Me: Wow! That is very coincidental. Kaiba and Chazz have so much in common in personality traits if you know what I mean?

Kaiba: He's right. We both act and duel alike.

Chazz: That's true.

Tonia Tornado: Yeah and they made my own deck for me too. It's a Tornado Dragon deck.

Me: Cool!

Nico: Nice. Would you like to join us?

Tonia Tornado: I would be honored.

Buzzerbeak squawked at Cassidy being pregnant

Me: He's happy for you Cassidy. We'll have to go to the doctor after the mission.

Cassidy: Okay.

Camie: Good.

Me: Yeah.

Poliwag jumped on Cassidy's belly

Nico grabbed him.

Nico: Stop that.

Qin: This isn't gas you guys are dealing with guys.

Me: Yeah.

Poliwag: Can I at least use my tail to rub her belly?

Nico: Just rub it. No slapping it.

Poliwag: Okay.

Poliwag rubbed it.

Cassidy: That feels good.

Poliwag kissed her belly

Cassidy: Aww.

Me: So cute.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than our old enemy, Big Boss from Metal Gear, he's come back from the dead, and he wants revenge on us. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is something that's really going to piss us all off: I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than our old enemy, Big Boss from Metal Gear, he's come back from the dead, and he wants revenge on us.

WE GASPED AND AS SUCH, WE WERE PISSED OFF!

May: ARE YOU KIDDING ME?!

Irma: Oh no. We'd better take care of him immediately.

Lincoln: I've got something that'll paralyze that monster, and we'll be sending him to prison for good.

Me: Good idea.

Nico: I'd definitely like to see it happen to someone like him. Alright, team, let's get going and take care of Big Boss.

Lincoln: He made a huge mistake coming after us again, this time, we end this here and now.

Me: Yep. Now we're sending him to prison forever.

Camie: Yeah.

The previous group came

Chemistro: Can me, Anti Wanda, Rex Goodwin, Roxy Rocket, Nergal, Raven Branwen, Duff Killigan, Bonz, Dr. Polaris, and Leap Frog go with you guys?

Nico: Yes you all can.

Anti-Wanda: Cassidy congratulations on your pregnancy y'all.

Cassidy: Thanks!

Blackarachnia: Nico, which Gene Slammer do you think you'll meet next?

Nico: MetalEtemon next.

Me: Funky!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was the next of the dark nightmares that haunted Caleb Maxwell and brought to life by Morana Desdemona and her minions: Demon Blood Influenced Carter Kenrick, and he's coming after us. When we saw it, we knew it meant trouble.

Lincoln: So, you're finally on the move.

Travis Tackett: Lincoln, that figure we saw, that wasn't...?

Lincoln: I'm afraid so, Travis: the figure that we saw was Carter Kenrick's Demon Blood Influenced self, the next of the dark nightmares of Caleb Maxwell brought to life by Morana Desdemona, and he's coming after us.

Carter Kenrick: And I know how he's linked to Caleb's nightmares: one night, as we were going after one of The Big Claw Gang's members, I'd run into Caleb Maxwell who's been killing more Syndicate thugs, and I ordered him to drop his weapons, but I felt an unholy darkness from him as he fired a blast of darkness at me, and we got into a fight, and I shot him in the right shoulder, but he survived it and removed the bullet, and then, he unleashed pure Hell on me as he fired darkness blasts and bullets at me, and when he ordered me to attack him more, he had an unhinged insane look in his eyes, it was like looking into the eyes of The Devil himself.

Me: Holy...damn!

Lincoln: He even made hardened New York Police detectives go pale in fright and horror. (SHUDDERS)

Caleb Maxwell: I know, I'm the epitome of madness and darkness. Jack and Casey said that to me.

Nico: I hope Roxy gave Jack a telling off, same with Abby with Casey. Alright, team, let's go, this is the last time we deal with Big Boss.

Lincoln: He's looking at spending the rest of his life in prison and paralyzed by poison, and once we get done with him, we're confronting the next of Caleb's nightmares.

Carter Kenrick: The demons that haunted me since that night are coming to and here and now.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to deal with Big Boss, and this time, we're sending him to prison, and once we got done with him, Carter Kenrick is going to face his Demon Blood Influenced self: the demons from the night he encountered Caleb Maxwell.

We arrived in the Aleutian isands in Alaska where it all began for Metal Gear.

Me: Here we are.

Rex Goodwin: Lets get Demyx Here.

Out of a dark corridor came Demyx.

Demyx: Someone call my name?

Me: We sure did Demyx.

Discord: Doesn't this being back memories, Snake?

Snake: Indeed it does.

Qin: This was where we first battled Big Boss.

Camie: Fitting.

Tarantulas: You also fought Metal Gear Rex during one of Irma's missions

Snake: That's true.

Qin: Yeah.

Irma: i remember that.

Camie: Yeah.

Snake: Big Boss was a formidable adversary.

Quiet: He sure was and he put up an amazing fight.

Fangry: Think we can use a poison blade on him?

Me: We could but we're here to capture him. Not kill him.

Nico: You're right.

Nergal: Who wants pizza while we're waiting?

Me: I am a little hungry.

Nico: Sure.

We got to having some pizza.

Me: (Eating) Mmm! Delicious as always.

Flame Man: Let me heat that up.

He did so.

Me: Perfect.

Qin: Good pizza.

Camie: Yeah.

Duff Killigan: (to Cassidy) (Scottish Accent) Lass, are you feeling cravings right now?

Cassidy: I sure am.

Sakura gave her chum and she ate it.

YUCK AND BARF!

Lola: It's natural but we have to put up with it.

Sour Sweet: Youre not craving pizza right now?

Cassidy: WILL YOU SHUT UP BITCH!

Sour Sweet: Whoa calm down.

Me: It's all right Sour. She's not getting mad at you on purpose. It's Mood Swings. It's natural.

Sour Sweet: Oh.

Cassidy: Sorry. I'm eating pizza with it.

Beastbox: Good to know

Ace: Was it always like this when one of you got pregnant.

Me: Uch don't fucking ask. No offense girls.

Camie: None taken but yeah it was.

Fluttershy: Yes but we got through it together.

Lilja: (Icelandic Accent) That's good news mom.

Nico: It sure is.

Dr. Polaris: And then, there's the threatening when under labor pains

Me: Don't get me started on those.

Qin: Yeah.

Lilja: Were they that bad?

Me: Lilja some things are best left unsaid.

Brynja: (Icelandic Accent) Yeah they sure were scary.

Camie: Yeah.

Horri Bull: It's true

Lilja: Oh man. Mom must've gone through that right?

Me: Yes she did.

Vakama: It was on my big day mission. and it was crazy.

Lola: Yeah it was.

Fluttershy: But it was good that I gave birth to your sisters.

Lilja: I'm so happy though.

Ground Man: Girls are scary when under labor pains

WE LAUGHED!

Twilight Sparkle: (LAUGHS) He's right on that.

Rainbow Dash: (LAUGHS) Yeah!

Applejack: (LAUGHS) Yeah we girls can be scary.

Me: That is for sure.

Nico: Yeah.

Leap Frog: We're not kidding about that

Me: I know. But it's still true

Qin: Yeah.

Lola: Yep.

Lilja: I get the idea.

Me: But we have awesome families.

Nico: Yeah.

Lincoln then had a premonition.

Lincoln: Oh man! I think we know which Akuma is coming to face us. Her name is Hydroirma, The Hypothetical Akuma of Irma Lair and she is based on her Water Elemental Form. She is a master of water and is deadly too. She was made when Miranda ruined her play and vowed to kill her.

WE GASPED!

Miranda: Revenge on me!?

Qin: Uh oh.

He showed us a sketch of her and we saw that it was Irma made of Pure Water!

Me: WHOA!

Maria: She looks like how I was as Aquamaria.

Nico: Wow! That is cool!

Megan: It sure is.

Master Frown: I doubt Miranda did that!

Me: I wonder what it was that Miranda did that set her off.

Camie: Yeah.

Miranda: In fact I don't think I would stoop that low to make her into that.

Me: I agree there.

Bonz: Here, Irma never did a play for you to ruin.

Me: Hmm. Maybe hypothetically where she came from Miranda did ruin a play for Irma and that's what set her off.

Camie: Maybe.

Qin: Yeah.

Leozack: We need to watch for any bodies of water!

Me: Uhh we're in the middle of the ocean.

Qin. But still we need to be on guard.

Me: Right.

Raven Branwen: Here, she could be anywhere

Me: Yeah. Like in that puddle there!

Out of a puddle of water a figure took form and it was HYDROIRMA!

WE GASPED!

Me: WHOA!

Sakura Haruno: Like with the Demon Brothers of the Mist on our first mission!

Me: Deja-vu.

Hydroirma: So good to see you all.

Maria: Wow Irma you look awesome made of water.

Irma: I forgot what I looked like as my element form. That was awesome.

Will: Irma you still remember us, right?

Hydroirma: I sure do Will and I would never hurt my friends.

Me: What play was it that Miranda ruined that set you off to turn into this?

Hydroirma: It was a concert I was putting on for us. I wanted us to form a band called W.I.T.C.H.

Me: That's cool!

Nico: Yeah!

Me: Will and friends with us formed their band like you did just like it. And already it was popular.

I pulled out my phone and showed the album of W.I.T.C.H. It was called We Are W.I.T.C.H. - Water, Fire, Earth, Air and Heart, GUARDIANS UNITE

Hydroirma: That is everything I dreamed of1 Awesome!

Me: It sure is. We show our 2 most powerful battles with Phobos and Nerissa while playing it.

Hydroirma: That is amazing! I'm so happy for you guys.

Me: We are too.

Demyx: Irma, you need to calm the fuck down!

Hydroirma: Not until Miranda pays!

Me: Sorry then Irma!

She fired a wave of water and I formed an Earth Wall and blocked it.

Bai Tza used her powers and bended Irma and made her a Water Pretzel.

Bai Tza: You know boss I've always wanted to do that to a girl made of water.

Me: I can see that. Lets get funky!

Demyx: Dance water dance!

He summoned his Water Nobodies.

Nico: And to this, we finally say, good riddance forever.

Me: Have fun in prison forever!

Lincoln: With the paralyzing toxin we fired into his body, he won't be getting out anytime soon. Now, there's one last thing to do and one last loose end to tie up: Carter Kenrick's Demon Blood Influenced self.

Lincoln formed a massive and indestructible diamond barrier infused with absorption energy that protected all of us from a suddenly flurry of claw attacks.

Lincoln: (Catches the scent of blood) I knew there was no mistaking the scent of blood, you better get out here, Demon Carter, or we're forcing you out.

A figure came out, and it was none other than Carter Kenrick's Demon Blood Influenced form: he looks exactly like him, but with black sclera and blood red iris.

Carter Kenrick: So, you're here.

Demon Blood Influenced Carter Kenrick: You can't get rid of me that easily, I'm part of you.

Caleb Maxwell: Just trust him, Carter, you've never dealt with someone under the influence of Demon Blood before, so you're gonna need the help of a vampire to accomplish that task.

Travis Tackett: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel Hope) He's right, we've dealt with this before, since we were the ones who made the dumb mistake drinking demon blood.

Carter Kenrick: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel Hope) Alright. Let's do this.

Carter Kenrick, Cage Blunt, Travis Tackett, and James Blunt went after Demon Blood Influenced Carter Kenrick, and they fired extremely powerful blasts of black and blood red energy, black and blue energy, stars, darkness, dark magic, black magic, Satanic Magic, blood, shadows, vampire bats, phoenixes, and angels at Demon Blood Influenced Captain Whitten, and they exploded with incredible power as they hit him. Then, they attacked him with their massive greatswords leaving painful scars on him, and they even scratched him with their gold-plated dragon claws and they smashed him all over the place with their superhuman strength, and it was making Demon Blood Influenced Carter Kenrick even more enraged.

Demon Blood Influenced Carter Kenrick: H-how?! How is this even possible?!

Caleb Maxwell: It's because Carter is no longer weighed down by what happened back in the past, and I forgave him for the time I exposed my darker nature that night.

Carter Kenrick: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel Hope) That's right, and not only is Caleb no longer weighed down by that rage and hatred, I'm still continuing on with my dedication to the police and protecting everyone in need.

Demon Blood Influenced Carter Kenrick saw it and smiled.

Demon Blood Influenced Carter Kenrick: You made the right step in the direction you chose.

Suddenly, Demon Blood Influenced Carter Kenrick faded away, but not before giving Carter Kenrick a gift: his powers and abilities added to his own.

Carter Kenrick: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel Hope) Rest in peace.

Carter Kenrick, Cage Blunt, and Travis Tackett holstered their massive greatswords on their backs and powered down, and Carter Kenrick's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large fifteen black and blue planets orbiting around his legs and fifteen black and blue smaller planets orbiting around his waist, smaller planets orbiting around his fingers like rings, medium sized black and blue planets orbiting around his wrists and ankles, Third Eye, longer blonde tail, and massive black angel wings and four sets of larger blonde angel wings underneath his massive black angel wings are permanent.

Me: That was a surprise, the battle didn't end with your Demon Blood Influenced self getting killed by you, Carter.

Carter Kenrick: That's right, just like Blunt and his old man, the captain, and Tackett, my demon blood influenced self had merged with me after I finally made peace.

Caleb Maxwell: And with that, another nightmare ends here.

Me: You said it. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Lincoln: Ooh, I've got a good one: Brooke Westbrook, Gene-Slammer and Avatar of Marincess Coral Anemone.

Adriana Westbrook: I knew it was her next, and you guys are going to love meeting her, Brooke Westbrook is Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Coral Anemone. She's the fourth eldest sister of The Westbrook Sisters, and she's the warrior of The Marincess Water Princesses. Lincoln met Brooke Westbrook when she and the rest of us came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Brooke kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Brooke hates Luan with a blazing passion, because that toxic insane psychopathic clown polluted Lake Michigan by dumping a dumptruck full of baking soda into the lake, and she was laughing cruelly like the lunatic she was, and enraged because of her behavior, Lincoln and Brooke blasted her with water and they even electrocuted her, and Luan got so mad, she called Brooke a fish-faced bitch and Luan said that she hopes that Brooke dies in a pool of her own blood and she'll dance on her remains and skin her alive. The audacity and utter malice of her threat made Lincoln see red, and he blasted Lola hard with a massive blast of water, he sent her flying back to the house, and when everyone heard Lola's threat along with seeing what she did, Lisa got grounded for five months, and Luna, Laney, Leni, Lucy, Lana, and Lily dragged Luan to her room and tied her up in a straitjacket and threw her inside a cage like the animal that she was, and they turned to leave, but not before Luna gave her the finger, and that sent Luan into a total psychotic tailspin of rage as she banged on the bars of the cage and screeched like a chimpanzee!

EVERYONE WHO HADN'T HEARD IT BEFORE GASPED IN SHOCK AND HORROR! THEN, THEY GLARED AT LUAN WITH ANGER!

Nico: Luan Loud, of all the insidious, rotten, malicious things you've ever done to piss off your own brother and his Guardian Angels, this is by far the fucking lowest!

Luna: Yep, you heard right, dude.

Laney: We really despised Luan for what she did dumping a dumptruck full of baking soda into the lake, and she was laughing cruelly like the insane psychotic clown she was.

Leni: But, what she did in calling Brooke a fish-faced bitch and hoping that Brooke dies in a pool of her own blood and that she'll dance on her remains and skin her alive, the audacity and utter malice of her threat made Lincoln see red, and he blasted her with a massive blast of water and sent her flying back to the house.

Lana: And when she was back inside, we tore her apart verbally, and for some of us, we also resorted to violence.

Me: I still remembered that day.

Varie: Me too, and I helped Lincoln, Brooke, and her sisters in cleaning up Lake Michigan, and then, we went home and chewed her out.

We headed back home, and we were enjoying our time before we were about to head off to bed. As night fell and many of us went to bed, Caleb Maxwell was awake, and he felt a ghostly presence call out to him and he went outside.

Then, he saw a figure walking east.

Caleb Maxwell: Hey, wait up.

Caleb Maxwell followed the figure, but as soon as he caught up to the figure, it disappeared, and he'd seen where the figure led him to: The Hallow Shade Bar, the scene of The Hallow Shade Massacre and the very place where he died at.

Caleb Maxwell: The Hallow Shade Bar. I haven't been here since...that night.

Caleb Maxwell went inside, and every step he took in the bar was like a step back in time: back to the time of the massacre and the time of his death. Then, he went to the pool table as he grabbed a pool cue.

?: Caleb, may I help you with something?

Caleb Maxwell: Oh, I just wanted to...

He turned to see who it was, but nothing was there.

Caleb Maxwell: Ask you? (Sighs)

SOMBER MUSIC PLAYS

Caleb Maxwell put the pool cue down, and he walked up to the window where the bar's worker, Mabel Jensen, worked at every night. Then, he looked out the window and into the night skies and the full moon.

Caleb Maxwell: (Echoing Voice) Mabel..., Junie..., everyone...

Then, memories of seeing the drained bodies of Mabel, Junie, and everyone who was there the night of The Hallow Shade Massacre flashed through his mind, and the events of his fight against Cage and Travis, and finally his death at Drake's hand also played through his mind, as he continued to look out into the skies.

Caleb Maxwell: I'm so sorry..., everyone.

Caleb Maxwell began to leave, and right behind him was Mabel Jensen, who appeared like she did in life and before she died, along with the spirits of everyone at the bar.

Mabel Jensen: This wasn't your fault, Caleb. It was never your fault.

Jack O Lantern: That's one enemy of W.I.T.C.H down

Ryugu Tamatebacco: And 4 to go.

Kerbero Gangan: We'll deal with them in due time.

Me: Taranee might be up next. Who knows.

Nico: Yep.

SkullMeramon: For now, we should get Cassidy to a doctor.

Pterodactyl Ghost: Anyone need a lift?

Nico: I can get us there. Great job everyone!

Irma: (To the viewers) Hope you all thought this was fun.

Camie: Yep.

We left and got Cassidy to the doctor and we saw that she was going to expect 5 girls.

WE WERE AMAZED! Later we went back home and went to sleep

Alright, and for tomorrow, the next match-up is Roxy Drake VS. Demon Blood Influenced Roxy Drake

For Lincoln's rescue tomorrow, Lincoln and his group are heading to The East Bronx, specifically where Caleb Maxwell went to last night after following a ghost: The Hallow Shade Bar, the scene of The Hallow Shade Massacre and where he died, and we're going to resurrect everyone who died there, and after we do that, we're going to destroy Lord Jaraxxus, one of the enemies from World of Warcraft and an extremely powerful Eredar Lord of the Burning Legion, and we're going to meet Brooke Westbrook, Gene-Slammer and Avatar of Marincess Coral Anemone, she's Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-

Slammer and Avatar of Marincess Coral Anemone. She's the fourth eldest sister of The Westbrook Sisters, and she's the warrior of The Marincess Water Princesses. Lincoln met Brooke Westbrook when she and the rest of us came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Brooke kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Brooke hates Luan with a blazing passion, because that toxic insane psychopathic clown polluted Lake Michigan by dumping a dumptruck full of baking soda into the lake, and she was laughing cruelly like the lunatic she was, and enraged because of her behavior, Lincoln and Brooke blasted her with water and they even electrocuted her, and Luan got so mad, she called Brooke a fish-faced bitch and Luan said that she hopes that Brooke dies in a pool of her own blood and she'll dance on her remains and skin her alive. The audacity and utter malice of her threat made Lincoln see red, and he blasted Lola hard with a massive blast of water, he sent her flying back to the house, and when everyone heard Lola's threat along with seeing what she did, Lisa got grounded for five months, and Luna, Laney, Leni, Lucy, Lana, and Lily dragged Luan to her room and tied her up in a straitjacket and threw her inside a cage like the animal that she was, and they turned to leave, but not before Luna gave her the finger, and that sent Luan into a total psychotic tailspin of rage as she banged on the bars of the cage and screeched like a chimpanzee!

Next up is Penny's day to shine and we're going to Devil's Bayou to battle Madame Medusa and her partner Mr. Snoops.

See you all next time.

DIAMOND THIEVES OF THE SWAMP

Madame Medusa and Snoops of The Rescuers are back for revenge.

In the early morning hours at 1:45 AM, Lincoln had a dream, and he saw four figures hiding out and living on the streets of Waco Texas. But, there were no ordinary four figures, they were Kat-Fū & Ana-Ran, twin daughters of Lincoln's future wife, Ling Xiaoyu. Butter the Rabbit, son of Lincoln's future wife, Cream the Rabbit. Eclaire, daughter of Lincoln's future wife, Adorabeezle. Lincoln woke up from the dream, but he wasn't the only one, Ling Xiaoyu, Cream the Rabbit, Adorabeezle, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We all did, Lincoln.

Ling Xiaoyu: And it also means that we found out where our daughters are at.

Me: They're at Waco, Texas.

Nico: Another city of Texas? Oh man, that's not good at all.

Lincoln: I know right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: we're on it, Lincoln.

Lincoln, Ling Xiaoyu, Cream the Rabbit, Adorabeezle, Black Alpha, Me, and Nico were heading to Waco Texas. Then, Lincoln saw a young and slender 10-Years-old Chinese girl who has fair skin, blue eyes, and black & white hair with a straight-cut fringe that is tied up in an upright ponytail. She wears a puffy-sleeved orange and black qípáo with two stars on it, matching orange pants with black lining, and black flats with straps around her shins. A young and slender 10-Years-old Chinese girl who has fair skin, brown eyes, and white & black hair with messy fringe tied up into two large twin-tails. She wears a puffy-sleeved black and orange qípáo with two stars on it, matching black pants with orange lining, and orange flats with straps around her shins. A 3-foot-tall 11-years-old Rabbit/Human boy who has white fur with reddish-orange patches on his head, the tips of his long ears, and markings around his blue eyes, sharp-toothed teeth, a small brown nose with a cream muzzle and a short fluffy tail. He wears a reddish-orange sports shirt with a Fire ball on it and a black V-neck collar. red sports shorts with one yellow stripe on each side and fluffy cuffs, and black sports boots with red tips. And young 9-years-old girl who has pale "frostbitten" skin, rosy cheeks, thin blue eyes, and dark cobalt blue with light blue streak hair pulled back in a plaited braid. She wears a winter beanie that appears to be made of cappuccino brownie, a tan winter hooded coat with white fluffy trim, a blown skirt, dark brown leggings, legwarmers, brown shoes decorated with dark reddish rickrack. Lincoln saw who they were, they were Kat-Fū, Ana-Ran, Butter the Rabbit, and Eclaire.

Lincoln: Excuse me, are you Kat-Fū, Ana-Ran, Butter the Rabbit, and Eclaire?

Ana-Ran: Yes, we are.

Kat-Fū: What brings you here?

Lincoln: Well, I'm Lincoln Loud of Team Loud Phoenix Storm, and that's the Dark Knight and Leader of the

Elemental Heroes, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Ling Xiaoyu, Cream the Rabbit, and Adorabeezle came out, and when Kat-Fū, Ana-Ran, Butter the Rabbit, and Eclaire saw them, they were stunned.

Eclaire: Mother?

Adorabeezle: I'm here, sweetie.

Kat-Fū, Ana-Ran, Butter the Rabbit, and Eclaire ran up to Ling Xiaoyu, Cream the Rabbit, and Adorabeezle, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Black Alpha.

Lincoln: And there's something you should know, Ling Xiaoyu, Cream, Adora, your mothers are one of my many future wives..

Kat-Fū, Ana-Ran, Butter the Rabbit, and Eclaire: Does that mean...you're our father.

Lincoln: (smiled) What else I wouldn't be?

That filled Kat-Fū, Ana-Ran, Butter the Rabbit, and Eclaire with joy, as Lincoln picked her up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Kat-Fū, Ana-Ran, Butter the Rabbit, and Eclaire to the rest of his siblings, who are now her aunts. We were proud of what Lincoln did in reuniting Ling Xiaoyu, Cream the Rabbit, and Adorabeezle with their daughters, and Kat-Fū, Ana-Ran, Butter the Rabbit, and Eclaire now has a loving, strong, brave, and caring father in their life.

[Mane 6]

(Come on, feel the magic, come on, feel the magic)

[Zipp Storm]

Hey, hey, hey, what a perfect day

The sun is getting brighter and it's beaming my way

There's something in the air, I can feel it in my hoof

So everypony, let's go, 'cause it's time to move

Whoo-hoo! Everypony, rise and shine! Come on, sleepyhead, wake up!

(Zipp was up and ready for an awesome day and she was getting everyone ready)

Pipp Petals: ZIPP! Oh. Did it work? Is my mane curly? It's a mane miracle! Check me oooout!

Me: Morning girls! Boy your hair looks great Pipp! Zipp is in a great mood today.

Nico: Love that spirit to start the day.

Misty: Whoa, whoa! [giggles]

Me: Man Zipp you have a scorching case of Morning Energy!

Rainbow Dash: Now that is awesome!

Zipp Storm; It sure is!

Sunny Starscout: [grunts, sighs] Who wants breakfast?

Me: You know we do!

Sunny Starscout: Hang on. Somepony's missing.

Pipp Petals, Misty, Zipp Storm, and Sunny Starscout: Izzy!

Me: Time to wake up Izzy.

We went to wake her up.

Sunny Starscout: Let's go, sleepyhead!

Me: Wakey wakey sleeping beauty.

Pipp Petals: Breakfast time!

Misty: Wakey-wakey, Unicorny Flakeys!

Izzy Moonbow: Oh... [yawns] Hey, ponies. Is it morning already?

Me; It's 7:15 AM.

[Sunny Starscout]

Hey, hey, hey, ponies, don't delay

(Sunny made muffins, donuts and cereal and more)

'Cause breakfast is the most important meal of the day

Cooking up your favorites with a twist or two

Just a touch of magic from me to you

Me: Oh yeah!

Izzy Moonbow: [gasps] Oh, no! My Unicorny Flakeys! [affected voice] "More like Uni-floor-ny Flakeys now! Know what I'm sayin'?" [laughing] Too soon, Señor B. Too soon!

Me: I can get you some more.

I used my magic and got Izzy some more.

Izzy Moonbow: Thanks J.D.

Later we were in town and Hitch was going about his routine too.

Zipp Storm: [whistles]

[Hitch Trailblazer]

Good times with my buddy

Is what it's all about

And things can't get much better

Shades on, here we go, it's time to roll out

[Mane 6]

If you feel the magic, let me hear you say "hey!"

All of us: HEY!

Come on, feel the magic, ooh, feel the magic

[continues under]

Posey Bloom: Ew. Is this a flash mob? I... love it!

Dahlia: Let's dance, ponies!

Me: YEAH!

[Mane 6]

Come on, feel the magic, ooh, feel the magic

Windy: Oh, I've always wanted to do one of these! Dance move! Dance move! I got it! Am I flash mobbing?!

[Sunny Starscout]

Smoothies flying off the shelves

(I drank one.)

Making new flavors and watching them sell

Hitch! Sparky! Smoothies ready!

[Windy]

That's it, Windy! Nice and steady!

[Hitch Trailblazer]

Keepin' Maretime Bay runnin' smooth

Stop! Go! Come on through!

Hey there, whoa! Not so fast!

Put 'er there, pal, if you're havin' a blast!

[Zipp Storm]

Special delivery on its way

Apparently ponies can't live without... manespray?

(Jazz needed hair spray)

[Jazz Hooves]

Thank hoofness, Zipp! You saved the day!

Oh, whoa, yeah, you saved the day!

[Pipp Petals]

Ooh, you're lookin' gorge

A little higher, please

Hmmm, it needs a little something, ugh, more... Misty!

Magnifiiiiique!

(Flare's hair was made rainbow and she looked RADIANT!)

[Mane 6]

If you feel the magic, let me hear you say "hey!"

All of us: HEY!

Come on, feel the magic, ooh, feel the magic

If you feel the magic, let me hear you say "hey!"

Come on, feel the magic, come on, feel the magic (Sunny: Feel the magic, come on, everypony!)

Izzy Moonbow: [muttering]

Skye Silver: Very happy scenes from Maretime Bay today. As you can see, everypony is absolutely thriving.

Izzy Moonbow: Whoa!

Izzy tripped and rolled and crashed into the Flower cart.

[crash!]

Izzy Moonbow: [affected voice] "Ouchy! Izzy!"

Me: Oh Man! Izzy are you okay?

Izzy Moonbow: Yeah I'll be fine.

We helped her up.

Me: Sorry Dahlia.

Dahlia: It's okay J.D.

I fixed it with a snap of my fingers.

Skye Silver: Ooh. Well, maybe not everypony is thriving. [laughs] Back to you, Dazzle.

Izzy Moonbow: Hey, we heard that! [affected voice] "Yeah, watch it!"

Me: Okay you two don't make a scene now. Besides it was an accident.

Izzy Moonbow: [affected voice] "'Not everypony's thriving.' Huh! We'll show you, Skye Silver! We're thriving, right, Izzy?" [normal voice] Who, us? Pssssh. Totally. [nervous chuckle] I mean, my creative-y juices aren't exactly flowing right now, but I'm sure that'll pass, right? [affected voice] "Of course! All you need is a new project, Izzy. Maybe it's time for destination inspiration!" [normal voice] Ooh, great idea, Señor B. [affected voice] "You could knit some hats for the baby ponies." [normal voice] Nah. My yarn ball's a mess. [affected voice] "Make a ribbon message of love in the sky?" [normal voice] I did that last week. [affected voice] "Create a sandcastle zen garden?" [normal voice] What's the point? It'll just wash away.

Later Izzy was feeling down about something.

Izzy Moonbow: Señor B, I know I've seemed extremely normal all morning, but I have a confession to make. I think I might have used up all my creative-y juices! [affected voice] "What?! No! What makes you think that, Izzy?" [normal voice] Well, usually when I create something, I see this glowy line first, and it shows me the idea of what I want to make. But now, when I look at things, nothing. No glowy line at all. [affected voice] "Maybe you just had some bad pasta." [normal voice] Could be. Or... maybe... Oh, no! What if it's...?!

[door opens]

Izzy came in and she was in despair.

Izzy Moonbow: Ugh! Why, oh, why?! Oh, great horn in the sky, why?!

Me: Izzy what's wrong!?

Nico: Izzy are you okay?

Sunny Starscout: Izzy, are you okay?

Izzy Moonbow: Why me?!

Eli: Izzy talk to us!

Zipp Storm: Are you hurt?

Misty: What happened?

Pipp Petals: How can we help?

Izzy Moonbow: Ponies, I... have... the blockywockys!

[beat]

Me: The Blockywockys?

Zipp Storm: The what now?

Nico: What the heck are the Blockywockys?

Sunny Starscout: Izzy, come on. I thought you were really hurt.

Izzy Moonbow: No, ponies, you don't understand! Having the blockywockys is worse than being hurt!

Misty: What do you mean, Izzy?

Pipp Petals: Yeah, what are the... b-blockywockys?

Izzy Moonbow: Over time, the blockywockys have afflicted many an artsy pony.

Me: Really?

(FLASHBACKS SHOW NUMEROUS PONIES AFFECTED BY THEM)

Izzy Moonbow: [narrating] Sometimes, the blockywockys keep you from finishing a project. Sometimes, they keep you from starting one. And sometimes, they just make everything go wrong.

(FLASHBACKS END)

Pipp Petals: What does it feel like, Iz? I bet I've, like, totally had these wockyblocky thingies.

Izzy Moonbow: Blockywockys, Pipp. And for me, it feels like all my creative-y juices are all blocked up on my insides, and they just won't come out. It's like losing the thing you love to do the most. Like... Sunny not being able to turn into the Alicorn and help ponies, Hitch not being able to talk to critters, Pipp losing her voice, Zipp having to fly super slow, and Misty not having a friend in the world to talk to.

Me: Oh I know what's going on here. You have what's called a Mental Block.

Sunset Shimmer: Yeah I get those sometimes like when I couldn't draw street pictures.

Eddy: Or like the time I couldn't think up a scam and Jimmy made one.

Izzy Moonbow: Really?

Eddy: Yeah it was back when I lived in Peach Creek.

Sunny Starscout: Is there anything we can do to help?

Izzy Moonbow: [sighs] I don't know, Sunny. What if there's no cure and I never create anything ever again?

Sunny Starscout: Come on, Izzy. We can't lose hope. We can get through anything together.

Me: That's right. Sunny is right.

Misty: Sunny's right. It might feel hopeless right now, Izzy. I've felt that way before, too. But when you have ponies that love you, even in the darkest times, there's always hope.

We glowed for Izzy.

Me: That is for sure.

Twilight Sparkle: Friends get you through the worst of times.

Nico: And we can do anything when working together.

Sunny Starscout: We're here for you.

Hitch Trailblazer: Don't worry, Izzy.

Zipp Storm: We love you, Iz.

Pipp Petals: Awwww...

Izzy Moonbow: [giggles] Aw, thanks, ponies and thanks guys. Now, anypony got any ideas? 'Cause clearly I do not!

Zipp Storm: Come on, Iz. You're awesome at puzzles. I'm sure you can figure this one out. "If you're not feeling..."

Izzy Moonbow: Ummmm... "Your best"?

Zipp Storm: Yeah, that's it! "Then it's time to..."

Izzy Moonbow: "...go on a quest!"

Zipp Storm: Yes, Izzy! "If you're not feeling your best, then it's time to go on a quest!" See? We did it!

Me: Oh like a spiritual finding.

Zipp Storm: Exactly!

Izzy Moonbow: A quest, huh? I like the sound of that!

Me: Then lets all go on one.

Nico: Yeah!

Later We were helping

I left a holographic disk to let everyone know what's going on.

Izzy Moonbow: [panting] If you're not feeling your best, then it's time to go on a quest! That's it! I feel inspired!

Me: Good Izzy! And we'll help you too.

Izzy Moonbow: [gasps] Ooh, a bag! Already packed? For me? Yup, I need that! And that! Ooh, I love those! And these! Alas, I go forth on my creative-y quest! Nothing will stop me from finding the cure to my blockywockys! Oh, yeah. I forgot about the Nova Charm. That's gonna be much easier.

Me: We'll need that too.

Nico: It'll be interesting to see what Starlight Ridge will be like.

Izzy Moonbow: Yeah. I'll just leave the ponies a quick note. "Gone on a creative-y quest with J.D. and everyone. Be back when I find the cure. X-O-X-O, Izzy." [giggling]

Me: Good idea. Lets go.

Later everyone got the note.

Hitch Trailblazer: Alone?! She's gone alone?! How many times do I have to say it? We stick together!

Zipp Storm: Look here.

A hologram of me came on.

Me: Hey guys.

Sunny Starscout: Where are you guys?

Me: We're going with Izzy to help her find the cure to her Mental Block. We'll be back soon.

Sunny Starscout: Thanks for telling us J.D. Just be careful.

Me: We will Sunny. We'll keep in touch.

It clicked off.

Misty: At least everyone is with her. Being alone isn't always a bad thing, Hitch. Sometimes it's easier to hear your own voice when you don't have a bunch of other voices telling you what to do.

Pipp Petals: Izzy will be just fine. She's, like, totally resourceful.

Zipp Storm: Yeah, And she has everyone with her. But, without her creativity, I just wish we could be there to help her.

Misty: Maybe we can. What if every time we think about Izzy, rather than worrying, we can just close our eyes and send her some cutie mark magic love?

Sunny Starscout: Great idea, Misty. Okay. Let's try it now. Hope as bright as the sun!

Pipp Petals: Confidence like a song!

Hitch Trailblazer: Kindness that overflows!

Zipp Storm: Bravery that blasts across the sky!

Misty: Heart to help you feel!

A massive surge of rainbow magic blasted out of the lighthouse and the World Tree Estate glowed intensely and we saw it.

[whooshing]

Me: WHOA! That is powerful!

Izzy Moonbow: Ooh, pretty rainbow! There's gotta be somepony out there who can help me! I believe it!

Nico: Guts Man, I want to thank you, Boomer Kuwanger, and your teams for coming

Guts Man: Anytime Nico. It's gonna be so fun.

Qin: Yeah it is!

Panini: It sure will be as fun as ever. Right Num nums?

Chowder: I'M NOT YOUR BOYFRIEND! Sorry I missed doing that.

Izzy Moonbow: (The Nova Charm Opened a portal) Look out, blockywockys! I'm comin' for ya!

Me: WE'RE Coming for you!

Nico: Lets go!

[8-bit music]

We went to Starlight Ridge.

Izzy Moonbow: [screams, yelping] Wheeee!

Me: Yeah!

We stopped.

Me: Wow! So this is Starlight Ridge!

Xenia: It's beautiful!

Starlight Glimmer: This is amazing! I didn't know this was all here.

We saw a new pony.

[beat]

Stardance: Didn't anypony ever tell you it's not polite to stare?

Me: Oh sorry.

Izzy Moonbow: [laughs] Sorry. You looked so peaceful. I didn't want to bother you.

Stardance: [whispering] I'm listening.

Me: We are Team Loud Phoenix Storm.

Stardance: Oh wow. I am Stardance. It's an honor to meet you.

Me: You too Stardance. Wow you are totally calm in the face of danger.

Stardance: I sure am.

Izzy Moonbow: You see, I haven't been able to create lately, and I was wondering if you knew any cures for the blockywockys.

Me: She means her Mental Block. She's trying to figure out how to get around them.

Stardance: Hmm. Ohhh, yes, yes. Ohhh. Mmmm. Yes. Yes, I see. Yes. Yes! ...Sorry. No idea.

Linka: Well that was a bust.

Stardance: But before you go, how about a quick dance with the stars?

Me: Ooh! That sounds fun.

Izzy Moonbow: Uhhhh... Yeah, that sounds fun! What are we waiting for?

Stardance: I was hoping you'd say that.

Her cutie mark glowed and we saw the stars.

[twinkly music]

Me: Wow!

We danced and saw the stars and it was beautiful.

Izzy Moonbow: [giggling] Whoo!

Stardance: [laughing]

Izzy Moonbow: [giggling]

Stardance: [thinking] Play is always the way.

Izzy Moonbow: [giggling, yelping]

Nico: Panini, when is your wedding to Chowder?

Panini: OOH! A WEDDING!? That would be so romantic!

Mung: Endive would approve so I can give her the worst wedgie ever.

Me: Man Mung you are never going to let that go are you. But yeah that would be funny.

Panini: Yeah and we're still thinking on it.

Camie: Okay. Take your time.

Then the portal opened up and we went through it.

[8-bit music]

We arrived at the Dragon Lands!

Izzy Moonbow: Huh? [screaming]

[majestic music]

Me: Whoa! The Dragon Lands!

Blaize: Izzy? Everyone? What are you doing in the Dragon Lands?

Me: We're helping Izzy on a quest.

Izzy Moonbow: Ooh. Well, I'm on a quest to find a cure for my blockywockys, Blaize. My creative-y juices are all clogged up, and I can't create anything.

Me: She's having a mental block.

Blaize: Ah I see what you mean. I know just the thing. Nothing gets the blood pumping like...

We were flying again.

Blaize: ...a trust fall!

Me: Trust falls!? Whoa!

Izzy Moonbow: Are you sure about this?! What if nodragon is there to catch me?!

Blaize: We don't always know how it's going to turn out, Izzy! Sometimes we just have to jump!

Me: She's right on that!

Nico: Yeah!

Izzy Moonbow: Okay, here goes! Cannonball!

Me: GERONIMO!

We dove!

[whoosh!]

We were caught by Blaize and our dragons!

Me: YEAH!

Izzy Moonbow: That was amazing! I feel so alive!

Me: YEAH!

Qin: YEAH!

Then the portal opened again.

Me: Looks like we're not done yet.

Blaize: [chuckles] Looks like your next adventure is waiting for you, Izzy.

Me: Yep.

Izzy Moonbow: Thank you, Blaize! Whoo-hoo!

Me: Lets go!

We went through it!

[8-bit music]

Next we were underwater!

Izzy put on a diving mask.

Izzy Moonbow: [muffled] Ah! Crystal bee, you think of everything! Whoa.

Me: Wow! So the next part of this adventure is underwater.

Xenia: Cool!

Varie: Awesome!

We then bumped into a Seapony

Destiny: Oh!

Izzy Moonbow: Oh, my glitter! I'm so sorry!

Me: Oh sorry!

Destiny: [giggles] Me, too. [gasps] Whoa! You're a unicorn! I've never met a unicorn before! And I never met creatures like you.

Me: Oh wow! You're a Seapony! Sorry we are Team Loud Phoenix Storm.

Destiny: Oh wow! It's an honor!

Izzy Moonbow: [gasps] And you're a real-life seapony! I can't believe it! I'm Izzy!

Destiny: Hi, Izzy. I'm Destiny.

Me: Nice to meet you Destiny. You are the first Seapony we met in Sunny's time here.

Destiny: Cool! What brings you to the Jade Sea?

Izzy Moonbow: I'm trying to find a cure for my blockywockys.

Destiny: Blockywockys? [giggles] I've never heard that word before. Blockywockys? [laughs] Blockywockys!

Izzy Moonbow and Destiny: [laughing]

Me: Okay I got to admit that word is funny.

Destiny: It's such a funny word to say!

Izzy Moonbow: It really is a silly word, isn't it?

Izzy Moonbow and Destiny: [laughing]

Me: (LAUGHS) Yeah.

Destiny: Well, whatever it means, I'm sure a little laughter can set it right. [giggles] Seaponies believe that laughter can cure anything. It's magic. [giggling]

Me: She's right on that Izzy and as the legacy and descendant of Pinkie Pie you oughta know all about that.

Izzy Moonbow: Huh. Yeah you're right. Laughter can cure anything, huh? [giggles] That's funny. I do feel better already.

Izzy Moonbow and Destiny: [laughing]

Me: Wow those hair extensions are beautiful.

Izzy Moonbow: Wow! Those are amazing! Where did you get those?

Destiny: I made them.

Rarity: You made those? Oh my heavens darling they are so beautiful.

Destiny: Thank you. [gasps] Oh! I could teach you if you'd like.

Izzy Moonbow: Oh! Oh, yes, please! My friends back home in Maretime Bay would love them!

Me: Yeah! They sure would.

Destiny: Okay then! Come on!

We got to learning how to making them and they looked awesome.

[tropical music]

We made all kinds of awesome designs for them.

[shimmering]

New hair decorations appeared for them too.

Their curite marks lowed and merged.

[boom!]

An explosion blasted them Away.

Me: WHOA!

Izzy Moonbow: Whoo! Destinyyyy!

Destiny: Izzyyyy!

Me: We'll see each other again Destiny. Thank you.

Destiny: You're welcome.

We went through the portal after Izzy.

[splash!]

We were back on shore.

Me: WOW! That was amazing! And I got to admit I look cool with a hair extension.

I had a sideburn braid for a rainbow.

Nico: It looks nice!

Izzy Moonbow: [panting] That was incredible!

Me: Yeah it was!

Nico: Mung can arrange a cake for that

Laney: A Slawberry cake for him.

Chowder: (DROOLS WATERFALLS) SLAWBERRY CAKE!

Nico: That must be his favorite.

Me: Yeah.

Schnitzel: Radda Radda. Radda Radda Radda. (Oh it sure is. He just loves to eat it)

Izzy Moonbow: What's next, Nova Charm? Huh?

We saw that we were home.

Me: We're back in Maretime Bay.

Izzy Moonbow: Home? Maretime Bay? Whoo-hoo! I cannot wait to tell the ponies all about my adventure! [in conga rhythm] Been on an adventure! To cure my blockywockys! Been on an adventure!

We passed an ice cave.

Me: (Shivering) Brr! Man is it cold out here?

Nico: I don't think so. It's coming from that cave there.

We saw the cave.

Me: Man that cave gives me the creeps.

Nico: Probably nothing to worry about.

We continued. But little did we know that the cave was home to the Winged Snow Leopardess ALLURA! And her bunny Twitch!

Allura: That is one very strange unicorn. And there's Team Loud Phoenix Storm with her too and Linky as well. (Sees the Nova Charm) Twitch! Did you see that? She's got it! The bizarre little pony has the Nova Charm! And she's all alone... But Team Loud Phoenix Storm is gonna be difficult to get around. We got to think carefully.

Chowder: Burble Nurples can be served at the wedding too!

Laney: Just a long as they aren't laced with poison.

Chowder: Okay.

Mung: This time I'LL get the recipe right.

Nico: Yeah. Whew! Man what a battle with Big Boss.

Camie: Yeah.

Rainbow Dash: And Cassidy is pregnant with 5 girls!

Maria: Snake's men started without us. How rude!

Me: I know! But it was all an ambush. They struck without warning.

Nico: You're right on that. Still no reason to start without us though.

Camie: I know!

Lola: How rude can you get!?

Maria: Yeah!

Rainbow Dash: Oh J.D. Pickle and Barley Barrel are looking out for Cassidy.

Me: Thanks R.D. They will be a huge help.

Ace Ukiyo: Pickle & Barley Barrel?

Me: Rainbow Dash's two Junior Wonderbolt Students. We met them in Hope Hallow and they look up to Rainbow Dash like a mentor figure and she took them under her wing as her students.

Rainbow Dash: It's true.

Ace Ukiyo: I actually liked the band involving the Guardians

Me: Me too. We all do.

Rainbow Dash: It's just as awesome and cool as the Rainbooms.

Me: It sure is. One time Will and friends sang during last years Ridonculous Race in Madagascar. It was a battle of the bands.

Nico: I remember that. That was so fun.

Lola: It sure was! We had an awesome performance there.

Camie: That was awesome.

Boomer Kuwanger: Yeah that was awesome! The Celebrity 5 loved that one.

Qin: Joel Murphy loved it.

Me: Yep.

Boomer Kuwanger: Yeah Joel had the time of his life down in Madagascar. He loved it.

Me: Yeah he sure did.

Nico: I hope Cassidy gives birth tomorrow.

Me: She will.

Xenia: Yeah.

Me: The doctor said she will be due tomorrow.

Nico: Okay.

Qin: Yeah.

Izzy Moonbow: [vocalizing, gasps]

We saw an Abandoned Fairgrounds.

Me: Whoa we never noticed this here.

Nico: Looks like an abandoned amusement part.

Eli: Lets go see.

We went in and the place was run down and falling apart.

Izzy Moonbow: Whoa. Look at all this cool stuff. I bet ponies used to have so much fun here.

Me: Yeah. But it looks like no one has been here for years.

Nico: Yeah it does look run down.

She picked up a ring and threw it.

[clang]

She got a ringer.

Me: Nice one

[crash]

The stand collapsed.

Izzy Moonbow: Ooh, yikes. Somepony really let this place go.

Me: Well nobody has been in here for years.

Izzy Moonbow: What a mess.

Me: Yeah.

Laney: Man this place could REALLY use some sprucing up.

Nico: Guts Man, what do you like to do in your free time?

Guts Man: Oh I like to help out at the gym and get people strong like me.

Lynn: You should see all the people that are exercising under his coaching. It's awesome.

Rainbow Dash: Boy it sure is!

Me: Wow!

Nico: Awesome job for you.

Izzy Moonbow: [gasps] Wait a minute. I bet, with a little love and imagination, these fairgrounds could be amazing again!

Me: Now you're talking!

[Izzy Moonbow]

We are all different

But one and the same

(She imagined a smoothie stand for Sunny)

Like starlight and moonshine

We all have our place

(She imagined a bumper car ride for Hitch and Sparky)

You can't make a rainbow

Without all the colors

(She imagined a roller coaster for Zipp)

And we can't make a friendship

Without one another

(She imagined a Beauty Stand for Pipp)

'Cause there is nopony quite like you

(She imagined a Popcorn shop for Misty)

Vision of Misty: What? Is there something on my face?

Izzy Moonbow: Whoa! My creative-y juices! They're baaaaack! Whoo-hoo!

Me: ALL RIGHT IZZY!

Nico: YEAH! We knew you could do it!

Qin: YEAH!

Izzy Moonbow: My blockywockys are goney-woney! That's it! All we have to do is let our magic run wild! Whoo-hoo! Yippee! Go, magic, go!

Me: Lets make this place fun and awesome!

[Hitch Trailblazer]

If you could only see everything you could be

You would spend your whole life shining

(THE WHOLE PLACE LIT UP WITH MAGIC)

Izzy Moonbow: Run wild!

[Pipp Petals]

Let your magic run wild

[Mane 6]

(SHE UNLEASHED HER INNER CREATIVITY!)

Me: WHOA!

Twilight Sparkle: WOW! Izzy!

The sparkle glowed brightly around Izzy.

Sunset Shimmer: "Izzy? What's happening?"

Izzy Moonbow: "I-I don't know. But it feels, amazing."

She felt magic coursing through her.

Izzy then started floating up as a bright flash appeared as some magic made rainbow streaks appeared on her right hoof, tail, and mane as her mane grew bigger, which Izzy smiled as she floated around as her Cutie Mark glowed brightly while she then struck a pose.

Me: WHOA!

Izzy Moonbow: "Whoa, Sunset, everyone, what is this?"

Sunset looked at Izzy in awed

Sunset Shimmer: "Izzy, I've seen this through the stories Twilight told me on how her and her friends defeated Tirek the first time. When the Tree of Harmony gave them their magic boost, their appearances change with the rainbow magic of the Elements of Harmony that respresent their elements. And it gave them magic that's even beyond Tirek's standards."

Me: WOW! I remember that! That's what happened to us when we got the World Tree Estate!

Nico: Yeah! The Elements of Harmony made our amazing World Tree Estate!

Izzy Moonbow: "Wait, so if their Elements of Harmony were similar to this, than that would mean…"

Sunset Shimmer: "Izzy, you discovered your inner Element. You've discovered your Rainbow Magic of the Element of

Creativity!"

Me: WOW!

Izzy Moonbow: "Whoohoo! So, now what?!

Sunset Shimmer: "Well, do what you do, get creative and try and make this fair better!

Me: Make this fair the place of EVERYONE'S DREAMS!

Izzy Moonbow: YEAH!

This made Izzy cheered as she then rushed around the fair while Sunset watches.

(Let your magic run wild (now is the time to light up the sky)

Izzy gave a wide smile with sparkling eyes as she then started floating up with Sunset and us next to her on the ground and waved her hooves around to make the fairground new and better as each stands and rides were restored and remaked while some had the Mane 7's and all of our Cutie Marks as Izzy shined bright and magic shot out from the sky.

Me: WHOA! WHAT POWER!

Back at the Crystal Brighthouse, Sunny was at the top of the Brighthouse as she looked in surprise when she saw some magic shooting out from the distance, recognizing the location as she quickly took out her phone.

Sunny Starscout: "Quick! To the abandoned fairgrounds!"

My sword then started glowing!

I unsheathed it! Then the World Tree Estate glowed brighter than ever! So did the Tree of Harmony in Equestria and Twilight's Castle too!

A bit later, the rest of the Mane 6 made it to the fair grounds as Izzy and Sunset saw their friends and us as they smiled at them while they all gasped with sparkles in their eyes while look at Izzy in amazement by her new form as Izzy's Cutie Mark glowed brightly and she was levitated up even more.

(Mane 6)

So let your magic run wild

Let your magic run wild (now is the time to light up the sky)

The rest of us all watch as Izzy was levitated up and glowed bright as the Nova Charm snapped off the necklace and was levitated up and float around before it shot beams at the Mane 6's Cutie Marks, which started to glow before it shot back to the Nova Charm, breaking it into 6 crystal shards with the Mane 6's colors as they all gasped in awed by this.

Me: WOW!

The seven shards then glowed brightly and created a gust of wind. The Mane 6 screamed when they were blew away as well.

Me: WHOA! That is powerful!

(Mane 6)

Let your magic run wild (now is the time)

THEN A MASSIVE FLASH OF WHITE LIGHT ENVELOPED THE WORLD! WE SAW SUNNY STARSCOUT'S WORLD SHE CAME FROM MERGED WITH OURS! WE WERE BACK HOME IN GOTHAM ROYAL YORK! BUT SUNNY'S WORLD WAS NOW PART OF OURS!

Each of the shards were then placed into stands that respresent the Mane 6 as they glowed brightly and powered the stands and the entire fair as the Mane 6 looked in awed as they all chattered in amazement while Izzy watches with a smile and sparkles in her eyes at what she has created.

Me: Incredible!

Sunny Starscout: Izzy! Look at this place! This is incredible! YOU are incredible!

Pipp Petals: Look at your mane! Ah! This rainbow look is totally chic! Everypony's gonna want this hairstyle, Iz!

Sunset Shimmer: "That's her Inner Element, ponies."

Zipp Storm: "Inner what?"

Sunset Shimmer: "It's Izzy's inner Element of Creativity When she found her inspiration and embraced her creative side, she found her inner magic and unlocked her rainbow magic, giving her this new form and magic.

Me: It's like what happened when we first got the World Tree Estate. We got these forms when we unlocked our World Tree Estate.

Nico: Yeah.

Sunny Starscout: "Wait, so that means that we might have inner elements inside us?"

Me: Yep.

Sunset Shimmer: "That's right. Twilight and her friends once used it to defeat Tirek the first time, but now that power has been passed down into each of you. And Izzy has found hers."

Twilight Sparkle: She's right on that. And it was really amazing.

Izzy Moonbow: [giggles] Not too shabby, huh? Check it out! There's something for everypony. A new, bigger smoothie shop for you, Sunny. You finally got the space to expand your menu.

Sunny Starscout: Oh, I love it, Izzy! Thank you!

Me: Wow!

Twilight Sparkle: Wow Izzy! That is perfect for Sunny!

Izzy Moonbow: Somewhere for Hitchy-poo and Sparky to have fun together.

Pinkie Pie: WOOHOO! That is gonna be so fun for them!

Fluttershy: Wow! That is perfect for them too.

Hitch Trailblazer: Gonna need some new rules for all these rides, Iz!

Sparky Sparkeroni: [blows raspberry]

Hitch Trailblazer: Okay, Sparkeroni. Fun first, rules later.

Sparky Sparkeroni: [giggling]

Applejack: (LAUGHS) Yeah that is gonna be fun.

Izzy Moonbow: A daredevil-y rollercoaster for our wild child Zipp!

Zipp Storm: [whooping] I loooooove it, Iz!

Rainbow Dash: This is awesome!

Izzy Moonbow: A place where Pipp can use all those gems and razzle-bedazzle some cutie marks.

Pipp Petals: [squeals] Look at this! And this! Oh, oh, oh! This is gorge! Ahhhh! It's perfect, Izzy!

Rarity: Oh it's absolutey perfect for you darling!

Izzy Moonbow: And a ponycorn pop-up for the queen of the kernel.

Misty: Mmmm! Pickled popcorn! Mm-mm! And cupcake! Thanks, Izzy! This is the best shop ever!

Sunset Shimmer: Boy that is amazing!

Starlight Glimmer: Yeah this is all so cool!

Izzy Moonbow: And I've even made myself a cute little seaside shop where I can sell all of my one-of-a-kind creations.

Pinkie Pie: That's amazing Izzy!

Me: It's all perfect for all of you!

Twilight Sparkle: I was gonna say! That is awesome.

Pipp Petals: Um, speaking of creations, I guess all this means that you found a cure for your blockywockys?

Izzy Moonbow: Nah, I don't think I believe in the blockywockys anymore.

Rest of Mane 6: [sounds of confusion]

Me: Huh?

Sparky Sparkeroni: [blows raspberry]

Izzy Moonbow: Well, firstly, nopony else had even heard of them. They thought I was bananas. And B, I think I just needed to relax and do some stuff that I really love, like meet fun ponies and have new experiences. Once I stopped worrying so much about my creative-y juices, a new project came along to inspire me.

Me: That is true. You were so worked up in most of the things you liked doing that you haven't been giving your mind some time to cool down.

Nico: Yeah.

Hitch Trailblazer: Uh, clearly. Guess you didn't need to go on a creative-y quest after all. [chuckles]

Izzy Moonbow: Oh, no, no, no. I definitely still needed to go. I had a date with Destiny!

Misty: Wow. A date with destiny? [laughs] That sounds a little scary.

Izzy Moonbow: No, silly. Destiny is a seapony.

Me: It's true. She's the first Seapony we met in Sunny's time.

Xenia: Yep.

Sunny Starscout: That is amazing!

Izzy Moonbow: Yep. And she showed me how to make these! I got one for everypony!

She gave us all awesome hair extensions and they merged with most of us.

Zipp Storm: [gasps]

Sunny Starscout: [gasps]

Hitch Trailblazer: Wow!

Pipp Petals: Wow!

Me: You all look awesome!

[camera clicks]

Mane 6 sans Izzy: [sounds of awe]

Pipp Petals: Um, Izzy? I'm going to need a lot of these. And I mean a loooot! Like, how many can you make in a day? I mean it. How many?

Izzy Moonbow: Just be cool, Pipp.

Pipp Petals: Okay, okay, okay. But these are defo the next big thing!

Zipp Storm: Um, actually, I think this is the next big thing. It's the coolest thing I've ever seen.

Me: I was gonna say. This whole fairground used to be run down and abandoned. Now it's awesome.

Izzy Moonbow: Aww, thanks, Zipperoonie!

Misty: So... what should we call it?

Izzy Moonbow: How about the "Fun Fair Rides and Food and Games and Sunshine and Happiness Place"?!

Pipp Petals: Oh, it's catchy. But I think we need something a tad bit easier to remember.

Me: I agree.

Sunny Starscout: How about... the "Boardtrot"?

Rest of Mane 6: [gasp]

Izzy Moonbow: The Boardtrot! That's good! I love it!

Me: Ooh! That's perfect!

Nico: Like the Jersey Boardwalk! I like it!

Eli: Yeah!

Me: WHOA! And look guys!

We saw that we were back home!

Nico: We're home!? How!?

Me: I think when that surge of magic happened it merged Sunny's Time with ours. (GASP) Nico do you know what this means?! It means we can undo EVERYTHING Opaline ruined and bring it all back! In OUR Time!

Nico: That's awesome!

Lincoln: We'll call it Operation Fix All The Damage That Opaline Has Caused To Ruin Everything Twilight Sparkle Worked So Hard For And Destroy The Magic Of Friendship

To Get It All For Herself and Thing of A Shorter Name For This Operation.

Ace Ukiyo: That is a mouthful.

Me: How about Operation Magic Of Friendship Reconstruction.

Lincoln: That's perfect!

Me: YEAH!

Ace: What did you mean by laced with poison?

Me: Chowder misread a label as he was making them to raise money and he accidentally put rat poison in it.

Chowder: Yeah I mistook it for spice.

Qin: Oops. Thank goodness no one got killed.

Ace: Aren't you guys immune to poison now?

Nico: But most other people aren't!

Me: WE are immune to poison but not EVERYONE in the world.

Camie: Yeah.

Qin: Yep.

Eddy: Why are we here again?

Me: We were here to help Izzy get her creativity spark back and she did. See?

Nico: We made the Boardtrot which is really awesome.

Camie: Yeah!

Varie: Boy it sure is!

Me: Yeah!

Eddy: But Lincoln still needs to do the premonition.

Me: We know. And I have a feeling that a Dark Gale gene-slammer is coming.

Lincoln: Okay, gang, we're in for one awesome battle: we're here in Maretime Bay, but here's the awesome part: we're here to take down Allura and recruit her to The M.O.E. Now, I know she's in my harem, however I know how strong she is, so we better give it everything we got and take her down.

Sunny Starscout: That's right, I remember that.

Me: Same here.

Nico: Me too, and you're right, Lincoln, we'll give it everything we got to take her down.

Suddenly, Lincoln had a premonition.

Eli: Lincoln, what is it, is it one of Morgana's minions?

Lincoln: No, not this time. Eli, are you familiar with one of Cloud's old allies, Vincent Valentine?

Eli: (Gasps) Yes, I am. Wait a minute, he's coming here?!

Lincoln: Looks like it.

Eli: Looks like we'll be running into more of Cloud's allies from long ago, whatever it is, it must be big.

Me: It must be. We should get the others, along with Dr. Lucrecia Crescent.

Nico: That's right, I remember we freed her from that crystal she was in.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could.

Lori: This is literally going to be a bit of a challenge: not only is Allura a strong opponent, but she is, in fact, one of Lincoln's future wives.

Lincoln: Like I said, Lori, we have to give it everything we got with her.

Me: Yep.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more larger in muscle thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them until we finally kill them. (Sensed for Allura) Looks I spotted Allura, she's 20 yards away. (Sensed Vincent Valentine) And I just spotted Vincent, looks like he's heading there right now.

Eli: Let's get going and fast. I also spotted something else with The Force: it looks like some remaining Shinra troops have been sighted.

Nico: Ah shit, let's get moving.

Kari heard a Pokemon cry

Kari: Hey look!

We saw a Regifae.

Me: A Regifae! Wow!

Qin: Cool!

Rhea McArthur: (Australian Accent) Bonza mate! You and I are gonna get along great.

Regifae: Yeah! It's amazing how you guys did this.

Me: Yeah.

Kari: Gatomon has a new friend. Are you hungry?

Gatomon: If Nico can have both Pokemon and Digimon as mascots Kari can too.

Me: Yep.

We gave Regifae apples.

Kari: Wanna tag along?

Regifae: I would be honored.

Me: Awesome.

Then a familiar roar was heard.

Camie: Whoa look!

We saw ENTEI!

Me: Whoa! Entei!

Nico: What's that doing here?

Eli: I sense that this Entei is someone Lola and Molly Hale know.

Lola: Really?

Lola used her telepathy and saw that it was someone they know!

Lola: (GASP) Serena Hale!

Molly Hale: MY SISTER!?

Me: Oh man!

Lola: We'll handle this!

They went to face her.

Lola: Serena!

Molly Hale: Sis! Easy! Can you hear me?

She roared!

Nico: Might want to get YOUR Entei here!

Molly Hale: Agreed!

She used the power bestowed upon her by the Unown and called her Entei!

Entei: So this girl is your sister Molly?

Molly Hale: That's right. We got to save her!

Entei: As you wish.

He fired a blast of fire and Lola fired a wave of fire and blasted her.

Me: That did it! Now my turn!

I snapped my fingers and she reverted back and was a girl with red hair, purple eyes and had Entei in the middle of her forehead.

Lola and Molly wrapped her in a blanket and brought her over.

Me: Whoa she has to be the youngest member of your team Sonya.

Sonya: Yes she is.

She woke up.

Serena Hale: (Groans) Huh? Molly? Molly is that you?

Molly Hale: Yeah sis it's me.

Serena Hale: What happened?

Molly Hale: I've had a growth spurt. Long story.

Serena Hale: Lola? Wow! You look amazing too.

Lola: I too had a growth spurt as well.

Entei: You were turned into one of my kind because of Dark Gale.

Serena Hale: (GASP) I remember!

She was 15 and was in a red body suit and had been injected and was turned into an Entei and she busted out.

FLASHBACK ENDS

Serena Hale: That was awful!

Me: I know. But we're going to destroy Dark Gale soon.

Qin: Yeah.

Serena Hale: How did Molly become like this? She was 5 from the last time I remember?

Me: It's the power of the Unown. They aren't just Pokemon. They have the power to telekinetically warp reality. Their power is that incredible. It's omnipotent.

Nico: It's true.

Serena Hale: Wow! Dad was doing research on them and I didn't know their power was that strong.

Me: Yeah no kidding.

Nico: What's your Role in Sonya's team?

Serena Hale: I'm the Volcano Mage of the team. I use lava and magma to bridge islands as well as burn enemies.

Camie: Wow! That is amazing!

Serena Hale: It sure is. Outside the team I help my father doing research on the power of the mysterious Unown.

Me: Wow!

Nico: Incredible.

Me: Yeah. You should have seen what the Unown were capable of. They turned your house into a castle that looked like it was from an alien planet.

Molly Hale: Yeah and transformed me into an 18 year old girl. Biologically I'm only 8. But I'm 18 now.

Serena Hale: Wow that is amazing.

Me: It was.

Nico: How did you meet Lola?

Serena Hale: I met her 8 years ago. We tied in the Little Ms. Galaxy Pagaent.

Nico: Wow!

Serena held up her blanket.

Rarity: Oh lets get you some clothes on darling.

The Fashion brigade gave her an amazing fire red and orange wardrobe and she had a fire sword.

Serena Hale: Wow I look awesome.

Me: You sure do.

Nico: You okay now?

Serena Hale: I sure am.

Me: Good.

We heard a Leopard roar.

Nico: That's Allura!

We then took off into the air and we set out to take down Allura, along with meeting Vincent Valentine.

We were flying in the air, and we spotted our target: Allura, and we also saw her getting attacked by the remaining Shinra troops.

Lincoln: You bastards get away from my future wife!

Lincoln fired many orbs of colored energy with elemental forces and mythical creatures representing the elements of Fire, Water, Earth, Wind, Lightning, Sun, Moon, Ice, Lava, Steam, Poison, Explosions, Light, Darkness, Time, Magic, Gears, Nature, Skulls, Metal, and more from his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings at the remaining Shinra troops, and Allura got away as we landed, and that angered the Shinra troops.

Allura: Lincoln, oh thank goodness you and the others arrived.

Lincoln: I'm not letting one of my future wives get shot by those jerks.

Shinra Troop: You will all pay for what you did to President Shinra and the others.

Suddenly, they got shot all over the place.

Me: Whoa!

Nico: Caleb, was that...?

Caleb Maxwell: Wasn't me.

?: Sorry about that.

We then saw who it was that shot the Shinra troops: Vincent Valentine.

Eli: Vincent?

Vincent Valentine: It's been a while, Eli, and it's a pleasure to meet the rest of Team Loud Phoenix Storm.

Nico: You too, Vincent. Oh, and we have an old friend of yours.

Lucrecia Crescent came up.

Lucrecia Crescent: Vincent.

Vincent Valentine: Lucrecia? But, how?

Lincoln explained everything as to how we found her and freed her from the crystal she was in.

Vincent Valentine: I see. I must thank you all for what you did freeing Lucrecia, but there is also some urgent business I need to discuss with you all, after you take care of your fight with Allura.

Lincoln, Caleb Maxwell, Cage Blunt, Travis Tackett, and James Blunt went after Allura, and we fired extremely powerful blasts of rainbow energy, black and blood red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Allura and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving scars on them and Caleb Maxwell, Allie Maxwell, Cage Blunt, James Blunt, and Travis Tackett shot them multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cage Blunt, Travis Tackett, James Blunt, Allie Maxwell and Caleb Maxwell did the same by firing black and blood red energy slashes from their gold plated claws, and Lincoln, Caleb Maxwell, Allie Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts.

Then, Lincoln and Allura faced each other, each of them dealing blow after blow of punches and roundhouse kicks, and each of them blocked. Then, Lincoln saw an opening and sweep kicked her which knocked her off balance and he pinned her to the ground by grabbing her wrists.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Looks like I won once again.

Allura: Y-yes, it...does.

Allura was blushing, and then, Lincoln let go of her wrists and she hugged his neck and they kissed. Then, he helped her up and she was beamed to The Masters of Evil, everyone cheered as we holstered our weapons and powered down.

Lincoln: Now, we have a new member in The Masters of Evil.

Nico: Right. So, Vincent, what is it you wanted to tell us?

Vincent Valentine: We'd gotten news from Reeve that Sephiroth has returned, and no doubt it was Anti-Monitor that did the deed.

WE GASPED!

Eli: That bastard, I knew he would return!

Me: We also have our history with that genocidal monster, and we're not going to stop until we end him for good.

Lincoln: Eli also made a vow to also kill Sephiroth for what he did killing Aerith in the world Eli was in before he came here.

Vincent Valentine: Exactly.

Lucrecia Crescent: Sephiroth may have been my son, but I can't forgive him for what he's done, along with Hojo.

Lincoln: I'll get in contact with Reeve at once, and tell him to be on the alert for Hojo, along with Hollander, Scarlet, Heidegger, and President Shinra and his son, Rufus Shinra.

Nicole: How do you know about...?

Lincoln: I guess the truth's come out.

Lincoln got out his wallet, and inside was also a WRO identification card with his picture on it.

Eli: (GASPS) No way, you're also...?

Vincent Valentine: That's right. Lincoln joined The World Regenesis Organization a few years ago, and he helped with taking down The Tsviets, an elite group of soldiers that lead the army known as Deepground.

Eli: The shadow of The Shinra Company. Their goal was to awaken Omega and bring the planet to its end.

Lincoln: We destroyed all of them and Vincent stopped Omega when he reigned in Chaos and returned the planet to normal, and Dana banished their souls to The Black Gates. However, due to Anti-Monitor, there's no doubt we'll be going after them once more, along with Sephiroth.

Vincent Valentine: Which is why we need to gather all the help we can get.

Nico: Right. Lincoln, we'll leave this to you and your Guardian Angels, since you guys have contact with The WRO and you know everyone there.

Lincoln: Leave it to me.

Nico: Allura is officially in the M.O.E.

Me: Yep.

Qin: And one of Lincoln's wives too. So that makes her part of the redemption squad as well.

Xenia: Yeah.

Nico: Yep. Nice job Regifae!

Regifae: Thanks Nico! That was fun.

Poromon: Want some beer?

Regifae: Oh no thanks. I don't drink. But do you guys have any honey?

Me: That we can do.

I spun my magisword bracelet.

BEEHIVE MAGISWORD!

Me: Here you go.

I gave her some awesome honey.

Regifae: (SLURPS) Yummy! I only eat honey.

Me: Honey is good. Here Pooh.

I gave him some honey too.

Pooh: Thank you J.D.

Poliwag: (Does Puppy eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Poromon: What about you, Entei? Would you like some beer?

Entei: No thank you Poromon.

Poliwag: Aw (Puppy eyes) Pwetty pwease?

Nico: Poliwag.

Entei: The puppy eyes don't work on me pipsqueak.

Kari: (to Regifae) You get to make sure Gatomon doesn't go crazy with eating innocent fish.

Regifae: Oh is she trying to eat some of the mascots?

Kari: Yep. Specifically Mevya and Goldeen.

Regifae: You can count on me to protect them.

Kari: Thank you!

Gatomon: Oh boy.

Regifae was watching Gatomon like a hawk

Gatomon: But I can't help myself!

Me: You may be a cat Gatomon but you got to learn how to control yourself.

Schnitzel: Radda Radda Radda. (That is right Gatomon)

Gatomon: Although you don't have to worry about me eating Mevya...

Me: Why are you still going after Goldeen?

Nico: Hey, she's a cat. She can't help herself.

Me: Tell me something I DON'T know.

Qin: Yeah.

Nico: Like how J.D. has a love for throwing Chum into...

POW!

I punched Nico in the face.

Nico: OW! Nevermind.

Ace: So, J.D., has Chowder messed up on any recipes? (to Chowder) No offense.

Chowder: None taken.

Me: No he hasn't. I've been showing him how to be awesome at being a chef.

Chowder: Yeah and J.D. has been teaching me new recipes.

Nico: Cool!

Mung: Though there was this one time the Cinnamini Monster was holding us captive

Me: But you got to admit, that spice is potent stuff.

Hinata: But it makes cinnamon buns really delicious.

Me: (LAUGHS) Yeah it sure does.

Laney: I think the Cinnamini monster is perfect for the M.O.E.

Sunny Starscout: I think that's a perfect idea.

Qin: I agree.

Eddy: How did you guys get away from him anyway?

Mung: We ran and found a water puddle and jumped into it and got big.

Nico: It washed you off and got you back to normal size.

Camie: Nice.

Mung: Yep.

Chowder: There's also Thrice Cream!

Me: (LAUGHS) We know how much you love Thrice Cream.

Nico: Yeah. Mung I heard that Truffles hates a club called the Big Hat Biddies.

Mung: You heard right and they INSULTED MY COOKING! They called it inedible!

Chowder: YEAH Those jerks!

Qin: Man they are uncultured philistines!

Squidward: That's usually something that I would say Qin.

Lori: Pop Pop is literally not like them!

Me: Yeah! Mr. Albert has more taste than those old bats do.

Qin: Yeah!

I looked at my watch.

Me: WHOA! This rescue was on all day! We should wrap this up and hit the hay for tomorrow

Nico: Good idea.

Eddy: Wait. This was the whole day?

Me: Yeah we were gone the whole day. We lost track of time because of helping Izzy out.

Nico: Boy no kidding. What time is it?

Me: 9:15 PM.

Nico: Geez! We need to get home and get ready for bed.

Me: After the Anothers.

Nico: Oh right.

Vivian Vulkana: I agree there.

Me: Yeah we were amazed ourselves too.

Qin: Yeah.

Me: By the way girls are the Another Boomer and Penny friendly or hostile?

Mira Mythra: Friendly. But the Another Penny will be a shock.

Me: Oh boy.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

Me: Action time!

We fired waves of energy and blasted them and I caught the Wonder Ride Books.

Me: YEAH!

Nico: And now, we wait.

Me: Yep.

But then...

SQUISH! SLIP!

Me: WHOA!

I slipped and crashed onto the ground!

CRASH!

Me: OUCH! What in the name of!?

I stepped on a banana peel!

Me: A banana peel?

Qin: Where did that come from?

Me: I don't know.

Nico: Okay who is the wiseass that left that there!?

Luan: It wasn't me but it's very Ap-Pealing! (LAUGHS) GET IT? But seriously, I didn't leave that there.

WE LAUGHED!

Me: (LAUGHS) That was a good one Luan. But if it wasn't you then who?

Nico: DK?

Donkey Kong: Not me either.

I got up.

Me: Ouch. Man that gag is old.

Qin: Might be the next gene-slammer.

Me: Maybe.

Nico: Yeah.

Me: Someone needs to keep this place clean though.

Hitch Trailblazer: I agree.

Lana put the peel in the garbage.

Nico: Maybe it's a monkey one

Me: Well you did say you wanted to meet a MetalEtemon gene-slammer yesterday.

Nico: You're right.

Me: Oh look sharp!

We saw ANOTHER BOOMER KUWANGER AND PENNY!

Me: Whoa!

Nico: This will be good.

Another Boomer: (In a girls voice) That must've hurt.

She reverted back and it was the gene-slammer of Ignatius!

Nico: Irma Ignite!

Me: Whoa! The gene-slammer of Ignatius!

Irma Ignite: That's right. Awesome to see you Nico.

Nico: Same here. Irma is an amazing Volcanologist and knows all about volcanoes. Also she is very fast with speed and stealth.

Boomer Kuwanger: That is awesome. Just like me.

Me: Yep. And who is the Another Penny?

Another Penny reverted back and it was a girl that looked like Penny when we first found her.

Lexi: Hey there Penny. Awesome to see you sis. My name is Lexi and I'm your sister.

Penny: I didn't know I had a sister.

Lexi: Here this will help.

She gave a DNA Test to her.

Penny: (GASP) This is legit! Lexi you are my sister!

She went and hugged her.

Nico: DNA Test?

I picked it up and read it.

Me: Yep this is all accurate. Lexi is Penny's little sister. A 99.9% Match.

Nico: Were you seperated from her?

Penny: I don't remember.

Lexi: I was a baby when I was found and my adoptive parents found me in a box.

Me: Oh man.

Ace Ukiyo: Why doesn't Penny remember her birth parents?

Me: She was an orphan. Her biological mother and father were murdered by Medusa and her partner Snoops. It was all a plot to find the largest diamond in the world, The Devil's Eye.

Ace Ukiyo: That diamond must be worth a fortune!

Lincoln: It is. It's priceless.

Ace Ukiyo: WOW!

Neon: Where is that diamond at now?

Me: It's in the Smithsonian Institute in Washington D.C.

Neon: Wow! It's worth more than the Hope Diamond?

Me: It's priceless. We found it in a pirate cave in the middle of the Louisiana Bayou.

Linka: It's true.

Neon: Wow!

Kaito: (gets out Ryusoulger gear) Did Swartz promise you anything?

Zocks: (Gets out Kiramager gear) Because we can grant it instead.

Kaito got a Dino Fury Sword and Zocks got a Kiramai sword.

Lexi: Just this.

She showed me a locket and in it was a picture of her, Penny and a woman with red brown hair and blue eyes and a man with brown hair and green eyes.

Me: These 2 must be your biological parents.

Lexi: That's them.

Me: Maybe I can find out more by looking them up in family trees and history.

Nico: Good idea.

Irma Ignite: Yeah. We got out of there before he said anything. We vanished in a swirl of fire.

Me: Wow!

Sougo (gets out Dino Fury Ridewatch): Snoops is just the lackey

Geiz (Gets out Kiramager Ridewatch): It's Medusa who did the killing.

Sougo got DinoFuryRedArmor while Geiz got KiramaiRedArmor.

Me: I'm sorry about what happened to your real parents. But I promise that Medusa will pay for it and Snoops will be going to prison.

Penny: It's a long story Lexi. We have so much to catch up on though sis.

Lexi: I know.

Lincoln: Lets separate you girls first.

We did so.

Me: Now for the fun.

Nico: (gets out Boomer Kuwanger's Ridewatch) Time to get speedy!

May: (Gets out Orcwort's ridewatch) Feel the nature!

Maria: (Gets out Elder Tempest's Ridewatch) Time for the storm to strike!

Nico: Nice team Sunstroke!

Sunstroke: Thanks Nico.

Nicole: Nhagruul the Foul! So we finally meet. You know if you hadn't been turned into the Book of Vile Darkness we wouldn't have found an amazing tool to imprison bad guys.

Universe 666 Nhagruul: So I see Nicole. I'm impressed you were able to defeat me in the prime universe

Nico: That was the first prison we use to trap spirits.

Universe 666 Nhagruul: Indeed.

Me: Yep.

?: That is for sure mon!

Then out came Amoureauxmon and MetalEtemon!

Me: Amoureauxmon and MetalEtemon!

Nico: Yeah!

MetalEtemon: (In a girls voice) (Jamaican Accent) It's gonna be awesome mon.

Nico: Marie Bellafonte! Wow!

She reverted back and was a girl with black hair, green eyes, green clothes and green angel wings, a new crest in the middle of her forehead and she had MetalEtemon on her skirt and shirt and had the Jamaica Coat of arms on her arm and had a Banana Peel Magisword and she had a yellow Digivice.

Marie Bellafonte: Good to see you Nico mon. We got this! (Echoing) BANANA SLIP!

She fired banana peels and Amoureauxmon fired energy blasts and the blasts all hit the Anothers and they smashed onto the ground and I caught the ridewatches and purified them.

Me: YEAH!

Nico: You left those banana peels?!

Marie Bellafonte: Sorry about that mon. Being on a banana farm means you have to leave them everywhere.

Me: You're right on that. Also you have Jamaica's coat of arms on your arm. So you one of Jamaica's Digidestined.

Marie Bellafonte: That's right mon.

Me: Jamaica is beautiful.

Panini: Do you have a favorite memory of Nico?

Marie Bellafonte: I sure do mon. When me and Nico met and a bunch of Knightmon were running around in Kingston.

Me: So Jamaica was having problems with Digimon too.

Nico: Yep.

Eli: Boy no place on the planet was safe.

Me: Yeah.

Nico: Yep.

Nico and Marie hugged.

Nico: I've missed you Marie.

Marie Bellafonte: Me too mon.

We went back home and went to sleep.

Penny woke up to see Palkia staring at her

Palkia: Morning Penny.

Penny: Morning Palkia.

Palkia: Time for breakfast.

Penny: Oh boy!

She went and got dressed and then went to the table and we had waffles and eggs.

Lincoln: Looks like we're here in New York, specifically the east Bronx.

Nico: Why are we here?

Caleb Maxwell: This is why.

Caleb Maxwell pointed to The Hallow Shade Bar.

Me: The Hallow Shade Bar?

Caleb Maxwell: Yes. Last night, I came here by following the ghost of the bar's worker, Mabel Jensen, and as soon as I stepped foot into the bar, the memories of that night came back to me even more, but not with pain that led to my transformation, but regret.

Guts Man: What? But, it wasn't your fault.

Caleb Maxwell: I know, but why does it feel like...?

Cage Blunt: It's still not your fault, and it never was. Yes, it's true Travis and I blame ourselves for that night, but it wasn't your fault, Caleb.

?: He's right.

We then saw the ghost appear: it was Mabel Jensen, the bar's worker along with the patrons of all those who died in the massacre.

Mabel Jensen: It's true you both were drunk on Demon Blood as it impaired your judgement, but you repented for that night, and Caleb, what happened that night wasn't your fault, it was the nightmares that haunted you since that night.

Travis Tackett: That's right. So, not only is Lincoln going to rescue the fifteen girls here, but we're going to resurrect everyone who died here. Okay, Lincoln, do it.

Lincoln: On it. (SNAPS FINGERS)

Lincoln snapped his fingers, and then, we saw a mass of heavenly lights shining down, and we saw everyone who died on the night of The Hallow Shade Massacre resurrected.

Mabel Jensen: We're..., we're alive again.

Caleb Maxwell sensed a dark presence.

Caleb Maxwell: Hang on, we're not out yet.

Lincoln: He's right, now comes the next part of my rescue: we're also here to destroy Lord Jaraxxus, one of the enemies from World of Warcraft and an extremely powerful Eredar Lord of the Burning Legion.

Lola: Oh boy. This is gonna get messy.

Suddenly, we saw a girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long ocean blue hair with light blue streaks, blue eyes, blue purple angel wings, blue clothes, long white sleeveless trenchcoat with stars, water, ocean waves, sea creatures, phoenixes, and angels on the coattails, and on the back is Marincess Coral Anemone, she has a water greatsword in hand and with her are the fifteen girls.

Lincoln: (GASPS) Brooke Westbrook, Gene-Slammer and Avatar of Marincess Coral Anemone.

Brooke Westbrook: That's right, and I got the girls away from Lord Jaraxxus.

Mabel Jensen: We'll look after the girls here, go.

Lincoln: Let's go, gang.

We headed out, and we saw our target: Lord Jaraxxus, and he was heading for us.

Jaraxxus: You face Jaraxxus! Eredar Lord of the Burning Legion!

Then, Lincoln stabbed his left hand's gold-plate armored dragon claws into Lord Jaraxxus' chest.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal

Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, to drain you of your life force and powers.

Then, Lincoln began sucking out and absorbing Lord Jaraxxus' Extreme superhuman strength, Extreme superhuman durability, skills as a Master combatant, Master of various magics, and Demon physiology, along with Lord Jaraxxus' life force and it went into him as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, as soon as Lincoln was done, Lord Jaraxxus was a desiccated withered corpse drained of his life force and powers, and Lincoln tossed his corpse into the air and we blasted him and destroyed him and he was sent to The Black Abyss forever. We cheered as we holstered our weapons and powered down as we headed back inside The Hallow Shade Bar.

Lincoln: And that's that for Lord Jaraxxus. (To Brooke Westbrook) And it's so good to see you again, Brooke.

Brooke Westbrook: You too, Lincoln, it's been seven years since we last met.

Suddenly, Brooke Westbrook had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Brooke Westbrook was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Brooke Westbrook: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Brooke Westbrook and hugged her, and Brooke Westbrook is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit

Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Brooke Westbrook: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Brooke Westbrook, Gene-Slammer and Avatar of Marincess Coral Anemone, she's Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Coral Anemone. She's the fourth eldest sister of The Westbrook Sisters, and she's the warrior of The Marincess Water Princesses. Lincoln met Brooke Westbrook when she and the rest of us came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Brooke kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Brooke hates Luan with a blazing passion, because that toxic insane psychopathic clown polluted Lake Michigan by dumping a dumptruck full of baking soda into the lake, and she was laughing cruelly like the lunatic she was, and enraged because of her behavior, Lincoln and Brooke blasted her with water and they even electrocuted her, and Luan got so mad, she called Brooke a fish-faced bitch and Luan said that she hopes that Brooke dies in a pool of her own blood and she'll dance on her remains and skin her alive. The audacity and utter malice of her threat made Lincoln see red, and he blasted Lola hard with a massive blast of water, he sent her flying back to the house, and when everyone heard Lola's threat along with seeing what she did, Lisa got grounded for five months, and Luna, Laney, Leni, Lucy, Lana, and Lily dragged Luan to her room and tied her up in a straitjacket and threw her inside a cage like the animal that she was, and they turned to leave, but not before Luna gave her the finger, and that sent Luan into a total psychotic tailspin of rage as she banged on the bars of the cage and screeched like a chimpanzee!

Nico: You have no idea of how pissed off we were yesterday when Selene told us of what Luan did.

Me: That incident is something Varie and I still remembered all too well.

Lincoln: Varie almost got that close to tearing Luan a new one, and you almost tore Luan apart from what I remember, J.D., and now that you're here, Brooke.

Lincoln with his massive muscular arms still wrapped around Brooke Westbrook leaned his head down the right side of Brooke Westbrook's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Brooke Westbrook: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Brooke Westbrook with blue gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Brooke Westbrook: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Brooke Westbrook.

Brooke Westbrook had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Brooke Westbrook's waist, and he leaned down to her face and kissed her on the lips, and with Brooke Westbrook's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Avonlea Westbrook had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Brooke Westbrook: (In Heaven) My God. Oh, Lincoln, the fifteen girls are...!

Me: Time to go.

The rest of us left for home, and Lincoln, Nicole, and his harem approached the fifteen girls, and when Lincoln saw them, his nose gushed out blood as soon as he saw them. Nicole: So, those are the girls Brooke rescued and why Dad and the others left, Lincoln, these girls are voluptuous babes.

Lincoln: And easy targets for perverts, if they get near them, I'll tear them apart. Are you girls okay?

Ageha Kaede: Yes, we're okay thanks to you.

Ageha Kaede: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made fourteen clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Ageha Kaede: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, fifteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ageha Kaede, Akira Amamiya, Aya Mizuno, Hana Sumino, Mai Himuro, Mako Inosaki, Mashiro Inami, Mikoto Washinomiya, Mioko Kagurazaka, Miyako Nekota, Miyu Kohinata, Natsu Aota, Sakura Kujou, Sango Konohana, and Sayaka Doi with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks. Lincoln, Nicole, and his harem returned home, and everyone was shocked to find out that the villain we went after was Lord Jaraxxus.

But, when Lincoln showed what happened such as Lincoln resurrecting everyone who died in The Hallow Shade Massacre minus Caleb who came back eight years later, and us trashing Lord Jaraxxus into the dirt and Lincoln sucking out and absorbing Lord Jaraxxus' Extreme superhuman strength, Extreme superhuman durability, skills as a Master combatant, Master of various magics, and Demon physiology, along with Lord Jaraxxus' life force, and throwing the demon's corpse into the air where we destroyed him and sent him to The Black Abyss forever, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Brooke Westbrook have a lot of catching up to do, now that she's back in town.

Maria: We heard the whole thing from J.D. and the others as soon as they came back.

Lincoln: I knew that was going to happen.

Nico: Plus, we had no idea of how haunted Caleb was when he came back to the very place he also died in himself.

Me: He couldn't ignore it, Caleb went there to investigate the blood, and as soon as he stepped inside.

Mabel Jensen: It was something out of a vampire horror movie. I knew of Caleb's encounters with Cage and Travis and how he always ran from them every night, along with him losing sleep due to the nightmares.

James Blunt: However, you found out the truth about why they were like that.

Mabel Jensen: And it was right around the time I died that I found out the truth.

Caleb Maxwell: A truth exposed at the point of transitioning to death, that alone scared me. (To Sebastian Mendez) And just to let you know, we found your former minions and dragged them to the council who had them drained of all their blood and sent to The Black Abyss, and they were just as evil as you were.

Qin: How did you...?

Cage Blunt: Caleb had help from some contacts in the city, and he found them in an crummy apartment in the North

Bronx.

Sebastian Mendez: (GROWLS) Those idiots!

Suddenly, the place turned dark as organ music plays in the background and Sebastian rises off the ground with a malicious grin on his face and his teeth turned into sharp fangs, and, he opens his mouth, and then...!

Sebastian Mendez: (ROARS LIKE A DEMON AND SNAKES COME OUT AND ROARED AND FIRED DARK FIRE LIKE CRAZY)

Jack Howard: What the actual Hell?!

Sebastian descended as the snakes went back into his mouth.

James Blunt: You want me to give you a left hook to the jaw again?

Sebastian Mendez: (DEMONIC VOICE) You think I'm scared of you?!

Lincoln: (Smirks) Well, he's not scared of you, and we're not scared of you either.

LOUD CRUNCH!

LINCOLN CRACKED HIS KNUCKLES AND SEBASTIAN LET OUT A DEMONIC SHRIEK AND RAN INTO HIS ROOM AND BOARDED IT UP!

Poromon, Mascots, and Ed: WHAT A PEST!

Edd: That's disgusting.

Poromon, Mascots, and Ed: MAKE HIM STOP!

WE BUSTED OUT LAUGHING!

Nico: (LAUGHING HYSTERICALLY) That gag never gets old!

Me: (LAUGHING HYSTERICALLY) Nice one!

After Lincoln resurrected everyone who died at The Hallow Shade Bar, the scene of The Hallow Shade Massacre and the place where Caleb Maxwell was murdered by his brother eight years ago and all of us destroyed Lord Jaraxxus and sent him to The Black Abyss and this time forever, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Brooke Westbrook saw Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Brooke Westbrook: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and in his human form, he also got one awesome tan, and he's also doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Brooke, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Brooke Westbrook: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Brooke Westbrook: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Cage Blunt: We also have a video to show you guys, and this one is the confrontation Caleb had with The Big Claw Gang, along with Panther and Shroud, a few months after he came back from the dead, and they almost pissed their pants when he unleashed pure Hell on Earth on them as payback for the two times those two punched him in the stomach.

Cage Blunt put the video on the big screen as it played and it showed New York at night, and he and the others were going after The Big Claw Gang who're on the run.

Past Shroud: Hah, those cops are too slow to keep up with us.

Past Panther: I wouldn't get too cocky though, Chett, that guy, Blunt, is on a whole new level, we just need to keep this up and we'll be home free.

?: The only place you will be heading for is a grave six feet under the ground!

Panther and Shroud saw two blasts of darkness heading for them, and they dodged the blasts and they saw Caleb Maxwell descend to the ground.

Past Mad Cat Max: Hey, who the Hell are you?

Past Chester: There's no records of this guy in the NYPD or anywhere.

Past Caleb Maxwell: I think you know who I am, especially you, Thomas A.K.A. Panther, and Chett A.K.A. Shroud! Need I remind you of two fated encounters eight years ago on October 29th, the first time we met and October 30th: the night before The Hallow Shade Massacre?!

Past Panther: I don't know of any...! Wait, you're...? No way! But, you died! Drake shot you!

Past Caleb Maxwell: That's right, and now, I've returned from the dead. Plus, I still hadn't forgotten of the day I met all of you and that you and Chett punched me in the stomach, and on October 30th, that scuffle you and I got into, which ended with me getting sucker punched hard in the stomach?!

Past Panther: Still mad I beat your ass?

Past Caleb Maxwell: (ENRAGED DEMONIC VOICE) SHUT UP! IT'S BECAUSE OF THAT, I'D GOTTEN THAT CLOSE TO THINKING OF TAKING MY OWN LIFE! I THOUGHT I WOULD BE DOING EVERYONE A FAVOR, BUT I SAW I WAS WRONG! MY MIND WAS TRAPPED IN A PIT OF NEVERENDING DARKNESS AND HELL! SO, DON'T YOU DARE ACT ACT SO FUCKING SMUG TO ME!

Nico: Whoa! Now, things have taken a 180 degree turn into Horrorville!

Me: Oh Lord.

Roxy Drake: We also heard it as well, boy, Caleb was absolutely pissed off.

THEN, CALEB MAXWELL AND PANTHER GOT INTO THE NASTIEST FIST FIGHT EVER, BUT IT GOT REALLY BLOODY WHEN CALEB MAXWELL KICKED HIM IN THE STOMACH AND HE SLASHED AT HIS CHEST WITH HIS GOLD-PLATED ARMORED DRAGON CLAWS!

Past Caleb Maxwell: Well, what are you waiting for? Stand up, you're not going to let it end like this, are you?

Past Panther: Hell no, bastard!

THEN, PANTHER RAN AT CALEB MAXWELL AND JUST AS HE WAS ABOUT TO PUNCH HIM IN THE STOMACH AGAIN, CALEB MAXWELL TURNED INTO A DARK MIST AND FLEW UP IN THE AIR AND REAPPEARED!

Past Caleb Maxwell: You dare to use the very same dirty move on me like you did seven years ago?! I AM GOING TO KILL YOU!

CALEB MAXWELL ROARED LIKE A DEMON AND FLEW DOWN AT THE BIG CLAW GANG WHO SCATTERED AND THEN REGROUPED AND FLED AS CALEB MAXWELL ROARED LIKE A DEMON OUT OF HELL SCREAMING BLOOD VENGEANCE ON THEIR MISERABLE SOULS!

The video ended, and we were all horrifically stunned.

Nico: Holy...Damn!

Me: Oh man, that's gonna give me nightmares for weeks, and I'm gonna end up in therapy for life! And I thought Sebastian was a total nightmare whenever he resorted to roaring like a demon and scaring the heck out of us.

Lincoln: Speaking of, he's still boarded up in his room. Jeez, I didn't think me cracking my knuckles would drive him that screwy.

Qin: He better not be thinking of some devious scheme to get back at us.

Luna: We'd already had enough of that from Lori, Lynn, Lola, Lisa, and Luan for years.

Cage Blunt: We were really horrified after hearing that, and when we moved in to arrest him, he was already gone.

Jack Howard: And that was only a few months in after his resurrection when Blunt joined the force, but even before that, he'd been killing Syndicate thugs and it was kept out of our sight.

Captain Whitten: I would've thought he'd just go after The Syndicate, but after I found out of the two incidents where he first met The Big Claw Gang eight years ago two nights before the Hallow Shade Massacre, we soon found out it was only a matter of time before he went after them next.

Buffy Blain: But, by then, Drake Maxwell who'd been removed from power had gone insane and was causing havoc in the streets thus causing The Big Claw Gang to stay hidden until the psycho was gone.

Jazz Jackson: Eventually, Caleb's murderous spree of revenge against The Syndicate caused The Big Claw Gang to resume business, and we'd been after them even more, and if we ever ran into Caleb Maxwell, we had to stay clear.

Me: Oof. By going after The Syndicate only, he unintentionally helped The Big Claw Gang return to business.

Caleb Maxwell: That was something that was going to bug me for life.

Nico: But, they hated Drake Maxwell big time, so having his older brother driven by revenge go after him meant they'd return to business, and since they know Caleb had gotten his own powers and the same powers as us, they had no problem in getting that asshole of them.

We got a shower, and then, Lincoln, Simulator Twist, Simulator Cozy Glow, Simulator Toola Roola, Simulator Coconut Cream, Melody Keen, Chameleon (Kung Fu Panda 4), Kilavi Namaika A.K.A. Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Hawaii, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, sixteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Twist, Simulator Cozy Glow, Simulator Toola Roola, Simulator Coconut Cream, Melody Keen, Chameleon (Kung Fu Panda 4), Kilavi Namaika A.K.A. Sprying Vee, Bouncer, Xeno, Mama Jama, Magicorn, Cassidy Kindle/ Terorbyte, Croak, Crimson Lotos, Vendatte, and Haruki Mikazuki A.K.A. Lusttria on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Simulator Twist, Simulator Cozy Glow, Simulator Toola Roola, Simulator Coconut Cream, Melody Keen, Chameleon (Kung Fu Panda 4), Kilavi Namaika A.K.A. Sprying Vee, Bouncer, Xeno, Mama Jama, Magicorn, Cassidy Kindle/ Terorbyte, Croak, Crimson Lotos, Vendatte, and Haruki Mikazuki A.K.A. Lusttria are in your harem, Linky.

Simulator Twist, Simulator Cozy Glow, Simulator Toola Roola, Simulator Coconut Cream, Melody Keen, Chameleon (Kung Fu Panda 4), Kilavi Namaika A.K.A. Sprying Vee, Bouncer, Xeno, Mama Jama, Magicorn, Cassidy Kindle/ Terorbyte, Croak, Crimson Lotos, Vendatte, and Haruki Mikazuki A.K.A. Lusttria showed the marks Lincoln made on the right sides of their necks.

Jenna: You guys had no trouble at all.

Melody Keen: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy, and then, massive cartons of the extremely powerful

laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for the repeats of Super Mario Odyssey.

Nico: Now, which level should we repeat first?

Me: How about Ruined Kingdom for another round?

Nico: All right then.

Jake Long: Me and Dan will go on that one then.

Me: Okay and I'll go too.

Nico: Okay.

We went into the simulator and we were at Ruined Kingdom again.

Me: Wow!

Jake Long: Wow what a scary place.

Me: I know.

Dan: Who are we fighting here?

Nicole: Well it's someone that we just talked about last night. You'll see who it is at the tower you fought the Lightning Lord at.

Nico: Okay.

Me: Lets get it on.

We were off

Jake: Dragon up!

He went dragon!

We went and landed and saw the next baddie. Or BADDIES rather. It was THE BIG HAT BIDDIES!

Me: So you ladies are the Big Hat Biddies.

Ms. Butterscotch: (Posh Accent) Well yes we are and Ms. Waffles told you about us.

Me: Actually her name is Truffles and no we heard about you all from Laney Loud.

Dan: And Truffles has been… dealt with

Me: Yeah.

Ms. Butterscotch: Indeed and she and her stupid husband are terrible cooks.

Me: Oh yeah well you don't know what terrible food is.

Ms. Butterscotch: Oh we don't?

Drago: She's a terrible cook. Mung isn't.

Me: Yeah. Also no one calls Mung's food inedible. THIS IS INEDIBLE!

I threw a bucket full of chum and it splattered all over her face.

KRASPLAT!

Dan: I just thought of that

Me: Great minds think alike.

Ms. Butterscotch: OH YUCK! THAT IS DISGUSTING!

Me: Well what did you expect? It's chum. Also your hats are ugly.

They got enraged!

Jake: And you need to dress better,

THEY GOT MORE ENRAGED!

Jake fired a blast of fire and burned all their big hats.

Jake: I'm sorry. Were you wearing those?

Ms. Butterscotch: GET THEM!

They roared and went at us.

Then a blast of water went at them and blasted the Biddies down.

We saw the gene-slammer of Undine and she had an Undine from Monster Rancher with her and also the Embodiment of Vanishing Gungaroo.

Vania Gunga: (Australian Accent) Vania Gunga, Embodiment of Vanishing Gungaroo is here mates.

Jake Long: Awesome to see you Vania!

Dan: Yeah!

Vania Gunga: Been a long time mates!

Nico: And Yulia Undine! Awesome to see you and Undine again.

Yulia Undine: You too Nico.

Undine: It's awesome to see you.

Nico: (gets out Boomer Kuwanger and Vanishing Gungaroo's Ridewatches) I'll be quick about using the power of the Maverick You're the embodiment of.

Vania Gunga: Go get them mate!

Nico activated them and fired waves of energy at ightning fast speed and blasted the biddies.

I fired waves of rainbow energy.

Jake and Dan fired waves of fire and blasted them.

Dan: Bakugan Brawl!

He summoned DRAGO!

Dan: ABILITY ACTIVATE!

He fired fire blasts and blasted the Biddies!

We fired waves of fire and water and energy and blasted tbe Biddies all over and knocked them out.

Me: Never send a bunch of ugly uncultured biddies to bring us down. Great now Squidward is rubbing off on me.

We high five.

Nico: How did you meet Dan and Jake?

Vanya Gunga: I met Jake in New York as he was battling the Huntsman Clan and killed them.

Me: WHOA! So you killed Rose's clan. They had it coming.

Vanya Gunga: That's right. Also I met Dan when he was battling Naga and I helped him kill him.

Drago: I remember that.

Me: Cool! And Yulia do you have a favorite memory of Nico?

Yulia: I sure do. When me, Undine and Nico battled a bunch of members of the Organization and killed them all.

Undine: They had it coming.

Me: Good riddance.

Nico: Yep.

Nico and Yulia hugged.

Nico: I've missed you.

Yulia Undine: Same here.

Me: Would you like to join us?

Vanya Gunga: Sure mates.

We left and everyone cheered for us.

Lincoln, Nancy, the Ed's and the mascots were out fishing.

[It is a peaceful day on the water as the sun shines down on it. Suddenly, a doll plops down into the water, a rope tied around its neck. The Eds are relaxing in a boat, fishing in Ed's pond for who-knows-what.]

Lincoln: Why are we out here again?

Poromon: We're going fishing.

Lincoln: Oh right.

Eddy: "This is the life, huh guys? We catch us some fish, sell 'em to a fish buyer guy, he hands over a big wad of cash, and bingo. We're rich."

Ed: "Got any eights?"

Edd: [bored] "I hardly think we'll be catching anything in Ed's backyard pond, Eddy."

Poromon: Oh come on guys it's gonna be fun.

Poliwag: Yeah.

Nancy Sienkiewicz: (Polish Accent) As long as nothing happens

Poromon: It's gonna be fun.

[Something bites Ed's line.]

Ed: "Ooh. FISH! FISH!" [He heaves at the rod, trying to pull the fish in.]

Poromon: WE GOT A BITE!

Eddy: "It's mine! Reel it in, Ed!"

Ed: "It's a fighter, Eddy!"

Manaphy: LETS HELP HIM!

Edd: "Oh, please. No creature could survive in this pond."

Ed: "If it's not of this world, it's mine!"

WE CAME DOWN!

Me: What's going on!?

Linka: Did you guys catch something!?

Ed: YEAH!

Horsea: We sure did!

[Ed and Eddy continue to heave until it rises out of the water. At that point, Eddy steps back, scared.]

Edd and Eddy: "What is that?!"

[Ed has pulled out something that looks like a fish but is made entirely of various meats.]

Me: WHAT IS THAT!?

Camie: YEAH!

Ed: [dancing in the boat] "Oh goodie goodie! It's my freezer experiment! I wondered where Sarah hid it.

Me: Geez Ed what did you make that with?

Ed: "Who brought the tartar sauce?"

WE LAUGHED!

Nico: (LAUGHS) That is funny!

Ed: Well that's a keeper!

We brought it onto the table.

[Something Bites Poromon's Line]

Poromon: Wait. I think I caught something for real!

Me: WHOA!

Nico: Let me help!

Me: I think you hooked a whale!

We hauled out out and it was a HUGE BURIED TREASURE CHEST!

Poromon: BURIED TREASURE!

Manaphy: Say what now?!

Me: Buried treasure!

We got out and opened it and in it was a massive pile of gold, diamonds and jewels.

Nicole: (GASP) You guys found the Treasure of Lord Henderson! This was a treasure that was said to have been lost back over 200 years ago.

Nico: Wow!

Qin: Cool!

We brought it over to the table.

Nico: There.

Me: Boy what a haul!

Poliwag got a bite!

Poliwag: NOW I GOT ONE!

Fangry: What do you got, Poliwag?

Poliwag: I think I caught an actual fish!

Ed helped him.

Ed: IT'S A FIGHTER EDDY!

Eddy: REEL IT IN!

Then out of a huge splash came a HUGE SALMON!

Me: WHOA! WHAT A SALMON!

Camie: That is a whopper!

Tailgate: Look at the size of it!

Me: We're going to have salmon stew for dinner.

Lola: Yeah!

Poliwag: AWESOME! Someone get a picture of it!

Poliwag had his fish held high and we took a photo.

Nico: That is too funny! Ed's pond was a perfect fishing spot.

Diamond Tiara: (to Horsea and Manaphy) Sorry you two didn't catch anything

Manaphy: No...

They caught a bite!

Horsea: WHOA! We got a bite!

Manaphy: BIG ONE!

We helped them!

Me: HOLD ON GUYS!

Nico: (GROANS) MAN! THEY HOOKED SOMETHING!

Me: WHOA! THIS IS A BIG ONE!

Qin: HOLD ON GUYS!

Nico: MAN DID YOU GUYS HOOK THE LOCH NESS MONSTER!?

Then Varie and Maria helped!

Mung: It would have been funny if they hooked Endive.

Maria: WHAT IS IT?!

Me: HEEYAH!

We pulled it out and we flew back and then we saw a huge BANK VAULT!

CLANG!

We got up.

Me: WHOA! Is that a bank vault!?

Nico: What's that doing there?!

Me: I was about to say the exact same thing!

Nico: How in the world did THAT get into Ed's pond!?

Me: I hope this wasn't turned into a cosmic sinkhole.

Camie: Yeah.

Nico: Lets see what's in it.

I opened it and inside it WAS A KINGS RANSOM OF GOLD BARS, GOLD COINS, GOLD BRICKS AND JEWELS!

Me: WHOA!

Qin: WOW!

Sheila: (GASP) I don't believe it! Guys this was a stolen bank vault that was taken by Somalian pirates 2 weeks ago. They sunk a ship containing all that treasure and forgot this vault. The pirates were killed in an air raid from above.

Nico: WHOA!

May: Awesome job guys!

Horsea: Thanks!

Manaphy: Yeah!

Me: Let me take a look.

I dunked my head into the pond and saw that IT REALLY WAS a cosmic sinkhole!

Me: WHOA!

Nico: What do you see J.D.?

Me: It IS a Cosmic Sinkhole! I'm in the Amazon River.

Nico: Holy mackerel!

I came back.

Nico: So whoever dives into this pond goes to another part of the world.

Qin: How wild!

Mandy: We had problems with a Cosmic Sinkhole when Billy dove into his pool.

Me: Weird.

Nico: Doesn't explain the sinkhole.

Me: Grim how does a Cosmic sinkhole get made?

Grim: (Jamaican Accent) It happened when a beam of sunlight reflected off me scythe.

I looked at the sky and nothing was like that earlier.

Me: Hmm. Brittney was anything supernatural involved?

Brittney: Actually yeah there was. I found this.

She held up a bag of Solarian Fairy Dust.

Me: Solarian Fairy Dust? How did that get here?

Nico: Beats me.

Stella: Countess Cassandra must've done this.

Qin: It's possible!

Me: Well one thing is for sure we found all this stuff from a funny fishing excursion. The sinkhole must've opened to Ed's Old Backyard pond in Georgia.

Nico: And to a wreck in the Atlantic for the Treasure.

Laney: And maybe somewhere in the Canadian Rockies for the big Salmon.

Camie: And in the Indian Ocean for the big vault.

Horsea: Boy that was a crazy fishing trip.

Eddy: Yeah it sure was!

Qin: But it was fun.

Camie: It sure was.

LOUD FART!

ED RIPPED ONE!

Edd: ED!

Eddy: Geez, Lumpy!

Ed: Sorry.

Me: Lets head in.

We took the stuff and went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than our old enemy, Madame Medusa, and that greedy old witch has returned for revenge on Penny and on us, and as if that wasn't enough, but her partner, Mr. Snoops, has broken out of prison as well to get revenge on us too. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is something that's really going to piss us all off: I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than our old enemy, Madame Medusa, and that greedy old witch has returned for revenge on Penny and on us, and as if that wasn't enough, but her partner, Mr. Snoops, has broken out of prison as well to get revenge on us too.

WE GASPED, AND AS SUCH, WE WERE PISSED OFF!

May: ARE YOU KIDDING ME?!

Me: I knew it was going to be them!

Rhonda Asmodeus: I thought we finally got rid of that old witch!

Penny: I should've known she'd be back along with Mr. Snoops. This time, that old witch dies here and now.

Lincoln: And she's heading for The Black Abyss and her partner's heading back to prison for good.

Me: No doubt about that. I've had it up to hear with that greedy murderous spiteful old witch to last an eternity, her and her slimebag partner.

Nico: Time that old witch learns that when you give into greed, you can expect only death. Where is she at?

Lincoln: Back where it first began: the swamps of New Orleans, Louisiana.

Me: And that's where it will all end once and for all.

Nico: You said it. Alright, team, let's take care of that greedy spiteful old witch.

Lincoln: This is the last time we ever have to deal with you, Madame Medusa.

The previous group came.

Ryugu Tamatebacco: Can me, Tri-Klops, Mercurymon, Speed Demon, Girder, Jack O Lantern, Pied Piper, Pterodactyl Ghost, Kerbero Gangan and SkullMeramon go with you guys?

Nico: Yes you all can come with.

Ryugu Tamatebacco: (Sniffs) OH GOOD GOD! WHAT STINKS IN HERE!

LOUD FARTS!

Ed was farting like crazy!

Me: Ask Mr. Gassy Lump over there.

WE LAUGHED!

Lola: Yeah!

Lana: (LAUGHS) That was funny!

Tarantulas: Nico, which Gene Slammer do you think you'll meet next?

Nico: Jeri and Leomon will like this one. I'm hoping for SaberLeomon next.

Me: Cool!

Jeri: That will be awesome.

Me: Yep. I'll be right back.

Nico: Okay.

I went to Cassidy's room who was looking out the window enjoying the view of the planet. Her belly was getting really big.

I knocked.

Cassidy: Come in.

I went in.

Me: How are you feeling Cassidy?

Cassidy: Just really happy to start a family.

Me: I am too. I just came to check on you before we leave. Penny's day to shine is today.

Cassidy: I know. But I'm gonna be fine.

I put my hand on her belly and smiled at her.

Me: It's gonna be okay Cassidy. I'll be back okay?

Cassidy: Okay. Be careful.

Me: Okay.

I left and we were ready.

I came back.

Nico: Had to check on Cassidy?

Me: Yep.

Nico: Aww. Okay now we're ready.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was the next of the dark nightmares that haunted Caleb Maxwell and brought to life by Morana Desdemona and her minions: Demon Blood Influenced Roxy Drake, and she's coming after us. When we saw it, we knew it meant trouble.

Lincoln: So, you're finally on the move.

Travis Tackett: Lincoln, that figure we saw, that wasn't...?

Lincoln: I'm afraid so, Travis: the figure we saw was Roxy Drake's Demon Blood Influenced self, the next of the dark nightmares of Caleb Maxwell brought to life by Morana Desdemona, and she's coming after us.

Roxy Drake: And I know how he's linked to Caleb's nightmares: one night, as we were going after Carla Claw and Panther, I'd run into Caleb Maxwell again, and I ordered him to drop his weapons, but he fired a blast of darkness at me, and we got into a fight, and I shot him in the right shoulder, but he survived it and removed the bullet, and then, he unleashed pure Hell on me as he fired darkness blasts and bullets at me, and when he ordered me to attack him more, he had an unhinged insane look in his eyes, it was like looking into the eyes of The Devil himself.

Me: Jeez.

Nico: Oh boy.

Caleb Maxwell: I know, I should've approached this in a better manner, but with my insane anger towards The Syndicate and me acting like a monster, that didn't go well.

Nico: Ooh, I can bet. Alright, team, let's go, this is the last time we deal with Madame Medusa.

Lincoln: This has been a long time coming, but now, this is where Madame Medusa dies once and for all, and once we get done with that greedy old witch, we're confronting the next of Caleb's nightmares.

Roxy Drake: The demons that haunted me since that night are coming to an end here and now.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Louisiana to finally deal with Madame Medusa and send her to The Black Abyss and send her partner, Mr. Snoops, back to prison forever, and once we got done with that greedy old witch, Roxy Drake is going to face her Demon Blood Influenced self: the demons from the night she encountered Caleb Maxwell.

We were off.

We arrived in the Louisiana Bayou.

Me: Here we are.

Qin: Devil's Bayou.

Sakura Knudson: This place gives me the creeps.

Camie: Me too.

Qin: Yeah.

Camie: It sure does give me the creeps too.

Tri-Klops: We should call Pete here.

Me: Good idea.

Pete was called.

Pete: I'm here guys.

Camie: Awesome.

Sparkstalker: We were here during the final battle against Xehanort

Me: We sure were.

Camie: Yeah.

Nico: Scary.

Lana: And we brought the Riverboat here to Gotham Royal York and repaired it and made it awesome.

Ace Ukiyo: That I cool! And wait I remember hearing you say that Penny was taken here right?

Me: Yep. Madame Medusa wanted her for getting the largest diamond in the world, The Devil's Eye.

Nico: It's a diamond as big as your head and it's priceless.

Me: Madame Medusa took Penny to get it. The police looked everywhere for Penny but they gave up. They thought she was in New York.

Camie: But in actuality she wasn't.

Me: Nope. She was halfway across the country right here in the middle of the Louisiana Bayou.

Ace Ukiyo: Oh man!

Me: Yeah. Over 1,300 miles away from home.

Lola: Yep.

Ace Ukiyo: Oh man.

Speed Demon: I'm guessing the diamond's locked up tight?

Me: Yep.

I showed the Diamond on my computer and it was in a glass case in a huge vault.

Ace Ukiyo: (WHISTLES) That is a beautiful diamond!

Me: It sure is. The Diamond is in an indestructible glass case that is bullet proof and bomb proof and it's locked in a huge vault with a door that is over 4 feet thick and made of titanium and reenforced with Neutronium. This door can withstand a 100 megaton nuke.

Nico: WHOA!

Lola: Yeah.

Me: Yep. And this room is equipped with a laser tripwire system that will sound the alarm. And the floor tiles are all boobytraps. You step on one and it will bash and pulverize you furiously with all kinds of death traps.

Nico: WHOA!

Centaur Man: No way Medusa's getting it now!

Me: Now it has security around it as tight as 100 Fort Knox's.

Ace Ukiyo: So it's now a suicide mission.

Nico: Yep.

Ace Ukiyo: Wow! And where is the diamond located?

Me: We gave it to the Smithsonian Institution in Washington D.C.

Jack O Lantern: Smart thinking

Me: Yep.

Ace Ukiyo: And how much is that diamond worth?

Me: We estimated it to be worth over $900,000,000.00. But it's now Priceless.

Lola: Like the Crown Jewels of England.

Xenia: Or King Tut's Tomb.

Me: Yep.

Shadow: The Chaos Emeralds are priceless too

Nicole: He's right on that.

Me: Yep.

Kerbero Gangan: It's obvious we're killing Medusa

Penny: That's right! She killed our real parents and that witch will pay for her crimes!

Lexi: Yeah!

Me: I agree you two.

Pete: Oh is this your little sister Penny?

Penny: Yep this is Lexi. She is my biological little sister.

Me: She showed a DNA test and it was 99.9% a match.

Kumiko: It's true.

Pete: Wow! That is cool!

Qin: Yep.

Camie: We all are happy for Penny.

Me: Yep. Now we can avenge Penny and Lexi's parents.

Ace Ukiyo: How did Penny and Lexi's parents die?

Me: Medusa burned down their home.

Ace Ukiyo: Oh man! I'm sorry.

Lexi: Yeah.

SkullMeramon: (to Lexi) You get the chance to get justice for both of them

Penny: That is for sure.

Lexi: Yeah!

Penny held the locket close to her chest.

Penny: Mom and dad, if you are watching us from Heaven, we're going to get you justice.

Poromon: Too bad Cassidy isn't here with us

Me: It's for the best Poromon.

Nico: Yeah but she is in good hands with Pickle & Barley Barrel looking out for her.

Then Lincoln had a premonition.

Lincoln: Oh man! I know who we"re going to face for the Akuma. It's Crystalfire. The Hypothetical Akuma of Penny and she is a girl made of pure crystal and a deadly master of jewels and crystal. She was made because of Madame Medusa and her partner Mr. Snoops killing her biological family and using her to get the Devil's Eye Diamond and she vowed to get revenge on them and make sure they pay the ultimate price for their crimes.

WE GASPED!

He showed a sketch of her and it was a woman made of pure diamond and crystal.

Me: Whoa!

Rarity: Oh that is a most dazzling and beautiful Akuma darlings.

RD Lynn: That puts Diamondhead to shame

Ben: Boy no kidding.

Camie: It's pretty though.

Qin: I've heard of that saying Diamonds are A Girls Best Friend but this is too much.

Nico: Yeah.

Then we saw HUGE CRYSTAL CLUSTERS GROWING FAST!

Me: Whoa!

Lola: Wow!

Pterodactyl Ghost: I'll fly and see where she is

Me: Uh we don't have to! Look!

We saw the crystals and then out of a huge crystal came CRYSTALFIRE!

WE GASPED!

Crystalfire: Hello everyone.

Rarity: Oh my goodness! Penny darling is that you?

Crystalfire: Yes Rarity it's me.

Rarity: You look absolutely breathtaking and beautiful in this form.

RD Lori: Penny, you literally still remember us, right?

Crystalfire: I can never forget you all.

Rarity: I think seeing you be a crystal is beautiful for you darling.

Me: It sure is.

Nico: I agree.

Crystalfire: Thanks. Where is Medusa?

Me: We're going to kill her for Penny and you. And send her lackey Snoops to jail.

Sobek Crocodile: (Australian Accent) That's right mate. And she is in for a shock when she sees how I tamed Brutus and Nero.

Pied Piper: I suppose you calming down is out of the question?

Crystalfire: I'm afraid so.

Me: Then sorry we have to do this.

I used a sonic boom thunderclap and blasted down Crystalfire and she was cracking.

Nico: Sonic Sounds! That is what will shatter diamonds!

Pete charged at her and knocked down Crystalfire!

Me: OH YEAH!

Pete: YEAH!

Crystalfire: My turn!

Lincoln formed a massive and indestructible diamond barrier infused with absorption energy that protected all of us from a suddenly flurry of claw attacks.

Lincoln: (Catches the scent of blood) I knew there was no mistaking the scent of blood, you better get out here, Demon Roxy, or we're forcing you out.

A figure came out, and it was none other than Roxy Drake's Demon Blood Influenced form: she looks exactly like her, but with black sclera and blood red iris.

Roxy Drake: So, you're here.

Police Defender True Immortal Phoenix God Angel Hope) Alright. Let's do this.

Roxy Drake, Cage Blunt, Travis Tackett, and James Blunt went after Demon Blood Influenced Roxy Drake, and they fired extremely powerful blasts of black and blood red energy, black and blue energy, stars, darkness, dark magic, black magic, Satanic Magic, blood, shadows, vampire bats, phoenixes, and angels at Demon Blood Influenced Roxy Drake, and they exploded with incredible power as they hit her. Then, they attacked her with their massive greatswords leaving painful scars on him, and they even scratched him with their gold-plated dragon claws and they smashed him all over the place with their superhuman strength, and it was making Demon Blood Influenced Roxy Drake even more enraged.

Demon Blood Influenced Roxy Drake: H-how?! How is this even possible?!

Caleb Maxwell: It's because Roxy is no longer weighed down by what happened back in the past, and I forgave her for the time I exposed my darker nature to her that night.

Roxy Drake: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel Hope) That's right, and not only is Caleb no longer weighed down by that rage and hatred, I'm still continuing on with my dedication to the police and protecting everyone in need.

Suddenly, Demon Blood Influenced Roxy Drake faded away, but not before giving Roxy Drake a gift: her powers and abilities added to his own.

Roxy Drake: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel Hope) Rest in peace.

Roxy Drake, Cage Blunt, Travis Tackett, and James Blunt holstered their massive greatswords on their backs and powered down, and Roxy Drake's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind her head, large fifteen black and blue planets orbiting around her legs and fifteen black and blue smaller planets orbiting around her waist, smaller planets orbiting around her fingers like rings, medium sized black and blue planets orbiting around her wrists and ankles, longer red tail, and massive red angel wings and four sets of larger blonde angel wings underneath her massive red angel wings are permanent.

Me: That was a surprise, the battle didn't end with your Demon Blood Influenced self getting killed by you, Roxy.

Roxy: That's right, just like Blunt and his old man, the captain, Carter, and Tackett, my demon blood influenced self had merged with me after I finally made peace.

Caleb Maxwell: And with that, another nightmare ends here.

Me: You said it. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Lincoln: Ooh, I've got a good one: Adria Westbrook, Gene-Slammer and Avatar of Marincess Crown Tail.

Adriana Westbrook: I knew it was her next, and you guys are going to love meeting her, Adria Westbrook is Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Crown Tail. She's the fifth eldest sister of The Westbrook Sisters, and she's the songstress of The Marincess Water Princesses. Lincoln met Adria Westbrook when she and the rest came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Adria kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Adria hates Chandler with a blazing passion, because that toxic, smelly, evil, monstrous, pile of sewage polluted Lake Michigan by dumping a dumptruck full of sewage into the lake, and she was laughing cruelly like the bastard he was, and enraged because of his behavior, Lincoln and Adria blasted him with water and they even electrocuted him, and Chandler got so mad, she called Adria a fish-faced bitch and Chandler said that she hopes that Adria dies in a pool of her own blood and he'll dance on her remains and skin her alive and eat her heart. The audacity and utter malice of his threat made Lincoln see red, and he blasted that sewage brat so hard with a massive blast of water, he sent him flying into the

Royal Woods Police Department, and when the rest of the family heard Chandler's threat along with seeing what he did, everyone went to the jail and they beat him up so horribly, he was left a bloody mess with black eyes, broken arms, broken legs, missing teeth, and three lumps on his head, and they turned to leave, but not before Luna gave him the finger, and that sent Chandler into a total psychotic tailspin of rage as he banged on the bars of his cell and screeched like a chimpanzee!

EVERYONE WHO HADN'T HEARD IT BEFORE GASPED IN SHOCK AND HORROR!

Nico: Oh my God! Of all the rotten, vile, evil things Chandler did when that bully and jerk was inside him...!

Luna: Yep, you heard right, dude.

Laney: We really despised Chandler for what he did dumping a dumptruck full of sewage into the lake, and he was laughing cruelly like the bastard he was.

Leni: But, what he did in calling Adria a fish-faced bitch and hoping that Adria dies in a pool of her own blood and that he'll dance on her remains and skin her alive and eat her heart, the audacity and utter malice of her threat made Lincoln see red, and he blasted him hard with a massive blast of water and sent him flying into the Royal Woods Police Department.

Lana: And when the rest of the family heard Chandler's threat along with seeing what he did, everyone went to the jail and they beat him up so horribly, he was left a bloody mess with black eyes, broken arms, broken legs, missing teeth, and three lumps on his head.

Me: I still remembered that day.

Varie: Me too, and I helped Lincoln, Adria, and her sisters in cleaning up Lake Michigan, and then, we went home and we also went to the prison and we brutally thrashed him even more.

We headed back home, and we were enjoying our time before we were about to head off to bed. As night fell and many of us went to bed, Caleb Maxwell was awake, and he looked out into the night sky.

Caleb Maxwell: I'm glad that Lincoln brought back Mabel and the rest of the patrons that died on the night of The Hallow Shade Massacre, and even though I know the patrons all knew the truth of what happened to Cage and Travis that led to this. (Sighs) I know Cage, Travis, and the others said it wasn't my fault, but it'll take time for me to truly recover and truly find peace.

Caleb Maxwell went back to his room.

Caleb Maxwell: But, at least, we got rid of Sebastian's former minions, but we've also got to get the list of Elise Elexton's underlings in The Dark Gale, that way, we'll have a complete list of who we are dealing with. But, for now, I can rest easy knowing that everyone who died in The Hallow Shade Massacre have their lives back, and they can enjoy their lives once more.

Scorpion: Bon Appetit, buddy!

Stonedozer: I hope he liked it.

Whirlin: Gator Ghoul and Killer Croc would be proud.

Iceage: The important thing is that Penny's parents have been avenged.

Me: That is for sure.

Penny: Thank you all.

Lexi: Yeah!

Magma: Are there any restaurants around here?

Homer: There's TONS of restaurants. We're next to New Orleans.

Me: He's right.

Nico: Yep. Great job today everyone.

Laney: Yeah!

Rarity: (To the viewers) Oh this was so fun today darlings. Hope you all loved it.

Me: We all did.

We went to New Orleans and had a great meal and then we went back home and went to sleep.

In the early morning hours at 1:45 AM, Lincoln had a dream, and he saw three figures hiding out and living on the streets of Chongqing, China. But, there were no ordinary four figures, they were Violet Techheart & Isaac Techheart, twin daughter and son of Lincoln's future wife, Iris (Mega Man X). and Lightning Kat, daughter of Lincoln's future wife, Kitten. Lincoln woke up from the dream, but he wasn't the only one, Iris (Mega Man X), Kitten, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We all did, Lincoln.

Iris (Mega Man X): And it also means that we found out where our kids are at.

Me: There at Chongqing, China.

Nico: Another city of China? Oh man, that's not good at all.

Lincoln: I know right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: we're on it, Lincoln.

Lincoln, Iris (Mega Man X), Kitten, Black Alpha, Me, and Nico were heading to Chongqing, China. Then, Lincoln saw a small and thin 12-years-old Techno-Organic girl who has fair skin, violet eyes with violet eyeshadow and lilac glasses, and very long white hair that's tied in a ponytail with a blue hair tie with yellow spots. She wears a collared flannel light purple shirt with a zippered purple hoodie with lilac fleece inside, dark blue jeans, and plum purple slip-on loafer shoes. A small and thin 12-years-old Techno-Organic boy who has fair skin, blue eyes, and short messy brown hair. He wears an orange collared T-shirt with white stripes, tan cargo shorts, white socks, and white, red and cyan-colored sneakers with dark grey soles. And a small and slender 9-year old young girl who has pale peach skin, glowing blue eyes, and long platinum-blonde hair. She wears a pink headband with cute cat ears, a pink short-sleeved top with a soft orange ribbon tied into a bow on the neckline with a white corsage, pink gloves with cat claws, a pale pink skirt with a black belt around it with a lightning-shape buckle, white stockings socks, and pink Mary Jane shoes. Lincoln saw who they were, they were Violet Techheart, Isaac Techheart, and Lightning Kat.

Lincoln: Excuse me, are you Violet, Isaac, and Kat?

Isaac Techheart: Yes, we are.

Violet Techheart: What brings you here?

Lincoln: Well, I'm Lincoln Loud of Team Loud Phoenix Storm, and that's the Dark Knight and Leader of the Elemental Heroes, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Iris (Mega Man X), and Kitten came out, and when Violet Techheart, Isaac Techheart, and Lightning Kat saw them, they were stunned.

Lightning Kat: Mommy?

Kitten: I'm here, my little kitten.

Violet Techheart, Isaac Techheart, and Lightning Kat ran up to Iris (Mega Man X), and Kitten, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Black Alpha.

Lincoln: And there's something you should know, Iris, Kitten, your mothers are one of my many future wives..

Violet Techheart, Issac Techheart, and Lightning Kat: Does that mean...you're our father.

Lincoln: (smiled) What else I wouldn't be?

That filled Violet Techheart, Issac Techheart, and Lightning Kat with joy, as Lincoln picked her up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Violet Techheart, Issac Techheart, and Lightning Kat to the rest of his siblings, who are now her aunts. We were proud of what Lincoln did in reuniting Iris (Mega Man X), and Kitten with their kids, and Violet Techheart, Issac Techheart, and Lightning Kat now has a loving, strong, brave, and caring father in their life.

Girl Jordan woke up to see Galarian Articuno staring at her

Girl Jordan: Oh morning Articuno.

Galarian Articuno: Morning Jordan. Time for breakfast.

Girl Jordan: Oh boy!

She went and got dressed and went down for breakfast.

We gave her an awesome breakfast feast. She had sausages, bacon, steaks, eggs, ham and hot links. She loved to pile on the meat and the protein.

Camie: We sure do.

Tsuyu: This is so cool.

Laney: We're excited for Cassidy.

Me: We sure are.

Daggeron: (British Accent) It sure is awesome that she is gonna be a mother.

Nerissa: I agree there too.

Nico: Daggeron, I want to thank you, Sunstroke, and your teams for coming

Daggeron: It's my pleasure Nico. It's gonna be awesome.

Me: It sure is.

Serena Taiyou Rinka: I agree there.

Camie: Tick Tock was really hungry for her.

Ace Ukiyo: How come he's called Tick Tock?

Nico: Yeah it's funny.

Ace Ukiyo: Oh I get it.

Nico: How are you feeling, Cassidy?

Nico: It sure is.

Mevya: Okay okay. I get the idea.

Luz Noceda: Yeah that's okay. But we're still happy for Cassidy.

Amity Blight: We sure are.

Me: Yep. We sure are. Oh Luz I have this feeling and I know that Amity is not going to like it one bit. But I think Odalia Blight might return because of Anti-Monitor and we might face her on a rescue.

Nico: That's a good assumption

Luz Noceda: Yeah you may be right.

Felicia Wittebane: I can't believe that my ancestor had such a terrible grip on the Boiling Isles.

Amity Blight: But he deserved to be thrown in jail.

Me: Yeah I agree. Stripping him of his power and letting him rot in jail is just as good.

Cassidy: Yeah.

I checked the monitors of Phillip's cell and it showed he was still in there.

Me: Guess Anti-Monitor decided that your ancestor is not that much of a threat.

Luz Noceda: You're right.

Nico: You can tell us right now.

Luz Noceda: Okay.

She went over her story and it was a long one.

Luz was born as the only child of Camila and Manny Noceda. As seen through pictures in the Noceda residence and flashbacks, Luz has expressed a creative spark ever since she was little, much to the joy of her parents, with whom she was very close. Unfortunately, when Luz was still young, her father developed an indeterminate ailment which facilitated the Noceda family moving to Gravesfield, Connecticut, due to its closer proximity to a more efficient hospital to treat him. Sadly, Manny later succumbed to the ailment regardless, leaving Luz devastated and with only her mother to be there for her afterward. In mourning, Luz turned to the final gift her father gave her before his passing: the first book of The Good Witch Azura. The story immediately captured Luz's interest, becoming a dedicated fan of the Good Witch Azura series and beginning her passion for fantasy, with it also being implied to have afforded her a form of escapism and coping with her father's death. Since her father's passing, Luz and Camilla would pick flowers for each other on the anniversary of his death, then visit her father's grave, and at the end they would spend the whole day together.

In addition to her father's death, Luz struggled to adjust to life in Gravesfield throughout her childhood and into her teens, with most of the town's people resenting and ostracizing her for her antics and unusual behavior. From an early age, Luz's eccentricities resulted in her being unable to make any friends, as other children found her weird and repulsive, while also receiving disgust from adult onlookers who would regularly openly criticize her for her behavior. In school, her antics were often disruptive, regularly getting her in trouble with the faculty and landing her in the principal's office on several occasions. During this time, Luz was also bullied by her classmates, who frequently made fun of her for her antics and "cheesy" stunts to impress other students that she developed crushes for. These experiences resulted in Luz becoming fearful of interacting with other teenagers. In addition, she received inconsistent grades in her classes, presumably due to her interests outside school academics. These hardships at school resulted in a slight straining of Luz's relationship with her mother, who became increasingly concerned over Luz's utter lack of friendship and low academic performance. Desperate to reconnect with her mother, Luz orchestrated an elaborate presentation for her book report at school, utilizing the latest edition of the Azura series, in an attempt to ease Camila's worries about her and prove that her interests could be used productively in her studies.

After causing several problems at her school because of her book report, which involved live snakes and firecrackers, Camila decides to send Luz to summer camp to straighten out her wild imaginative personality. While waiting disappointed for the bus to go to the camp, she chases a small brown owl who picks up her The Good Witch Azura book that she threw to the trash before, and ends up in an old rundown house, where she finds a portal and is teleported to the magical world of the Boiling Isles in the Demon Realm.

When she gets there she meets Eda, known as the Owl Lady, as well as for constantly evading the law, who in order to escape from the guards takes her to the Owl House, where she meets Hooty and King. After escaping from the Warden Wrath by wanting to retrieve King's "crown of power", and realizing how unsatisfying her life in the camp would be, she decides to stay at the Owl House and learn magic with Eda, to which Eda agrees.

During her second day in the Boiling Isles, Luz is excited to learn magic with Eda, but Eda, besides showing little interest in Luz's training, has other methods of teaching her, including selling potions all over Bonesborough. Luz does not fare too well in this endeavor, realizing that Humans are not well liked in the Boiling Isles. When she goes to sell the last potion she ends up in a huge fantasy castle, where she meets a wizard named Adegast, who convinces her to go on a mission in search of the Celestial Staff that can only be wielded by "The Chosen One", and thus free the Islands from an ancient evil; Luz decided to go, and embarked on the adventure along with some companions she met along the way.

However, it was all a lie from Adegast, who was really a puppeteer, to set a trap for Eda and take revenge for having stolen clients from her in the past. After defeating Adegast, Eda and King take Luz to see the bones of the Isles and show her that the Boiling Isles are beautiful from another perspective.

A few days later, Luz begins to feel frustrated at how slowly Eda was teaching her magic. One day, after Eda takes her to look for human garbage in a stranded slug instead of looking for something to teach her magic, Luz walks to get her mind off things while at the same time wanting to go to a magic school, but in that she meets a young witch, who is practicing for an exam she will have at the school. The witch, named Willow Park, is bothered by another witch named Amity Blight, who taunts her for being unable to get a good Abomination for the exam. After Amity leaves, Willow starts to feel with anger for being unable to make a good Abomination and because of Amity's mocks, and in that she realizes of Luz's presence, who was hiding in some bushes. Willow apologizes for the outburst and at the same time she is excited to see a real human, but she has to go to school, however, Luz proposes to help her pass the exam by pretending to be her Abomination so that she could be in her magic school, Hexside, and Willow happily accepts.

At school, Luz meets Willow's friend, Gus Porter, who is a human fanatic. Luz helps Willow pass the exam and Professor Hermonculus gives Willow the "top student" star, which was worn by Amity, causing the latter's anger and suspicion. During lunch, Amity sees Willow's "abomination" eating, something they don't do, so she has a fit of rage towards the "abomination" and starts trying to force the truth out, which causes her to be taken to the office of Principal Bump. Amity tells Bump of her suspicions, and he decides to dissect it to verify, but Gus distracts him to avoid it, while Luz and Willow escape. Bump locks down the school's doors to prevent it, but Willow uses a seed Eda gave Luz earlier to create vines in the school and traps the Principal to get Luz out of the school, which surprises Bump. While Willow stops a furious Amity who was after Luz, she escapes back to the Owl House with Eda and King to ask them to go help Willow and Gus, however, these two arrive there and tell her that Bump was amazed by Willow's abilities and changed her from the abomination track to the plant track, which makes Luz happy, but they also tell her that she was banned from Hexside, to Eda's joy. For her part, Luz reconciles with Eda, saying that she was happy that she was her teacher.

One afternoon while King was teaching her demonology, it began to rain boiling hot rain, causing Eda to arrive earlier, so Luz took the opportunity to ask her to teach her spells. Eda is exhausted because she made a magical force field to protect the Owl House from the rain, so she refuses, but ends up agreeing after Luz tempts her with a shiny pen, since she loves shiny things. Eda lazily begins to give her the lesson, but first explains that a witch must learn how to do magic before receiving her own staff, and proceeds to show Luz how to create a light spell by casting a circle of spells, and Luz wants to do it too. Eda, however, explains to her that magic comes from a sack of magical bile attached to the heart of each witch, and this causes the question of how Luz will be able to do magic without one, and Eda says that witches used to practice magic differently, but she doesn't know how. With that, Eda ends the lesson so she can go back to sleep, but Luz asks her to do the light spell again so she can record it on her phone, and Eda reluctantly accepts, but while doing so, she faints from exhaustion.

Luz and King try to get her to wake up but don't get it, so they drag her back to her trundle bed in her room. King then takes the opportunity to teach her again something about demons, but she ignores him to see how to do the light spell, to King's disappointment, who asks her why she wants to learn to do magic, and Luz tells him that being a nobody in her house, learning to do magic could help her to be somebody. King, realizing that he is not being taken seriously too, decides to help her, but on the condition that he teaches her demonology later. King tells her that Eda drinks an elixir every day, which makes him think that this is where she gets her magic, so Luz and King go to look for one among her things.

They find one, but when Luz goes to drink it, she drops the bottle and it breaks. At that moment, the lights start to fail in the house and they hear Hooty screaming, and when they go to see him they find him wounded by some mysterious creature. King suspects it is the Snaggleback, a demon with a shell that appears during rains, so in order not to leave Eda defenseless, Luz helps him to hunt the creature. When they go to Eda's room looking for the creature, they find that Eda has disappeared, so King goes in search of one of his books to see what to do, but when he returns he finds that Luz is also gone, leaving only a shoe behind.

When sees the monster, King chases it into a closet only to discover that the Snaggleback is just a harmless monster, contradicting his books. The real creature arrives and eats Snaggleback and begins to chase King, who fleeing is led by Luz hides in Eda's room so the beast can't find her and is soon joined by King, who informs her the Snaggleback is not the monster. There, King sees a piece of a tag that was missing from the elixir that Luz was going to drink, and upon joining the pieces together they discover that the elixir was to "keep the curse at bay", thus discovering that Eda is in fact the beast, and in turn that it has a curse. King feels ashamed for believing that the elixir was for magic and making Eda turn into a beast for trying to get Luz interested in demons as he has no friends. Luz understands and encourages him to save Eda. King, noticing that Eda's eyes have turned black, remembers that those kinds of demons are sensitive to light, meaning they can use it to their advantage. He asks Luz to cast the light spell, but she doesn't know how to do it, but she then sees something on his phone for a moment, a pattern in the circle Eda made, and when she follows it, she manages to do the spell, thus making her first spell. Luz begins to cast more light spells and King gets Eda's attention to lead her to the spells, and when she does, they blind her with a much larger spell and knock her unconscious with it, giving her the elixir to bring her back to normal while she is unconscious.

Eda wakes up and is back to her normal form, but feeling sick, which makes her vomit at the Snaggleback. Eda scolds King for stealing the elixir, but King shows her that Luz has learned to do magic, leaving Eda surprised. King apologizes for what happened, but Eda tells him that it wasn't all his fault, since she didn't tell any of them about her curse, she tells them that she had it since she was young, and also congratulates Luz for learning to do magic, and Luz tells him that she felt motivated by a great teacher, King. Luz and King then order the Owl House.

A day while along with Eda and King at Eda's human trash stand, Willow and Gus go and invite Luz to the annual witches' covention, and she asks Eda to go, but she refuses and goes through the portal to the Human Realm to avoid it, but because Luz sends King with her while he is reading the Good Witch Azura book to her dislike, she reluctantly agrees. At the covention, Luz finds Amity, who has grown hate feelings for her since the Abomination incident, and although Luz tries to apologize for it, Amity tells her that she can't be at the covention because she's not a witch, and when Luz tells her that she is learning magic from a "powerful witch" and a "ferocious demon", Amity mocks the "ferocious demon" that is King and steps on one of his cupcakes, causing Luz's anger, who challenges Amity into a witch duel, in where if Luz wins, Amity would have to admit that humans can be witches, but if she wins, Luz would have to admit that she is not a witch and can no longer pursue her dream of being one, and Amity gladly accepts the challenge. Amity places Luz in an everlasting oath before leaving.

Eda, not having taught Luz many spells, sets traps to mislead Amity so that Luz wins, although they end up being exposed. However, Eda realizes that Lilith Clawthorne, Amity's mentor who is also Eda's sister, cheated too, humiliating both Lilith and Amity. Luz then tries to apologize to Amity, but Amity demands that Luz admit that she is not a witch; Luz admits that she is not one yet but that she is training and trying hard enough to be one someday, showing Amity her light spell, and although at first she belittles it, she admits that she has never seen anyone cast a spell like that. The two come to an understanding, and Amity releases Luz from the oath.

When Amity and her friends have an Moonlight Conjuring and invite everyone except Willow, Luz, Willow and Gus decide to have one at the Owl House, taking advantage of Eda and King's absence that night. Before leaving, Eda asks Luz to take care of the house, warning her before leaving that if anything happens to the house, she will never trust her again. Luz and her friends begin to cast the spell and, since it is their first time, they decide to do it by giving life to a Beef Bob figure, however, accidentally instead of giving life to the figure they end up giving life to the Owl House, causing it to grow legs and walk on its own. They soon realize that they can control the house thanks to the power of the moon, and decide to take the house on a joyride instead of returning it to its place to show off to Amity. On the way, they meet Boscha, one of Amity's friends, and begin to bother her without Boscha realizing it was them. Their journey however ends up causing the arrival to the house of Animal Control, who capture them; the three are thrown off a cliff but are held up with a branch.

Willow apologizes for causing them to be caught because of her desire to surpass Amity, and reveals to them that she and Amity used to be best friends as a child until Amity surpassed Willow in magic, and that she wanted to show her that she could be powerful too. Luz encourages her by telling her that she is powerful, and Willow regains her confidence and with her plant powers she sets them free and takes back the house from Animal Control's hands. They return the house to its place, however, Eda catches them since she saw the house while she was at the night market and when she goes to punish Luz, Willow, and Gus admit that they were also responsible. Eda punishes the three by having them clean up the house, but is also surprised that they animated the house, as it requires powerful magic. That same night, Amity together with Boscha end up watching on Penstagram the animated house that was being controlled by Luz, Willow, and Gus, causing the bewilderment of both of them.

When Luz goes to the library to deliver some of Eda's books and finds Amity reading to children, she tries again to fix things, but Amity refuses to do so. Luz there meets Amity's older siblings, Edric and Emira Blight, who also have a bad relationship with Amity, and they invite her to have fun, but Amity has them expelled from there. Edric and Emira tell Luz that they will come back at night for the Wailing Star that will happen that night, and they invite her to go with them, and Luz accepts when she sees that befriending them can be the way to befriend Amity. That night, they sneak into the library and discover that the Wailing Star gives life to the books, taking advantage of that to have fun. Later, they go to Amity's secret hiding place to get her diary, without Luz knowing it; when they tell her, she doesn't agree as it is Amity's personal life. Luz ends up finding the diary and tries to avoid the twins from realizing it, but they end up doing so. When Luz tries to stop Edric from taking the diary she accidentally throws some pages, and Amity arrives and catches them. Amity is disappointed in Luz as she thought she was different, but she was just a bully.

Luz says goodbye to the Blight twins and tries to apologize to Amity, who refuses to listen to her, when suddenly they meet an animated Otabin, the main character of a book, but turned into a monster by Luz and Edric, and Otabin takes Amity away. Luz tries to rescue her but ends up being caught. Amity agrees to work together with Luz to escape, and they succeed. When leaving the library, Amity tells Luz that it "never happened", but before she leaves Luz gives her the fifth book of the Good Witch Azura series, since it also turns out that Amity likes the series. Amity accepts it, and also admits that she hasn't been the friendliest witch to Luz, tentatively patching things up between them and starting a friendship.

When working at Human Collectibles, Luz, King, and Eda argue about who has it harder and Eda switches everyone's bodies to see who really has the hardest time, with Luz ending up in Eda's body. She uses magic to create a sign to boost sales; this works, but also leads Coven Guards to finding the stand, resulting in her being arrested. While in custody, Lilith arrives and, unaware of the body swap, thinks "Eda" wants to join the Emperor's Coven like the sisters planned to do in the past and orders a Branding glove be brought out. Luz accidentally blasts a hole in the wall to escape and finds Eda and King in a Kitty Cafe and breaks them out. When they are cornered by the three groups pursuing each of them, she switches the three back to their original bodies, and switches the bodies of the pursuers. The three use the opportunity to escape.

When Gus feels his position as head of the Human Appreciation Society is threatened by a new student, he lies to Luz, saying that her ban from Hexside has been lifted and that she is welcome back. However, he has her wear a cowl to hide her ears. When she arrives at the meeting room of the Human Appreciation Society, she examines

Mattholomule's human artifacts and he leaves the room. Upon learning of the ban, Mattholomule returns to the room and pretends to apologize before calling the Hexside Guards on Luz and they throw her in the Detention Pit. Gus apologizes as Luz is dragged away and soon gets himself and Mattholomule thrown in detention to save her. Gus creates illusions of himself and Luz to distract from the pits tendrils and they escape, damaging the room in the process. However, they run into Eda and Bump, who has agreed to let Luz attend Hexside the following semester, berates Luz for her actions and threatens to recent hire acceptance until Gus takes full responsibility.

When she and Eda are at the playground, she listens to Eda talking about Owlbert and her curse begins to act up. They return to the Owl House, where Eda gets some rest and Luz goes to Hexside to join her friends at an away game. However, they miss the transport, as her friends told her to change as she was wearing the rival school's colors. Luz runs back to the Owl House and gets Owlbert so they can fly to the game. However, Luz becomes too daring as she flies and they crash, injuring Owlbert and he runs off. They find him with the Bat Queen, who refuses to return Owlbert unless Luz completes a series of tasks. While Owlbert forgives her, the Bat Queen refuses to let him go and fights Luz herself. However, Owlbert stops her and shows her telepathically that Luz is a good person and, after the Bat Queen is revealed to be a palisman, Luz promises to be more careful and they are allowed to leave. Back at the Owl House, Luz apologizes to Owlbert and patches him up as Eda returns.

After convincing Eda and King to go to a Book Fair with her, Luz and King desire to write a book together. At first they work together, but soon King hijacks their shared work and makes it his own, angering Luz. They get into a fight and

Luz leaves. After the success of his book, Ruler's Reach, King is asked to write another book and he recruits Luz to help after his publisher, Piniet, rejects his solo work. Luz agrees and they are trapped in a box and threatened to to be crushed if they fail to complete a manuscript in time. After King apologizes, they work a manuscript and put a light glyph on the last page. After Piniet triggers the glyph, they escape. As they fight Piniet's minions, an expiring author comes forward and gives the publisher her manuscript. Brought to tears by the manuscript, Piniet let's Luz and King go.

As Luz is looking through a brochure for Hexside, she remembers she is supposed to meet Amity to get her book back. When she sees Amity, Edric, and Emira appear as well. After Amity hands over the book, Luz tells her they could start a book club once she starts Hexside. However, Amity reveals that to be in her class, one must know a minimum of two spells or they would be placed in the baby class. In a panic, Luz lies that she knows two spells and runs back to the Owl House to insist Eda teach her more spells. They go to The Knee to train and they run into Amity and her siblings, who are teaching Amity to use a fire spell through the use of a Training Wand.

As she strains with Eda, Luz begins to criticize Eda's teaching methods and, when the Blights leave their camp, she steals the training wand and performs a fire spell. However, Eda catches her and chastises Luz for taking a short cut, saying she knows her methods are unconventional but only because Luz's situation is different then other witches. They fight and Luz unleashes a fire blast that flies off and hits a slitherbeast. The Blights come back just as the slither beast arrives. The twins and Eda restrain it as Amity tries to attack it, but the wand is out of power.

The slitherbeast takes Eda and the twins as Amity traps Luz in a cage to keep her from getting hurt.

As Luz watches the sky, she sees a light glyph in the stars and, upon inspecting a snowflake, discovers the ice glyph. Luz uses the newly found glyph to escape and she tracks down Amity and the slitherbeast's den. The girls work together to free Eda, and the twins and Eda knock the slitherbeast out. Amity congratulates Luz on learning a new spell and agrees to form a secret book club with her before they go home. Upon returning, they find the aftermath of King and Hooty's battle with animated toys.

Despite fumbling her placement audition, Luz gets into Hexside and is nervous as Eda drops her off. Willow and Gus congratulate her for getting in as Amity welcomes her to school. After King—who snuck into school in her backpack—starts to eat out of the trash can, Luz tells him they do not know each other if anyone asks. In Bump's office, Luz gives a schedule of classes she wants to take, but Bump says she is only allowed to study one of the nine tracks and selects potions for her. Luz tries to force herself to like only potions, but she sees Willow sparring with an oracle student and her multi-track interest increases. After she finds a shelf of crystal balls, she tries to use one, only for Bump to catch her. Bump then places her in the detention track, since an inspector is coming and he wants the school to look good.

Luz looks out the window and sees Willow and Gus and begs them to get her out, saying she is too good for detention. After the teacher falls asleep, the other detention track students—Jerbo, Viney, and Barcus—show her a secret room they use to secretly learn magic and show her a heavily vandalized portrait of the room's creator. Just then, Willow and Gus come in and the others over hear them saying Luz thinks she is too good for detention and they turn on her. Luz leaves with her friends as The Inspector, really a Basilisk, drains the students and staff of their magic. Luz apologizes to the kids in the detention track and they work together to bring down the basilisk. However, Bump berates them for breaking school rules and he gives in, allowing the students in the detention track to take on two tracks and permitting Luz to study all nine tracks. Afterwards, Bump cleans off the portrait of the room's creator, revealing them to be Eda.

As Luz leaves for school one day, she learns it has closed for the day due to a pixie infestation. She goes to a fair with Eda and King and, after King finds a pair of friendship bracelets, decides to help him win them. However she becomes detracted when Willow and Gus arrive and starts to ignore King. After King buys a potion that shrinks Luz's friends, she starts to wonder where they are, so she and King look for them as the two get tickets for the bracelets. However, as King gets the bracelets, Willow and Gus get Luz's attention and tell her what King did. When King returns, she chastises him for his actions when Tibbles, the person who sold King the potion, shrinks him and Luz and puts the four in his miniature animal exhibit to fight the animals. After learning the only way to reverse the potion is to have Tibbles tap his cheek, Luz and her friends trick him into doing so. After they are turned back to normal and the animals chase Tibbles, King apologizes to everyone and offers the bracelets, which broke in the fighting, as a peace offering, which they accept.

When Luz and Willow are in photo class, they extract memories from each other and Luz becomes curious upon seeing a memory of Willow and Amity, to which Willow dismisses it as the past and asks Luz not to ask about it more before reversing the photo. However, after they leave the room, Amity sees the photo and burns it, inadvertently destroying Willow's other memories as well. In the lunchroom, Luz and Gus notice that Willow is acting strange and return to the photo lab to find Amity trying to salvage the photos. Luz berates her for it as Willow slumps on the girls and says they will be good friends. Luz takes Amity, Willow, and Gus to the Owl House where Eda explains that they have to go into Willow's mind and fix the damage manually. Amity and Luz volunteer and go into Willow's mind. Eda gives them a bell to ring in case they need to get out quickly.

The girls begin to fix the memories, but Amity is against going into the memory she tried to destroy. Soon, they notice the memories of Amity they fixed have been destroyed as a monster comes over to them. After failing to get Eda to get them out, the girls try to subdue the monster, only for it to reveal herself as the Inner Willow. Inner Willow then pulls Luz and Amity into the memory where it shows Amity pushing Willow away and Inner Willow tries to destroy Amity, until Amity reveals how her parents had forced her to end the friendship. Luz watches as Amity apologizes and promises to be a better person in the future. Inner Willow accepts the apology and lets them fix the memory. After exiting Willow's mind, Willow questions Luz on how Amity found out about the memory in the first place.

As Luz first discovers the plant glyph, she gets a text from her mom as the portal is open and, fearing she will react negatively, she sends an emoji before going off to school. After Luz's friends explain to her what Grom is, she becomes excited and thinks she has a shot at being grom queen to which her friends say is a bad thing. Just as Amity walks by, Bump announces that she is that year's grom queen. Luz congratulates her as everyone else looks at

Amity with pity. In the gym, Amity explains that every year a monster that can shapeshift into one's worst fear, Grometheus the Fear Bringer, tries to break out and terrorize the Boiling Isles and Bump holds a dance to lighten the mood. As Amity explains that grom royalty is tasked with stopping Grometheus, and says her fear is embarrassing. Luz suggests Amity ask Bump to choose someone else.

At the Owl House Luz speaks with Eda and King, who has been asked to chaperone the event and help Gus announce the event respectively, who say she is not ready to face Grometheus and Luz storms out. She runs into Amity who says Bump will only let her opt out if she can find a replacement, to which Luz agrees to be. Amity enlists her older siblings to help train Luz. However, after seeing Luz's minor fears, Amity asks what Luz truly fears, to which Luz replays disappointing Eda. The twins make a large illusion of Eda when the real Eda comes out and berates Luz for going up against Grometheus when Amity says it is time.

At the dance, Amity thanks Luz for taking her place as she is called to face Grometheus. Things go well until Grometheus reads Luz's mind. At first he turns into Eda, but quickly changes into her mother and reacts negatively to the Demon Realm. Luz, in a state of panic, runs out of Hexside as Grometheus and the students follow her. As she is cornered, Amity jumps in front of her and Grometheus takes the form of a shadowy figure and takes a note out of Amity's dress pocket and rips it. Luz reads part of the note and realizes Amity was afraid of getting rejected. Luz then asks Amity to be her date and the two dance and defeat Grometheus together. Luz asks Amity who she wanted to ask, but Amity does not answer as the other students carry the two away on their shoulders. Back at the Owl House, Luz gets a text from her mother and replies that she is having a great time and hopes her mother can meet her new friends. Her mother then replies that she is getting Luz's letters. Luz thinks she is referring to the texts, unaware someone has been writing letters to her mother in her name.

As grudgby season starts up, Boscha begins to bully Willow and she asks Amity to speak with her. When Boscha dumps trash on Willow, Luz challenges Boscha to a grudgby match, surprising everyone. Willow and Gus teach Luz about the game and they start training. However, things go poorly and Willow and Gus decide to call it quits. After Amity talks to Luz, she decides to forfeit and Boscha uses her as target practice. However Gus, Willow, and Amity arrive and the girls decide to team up with Luz as Gus cheers from the sidelines. During the game, Luz discovers the fire glyph. Despite her team gaining more points, Boscha wins after catching the Rusty Smidge. Both teams, with the exception of Boscha, congratulate each other, and Luz helps Amity after she hurts her leg.

While Hooty is fending off the Emperor's Coven, Eda is making Luz a Witch's Cloak when her curse acts up and it takes multiple elixirs to get her back to normal. Eda brushes her fears aside and tells Luz to get going to school. That day, Luz's class goes on a field trip to the Emperor's Castle. As they leave for the castle, Luz learns of the Healing Hat and thinks it can cure Eda. After the tour, Luz stays behind and is surprised when Willow and Gus stay to help her. They sneak into the artifact room but are soon caught by Lilith, who takes Luz hostage and sends her friends to deliver a message to Eda.

Luz is placed in a force field and is brought up when Eda arrives. Whenever Eda attacks, Lilith uses her as a shield. Luz tries to free herself and succeeds, only for Lilith to threaten to impale her on the sharp rocks below. As Eda's curse finally takes its toll on her body, the Owl Lady tells Luz to care for Hooty and King and thanks Luz for being in her life. As Eda transforms she is apprehended and Luz tries to attack Lilith, but is easily pushed away. Lilith grabs Owlbert and tells Luz to return to her world. Dejected, Luz walks back to the Owl House and informs Hooty and King of what happened.

As King reads Luz The Unauthorized Boiling Isles History, she decides to save Eda despite King trying to talk her out of it. After watching a news report that Eda will be petrified, an irreversible process. Luz says it should be Lilith as King explains the severity of one's crimes in order to get petrified. The two get sent to the Conformatorium where they take on the guards and find where Eda is being kept. King stands watch as she speaks to Eda. Luz uses alight glyph to snap Eda back to her senses, and Eda tells Luz to take the key to the Human Realm in order to keep it away from Belos. The platform Eda is on starts to rise and Lilith enters with King in hand.

Furious, Luz attacks Lilith and the three end up in the Human Realm. Luz tries to attack with a glyph, but it crumbles as it is not exposed to the Titan. Lilith pins her and Luz says Lilith should be petrified, to which the witch agrees. Lilith explains why she cursed Eda and gives Luz Owlbert. They then go back to the Demon Realm after Luz looks back at the Human Realm one last time. As they sneak in, Lilith says she will stay in the Emperor's Coven and act as a double agent. However, Belos finds them and takes Lilith and King to him before throwing them in the line of petrification with Eda. Luz fights Belos and he agrees to let Eda go in exchange for the portal. Luz reluctantly hands it over, but destroys it as she goes to the petrifaction. Luz threatens Kikimora with a fire glyph to stop the petrification and, after Lilith heals Eda, they fly back to the Owl House. She watches as Lilith takes on half of Eda's curse and, when the sisters reveal they have lost their magic, Luz offers to teach them about glyphs. She also records a message for her mother.

Nine days after the petrification, Lilith has moved into the Owl House and they have taken up odd jobs to supply an income, with their most recent being bounty hunters. One day before handing in a bounty, she leaves a message for her mother, which fails to be sent. At the market, they are given a fraction of the reward money and Luz insists they go after targets with larger bounties, but Eda is against it. Luz listens as Eda tells Lilith how she is against going for larger bounties as it is too much of a risk and they need food Luz can digest. In response, Luz and King go after the largest bounty they can find, the selkidomus. As they set sail, Luz uses her glyph magic to earn the respect of Salty and his crew.

When they hear the selkidomus' lair, the reward money is stolen and Luz chases after the culprit, only to learn the thief is Eda and lose the reward money. Soon, the Golden Guard arrives and threatens to kill King, who he took captive, if Luz and Eda do not slay the selkidomus. Luz accepts as Eda tries to talk her out of it. She then reveals she knows Eda is avoiding the riskier ventures because of her and Eda lists the positives that happened to her since Luz came into her life. The selkidomus approaches with its baby and Luz and Eda pretend to slay it to get King back. After the Golden Guard leaves, they tell the selkidomus to flee deeper into the sea and it vomits up selkigris, a valuable substance at the Night Market, much to Luz's disgust and Eda's joy. When the three return to the Owl House, they relearn that Lilith has made a scrying potion to spy on the emperor and they order take out.

One day before school, Luz is teaching Eda and Lilith what she knows about glyphs and questions if there are more when Hooty tells her it is time to go. As she enters school, Willow and Gus greet her and Amity presents Luz with a fairy pie. The four are soon called to the principal's office where Bump, with Amity's mother and father, tells the group that Luz, Willow, and Gus are expelled. Luz begs Amity to speak up for them, but she only gives a silent apology as Odalia sneers. After the three are thrown out of school, Luz confronts the Blights and Odalia gives her a business card to talk things out. Willow and Gus reject the idea and the three try multiple times to sneak back into school. As Crow Phones arrive to take Willow and Gus to their angry parents, Amity appears and apologizes for not doing anything. Luz asks her for help, but Amity declines out of fear.

Luz then picks up the business card and goes to Blight Manor and makes a deal with Odalia that she and her friends will be readmitted to Hexside if she helps with their business demonstration that night. Luz struggles to make it through the demonstration and during the last demo of the night, the "Abomaton", she asks Odalia to stop, but Odalia responds that the abomaton will only stop once its enemy is destroyed. Soon, Amity arrives and threatens to rip apart the abomaton unless her friends are readmitted. Odalia agrees and the girls play dead. After the crowd reacts positively, Luz leaves with Amity, Willow and Gus. When she returns to the Owl House, Lilith presents her with an ice sculpture of herself being given a gold star by Luz, who then gives a sticker to Lilith before going to her room.

As she is experimenting with glyph combinations with Lilith, Luz discovers how to turn herself invisible. Shortly after, King starts talking about his life before losing his powers and talks about falling from a great height. Lilith casts doubt on his story and he brings out Lilith and Eda's staffs and the three of them, along with Hooty, fly to an unknown island. King unlocks the door to the ruins and the group explore where they find a clogged hole in the ceiling. After Lilith and Hooty start to believe King, Luz wanders into a hallway full of skeletal creatures and notices that one of them is missing. Luz rejoins the others and they are attacked by the missing creature. Soon, Eda, who King left a note for, arrives and helps fend off the creature, which cannot leave the ruins. Eda then reveals she found King as a baby, and that he never truly was the king of demons.

After Eda produces his broken horn, King reluctantly believes her and runs off in shock. Luz finds him and they talk. After realizing Eda never mentioned him falling, Luz thinks the answer lies in the blocked hole. The group makes their way in and unblocks the hole before going up to find an empty room. However, King somehow unlocks a secret chamber and they enter to find eggshells. King puts on the horn and he realizes this room was where he was born. He remembers hearing a roar before falling asleep and hatching and the skeletal creature taking him to the tower's lower level. After they realize the creature was guarding King, it enters but he stops it and the others reluctantly take it home with them, with King naming him Jean-Luc. Back home, Luz repairs King's horn before he goes to sleep.

As Luz researches on building a new portal, she asks Eda about it, but Eda reveals she knows nothing of the portal's origins. They then hear Lilith suddenly scream. They see her curse taking effect and Eda gives her an elixir. Soon, Gwendolyn Clawthorne, the mother of Lilith and Eda, arrives claiming to have found a cure for her curse. However, Eda rejects the supposed cure and sends her mother on her way. After berating Eda for treating her mother like that, Luz talks to Gwen and agrees to help her cure Eda. Gwen explains how she ran into a healer named Master Wortlop and they go to meet him. After giving him the items he requested, he gives Gwen a book that contains the cure for Eda.

Luz and Gwen set up a series of traps to help Eda. However, Luz soon has her doubts as the cure starts to take effect and asks to see the book, however, Gwen refuses to let her see it. Luz then takes it from her and realizes the book is utter nonsense and decides to go back to the Owl House to get elixir, however, Gwen reveals she had her palisman Hawksley take every bottle. Soon, the two are found and, in a fit of rage, Eda transforms into the Owl Beast. Gwen tries to look for answers, but only finds a prompt to purchase the next volume. Soon, King and Hooty arrive to inform them Lilith has transformed as well. The sisters start to finger and head into town. She and King go after them as Gwen stares on in disbelief. They try to get Morton to give them elixir, but he turns them away as they have no money. However, Gwen, who finally learned that she was being conned, arrives with elixir and the three subdue the sisters and get them back to normal.

Later that day, as everyone is saying goodbye to Gwen and Lilith, who goes with her to stay and reconnect. Before leaving, Gwen reveals that Luz is the second human she knows off to arrive in the Boiling Isles, and that he left a diary at the library. After Gwen and Lilith leave, she wonders how her mother is reacting now that camp is over, unaware that someone has been taking her place.

When Willow gets hurt after Gus fails to lure away pixies, Luz comforts him. The following day, needing a library card to get into the Bonesborough Library, Luz goes to Gus, who knows what she is after. As they walk to the library, Gus laments about his actions with the pixies and thinks about changing tracks when they see a group of Glandus High students defend a child from a slitherbeast. When they say they are looking for the Looking Glass Ruins, Luz urges Gus to go with them and gives him some glyphs. At the library she tells Amity about the human who came to the Demon Realm before her, Philip Wittebane, and trays she is looking for his diary. Amity says it should be in the forbidden stacks and agrees to take Luz as long as they remain silent as she would get fired otherwise.

As they venture through the forbidden stacks, they hide from Malphas, the master librarian. Amity says they will be fed to the bookworms if they are caught. Luz tells her that on Earth it is another way of saying nerd and promising to show her home to Amity one day. They find the diary, only to learn that a mouse has eaten the pages. Luz shouts in frustration and the girls are discovered by Malphas. He escorts them to the entrance and fires Amity. Luz tries to apologize as Amity leaves. Luz then begs Malphas to give Amity her job back and performs various tasks to make it happen.

Luz then goes to Blight Manor to find that Amity has changed her hair color. She reveals she got Amity her job back and describes what she went through as the mouse that ate the diary appears out of her hood. She grabs it and Amity explains it is an echo mouse and demonstrates how it projects what it eats. After watching an entry, Luz changes her attitude on the mouse and says they will be great friends. Amity then kisses Luz on the cheek, surprising both girls. Amity then heads inside as Luz stands still in disbelief.

As Luz wait is for the echo mouse to project another entry, Eda calls her to come to Hexside for the chance to get her owl palisman. However, as Luz cannot think of a goal or understand her heart's desire, she is the only one in her class to not get one. Dejected, she heads back to the Owl House where she sees a red cardinal palisman and hopes he chooses her. However he does not and she takes him back to school with the other pailsmen who were not paired. She goes into their nest and talks about potential goals for herself when the nest suddenly lifts off the ground. Luz investigates and discovers the Golden Guard has abdicated the palismen. She puts a fire glyph on his back to propel him off and tries to land the ship, but he comes back and they fight over the controls as a hand dragon attacks.

They land in a forest and Luz finds the Golden Guard's staff along with an unconscious Golden Guard out, surprised that he is a teenager, and slaps him awake. They fight until they notice something coming and hide. They see Kikimora with the Golden Guard's mask, informing the group of scouts with her that he is dead, before secretly ordering the dragon that attacked earlier to find and end him. He and Luz slip away into the nearest town where the Golden Guard tries to order scouts to search the area for the missing palismen, However, they do not believe him and he demands Luz give him his staff. She does not and they soon see Kikimora and run. The cardinal palisman finds her soon after and she uses an ice glyph to get away from the Golden Guard. She taunts him to follow her before realizing he needs his staff to perform magic. They see Kikimora coming and hide, and upon discovering she has the palismen, agree to work together after he reveals he and his family lack magic and says how Belos gave him a future.

Luz combines the fire and ice glyphs with Sleeping Nettles to knock out Kikimora, and she hands the Golden Guard his staff back. After they knock out the dragon and defeat Kikimora, Luz goes to the palismen as the Golden Guard attempt to attack, but changes his mind before leaving and reveals his name is Hunter. Back at the Owl House, Luz goes to her room as Eda and King barge in through the window. They toss a blue log in her lap and reveal they raided the Bonesborough Garden Club for palistrom wood so she can carve her own palisman. Luz thanks them but says she is not ready to carve one just yet.

As the Gland Prix is approaching, Luz and King train for the event as the winner gets interviewed and King wants to send a message to his father. She also helps him as he struggles to tell Eda he wants her to adopt him. During the race, she and King crash after he vomits and they come in fifth. Eda decides to put his message on Penstagram and he delivers his message with Eda being shocked and overjoyed that he wants to legally become her son. Upon hearing this, Eda starts to cry tears of joy as Luz soon joins in.

As Luz struggles with balancing building a portal and her crush on Amity, Hooty kidnaps Amity and puts her in the basement of the Owl House. He leaves Luz a note to come to the basement and she finds Amity. Luz apologizes for the incident as Amity asks Luz to forget about the last time Luz was at Blight Manor. Soon the floor gives way and the girls fall down a shaft. They land on a pile of pillows and learn they are in a Tunnel of Love. They are put in a boat and sail through the tunnel. While Luz is afraid Amity would find it cheesy, Amity enjoys it. Luz panics and destroys the ride. devastating Amity. When they get off, Luz apologizes for the incident and Amity brushes off the idea of them being a couple. Soon, Hooty starts sobbing and unintentionally damages the grounds. After King and Eda explain that Hooty helped them, Luz says he was helping her ask Amity out. As King and Eda subdue Hooty, the girls fall into a small pit and the two ask each other out. Later they work on the portal together.

When Luz becomes sickened with the Common Mold, her friends help fortify the Owl House. After she tries to eat the Portal Key, Amity takes it. She sends Amity a message with a communication device she gave her, but Amity does not understand. Soon the echo mouse projects an entry about Titan's Blood, an ingredient needed to travel between worlds, at Eclipse Lake. She tries to go, but the others restrain her. Eda, King, and Amity set out to find the blood as Willow, Gus, and Hooty look after her. Later, she sees another entry that reveals Eclipse Lake houses Fool's Blood, a volatile substance resembling Titan's Blood. After Gus and Willow fail to hear her, as they are listening to loud sounds in the kitchen, Luz then messages Amity about the Fool's Blood. At nightfall, Luz gets over her illness and greets the three as they return from their failed venture for blood and she hugs Amity.

They reveal the key had blood in it, but they lost it. However, Amity reveals she cracked the key and got some of the blood on her glove.

After Luz and her companions manage to construct a working portal, she ties a rope around herself and tells Eda, King, and Hooty to pull if the portal closes. Luz dives into the door and finds herself in a new realm. She tries to use an ice glyph to access a floating cube, but it fails. She calls her companions names and a cube comes out of the liquid on the ground. Luz looks through it and sees the three from a reflection in a second floor window. After realizing she can use the cubes to communicate through reflections by saying people's names, she says her mothers name and a cube appears.

She sees her mother dancing in the kitchen and is shocked to see a doppelgänger of herself appear in the doorway. Luz panics and counts to five to calm down when a cube appears. She looks into it and sees the doppelgänger in the mirrored door of her closet. The doppelgänger screams and her mother asks what is wrong, Luz shouts back that she saw spoilers for her favorite anime as the doppelgänger jumps out the window and runs to the Old House.

When the doppelgänger gets caught in a snare trap and reverts to her true form, Luz—through a compact mirror—instructs her how to free herself and the doppelgänger introduces herself as a basilisk name Vee. Luz is happy that her mom is not worried about her, but Vee said she needs Margie to maintain her disguise and she is almost out, only being able to take on a partial disguise. Luz then sees a newspaper talking about one of Eda's visits to the Human Realm and guesses some residue magic might have been left behind.

Vee goes to the café that the article talked about and the cashier says Marylin, Eda's alias, did something to the pastries after being kicked out for trying to pay with a live raccoon. In the alley behind the café, they find talking rats which Vee runs away from. As they head to the park, Vee runs into her cabin mates from Reality Check Summer Camp. Luz notices the group are playing with Hexes Hold'em cards and the group tells her they got it from the Gravesfield Historical Society. Vee asks the man at the front desk, Jacob, about the cards and he goes to get a pack. As they wait, Vee chastises Luz for leaving her good life and explains her life before taking her place.

Just then, Vee smells something and she goes to the back room to discover that Jacob is an amateur witch hunter and reverts back to her true form after she gets caught in a trap. Jacob is excited to have finally caught a demon and explains his previous encounters with creatures from the Demon Realm. After he leaves, Luz suggests ideas to get

Vee out, but Vee says it is too dangerous, as he knows what her disguise is now and smashes the mirror. After that, Luz decides to contact her mother for help. At first her mom thinks it is a video call and Luz is playing a game, however, after arriving at the historical society, Camila realizes it is real and convinces her to help. After Camilla knocks out Jacob and frees Vee.

When they arrive home, Luz appears to them in rain caught in headlights. After Vee goes inside, Camilla expresses her fears that she can never speak to Luz in person again as Luz explains that staying in the Demon Realm was the best decision she ever made. Upon hearing this, her mother becomes distraught and thinks she drove Luz away. As Luz apologizes, she is being pulled away and Camilla makes her promise to stay in the Human Realm. A dejected Luz reluctantly agrees and she is pulled away. Eda explains that the door began closing, as it then implodes. Luz lies that things went well and her mother wants to meet them.

After telling her mother the truth, she starts making videos to have her see the Demon Realm as she does, however, most of the clips she films fail to prove her point. As she sits in front of school waiting to be picked up as her friends come by and theorize what is behind Belos' mask. Luz says she never got a good look as Amity reveals she has been learning Spanish from a Dominican cookbook Gus gave her. However, when asked about her trip back home, Luz lies that she has not used the portal yet just as Eda and King arrive on Owlbert to pick her up. Seeing them approaching, Luz bids Gus and Willow farewell, before placing her hands on Amity's face and pulling her in for a kiss on the cheek, leaving her girlfriend in blushing shock. Luz then runs off and joins Eda and King as they fly off, but she forgets her phone on the school steps, which Amity takes.

The trio fly off to the Night Market, where King reveals that they are waiting for information on Raine Whispers, the head of the Bard Coven who used to be romantically involved with Eda. Luz gushes at the information as the group receives Raine's file. Eda is confused when it says Raine still heads the Bard Coven as they were exposed as a traitor. After seeing Kikimora struggling to get time off to attend a family reunion, Luz desires to recruit her in their plan to get to Raine and Kikimora agrees to help.

Later that day during the Coven Day Parade, they put their plan in action. King and Hooty perform a distraction as Luz "kidnaps" Kikimora and Eda "kidnaps" Raine. Luz takes Kikimora to the docks as Terra Snapdragon, head of the Plant Coven, tracks them saying Kikimora is due for a promotion. They are almost caught when Amity saves them and they reach the docks where Kikimora's hand dragon, Princess, is waiting. However, Kikimora turns on them and attacks. The girls nearly beat her when Terra arrives and stops the fight. Terra takes Kikimora with her as Amity shows Luz her phone and says she knows Luz is lying about the portal. Luz apologizes and tells her everything as they meet back up with the others.

Luz, Amity, Eda, King, and Hooty watch the parade as it is suddenly announced that Belos will deliver a message. Belos informs the residents of the Boiling Isles that the Day of Unity will occur in exactly one month and shows the crowd his face for the first time. Luz and the others listen in shock and the news.

As Luz is watching entries, she is late for Lilith's party in the living room for her new job as museum curator. After the party, she watches an entry where Philip mentions someone named "the Collector". After learning about time pools from Eda, Luz gets help from Lilith to try and find them. Their search eventually brings them to a beach, where there initially appears to be nothing. However, Luz finds the time pools hidden in the sand and they search for one leading to the Deadwardian Era.

Upon traveling back in time, they don disguises to better blend in with the populace, with Luz utilizing a medieval helmet to hide her ears. Upon arriving at the Bonesborough of the era, Lilith warns Luz to be on alert as they are in the "Savage Ages", when witches and demons supposedly used wild magic to bring chaos and pain to the Isles, before its banishment by Belos. However, upon exploring the town, both are immediately shocked by how polite and helpful the citizens of the era are, as they observe them using wild magic for altruism and bringing beauty to the city, as opposed to the chaotic violence that Belos claimed the era contained. After searching for Philip, they find him being harassed by two demons and help him out. The demons leave and they warn her to be wary around Philip. As Luz helps Philip pick up his work, she offers to help him but he declines until she says she can help him meet the Collector.

Philip takes them to a cave where Luz shows him the light glyph, which he has not yet discovered, and Philip draws an intricate glyph pattern that teleports the three to the Head of the Titan. He shows them a door he has trouble opening and as Philip adds to his diary, Lilith pulls Luz aside to tell her she has a bad feeling about Philip. Luz brushes it off as she goes to speak with Philip while Lilith tries to open the door. Luz sees Philip writing about their current exploits and is disturbed when he writes about his companions' deaths. Just then, Lilith opens the door and is pulled inside as Philip says he needed a sacrifice.

Luz rushes in to find Lilith in the claws of a Stonesleeper and she frees her. Lilith and Luz try to survive the

Stonesleeper as Philip digs up a reflective disk and teleports away. As they hide, Lilith laments about their deaths before their births as Luz remembers something Lilith said on the beach about Stonesleepers having a ticklish spot behind their ears. She uses this information to train it and the two go after Philip. When they catch up with him, Luz demands he tells them how the disk will help with the portal. However, Philip refuses and says it is for something else. After he offers to work together again, Lilith strikes him in the face and they leave. As they go back to the beach, Lilith comforts Luz by saying she will get home one day. After returning to their own time, they inform Eda of their adventure through time, much to Eda's disbelief.

During the Club Fair, Luz is working a booth for the The Good Witch Azura book club when Boscha comes over and starts taunting Luz with lines from the book. Soon, Amity runs over and reveals that the author of the Good Witch Azura books, Mildred Featherwhyle, is signing books in town. Luz is surprised as she believes Featherwhyle to be human, while Amity says she is a witch. After comparing the author's photos, they notice the picture in Amity's book has pointed ears, while the picture in Luz's book has round ears. Upon seeing this, they believe the author can travel between worlds and they go off to meet her. As they go to the bookstore, they theorize if the author is someone they know. Upon reaching the bookstore, they are disheartened to learn the signing has been canceled. After questioning their next move, they see the author and chase her to a drainage pipe. When they catch her, they are shocked to discover she is Tinella Nosa and learn that Tibbles found a box of the books on the beach one day and has been trying to sell them, however, Amity was the only person buying the books. As they head back, Amity tries to cheer up a dejected Luz and they decide to turn their book club into a writing club. Upon seeing Willow, Gus, Viney, and Skara, the teenagers explain what they were up to and show Amity and Luz a photo they took earlier in the day with Hunter, shocking both girls.

When Luz wakes up one morning, she realizes it is the anniversary of her father's death and she is upset that she cannot continue the tradition of placing flowers at his grave, Luz distracts herself by finding new glyph combinations and working on a new portal. Eda and King, seeing that something is wrong, comfort Luz. When Amity arrives and explains how her father would not let her compete in the Bonesborough Brawl, Luz thinks she can use this as an opportunity for an alternative to her tradition. After Amity sends her Abomaton chaperone on an errand, they head for the brawl.

After enlisting the help of Emira and Edric, the twins give Amity their Concealment Stones, albeit reluctantly on Edric's part. As Luz watches Amity fight, she gets another notification about that day's events and, to distract herself, signs up for the brawl as well. She does well but is eliminated before the finals. As Emira says she needs silence to tend to Amity's injury, Luz walks off and finds the abomaton. She inadvertently sets off an alarm before silencing it. When Amity comes over, she lies about not setting off the alarm and they return to the brawl. As Amity is about to face Warden Wrath in the finals, Amity's father arrives and reveals he was alerted to her ditching tryouts. She stares at Luz in disbelief as her father tries to take her home, but Amity angrily swats his hand away and takes an invisibility glyph from Luz before running off.

Luz finds Amity at the cliff where she and Amity had defeated Grometheus. She opens up to Amity about it being the anniversary of her father's death, and apologizes for how her frustration has affected her actions. After hearing a scream, the two run back to the arena, where they find a mutated Warden Wrath and they work to stop him. After he is reverted back to normal, Luz and Amity return to the cliff, where they tie flowers to a balloon made of abomination goo and set it loose, watching as it flies into the sunset.

After spending the day searching Philip's diary for potential glyph combinations to create a portal to the Human Realm, Luz becomes dejected after every attempt ends in failure. To cheer her up, Eda tells Luz the story of how she first met Raine. Luz, King, and Hooty all fall asleep afterwards.

As the Day of Unity approaches, Eda takes her and King to have her cloak repaired when Prim, her usual seamstress, refuses them service after joining the Oracle Coven. As Prim closes the door on the three, Luz calls Belos a fraud as onlookers become nervous at her slandering the emperor. Eda calms her down and explains how people have been swayed by Belos for half a century and need real proof to change their mind. Luz then spots Hunter and tails him, only for the two to end up in Belos' mind.

Luz wakes up in a hallway lined with portraits as Hunter berates her for trapping them in the emperor's mind as they see a small child in a wooden mask. Luz goes over to him as a shadowy figure resembling Belos approaches them. Hunter bows before him and they are attacked. The two fall through the wall and land in a dead forest. As Luz tries to convince Hunter of Belos' malicious actions, they see the shadowy figure approach them and Luz and Hunter hide in a memory. They see Belos preaching to a crowd about the coven system when "wild witches" attack. The memory continues, revealing the "attack" to have been explosives set off by a Golden Guard, with Belos ordering him to set off the rest. Next, they see Belos and another Golden Guard induct the first witches into the nine covens, and watch as they react negatively to the sigils and are left to die. They then see Belos speaking to the Collector, revealing their plan to kill the inhabitants of the Boiling Isles with a Draining Spell. They watch as past Hunter rushes in, delivering the portal key before quickly leaving. After this, it is revealed, to both Luz and Hunter's horror, that Belos killed all the previous Golden Guards.

After exiting the memories, they see the shadowy figure and work with the child to subdue it. However, it is soon revealed that the child is the Inner Belos. Hunter confronts the Inner Belos, only for Belos to sink him into the ground of his mindscape to kill him. When Luz and Belos are alone, he admits to being a witch hunter and reveals his true identity, Philip Wittebane. Luz is silent with disbelief as Belos mockingly explains how she helped him find the key component in his plan to eradicate the witches and demons of the Boiling Isles. He attacks as Eda, through a walkie-talkie Luz had with her when she entered the emperor's mind, says she can get her out. Hunter bursts from the ground to save Luz, and the two are pulled out of the emperor's mind. In a state of panic, Hunter flees while Luz is too shocked to say anything.

The following morning, Luz tells the others what she learned of Belos as they listen in disbelief. Hooty and King comfort her as Eda tells them Belos will come after them after knowing Luz was in his mind. Soon, Lilith arrives, having been informed of the current events by Hooty, and Hooty coughs up a letter to King from his potential family containing a key. Upon hearing this, Luz suggests she, King, and Hooty set out to try and get them to help stop the Day of Unity. Eda agrees and the three set out.

The three set sail with Salty and reach their destination, the finger of a different titan. She, King, and Hooty head for land. They find a key hole and, upon putting the key on it, the three are teleported to a far away island. The trio is greeted by a demon resembling King who introduces himself as Tarak. Tarak explains how he is part of a group called the Titan Trappers and explains their mission to eradicate the titans to free their god, the Grand Huntsman. Tarak drops Luz and Hooty off to speak with their leader, Bill, as King bonds with the Titan Trappers. As she tries to convince Bill to help them take on Belos, Bill dismisses their request as Belos is too far to be a threat and states the titans are a greater threat. He describes titans in detail and Luz becomes concerned as the description sounds like King. Bill removes the skin of his hand, revealing a humanoid hand underneath. Soon, Hooty, who has been scouting out halls, tells Luz to come with him.

Hooty leads her to a room filled with skulls resembling King's and they see a disk just like the one that Philip dug up. Luz then realizes that King is a titan, and that the Titan Trappers worship the Collector, so they hurry off to warn King. However, Bill figures it out as well before they can get to King, and he plans to sacrifice King by disguising it as an initiation ritual. She and Hooty manage to save King at the last minute and inform him he is the last titan. They make their way to where they arrived and teleport back to the finger before destroying it to prevent the Titan Trappers from following them. Luz and Hooty consul King before going back to the ship and sailing home.

Upon returning to Bonesborough, Luz and the others notice themselves on wanted posters with large bounties and move in secret back to the Owl House. However, when they arrive, they find coven scouts leaving with the last of their belongings. They head inside to find a hidden note telling them to go to The Knee. Upon arriving, they end up in a trap set by Eda and Lilith. The three tell the sisters what they experienced while they were out and reveal that King is the last titan. After noticing King is depressed, Luz suggests raiding the warehouse where their belongings are to find Francois, King's favorite toy.

Along the way, Eda tries to talk her out of it to no avail. When they arrive, they dress as scouts and Luz searches for the toy, Eda goes off on her own after telling her to find a box labeled "Eda's longest toenails". She manages to find Francois, but overhears Eda begging Raine to get her and King away before the Day of Unity. Luz becomes furious as Eda explains that it is for her own safety. A fight breaks out that draws the attention of the scouts and the two are arrested. As they are in a cell together, Luz berates Eda for wanting to send her and King away as Eda reveals they have no plan or team to stop the Draining Spell and the two are placed in separate carriages. Luz cries out for Eda as she is taken away.

When the carriage stops, Luz jumps out ready for a fight, only to be restrained by Darius Deamonne and freed by Eberwolf. She looks around and sees Eda, King, Lilith, Hooty, Steve, Katya, Derwin, and Amber. Eda explains that everyone present was suspicious of the Day of Unity and have formed a group, the Covens Against the Throne, to stop it. After going to their headquarters in Latissa, Eda presents Luz with a box labeled "Eda's longest toenails" and, upon evening, is surprised to see the palistrom wood in it. Eda hands Luz a knife and they begin carving her palisman.

In the morning, Luz sits in during a meeting with the CATs as they decide the best way to stop the Draining Spell is to use Eda's curse to disrupt the spell by having her sneak into the ceremony masquerading as Raine and be branded with a bard sigil, to which Eda agrees. After the meeting, Eda gives Luz her newly carved palisman, an egg, and Luz explains she wanted her palisman to choose their own form. She questions if Eda is really okay with the plan, to which Eda says not really but she thinks it is the best chance they have at stopping the Draining Spell. As they get ready to head out, Luz and King hug Eda goodbye and she makes Raine promise to watch out for Eda.

After Katya drops off Luz to free Amity, who has been grounded by her parents, she is surprised to meet up with Willow, Gus, and Hunter. When she almost says Hunter is a grimwalker, he interrupts her. Hunter pulls her aside and explains how he does not want others to know what he is just yet, likening his feelings to Luz not wanting the others to know how she helped Philip to meet the Collector. The five go to Blight Manor and take out the guards. Luz then goes to Amity's room where she hears Amity say she will not let the world end before they go on a real date. When Luz makes herself noticed, the girls embrace and Luz promises to take Amity on a real date after all this is over, to which Amity kisses her. After both girls are startled by the kiss, Luz reveals she brought back up and they, along with the twins, go to the Blight's factory.

At the factory, the twins and King separate from the main group with Gus disguising himself, Luz, Amity, Willow, and Hunter as Coven Scouts as they look for Amity's parents. However, they are spotted when Kikimora recognizes Hunter's voice. The five are restrained and put in a force field by Amity's mother. After Amity seemingly breaks the force field, Amity's father arrives with King to reveal he freed them and tells his wife about the Draining Spell, only for her to reveal she already knew and did not care what the outcome was going to be, believing that their family will be spared and gain a higher status. A fight breaks out and Luz has Gus switch her and Hunter's appearances. After

Kikimora grabs her, thinking she is Hunter, she flies off and Luz readies herself to face Belos.

Upon being delivered to Belos, Kikimora asks to be his new second-in-command, to which Belos replies that she should find a hole to die in. After Kikimora leaves, Belos reveals he knows Kikimora brought him Luz rather than Hunter. Luz fights Belos in an attempt to stop the Draining Spell, however, he soon subdues her and says he has her best intentions at heart as a fellow human and does not want another soul corrupted by the Demon Realm. As Luz continues to fight, he starts to petrify her as she notices a branding glove and forms a plan.

Luz pretends to offer to be Belos' modern day guide as not many people would believe him. After insulting his wardrobe, Belos tosses her to the table where the glove is and, as the petrifaction is almost complete, Belos agrees to Luz's proposal. She insists they shake on it and, using an invisibility glyph to hide the glove, brands Belos with coven sigil and orders him to stop the Draining Spell. However, Belos transforms into a sludge monster and attacks her. Fortunately, Amity, Willow, Gus, and Hunter arrive to help her fight Belos. Unfortunately, despite their best efforts, the five are out matched by the monstrous Belos who manages to overpower their attempts to subdue him. During the struggle, one of Belos' attacks manages to inflict a small yet permanent vertical-shaped scar through Luz's left eyebrow, before backing her and her friends into a corner.

Before Belos can deliver the final blow, he is stopped by the Collector and she and the others watch in stock as Belos is flattened against the wall. As the Collector approaches them, King appears and convinces him to stop the Draining Spell. After he does so, the Collector insists they play "owl house" and begins to deconstruct the skull. As her friends cross through the portal to the Human Realm, Luz insists she stay behind to help to take care of the Collector, however, King insists she go and, after thanking her for being his big sister, he blasts her and her friends through the portal. Luz runs over to help, but the portal closes. Separated from their loved ones, Luz takes her friend to her house where her mother tearfully embraces her.

Luz and her friends go inside and have soup. After dinner, she gets band-aids from the bathroom and Hunter comes over to her to thank her for not telling the others what he is. After Luz expresses her fears of how the others would react if they found out she made the Draining Spell possible, Hunter says they would react the same as finding out he was made from a possible witch hunter. The two decide to keep their secrets for the time being before joining the others in explaining the current state of the Demon Realm. After she and Vee help get Amity and Willow settled in her room and her mother gets Gus and Hunter settled in the basement. Luz asks her mother why she is not mad. Her mother says she is just happy Luz is home as Luz blames herself for getting her friends stranded on Earth.

The following morning, Luz and her friends start working on a portal. However, they spend months on the attempt with all tries ending in failure and Luz blames herself. Within these months, Luz comes out as bisexual to her mother and reveals she and Amity are dating, much to her mother's joy. She would help her friends adapt to the Human Realm and show them the joys of her home. Luz also waits patiently for her palisman to hatch, but it does not. She also draws various drawings of Eda and King, missing them deeply, and glyphs in her spare time, only to discard them when they fail to work.

In addition, by late Fall, the school year resumes and Luz resumes classes at Gravesfield High, where she is once again ostracized by the other students and by members of the faculty due to her previous disruptions before the Summer. Nearing Halloween, Luz is in English class, being taught by Mr. Sandoval, who discusses a book with a protagonist whose trials are similar to hers. During the discussion, she uses the protagonist in place of herself when unintentionally letting out her frustrations and says it would be better if "the protagonist" did not exist, much to the confusion of her teacher and classmates. Following class, when she is at her locker, two transfer students come up to her and give her a flyer for the Gravesfield Halloween Festival. That night, having trouble sleeping, she goes to her mother's room and spends the night with her and her palisman, unknowingly waking Amity and dropping the flyer for the Halloween festival.

The following day, Luz helps Camila out at the veterinarian clinic and puts her egg under a heat lamp, hoping it would help it hatch. Shortly before they head out, Luz touches a glyph and it starts to burn slightly. When Luz and her mother arrive home, Hunter tells her he saw Belos and the pair search the old house to find only a possum. They conclude Belos is not there, but Luz promises Hunter she will keep him safe, saying that he is family now, and they head back to her house. The others are working on their Halloween costumes and Amity suggests she and Luz go as Hecate and Azura respectively. Luz accepts as an Azura movie plays on the television and she focuses on the character of Lucy, who betrays the protagonists, causing Luz to worry about how her friends would react if they found out she helped Belos. That night, Luz records a video diary stating that she intends to stay on the Human Realm after getting her friends back home, deciding to tell them after the festival.

At the Halloween festival, Luz and her friends enjoy the attractions and, after going on the haunted hayride, are surprised to hear the legend of Philip and Caleb Wittebane. After the ride, Hunter pulls her aside to say he just saw Belos and reveals the others found a rebus that possibly led to Titan's Blood. Hunter has Flapjack get the rebus and the two set out. Luz gets separated from Hunter and, after remembering what happened at the clinic, she takes out a light glyph and is surprised it works, albeit weakened. After realizing she can use glyphs to track the blood, she uses more light glyphs and follows where they burn brightest.

After coming to an old graveyard in the middle of a lake, she uses an ice glyph to get to the island and finds Hunter. He asks her to help him find the blood and, after she finds Flapjack hiding behind a headstone, she realizes something is off and turns around to discover that Hunter is possessed by Belos. She fires war shots as her friends, her mother, and Vee arrive. As they spot them, Belos reveals she helped him meet the Collector and attacks. Luz and her friends try to free Hunter, but their attempts are in vain. Belos then grabs Flapjack and attempts to crush him. However, Hunter regains some control and an injured Flapjack flies away. After Hunter throws the blood in the lake, Belos jumps after it and the two lose consciousness. Her mother saves Hunter as Belos leaves his body, smashes the blood on an arch, and goes to the Demon Realm. As the others try to get cell service to call a doctor, Luz reveals that Hunter is a grimwalker.

They watch as Flapjack sacrifices himself for Hunter and, after Hunter comes to, he says he knows about Flapjack's sacrifice. When Amity asks about Luz helping Belos find the Collector, Luz reluctantly reveals that she helped Belos meet the Collector. After she tells them, her friends say they do not hold her accountable and say Belos tricked her. As the portal closes, Luz and everyone, except for Vee, go through it to the Demon Realm. She and her mother walk through the portal hand in hand just as it closes.

Luz emerges in the In Between Realm and sees a figure in the distance. As she tries to focus on them, Amity pulls Luz through the portal just as it closes and says they almost thought she was left behind. Hunter tells them to keep moving. As the others are happy to be back in the Demon Realm, her mother compliments the scenery until she sees the Titan's skull and screams. After everyone tells her the skull is normal and moves on, Camila tries to force herself to like the Boiling Isles as Luz calls her bluff and says she still intends to stay in the Human Realm when all this is over.

After making their way to the Owl House, Luz goes to Eda's room and sits in her nest with her egg. Amity soon walks in with a framed picture of her, Eda, King, and Hooty in matching sweaters and they talk. As Luz says she wants to be a witch and help her friends- but doing one messes with the other, Amity tells her how she first bonded with Ghost by being honest about her intentions and wants. As Amity says they will find Eda and King, Hunter says he saw them flying overhead on a star-shaped platform.

Luz flies with Gus as they follow the star to Bonesborough. When they land, they find the town deserted and narrowly avoid a wave of sparkles. Soon, puppets of the town's residents arrive and start to run around. Soon "Eda" appears in her owl beast form and rampages through town. Before she can catch someone, King and the Collector appear and "defeat" "Eda" with a light spell. However, "Eda" is revealed to be Terra Snapdragon in a costume and, after the head witch angers the Collector, they watch as he turns her into a puppet. After King speaks with the Collector, the pair and the puppets leave as Luz tries to speak with King. After deciding they should go to the Archive House, the group is spotted by Skara, Barcus, and Mattholomule.

As the nine walk, Skara and Mattholomule explain what has happened since the Day of Unity. After arriving at Hexside, Luz and the others are shocked by the state the school is in. After learning that Boscha has taken control of the school in the absence of adults, Luz tries to get her to help them reach the Head, but with advice from Boscha's advisor Miki, she rejects them and kicks them out of the gym. As Mattholomule explains the difficulties since Boscha took power, Luz remembers Belos using a teleportation glyph to travel to the Head and they head to the photo lab. After Willows leaves upon Hunter reacting negatively to a photo of him and Flapjack she shows him, Hunter and Gus go after her as Boscha arrives with Sleeping Nettle to knock them out, Miki reveals herself to be Kikimora as Luz and her companions pass out.

The group awakens within the Detention Pit and Kikimora jumps down in her Abomatron to finish them off. After Camila fumbles with an ice glyph, she and Luz get separated from Amity and Mattholomule. Luz uses an invisibility glyph to escape with her mother and they hide after making it outside. As they hide, Luz laments that she has messed things up too much as her mother says messing up is a part of life and lists all the mistakes she did. After her mother apologizes for not standing up for Luz and seeing her as she is, Luz finally realizes what she really wanted was to be understood. Upon realizing this, her palisman hatches and forms a glowing orb on a staff. However, Kikimora finds them.

Luz and her mother meet up with Willow, Gus, and Hunter and the three fight Kikimora as Luz draws the glyph pattern. Soon, Amity arrives with the students of Hexside and they take on Kikimora as Amity, Willow, and Gus help her with the glyph combination. They complete it just in time and make it to the Head. As the others are happy with their success, Luz introduces them to her palisman, Stringbean. As Luz watches Stringbean play with the other palismen, Luz and Amity joke that Eda King, and Hooty might eat her. Unbeknownst to them, the Collector and Belos, possessing Raine, watch them from afar.

Suddenly, the platform they are on begins to shake. Luz watches as her mother and friends are pulled away, and she passes out. A figure tells her to wake up, and Luz finds herself and Stringbean in the Emperor's Castle's throne room, dressed like the Emperor. She exits the castle and encounters Amity outside, who accuses her of making everything worse. Luz tries to defend herself verbally, but Amity attacks. Luz runs inside and finds herself in a forest with Willow, who accuses Luz of giving her false hope for the future before attacking her. Luz flees and finds herself on a stage with Gus in front of Hexside students who accuse her of destroying their families. She backs off the stage and finds herself on a bridge with Hunter, who expresses his anger that she got a palisman just as he lost his. Amity, Willow, and Gus soon appear and prepare to attack. Terrified, Luz tries to reason with them, but realizes none of it is real when Amity says "witches battle" rather than "witches duel". However, Luz snaps her friends out of it, and they are quickly pulled away, but not before Amity hands her a light glyph. Luz activates it and wakes up.

Upon waking, she sees Eda and King being tormented by puppets, and she wakes them with light glyphs. After freeing them, Luz, Eda, and King happily embrace each other, and she introduces them to Stringbean. However, their reunion is interrupted when the Collector appears and forces them to play games.

As they play games, Luz and her friends fight for their lives and manage to survive. Eventually, the Collector breaks down in tears and reveals that his siblings told him to come to their planet, where he befriended the baby titans. However, his siblings started attacking the titans, and their father accused him of hurting them and imprisoned him. He laments never having a friend who didn't betray him and comments on how close Luz and the others are. They explain that they were not like that at first and show the Collector how they grew close.

Luz, Eda, and King take the Collector to The Owl House, where they say they all first met as a group. After explaining that they grew close after learning they fit in nowhere else, Luz shows the Collector pictures of her past adventures, and after seeing a picture of grudgby, they take him to Hexside. As Eda reminisces about her history with the game, the Collector tries to befriend a few students but frightens them away. They then take him to The Knee and explain how she learned to connect to the Isles. As they reveal that they befriended enemies through kindness and forgiveness, the Collector hears something, and they see the skull's eye sockets light up, revealing that Belos has taken possession of the Titan.

As they reach the castle, they see Belos, now having taken a large monstrous form, emerging from it. When the Collector tries and fails to get Belos to change his ways, Luz defends him but dies in the process. Her death causes Eda and King to gain strength through a fit of rage.

Luz goes to the In-Between Realm and speaks with King's father. Shocked to be talking to the Titan, Luz listens as he reveals he's been watching King all this time. Luz confesses she was hoping Belos would die at the Collector's hand, and King's father admits he regrets imprisoning the Collector on false accusations. Luz asks if they are as bad as Belos, but King's father says Belos is pretending to be the hero of his own story to fit his agenda. Soon, King's father starts to fade and gives Luz the last of his magic, warning that it's temporary. Luz is reluctant at first, but accepts it. She asks if he has anything to say to King, and he tells her.

Luz returns to the land of the living with a new human-titan fusion form, and she, Eda, and King take on Belos as the Collector helps her friends in the Archives. Luz, Eda, and King combine their powers to counter the corrosion Belos has placed on the Isles. As they fight, they see the left arm rising. The three make their way to the throne room, and after Eda frees Raine, the four attempt to pry Belos off of the heart. As the others hold him off, an enraged Luz pulls Belos off of the heart, and his corrosion upon the Isles ends.

While her friends emerge from the remains of the deteriorating moss and quietly take relief in their victory, Luz solemnly goes to the debris of the demolished castle's throne room to confront what remains of Belos. Upon arriving, Luz watches as the last small pile of Belos' cursed flesh morphs into his younger appearance as Philip Wittebane from their meeting in the Deadwardian Era, before listening as he feigns remorse for his evil deeds, claiming that he was under the influence a curse that she freed him from. Luz, however, no longer susceptible to his manipulations, sees through the facade and only stares at her former murderer in hateful disgust. While "Philip" continues his attempts to deceive her, Luz uses the last of her Titan powers to silently summon a small pour of boiling rain, which quickly begins melting away Belos' body and revealing his true form, while Luz herself remains untouched thanks to the Titan's magic.

With the rain painfully dissolving his body, Belos, in desperation, urges Luz to save him and make peace, but she remains unmoved by his pleas and only looks down on him in contempt. Enraged by her disgust of him, Belos drops the facade before being reduced to a decaying, muddy skeleton, using the last of his strength to furiously crawl over to Luz, all the while pathetically demanding that she spare him and hypocritically ranting that otherwise she'll be just as "bad, conniving, evil and unforgivable" as the witches she loves.

With his body almost completely dissolved by the time he reaches her feet, the fallen tyrant grabs hold of her left leg and makes one final plea for mercy, stating that they, as humans, are better than this. Luz, not even bothering to acknowledge his petty words, remains silent and simply steps back to leave him to his fate. As she impassively looks down on him in contempt, Raine, Eda, and King protected underneath a leaf, arrive on the scene from behind her, with Luz watching on as she lets the trio stomp Belos to death as punishment for his many atrocities upon their world, ending the evil emperor and his threat to the Boiling Isles for good.

With Belos finally defeated, Eda, King, and Raine watch in astonishment as Luz floats into the air and returns to her original form, as the Titan's spirit leaves her body before moving on to the afterlife. This, however, leaves her to fall from the air, but is swiftly caught by Eda and King, who all lie down together on the grass in exhaustion and relief. Upon regaining her senses, Luz whispers into King's ear the message his father asked her to give him: "I loaf you", much to his joy and the three's mutual laughter. With relief, Luz then takes in and expresses to her found the family the realization that despite everything they faced, the ordeal against Belos is now over, and that they managed to stick together as they promised to do. Following this, the three, relaxed and tired from the battle, fall asleep beside one another, as Raine happily watches on nearby.

Sometime later, the group returns to the Owl House with Raine, whereupon they are reunited with the Collector, Lilith, Amity, and Camila, with Luz happily embracing and sharing a passionate kiss with her beloved girlfriend, before joyfully hugging her mother in celebration. Luz then watches as King and a nervous Eda finally introduce themselves to Camila, which results in her happily pulling them both and Luz into a warm hug, much to her daughter's happiness. The group then watches as the Collector conjures forth the collected Hooty, before restoring him to normal. Once revived, Hooty and Lilith share an overjoyed embrace with each other, with Luz pulling her mother and Amity into a tearful hug at the sight of it, though seemingly oblivious to their respective discomfort over the house demon's bizarre manner of affection.

As her loved ones continue to associate and reunite, Luz steps outside where she solemnly taps one of her paper glyphs. Unfortunately, nothing happens as she recognizes that with the Titan's spirit having finally moved on there is no longer a magic source to power the glyphs. Though saddened that she can no longer use glyphs to cast magic, Luz remains undeterred in her desire to become a witch, with her letting the paper glyph fly off into the wind as a sign of her acceptance and excitement over the new chapter of her life. As the glyph flies off into the air, Luz is brought her hat by Stringbean, who proceeds to cuddle her cheek before transforming into her staff form, with Luz holding her beloved palisman as she gazes off into the horizon, determined to face her new future.

Shortly following her triumph over Belos, the Collector, before their return to the stars, created for Luz a brand new portal door connecting the Owl House to the abandoned house in Gravesfield, allowing Luz and her mother to return to the Human Realm. At some point following this, Camila would purchase the abandoned property, allowing Luz direct access to the portal whenever she wanted. Over the next four years, Luz utilizes this door to travel between realms, allowing her to continue school in the Human Realm while also being able to see her loved ones in the Demon Realm. During these years, Luz takes part in helping repair the damage done to the Isles' infrastructure, though this would come at the cost of being able to celebrate her 15th, 16th, and 17th birthdays.

At some point following her return to the Human Realm, Luz would gain Vee as a classmate at Gravesfield High. Despite this, high school would remain difficult for Luz, as she presumably continued to face the same challenges she did before. However, the comfort and support she received from her loved ones in the Demon Realm helped her get through them much easier than before. Additionally, Luz would continue her relationship with Amity over the next four years, with them having multiple dates in both the Human and Demon Realms, including attending a Grom dance together alongside their friends.

At some point during her final year of high school, Luz is awarded the Gravesfield Writing Scholarship. Shortly afterward, she and Vee both graduate from Gravesfield High together, with both of them happily embracing each other during their school's graduation ceremony. Following this, Luz enrolls herself and is accepted into the University of Wild Magic in the Demon Realm, of which Eda had become the headmaster of.

On the late afternoon of her eighteenth birthday, Luz finishes emptying out her room and packing up her belongings for college when her mother arrives to check up on her. During their conversation, Camila expresses both pride and disbelief that her daughter was soon to attend college, before being surprised when an ecstatic Luz reveals that she had selected all of the university's majors as her own. Later that night, Camila and Vee escort Luz back to the Boilings Isles where she is shocked to find all her friends and loved ones surprising her with a belated quinceañera, in gratitude for her forgoing her previous three birthdays to help rebuild the Isles, with her girlfriend embracing her along with a celebratory kiss on the cheek.

After the initial surprise, Luz is amazed to discover that, due to King's growing powers, glyph magic can be utilized again, though different from before. Shortly after, she and everyone else watch a light show in the sky created by the Collector as a birthday present for Luz before continuing on their journey. As they watch the show in wonder and amazement, Luz holds hands with Amity, before emotionally thanking Eda and King for everything they had done for her as the three once more swear their bond as fellow "weirdos", much to Luz's tearful joy. Upon noticing, the light show is almost over and the Collector is soon to leave, Luz leads the others in waving goodbye to the star child as they make their departure, in gratitude for the stunning display.

When it was done we were shocked!

Me: So it went from a camping trip that inadvertantly went to the Boiling Isles.

Felicia Wittebane: Which lead to a fight with my ancestor

Nico: Funny how camping trips lead to that.

Me: Yeah.

Luz Noceda: But it was awesome and it lead to me meeting Amity my sweet potato.

They then hugged and kissed.

Luna Loud: You're not alone, dudes!

Sam S.L.: YEAH!

Izzy (Dino Fury): Yeah!

Me: Yep. And if anyone has a problem with relationships like Luna and Luz's or Izzy's then they can go fuck themselves!

Nico: Exactly!

Qin: Yeah!

Lyra Heartstrings: That is for sure! Me and Sweetie Drops are like that too.

Sweetie Drops: It's true.

Me: Yep.

Luz Noceda: Cool.

Me: Yep.

Cassidy: I agree too.

Me: Yeah.

Horsea: Cassidy, tell us if you need anything.

Cassidy: I will guys. (CRYING) Just new ice cream!

Me: It's okay guys. It's natural. Mood swings.

I gave her ice cream with gummy worms.

Me: She's not getting sad on purpose. It's natural.

Cassidy: Sorry guys.

Me: It's okay.

Lincoln: Okay, gang, we're in for one really brutal battle: we're here in Maretime Bay for Cassidy's baby shower, but here's the brutal part that you're not going to like, Jordan. I'd gotten word from your parents that SHE is back!

GIRL JORDAN GASPED IN HORROR AND HER JAW DROPPED TO THE FLOOR!

CLANG!

Me: Uh oh!

Lincoln shut her jaw.

Girl Jordan: She?! As in Maya Rosato?! She SHE?! Oh God, not her, I thought I would never have to see her again, same with Mom and Dad!

Me: Whoa! This is serious!

Nico: Big time. Lincoln, you know her?

Lincoln: I wish I hadn't. Maya Rosato is Girl Jordan's enemy, and she's her estranged sister, and the reason why I say she's estranged is because she's the Black Sheep of the Family: her forgotten sister.

Me: I didn't know she had a forgotten sister.

Eli: What did she do?

Lincoln: You're not going to like it. Maya was an absolute monster: an amalgamation of the Dark Sides of Lori, Lynn, Lola, Lisa, and Luan combined, and she terrorized her parents and Girl Jordan for years.

We gasped!

Me: Damn!

Eli: Uh oh!

Nico: Oh God, what a bitch!

Lincoln: It gets even worse than that, while Girl Jordan had feelings for me, Maya despised me with a blazing passion and tried numerous times to kill me and Girl Jordan to slake her thirst for blood. I absolutely despised her so much, and here's the part where she finally got kicked out of the family: a week before J.D. moved here to Michigan, Maya tried to kill me and Girl Jordan with a massive array of bombs, but it was also going to destroy all of Royal Woods and turn Michigan into a barren wasteland. Plus, Selene Arcangela told me that Maya also had the added help of Lori, Lynn, Lola, Lisa, and Luan, and they were going to kidnap me and Girl Jordan and drag us into the field where Maya had the bombs set up.

Anna Anyanova: But, the kidnapping plot failed when the rest of the Guardian Angels and I beat those five up badly and tied them up, then, we went after Maya who'd triggered the bombs to detonate, but we disarmed the bombs just in time, and we also pulverized Maya hard. Then, we alerted Girl Jordan's parents and told them of what Maya tried to do. They were furious and mega enraged at Maya for that, and it was the last straw. They said they'd had it with her monstrous rampages and terrorizing her sister, them, Lincoln, and all of Royal Woods, and they disowned her and kicked her out of the house, and into the hands of the police, and she was found guilty by the court and she was thrown in The Vault for life with no possibility of parole.

Me: She's a monster!

Sakura Knudson: Just like what we did to Elise fourteen years ago.

Sabrina Lorelai: That's why Maya Rosato forever earned the title The Forgotten Sister of Girl Jordan. And as for Lori, Lynn, Lola, Lisa, and Luan, for assisting Maya Rosato in her scheme, they got grounded and were thrown in a cage for a month like the animals they were.

Sakura Knudson: That's a given after what they did. But, how did Maya Rosato break out?

Helena Knudson: We found out from the Warden about how she broke out of The Vault, it was around the same time that Elise Elexton broke out, and Maya made an alliance with that slimy bitch.

WE GASPED AND WE GROWLED LIKE SAVAGE WOLVES!

Me: That bitch!

Elena Elexton: That stupid monster!

Lincoln: As if Maya couldn't stoop any lower, she just proved us right by allying with Elena's evil sister, and I'm gonna really make Maya pay for it. Since Mr. and Mrs. Rosato and Girl Jordan cut all ties with Maya and disowned her, there's no need to hold back: I'm going to kill her and send her soul to The Black Abyss.

Nico: It'll serve that bitch right.

Suddenly, Lincoln had a premonition, and it's not good: it appears Morgana Midnight Sparkle and her minions have brought back The Five Demon Lords: Hellmaster Fibrizo, Chaos Dragon Garv, Greater Beast Zelas Metallium, Deep Sea Dolphin, and Dynast Grausherra, and that insane she-demon sent them after us.

Lincoln: You've got to be kidding me! Morgana, you little...!

Eli: Lincoln, what is it, is it one of Morgana's minions?

Lincoln: Afraid so, Eli, and it's not good: it appears Morgana Midnight Sparkle and her minions have brought back The Five Demon Lords: Hellmaster Fibrizo, Chaos Dragon Garv, Greater Beast Zelas Metallium, Deep Sea Dolphin, and Dynast Grausherra, and that insane she-demon sent them after us.

Me: WHAT THE FUCK?!

Nico: SAY WHAT?!

Nico's skeleton came out.

Qin: Oh Lord, I can't believe them!

Nico put his skeleton back inside.

Nico: I hate when that happens. So, that insane she-demon brought those five Demon Lords back, Lincoln, I hope you absorb them.

Lincoln: That's what I'm going to do.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could.

Lori: I literally thought we were done with Maya, but it looks like she refused to quit. Plus, you aren't going to like what happened.

Cage Blunt got out a collection of shredded and torn wedding dresses meant for my harem and Lincoln's harem and tuxedos meant for me and Lincoln.

OUR JAWS DROPPED!

CLANG! CLANG!

Eli shut our jaws!

Me: WHAT THE HELL?!

Nico: These clothe have all been torn to shreds!

Lincoln: Those were the wedding dresses meant for our harems and our tuxedos! We had all of them all put in a safe place at Canterlot Cathedral. Who could do something that utterly despicable and disgusting?!

Lincoln pulled up the video on his wrist computer, and he saw who it was that did the dirty deed: it was Maya Rosato, she shredded the dresses my harem and Lincoln's harem and my tuxedo and Lincoln's tuxedo.

Girl Jordan: That goddamn bitch! She's dead when we catch her ass!

Lincoln: Big time.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel

wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more larger in muscle thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them until we finally kill them. (Sensed for Maya Rosato) AHA! Gotcha, Maya! I just spotted Maya Rosato, she's 20 yards away, but she's heading for us right now, and she's still out to kill me and Girl Jordan. (Sensed Hellmaster Fibrizo, Chaos Dragon Garv, Greater Beast Zelas Metallium, Deep Sea Dolphin, and Dynast Grausherra) And I just spotted the next of Morgana's puppets.

Nico: Let's go tear that ugly bitch apart and send her on a one-way trip to The Black Abyss, for what she's done, she's already got herself a one-way trip to a place far worse than Hell.

Linka heard a Pokemon cry.

Linka: Look here!

We saw a Regisky!

Nico: Cool Regisky!

Reign McArthur: (Australian Accent) Bonza! Looks like you and I are gonna get along great.

Linka: Yep. Are you hungry?

Regisky: I sure am.

We gave it apples.

Linka: Wanna come with me?

Regisky: I would like that very much.

Nico: Cool.

Qin: Awesome.

Me: She's gonna come to us.

Girl Jordan: Okay you disgrace to the Rosato name. Come and get me!

We waited and we were ready to destroy Maya Rosato, the forgotten sister of Girl Jordan and Black Sheep of The Rosato Family, along with Hellmaster Fibrizo, Chaos Dragon Garv, Greater Beast Zelas Metallium, Deep Sea Dolphin, and Dynast Grausherra, and send those six to The Black Abyss forever.

We waited and we spotted our target: Maya Rosato, she looks like Girl Jordan except she has wild unkempt brown hair, red eyes of hatred, and she has on an orange prison jumpsuit, and she was out to kill Girl Jordan and Lincoln once again.

Me: Target sighted.

Lincoln: There you are, you monstrous bitch, and this is for what you just did!

Lincoln fired many orbs of ocean blue energy with water and sea dragons from his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings at Maya Rosato, and they hit Maya Rosato and she got drenched badly, and that pissed her off super badly as we landed, and when Maya Rosato saw Lincoln and Girl Jordan, she went absolutely insane with rage.

Girl Jordan: I thought that I was finally done with you forever, Maya, you caused both me, Linky, Mom, Dad, and everyone in Royal Woods nothing but trouble for so many years and your rotten stunt from that day made you the most hated person in Michigan.

Maya Rosato: FUCK YOU, YOU UGLY BITCH!

MAYA ROSATO SPAT AT GIRL JORDAN'S FACE, BUT LINCOLN PUNCHED MAYA ROSATO HARD IN THE FACE AND GAVE HER A REALLY NASTY BLACK EYE!

Then, he cleaned the spit off Girl Jordan's face.

Girl Jordan: Thanks.

Me: You are a disgusting bitch Maya!

Then, she grabbed Maya Rosato by the neck, lifted her up so that way she was looking her in the eye, and then, Girl Jordan snapped, AND THE SHOW WAS ABOUT TO BEGIN!

Girl Jordan: YOU GODDAMN ROTTEN BLACKHEARTED UGLY LITTLE BITCH! I CAN'T EVEN BEGIN TO TELL YOU HOW PISSED OFF I AM AT YOU! EVER SINCE I WAS BORN, I THOUGHT YOU WERE A GOOD SISTER, BUT AS I GREW UP, I BEGAN TO SEE THAT IT WAS NOTHING MORE THAN A GODDAMN ACT! IN FACT, ALL YOU HAVE EVER DONE IS BE A HORRIBLE DESTRUCTIVE RAMPAGING FILTHY ANIMAL AND CAUSE NOTHING BUT TERROR AND DESTRUCTION TO EVERYONE IN YOUR GODDAMN PATH, AND I CAN'T EVEN BEGIN TO DESCRIBE THE TERROR YOU'VE WROUGHT UNTO OUR LIVES! YOU LASHED OUT AT MOM AND DAD FOR NOT GETTING WHAT YOU WANT, DESTROYED MANY VALUABLES AROUND THE HOUSE, AND YOU EVEN BULLIED AND TORTURED ME MANY TIMES BY WRECKING MY ROOM, SHREDDING MY CLOTHES, AND YOU EVEN SHAVED MY HEAD OFF THAT ONE TIME!

WE GASPED!

Me: WHOA MAN!

Nico: SHE DID WHAT?!

Luna showed the photo to Nico, and he freaked out horribly and he barfed on Maya Rosato!

Me: OH SICK!

Maya Rosato: (SHRIEKS) MONKEY VOMIT! YOU'RE FUCKING DEAD, YOU HEAR ME! DEAD!

Lincoln: WHY DON'T YOU SHUT UP, YOU BLACKHEARTED BITCH!

LINCOLN FIRED LIGHTNING BLASTS AT MAYA ROSATO AND ELECTROCUTED HER BAD!

Me: Yeah you better be ready! Lets get her girls! Rainbooms lets Shine Like Rainbows!

WE CHEERED!

Me: HIT IT GIRLS!

Pinkie Pie: 1! 2! 3! 4!

When I look at you
I see the story in your eyes
When we're dancing
The night begins to shine
Night begins to shine
The night begins to shine
Night begins to shine
When we're dancing
The night begins to shine
Talk 'til dawn
My heart was racing
I took you home
In the driving rain
Had my mind made up
I wanna feel your touch
When I look at you

I see the story in your eyes
When we're dancing
The night begins to shine
The night begins to shine

Nico: OH YEAH!

Megan McCallister: Way to go girls!

Lincoln: Feel the strength of the lightning!

(THE MYSTICS DREAM BY LORENNA MCKENNITT PLAYS)

The Aurora formed above us and it was beautiful.

Lincoln: (SINGING DIVINELY AS LIGHTNING SWIRLED AROUND HIM)

A clouded dream on an earthly night

Hangs upon the crescent moon

A voiceless song in an ageless light
Sings at the coming dawn
Birds in flight are calling there
Where the heart moves the stones
It's there that my heart is calling
All for, for the love of you
A painting hangs on an ivy wall
Nestled in the emerald moss
The eyes declare a truce of trust
And then it draws me far away
Where deep in the desert twilight
Sand melts in pools of the sky
When darkness lays her crimson cloak
Your lamps will call me home
And so it's there my homage's due
Clutched by the still of the night
And now I feel you move
And every breath, breath is full
So it's there my homage's due
Clutched by the still of the night

Even the distance feels so near

All for, for the love of you

A clouded dream on an earthly night

Hangs upon the crescent moon

A voiceless song in an ageless light

Sings at the coming dawn

Birds in flight are calling there

Where the heart moves the stones

It's there that my heart is longing for

All for, for the love of you

LIGHTNING STORMS AND RAINSTORMS FORMED AND DRENCHED US

Girl Jordan: (SINGING DIVINELY AS LIGHTNING STRUCK AND RAIN POURED)

I feel it

It's coming

Rain

Feel it on my finger tips, hear it on my window pane

Your love's coming down like

Rain

Wash away my sorrow, take away my pain

Your love's coming down like

Rain

When your lips are burning mine

And you take the time to tell me how you feel

When you listen to my words

And I know you've heard, I know it's real

Rain is what this thunder brings

For the first time I can hear my heart sing

Call me a fool but I know I'm not

I'm gonna stand out here on the mountain top

Till I feel your

Rain

Feel it on my finger tips, hear it on my window pane

Your love's coming down like

Rain

Wash away my sorrow, take away my pain

Your love's coming down like

Rain

When you looked into my eyes, and you said goodbye

Could you see my tears

When I turned the other way

Did you hear me say

I'd wait for all the dark clouds bursting in a perfect sky

You promised me when you said goodbye

That you'd return when the storm was done

And now I'll wait for the light, I'll wait for the sun

Till I feel your

Rain

Feel it on my finger tips, hear it on my window pane

Your love's coming down like

Rain

Wash away my sorrow, take away my pain

Your love's coming down like

Here comes the sun, here comes the sun

And I say never go away

Waiting is the hardest thing

I tell myself that if I believe in you

In the dream of you

With all my heart and all my soul

That by sheer force of will

I will raise you from the ground

And without a sound you'll appear

And surrender to me

To love

Rain is what the thunder brings

For the first time I can hear my heart sing

Call me a fool but I know I'm not

I'm gonna stand out here on the mountain top

Till I feel your

Rain

I feel it

(MAJOR TOM (COMING HOME) BY PETER SCHILLING PLAYS)

Stars and spaceships formed above us.

Lisa Loud: (SINGING DIVINELY AS SPACESHIPS AND STARS SWIRLED AROUND HER)

Standing there alone, the ship is waiting

All systems are go, "Are you sure?"

Control is not convinced, but the computer

Has the evidence, no need to abort

The countdown starts

Watching in a trance, the crew is certain

Nothing left to chance, all is working

Trying to relax up in the capsule

"Send me up a drink," jokes Major Tom

The count goes on

Four, three, two, one

Earth below us, drifting, falling

Floating weightless, calling, calling home

Second stage is cut, we're now in orbit

Stabilizers up, running perfect

Starting to collect requested data

"What will it affect when all is done?"

Thinks Major Tom

Back at Ground Control, there is a problem
"Go to rockets full," not responding
"Hello, Major Tom, are you receiving?
Turn the thrusters on, we're standing by"
There's no reply
Four, three, two, one
Earth below us, drifting, falling
Floating weightless, calling, calling home
Across the stratosphere, a final message
"Give my wife my love," then nothing more
Far beneath the ship the world is mourning
They don't realize he's alive
No one understands, but Major Tom sees
"Now the light commands, this is my home
I'm coming home"
Earth below us, drifting, falling
Floating weightless, coming home
Earth below us, drifting, falling
Floating weightless, coming home
Earth below us, drifting, falling

Floating weightless, coming, coming home

You'd better believe I'm coming

You'd better believe what I say

You'd better hold on to your promises, because

You bet you'll get what you deserve

She's going to leave him over

She's going take her love away

So much for your eternal vows

Well it does not matter anyway

Why can't you stay

Here awhile

Stay here awhile

Stay with me

'Cause tearing them out is just not right

Why can't you stay here awhile

Lincoln: And there's no use hiding, Hellmaster Fibrizo, Chaos Dragon Garv, Greater Beast Zelas Metallium, Deep Sea Dolphin, and Dynast Grausherra, you better get out here right now.

We then saw our secondary targets: Hellmaster Fibrizo, Chaos Dragon Garv, Greater Beast Zelas Metallium, Deep Sea Dolphin, and Dynast Grausherra, and they have the demonic Alicorn on their foreheads.

Hellmaster Fibrizo: You goddamn mortals, you ruined my plan to awaken our master and destroy the world! You will all die for this! No one makes a mockery of us and gets away with it!

Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers and he stabbed them into the chests of Hellmaster Fibrizo, Chaos Dragon Garv, Greater Beast Zelas Metallium, Deep Sea Dolphin, and Dynast Grausherra, and he began absorbing them, and he and all of us assimilated Hellmaster Fibrizo's Incredible demonic powers, Enormous control of Black magic, Control over Death and departed souls, Genius-level intelligence, and skills in Manipulation and Deception, Chaos Dragon Garv's Immense demonic powers, Magic, and Pyrokinesis, Greater Beast Zelas Metallium's Immense demonic powers, Enormous mastery of Black magic, Control over monsters, and Devastating Energy blasts, Deep Sea Dolphin's Immense demonic Powers, Enormous mastery of Black Magic, and Control over water, sea and sea monsters, and Dynast Grausherra's Immense demonic powers, Black magic, Cryokinesis, Electrokinesis, Exceptional physical strength and skills with weapons, and Genius-level intelligence, and his rainbow energy aura and immense rainbow protective aura flared up extremely and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

When Lincoln was done, nothing's left of Hellmaster Fibrizo, Chaos Dragon Garv, Greater Beast Zelas Metallium, Deep Sea Dolphin, and Dynast Grausherra, and he sent their souls to The Black Abyss.

Then, Lincoln, Leeli, and Girl Jordan attacked Maya Rosato as each of them dealt blow after blow of punches and roundhouse kicks at Maya Rosato, and it really hurt her mega badly.

Maya Rosato: DAMN YOU! DAMN YOU ALL! I'LL RIP YOUR HEADS OFF AND YOU ARE ALL GOING TO GO TO HELL WITH ME!

Suddenly, Lincoln's five sets of massive white angel wings spread out as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Maya Rosato, and we found ourselves in Heaven.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Maya Rosato's stomach and a cluster of flames exploded out behind her, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 8'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln stabbed his massive greatsword into the headless Maya Rosato's stomach, and then, the large embedded gems glowed and Maya Rosato's body was set on fire with her body bursting into rainbow flames as she let out a horrific shriek of pain and agony, as her body was burned and turned to ashes, and when her spirit appeared, she was seized by the spirits of her victims who found her guilty and she was consumed by the black flames of The Black Abyss.

?: Aw man, looks like I missed out on the fight.

Suddenly, we saw a girl appear: she has long dark blue hair, blue eyes, the symbol of The Orphnochs on her forehead and skirt, the symbol of the Faiz Kamen Riders on her right arm, black fingerless gloves, black angel wings, black clothes, and she has the Faiz Edge in her right hand and a massive darkness greatsword holstered on her back.

Lincoln: (GASPS) Maria Orphnoch, Avatar and Queen of the Orphnochs.

Me: No way!

Nico: Whoa!

Selene Arcangela: I knew you would show up, everyone, this is Maria Orphnoch, Avatar and Queen of the Orphnochs, she's Lincoln's Guardian Angel from Michigan and she's a deadly and powerful master of dark blue fire and darkness, and she's the twin sister of Otami Orphnoch, and she's also immortal and a deadly force of good. Just like her sister, Otami, Maria was stabbed in the heart, and she was about to be turned into an Orphnoch. But, as a result, because of an unexpected side effect, she absorbed the Orphnoch that stabbed her and she turned into The Queen of the Orphnochs. Maria trained Lincoln in using the powers of dark blue fire, darkness, and the powers of the Orphnochs. Lincoln made her a powerful dark greatsword, and to show her thanks, she kissed Lincoln on the lips, and as a result, he promised that when he comes of age, Lincoln will marry her along with the rest of her harem, and she kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies in line with the threat of getting beaten to death and getting burned, and just like Otami, she absolutely despises that douchebag monster asshole excuse for a rider, Masato Kusaka, with a bloody vengeance, and like Otami, Maria is 100,000,000,000 times more powerful than all the Orphnochs combined, and she and Otami both vowed to kill Masato Kusaka and turn him into the very thing he hates the most: an Orphnoch slave.

Me: Whoa, so I'm not the only one who despises that douchebag monster excuse for a rider?

Lincoln: That's right, I also despise Masato with a blazing passion, and like Maria and her sister, I also mastered the powers of dark blue fire, darkness, and all of the powers of the Orphnochs. Watch this.

We then saw a thug loyal to Maya Rosato heading for us, but then, Lincoln stabbed him in the chest with a tentacle he sprouted out, and his heart exploded in a burst of dark blue flames as his soul was sent to The Black Abyss and he was turned into an Orphnoch slave loyal only to Lincoln. Then, the Orphnoch slave's essence was absorbed by Lincoln and he burst into blue flames.

Nico: Whoa.

Me: Nice.

Lincoln: And if we do face Masato in the future, you and I will turn into our werewolf forms, tear him apart, rip his heart out, and devour it before letting Maria turn him into the one thing he hates the most: an Orphnoch slave.

Me: I like that. That's a fitting punishment for that son of a bitch.

Nico: Way too perfect.

Lincoln: And it's so good to see you again, Maria.

Maria Orphnoch: You too, Lincoln.

Suddenly, Maria Orphnach had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When she was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, he had an atomic red blush on his face, hearts in his eyes, his nose was gushing out blood, steam whistled out of his large wolf ears and normal ears, and he was literally in Heaven.

Lincoln: (In Heaven) Oh..., man...!

Then, Lincoln pinned Maria Orphnoch to the floor, and he kissed her on the lips and marked her by biting her on the right trapezius and fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the mark sealed up and Lincoln kissed the spot where bit her and helped her up, and she also had an Elemental Thunderbird Necklace of Eternal Love with brown gems on the gold lightning bolts and brown crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and a white and gold accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow thunderbird wedding ring on her left pinkie.

Maria Orphnoch: Whoa, I had no idea you had such an animalistic romantic side to you, Lincoln, and in addition to how much you've grown, from the 11-year-old little boy we've known into a giant 9'10" hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man, and you're still the same gentleman we all know, but of course, having an animalistic romantic side to you, that also really came as a huge surprise. I think my heart skipped a beat when you pinned me down and kissed me on the lips. (Seductive Voice and rubs Lincoln's massive pecs) Hope you're ready for some fun later on tonight, big man.

Me: Ooh boy, looks like things just got really hot and steamy.

Lincoln had a blush on his face.

Lincoln: J.D.

Girl Jordan dropped the pole. She had blood dripping from her hands and she fell to the ground and then broke down crying and Lincoln comforted her.

Lincoln: It's okay Girl Jordan. It's okay.

Nico: A lot of things are starting to make sense now.

Me: Maya Rosato did all this. Girl Jordan's vendetta. It's because of both Carnage AND her evil sister Maya.

Nico: Nice job Regisky.

Regisky: Thanks Nico.

Poromon: Want some beer?

Regisky: No thank you.

Poromon: Okay.

Poliwag: I'm not in the mood to do the Puppy eyes now.

Poliwag went to Girl Jordan who was crying hard.

Poliwag: It's okay Girl Jordan. It's okay.

Lincoln: It'll be okay.

Horsea did puppy eyes to Regisky instead.

Horsea: Pwetty pwease?

Maria: Horsea that's enough.

Horsea: Okay.

Stewie: (to Suicune) Wanna tell me how the Hell you regained control of your mind?

Suicune: Sure. It's because I'm what's called a Saffronnian.

Shanan: Saffronnians are a race of Aurora Water Elemental Humanoids from the planet Saffros and they are creatures that are one with the Aurora and the Ocean. They are also creatures that worship the power of the legendary Pokemon Suicune.

Nico: Wow!

May: That is really cool!

Me: I never knew there was a race of people like that. How far away is Saffros?

Shanan: It's located in the galaxy Centaurus A. Mezgorah Is the Avatar of Suicune and her powers from her home planet have made her known that.

Suicune: I was injected and turned into a Suicune and my powers made me retain my mind and full control over it.

Nico: Wow! That is incredible.

Suicune: But I still remember how it happened.

She was a girl with aqua blue hair and dark blue eyes with Aqua Blue Sclera and she had a blue Crescent Moon in the middle of her forehead and had an aqua blue body suit on. She was injected and busted out and was turned into a Suicune! She busted out of there.

FLASHBACK ENDS

Suicune: Because of my powers as a Saffronnian, I retained my mind and consciousness and can talk in the form of the very Pokemon we worship.

Me: That is amazing!

Ash: I remember seeing a Suicune in the Johto Region and that was really cool.

Stewie: Great! Now we just gotta revert you back

Suicune: Sure.

Nicole: Boys better cover your eyes. OR ELSE!

We did so and I put on my blind man glasses.

Me: Here we go.

I snapped my fingers and she reverted back and she had Suicune on her arm and had blue angel wings. Shanan wrapped her in a blanket.

Mezgorah: That was painful.

Shanan: I'm just glad to have you back Mezgorah.

Mezgorah: Me too.

Nico: How did you meet Shanan?

Mezgorah: I met Shanan when she was over in the skies of Neptune. She was helping to quell a riot at the prison there and I helped her stop some of the inmates there.

Shanan: It was a massive prison riot that broke out there.

Me: I must not have gotten that message because we were out doing a mission back then.

Shanan: Yeah that's right dad. But Mezgorah was a big help and we became great friends there.

Nico: Cool! What is your role in the spy team?

Mezgorah: I am the Aurora Mage of the team and I use the aurora to hypnotize guards into submission for us to bring down.

Me: Cool!

Stewie: What do you do outside of your spy team?

Mezgorah: I like to make my own chandeliers out of crystaline Aurora Energy and show off my work in the art festival.

Qin: Wow!

Shanan: Some of her chandeliers are absolutely true works of art.

She showed a photo of one and it was amazing.

Me: (WHISTLES) That is beautiful!

Nico: I'll say!

Maria: Nice job!

Laney: That is beautiful.

Mezgorah: It sure is.

Rarity: Lets get you into some new clothes for you darling.

The Fashion Brigade gave her awesome new aqua blue and blue clothes with Suicune on it and she had an Aurora Sword.

Mezgorah: Wow! I look amazing!

Shanan: You sure do

Nico: You're the first one to have kept her mind

Mezgorah: I know.

Me: I have a feeling that you are the only one out there.

Mezgorah: That's right.

Qin: Oh man.

Girl Jordan was CRYING HYSTERICALLY and Lincoln was comforting her.

Qin: Poor Girl Jordan.

Mezgorah: She really had a lot of rage in her.

Me: No shit there.

Lincoln got an idea and kissed her

Girl Jordan: (Sniffles) Oh thank you Linky. It just hurts so much. How could my own sister ruin me like this?

Nico: She was never good to begin with

Lincoln: Yeah.

Me: She was pure evil incarnate.

Varie: Yeah.

Girl Jordan: You're right. But look what she did to me! She ruined my life, my family, everything! It was all because of her! She made me get my vendetta on Carnage, everything was all because of her!

Nico: At least we know now.

Girl Jordan: You're right. And after this is done, i need to tell mom and dad what happened.

Camie: Good idea. They have to know.

Cassidy: I agree there.

Eddy: My mind is officially blown

Me: Mine too.

Qin: Yeah.

Camie: Same here.

EVERYONE nodded.

Poliwag: How are you feeling, Cassidy?

Cassidy: Good.

Nico: Good.

Poromon: Any pain?

She shook her head.

Nico: Good. Just checking.

Me: Yeah.

Cassidy: I'll be fine.

Poliwag used his tail to massage her belly

Cassidy: Thanks Poliwag.

Me: So cute.

Qin: Yeah.

Poliwag: Need some medicine?

Me: Poliwag she doesn't need medicine for this. She just needs TLC.

nico: Tender Loving Care.

Qin: Yeah

Poliwag: I have some just in case

Nico: Oksy.

Girl Jordan: I'm feeling better guys. But my vendetta still hasn't changed

Poliwag: But at least it's partially complete

Girl Jordan: That's true. I still have Carnage to deal with.

Camie: Yeah.

Tech: I'm building something for that. But you'll see what it is later

Me: Looking forward to it Tech.

Qin: Yeah.

Nico: Yep.

Poromon flew on top of Girl Jordan's head

Girl Jordan: Aww Poromon

He slept on her head.

LOUD FART!

Nico ripped one!

Me: Oh real nice!

Nico: Sorry! Ate all the bean dip.

Maria: I was wondering where that went

We laughed.

Lincoln: Funny.

Maria: Nico you pig!

Nico: Sorry about that!

Me: Still funny though.

Lola: Yeah.

Nico: Now for the next part.

Me: The Anothers.

Nico: Which are?

Eli: (Concentrates) Whoa! We got Another Sunstroke, Girl Jordan, Universe 666 Nhagruul the Foul, Oven Jamen, Zenobiter, Trixter, Tanajim and Soh Otogiri

We gasped!

Me: Whoa! So Daggeron, Serena Taiyou Rinka, Smolderdash, Sun Boy (Marvel), Moon Knight, Moon Maiden and Moonwing are up.

Elii: Yep and I sense the Anothers minus Daggeron and Girl Jordan are 4 people.

Nico: Whoa!

Lola: Wow.

Nico: There they are!

We saw Another Universe 666 Nhagruul the Foul, Oven Jamen, Zenobiter, Trixter, Tanajim and Soh Otogiri!

Nico: COOL!

Qin: This will be good.

Another Oven Jamen: (In a girls voice) It sure will!

They merged and split into 4 girls. They were the Embodiments of the Spring, Summer, Autumn and Winter Dopants!

Me: (GASP) Flower Spring, Sunny Summer, Maple Autumn and Elsa Winter!

Nico: WOW! The Embodiments of the 4 Seasons!

Sunny Summer: Yep that's right! We are the Sisters of the Seasons.

Elsa Winter: We have all their power over the forces of those seasons.

Flower Spring: Including the elements.

Lola: Wow!

Maple Autumn: And we love the seasons.

Elsa Winter: It's awesome to see you again J.D.

Me: Same here girls. By the way are the Another Sunstroke and Girl Jordan friendly or hostile?

Elsa Winter: Friendly. But Girl Jordan you are gonna be shocked about what happened to the Another You.

Girl Jordan: Oh boy.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

She glowed and the anothers were separated.

Me: Action time!

We fired waves of energy and blasted them and I caught the Wonder Ride Books.

Me: YEAH!

Maria: (TURNS DIAL) Time for backup. KUWANGER NINJA FORCE!

She summoned Boomer Kuwanger, Phoenix (D&D), Orcwort, Blackjack, Porcupine Nezilar, Real American, Lobster Dopant, Sailsnake, Air Elemental, Elder Tempest and Flame Ghost!

Nico: YEAH!

May: Now we wait.

Me: Yep.

Poromon woke up from his spot on Girl Jordan's head

Girl Jordan: Hey sleeping beauty.

Qin: This will be good.

Me: Yep.

We saw ANOTHER SUNSTROKE! But the Another Girl Jordan was wobbling all over and weak from exhaustion.

Me: Whoa man is she okay?

Another Sunstroke: (In a girls voice) She's really hurt!

Nico: (GASP) That voice.

She reverted back and was the gene-slammer of Quetzalcoatl of Huntik!

Nico: (GASP) Qillia Quetzalcoatl!

Qillia Quetzalcoatl: Awesome to see you again Nico.

Nico: You too. Qillia is the avatar of the Blue Star and is a master of all life and the sun. She is also the daughter of Quetzalcoatl.

Me: WOW! That is amazing!

Camie: Wow!

Sunstroke: That is cool that you are a master of the sun like me.

Qillia Quetzalcoatl: It sure is.

Another Girl Jordan reverted back and she was a mini version of Girl Jordan but she was all cut and bruised and htorn clothes!

Nico: (GASP) Oh man!

Me: Oh man! What happened to her!?

Girl Jordan: (GASP) Lyra!

She ran over and helped her up.

Girl Jordan: Lyra who did this?

Lyra Rosato: It was Maya. She did thi.

Girl Jordan: Maya is dead now. I killed her.

Lyra Rosato: I'm glad sis.

Girl Jordan brought her over and Varie healed her.

Varie: Man these injuries are bad! Maya did a really nasty number on you.

Nico: Care to introduce us?

Girl Jordan: This is my little sister Lyra.

Lyra Rosato: I went out to find Girl Jordan after mom kicked her out because of Carnage.

Girl Jordan: You went out to find me?

Lyra Rosato: I sure did. But just as I was about to reunite with you I was kidnapped by Swartz. The rest is history after that. Here I am beaten to within an inch of my life. OW!

Varie put hydrogen peroxide on her wounds.

Varie: Sorry but you got really mangled up.

Qillia Quetzalcoatl: Yeah no kidding

Lyra Rosato: I called mom a HEARTLESS ANIMAL for believing the lies of a stupid evil heartless maniac.

Me: Whoa! You really told your mother off!

Girl Jordan: You don't have to worry about mom. We reconciled.

Lyra Rosato: Good.

Kaito: (gets out Boonboomger gear) Did Swartz promise you anything?

Zocks: (also gets out Boonboomger gear) Because we can grant it instead

They got Boonboomger swords.

Qillia Quetzalcoatl: No he didn't. He actually feared the power I have and let us go.

Me: Wow! Even the children of the gods scare Swartz.

Sougo (gets out Boonboomger Ridewatch): You just missed us killing Maya

Geiz (also gets out Boonboomger Ridewatch): She was behind everything that happened to your family.

Sougo and Geiz both got BoonRedArmor

Qillia Quetzalcoatl: It was for the best.

Me: Yeah.

Lincoln: Lets separate you girls first.

We did so.

Qin: YEAH!

Me: Lets get them!

Nico: (Gets out Sunstroke's ridewatch) FEEL THE POWER OF THE SUN!

May: (Gets out Zenobiter's Ridewatch) I'm gonna bite your ass off!

Maria: (Gets out Tanijim's ridewatch) This snail has some bite for escargot!

Serena: (Gets out Universe 666 Nahgruul the Foul's Ridewatch) I made the Book of Vile Darkness!

They used the powers of Sunstroke, Universe 666 Nhagruul the Foul, Oven Jamen, Zenobiter, Trixter, Tanajim and Soh Otogiri and blasted the anothers.

Then Flame Stag, Celtic Predator, Mekanorimon, Magmion, Electriri, and Sunturion came.

Nico: WHOA! Nice team Flame Stag!

Flame Stag: Thanks Nico.

Me: Infernal!

Heat Man: My team's next.

Me: Yep.

?: Awesome!

Firamon and SaberLeomon came!

Me: Whoa! Firamon and SaberLeomon!

SaberLeomon: (In a girls voice) (Africa Accent) Looks like the fun started.

Nico: Imani Juma! Wow!

She reverted back and was a girl with black hair, red eyes, red clothes, and had red angel wings with a new crest on her forehead, SaberLeomon on her skirt and shirt and had Tanzania's Coat of Arms on her arm and had a brown Digivice and had a jewel spear in her hand.

Imani Juma: Good to see you again Nico my friend. We got this! (ECHOING) TWIN FANG!

She fired needles from her hand and Firamon fired a wave of fire and they blasted them both down and I caught the Ridewatches and purified them.

Me: Yeah!

Marcus Damon: There was a SaberLeomon who was part of Mr. Mind's team

Imani Juma: That's what I heard.

Me: Yep. And also you're one of Tanzania's Digidestined. That is cool.

Imani Juma: That's right.

Nico: Yep.

Serena: Do you have a favorite memory of Nico?

Imani Juma: I sure do. When me and Nico met. A bunch of Digimon were running around the Ngorongoro Crater and me and Nico stopped them and sent them home.

Me: So Tanzania had Digimon running around. Not even Africa was safe.

Imani Juma: Nope.

Nico: But it was fun.

Nico and Imani hugged.

Nico: I've missed you.

Imani Juma: Same here.

We went back home.

Then Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers and he stabbed them into Yuuki Terumi's chest, and he began absorbing him, and he and all of us assimilated Yuuki Terumi's Superhuman physical and mental capabilities, Superhuman intellect, Martial arts, Energy projection, Alchemy, and Magic, and his rainbow energy aura and immense rainbow protective aura flared up extremely and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

When Lincoln was done and the stingers changed back, nothing's left of Yuuki Terumi except for his clothes, and he sent his soul to The Black Abyss after sucking out all the negative energy it gathered, and Caleb Maxwell grabbed a black folder with the Dark Gale symbol and it contained the list of The Dark Gale organization.

Lincoln: And that's that for Yuuki Terumi, now we are finally rid of him forever. (To Adria Westbrook) And it's so good to see you again, Adria.

Adria Westbrook: You too, Lincoln, it's been seven years since we last met.

Suddenly, Adria Westbrook had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Adria Westbrook was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Adria Westbrook: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Adria Westbrook and hugged her, and Adria Westbrook is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Adria Westbrook: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Adria Westbrook, Gene-Slammer and Avatar of Marincess Crown Tail, she's Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Crown Tail. She's the fifth eldest sister of The Westbrook Sisters, and she's the songstress of The Marincess Water Princesses. Lincoln met Adria Westbrook when she and the rest came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Adria kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Adria hates Chandler with a blazing passion, because that toxic, smelly, evil, monstrous, pile of sewage polluted Lake Michigan by dumping a dumptruck full of sewage into the lake, and she was laughing cruelly like the bastard he was, and enraged because of his behavior, Lincoln and Adria blasted him with water and they even electrocuted him, and Chandler got so mad, she called Adria a fish-faced bitch and Chandler said that she hopes that Adria dies in a pool of her own blood and he'll dance on her remains and skin her alive and eat her heart. The audacity and utter malice of his threat made Lincoln see red, and he blasted that sewage brat so hard with a massive blast of water, he sent him flying into the Royal Woods Police Department, and when the rest of the family heard Chandler's threat along with seeing what he did, everyone went to the jail and they beat him up so horribly, he was left a bloody mess with black eyes, broken arms, broken legs, missing teeth, and three lumps on his head, and they turned to leave, but not before Luna gave him the finger, and that sent Chandler into a total psychotic tailspin of rage as he banged on the bars of his cell and screeched like a chimpanzee!

Nico: You have no idea of how pissed off we were yesterday when Selene told us of what Chandler did.

Me: That incident is something Varie and I still remembered all too well.

Lincoln: Varie almost got that close to tearing Chandler a new one, and you almost tore him apart from what I remember, J.D., and now that you're here, Adria.

Lincoln with his massive muscular arms still wrapped around Adria Westbrook leaned his head down the right side of Adria Westbrook's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Adria Westbrook: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Adria Westbrook with blue gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Adria Westbrook: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Adria Westbrook.

Adria Westbrook had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Adria Westbrook's waist, and he leaned down to her face and kissed her on the lips, and with Adria Westbrook's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Adria Westbrook had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Adria Westbrook: (In Heaven) My God. Oh, Lincoln, one of the sixteen girls is a voluptuous and sexy succubus!

Me: Uh oh, time to go.

The rest of us left for home, and Lincoln, Nicole, and his harem approached the sixteen girls, and when Lincoln saw them, his nose gushed out blood as soon as he saw them. The sixteen girls are Desdemona the Succubus from Crush Crush, Nico, Sheila, Keneally, and Tia from Fairy Tail Forces Unite!, Yasumi Utatane, Yuuhi Yuugure, Otome Sakuranamiki, and Mekuru Yubisaki from The Many Sides of Voice Actor Radio, Awayuki Kokorone, Mashiro Irodori, Hikari Matsuriya, Chami Yanagase, and Sei Utsuki from Vtuber Legend, and Shion Kaminari and Nekoma Hirune from Vtuber.

Lincoln: Oh whoa, it's Desdemona the Succubus from Crush Crush, Nico, Sheila, Keneally, and Tia from Fairy Tail Forces Unite!, Yasumi Utatane, Yuuhi Yuugure, Otome Sakuranamiki, and Mekuru Yubisaki from The Many Sides of Voice Actor Radio, Awayuki Kokorone, Mashiro Irodori, Hikari Matsuriya, Chami Yanagase, and Sei Utsuki from Vtuber Legend, and Shion Kaminari and Nekoma Hirune from Vtuber.

Nicole: Oof. Dad was right to have told the rest of the team to head back home, because of Desdemona the Succubus.

Lincoln: They weren't going to risk getting sent to the hospital by you or me. Are you girls okay?

Desdemona the Succubus: We're alright, thanks to you.

Then, when Desdemona the Succubus and the fifteen other girls saw who it was that saved them from Yuuki Terumi, their faces turned atomic red upon seeing the 18-year-old 9'10" tall, handsome heartthrob hulking hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with colored phoenix fire ombre streaks on the back of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of Desdemona the Succubus: (Seductive Voice) Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made fifteen clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Desdemona the Succubus: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, sixteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Desdemona the Succubus, Nico, Sheila, Keneally, Tia, Yasumi Utatane, Yuuhi Yuugure, Otome Sakuranamiki, Mekuru Yubisaki, Awayuki Kokorone, Mashiro Irodori, Hikari Matsuriya, Chami Yanagase, Sei Utsuki, Shion Kaminari, and Nekoma Hirune with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks. Lincoln, Nicole, and his harem returned home, and everyone was shocked to find out that the villain we went after was none other than our old enemy, Yuuki Terumi, who's returned to get revenge on us again.

But, when Lincoln showed what we did in trashing that mega sadistic bastard, and Lincoln finishing him off by turning the tips of his tails into Cell's stingers and absorbing him and sending him to The Black Abyss forever, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Adria Westbrook have a lot of catching up to do, now that she's back in town.

Maria: We heard the whole thing from J.D. and the others as soon as they came back.

Lincoln: I knew that was going to happen.

Nico: Plus, we also got the list of all of Dark Gale's members.

Me: And now, we have a good idea of who we're facing during the days of The Ridonculous Race, and the finale is none other than our final showdown against Elise Elexton.

Cage Blunt: When we took a look at the list, we saw they were made up of many of J.D.'s old enemies from long ago.

Travis Tackett: Namely, the members of Elise Elexton's gang from fourteen years ago, and they too were out for revenge against J.D. and Sakura for that day.

Jack Howard: We put out a call to the Colorado Police Department to fax on over the crime records on them.

Me: Nice one, Jack.

Cuffs Lane: If they're just as dangerous as Elise, we're gonna need all the help we can get. Oh, and don't worry about Sebastian.

Roxy Drake and Jazz Jackson brought out Sebastian who was really roughened up and he had duct tape on his mouth, and he was muffling and ranting like crazy.

Roxy Drake: At first, he got pretty violent with us.

Jazz Jackson: So, we had to roughen him up.

Qin: I did warn you girls that he is violent to the extreme and pure psychotic.

Jazz Jackson: Honey, we've dealt with someone like that before.

Nico: (Winces) (To Caleb Maxwell) I don't want to ask what Jazz and Roxy did in roughing you up, Caleb.

Allie Maxwell: It was really ugly, and a lot worse than when he came back home after he and Panther got into that street brawl eight years ago.

Lincoln: Ouch.

Caleb Maxwell: But, that doesn't mean we can't do this if he gets testy. (Holsters his guns for a bit)

LOUD CRUNCH!

CALEB MAXWELL CRACKED HIS KNUCKLES AND SEBASTIAN SLITHERED BACK INTO HIS ROOM LIKE A SNAKE AND BOARDED IT UP!

Poromon, Mascots, and Ed: WHAT A PEST!

Edd: That's disgusting.

Poromon, Mascots, and Ed: MAKE HIM STOP!

WE BUSTED OUT LAUGHING!

Nico: (LAUGHING HYSTERICALLY) That gag never gets old!

Me: (LAUGHING HYSTERICALLY) Nice one!

After Lincoln and all of us destroyed Yuuki Terumi and sent him to The Black Abyss and this time forever, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Adria Westbrook saw Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Adria Westbrook: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and in his human form, he also got one awesome tan, and he's also doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Adria, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Adria Westbrook: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Adria Westbrook: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Travis Tackett put up a video on the big screen as it played.

Lincoln: What's this one, Travis?

Cage Blunt: This video's from a week I started work at The NYPD: this was the night Caleb went to infiltrate The Spotted Leopard, it's a nightclub to many young teens, but it's also the base of The Big Claw Gang.

Travis Tackett: Cage told me about it, and I'm stunned Caleb would do something like that. But, Caleb made a choice that changed everything for him.

We watched the video, and we saw it: The Spotted Leopard at night in New York, and we saw Caleb Maxwell looking at it from the distance.

Past Caleb Maxwell: So, this is where they're The Big Claw Gang is operating, huh? (Demonic Smirk) Perfect, this is where I'll end their operations together with their lives!

Caleb Maxwell took off into the air, and landed in front of The Spotted Leopard's entrance. Then, he went inside and snuck past the crowd of partying young teens as the music played. Suddenly, he spotted Panther and Carla Claw enter into a room as he followed, and as he'd peered into the room, he spotted not only Thomas A.K.A. Panther and Carla Drake A.K.A. Carla Claw, but also, Chester, Nick Price A.K.A. Crowe, Sarah Parker A.K.A. Hex, Chett A.K.A. Shroud, Sally Gamble, Jessie Jean A.K.A. Patch, Mad Cat Max, and Nekome of The Big Claw Gang, and they were counting the money they stole.

Past Mad Cat Max: Look at the amount of money we just took, what a haul.

Past Crowe: Those cops couldn't even catch us.

Past Shroud: Plus, they got a new guy working there. I don't know who he is, but he better be a much better challenge than that murderous lunatic, Drake Maxwell. (LAUGHS)

Eli: Whoa!

Me and Nico: UH OH!

Caleb Maxwell: Chett trash-talked Drake badly, and I tried not to laugh.

On the screen, we saw Caleb Maxwell's blood red eyes turn brighter blood red.

Past Caleb Maxwell: (Whispers to himself) True, but I'm much worse than that bastard.

Caleb Maxwell fired an orb of dark energy, but it got shot at by Crowe.

Past Caleb Maxwell: (Whispers to himself) Shit.

Past Carla Claw: Alright, who's there? You sure got some moxie to get this close to us.

The very words echoed in Caleb Maxwell's head: an echo of that day on October 30th eight years ago.

Past Panther: Whoever you are, if you want a fight, bring it on.

Caleb Maxwell ducked into the corner he was hiding in, as Panther looked outside for him.

Past Mad Cat Max: Might be a false alarm.

Panther went back inside the room.

Past Caleb Maxwell: (Whispers to himself) (Sigh) (Thinking) That was close. I made a mistake coming here, I should leave. But, should I? This could be the opportunity of a lifetime to take them down.

Caleb Maxwell pondered his choices.

Past Hex: But, still, it would've been a surprise to see who managed to get that close to us.

Past Sally Gamble: (British Accent) Perhaps, Sarah, but you never know who it might be: the cops or that bloke, Drake Maxwell. I swear, he should've been killed by his daddy long ago, it's what he gets for killing his brother, Caleb Maxwell. From what we heard from Allie, he was a sweet young man who wouldn't hurt anyone, but Drake killed him eight years ago, and his return from the dead caused him to turn into that very creature lurking in the streets, if we'd met on better terms and I'm not counting the restaurant incidents, we would've gotten to know his story better, just as she got to know our stories.

Suddenly, Caleb Maxwell felt a pang of empathy as it hit him in his heart, especially when he heard Sally Gamble mention his sister's name.

Past Caleb Maxwell: Did..., did she mention Allie? And they still remember those incidents?

He peered into the room one final time before he retracted his head back.

Past Caleb Maxwell: (Whispers to himself) (Sigh) I can't do it. If what she said is true, I can't just go ahead and cause a massacre like I always do.

Caleb Maxwell ran down the stairs and walked past the crowd of partying young teens as the music played, and he ran out the entrance and into the streets and flew up to a nearby roof and sat on the ground.

Past Caleb Maxwell: I know they're robbers, but yet why do I feel they have dark stories to them: stories of abuse both physical and sexual, abandonment, and loss of loved ones? And she said, they met Allie, and they told her their stories? And why she said, if they'd met me on better terms, they would've known my story better...

Caleb Maxwell felt blood tears fall from his eyes as he hugged his knees as the video ends.

Lincoln: Whoa, okay, that...that was a heavy memory we just saw.

Me: That along with what we saw yesterday, I think they top the list of heavy memories.

Allie Maxwell: Sally's words hit Caleb, and everything he heard from her was true. It's like in one moment of clarity, Caleb didn't go and cause a bloody massacre, instead he left the club and the words still echoed in his heart.

Caleb Maxwell: It was that choice that led to me going back after The Syndicate thugs, especially when I found out that Drake resurfaced and was going on bloody rampages killing rival gangs and stealing their money and drugs to feed his addiction to drugs after getting kicked out of The Syndicate. Drake went on a downward spiral eight years after my death, and karma would hit him when we went after him.

Eli: That's what he gets though.

Cage Blunt: First, he betrays his family for greed and power, then, he kills his older brother in his insane desire to keep the organization in control, and it ends with him getting kicked out and he finally loses it.

Caleb Maxwell: And in the end, he loses his life at our hands no less. The older brother whom he'd hurt with his blatant disregard for authority and morals got the last laugh on him.

Lincoln: He brought it all on himself, did he really think he can get away with that and not even expect the consequences, I think not.

We got a shower, and then, Lincoln, Leshaniqua, Jasmine, Molly Hale, Ninny Spangcole, and Noel Niihashi are heading to Dolphin Shoals.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Leshaniqua, Jasmine, Molly Hale, Ninny Spangcole, and Noel Niihashi are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Leshaniqua, Jasmine, Molly Hale, Ninny Spangcole, and Noel Niihashi all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all.

Molly Hale: Wow, so this is Dolphin Shoals, it sure is beautiful.

Lincoln: It sure is, Molly, and it's perfect for our first date, shall we?

Lincoln, Leshaniqua, Jasmine, Molly Hale, Ninny Spangcole, and Noel Niihashi dived into the waters, and they began swimming, and they also saw the marine life that lived there, then, they went back to the beach, and the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an amazing volleyball game, and they went into a workout area Lincoln created, and Leshaniqua, Jasmine, Molly Hale, Ninny Spangcole, and Noel Niihashi got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000.000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Noel Niihashi: (Swooning) So manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Leshaniqua, Jasmine, Molly Hale, Ninny Spangcole, and Noel Niihashi and they hugged the girls in their abnormally massive and powerful muscular arms and Leshaniqua, Jasmine, Molly Hale, Ninny Spangcole, and Noel Niihashi placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Leshaniqua, Jasmine, Molly Hale, Ninny Spangcole, and Noel Niihashi and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Dolphin Shoals, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Leshaniqua, Jasmine, Molly Hale, Ninny Spangcole, and Noel Niihashi on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Leshaniqua, Jasmine, Molly Hale, Ninny Spangcole, and Noel Niihashi are in your harem, Linky.

Leshaniqua, Jasmine, Molly Hale, Ninny Spangcole, and Noel Niihashi showed the marks Lincoln made on the right sides of their necks.

Leshawna: Oh man, I knew I made the right choice introducing both my best friend and my older sis to Lincoln.

Jenna: You guys had no trouble at all.

Molly Hale: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Lucy Loud, Brittney and Dora's first mission.

Will Vandom: You guys are going to love meeting Tara and her friends.

Irma: It's really awesome.

Nico: Looking forward to it.

Me: Me too.

Nico: Anyone else want to go with Lucy, Dora and Brittney? Besides 4 Rabbids?

Shanan: I'll go.

Living Laser: So will I.

Twilight Sparkle: Me and my friends will go too.

Lincoln: Me too.

Nico: Okay.

Me: Pickle and Barley you will tell us if Cassidy goes into labor right?

Pickle Barrel: We sure will!

Barley Barrel: We won't let you down!

Rainbow Dash: Awesome!

Nico: Okay lets go!

We were off.

We arrived.

Will: Here we are.

We saw that we were at a really amazing Victorian Style Mansion.

Nico: Wow!

Me: This house is amazing.

Eli: It's amazing.

Will pressed the Doorbell and a girl answered.

Tara: Will? Irma? Taranee? Cornelia? Hay Lin? Is that you guys?

Will: It sure is Tara and we're all here.

Tara Duncan: Oh wow! Come on in guys!

The gate opened and we went in and Tara, Sparrow and Cal came out and they hugged the guardians and Megan.

Tara Duncan: It's so awesome to see you Will. You and all your friends.

Will: Same to you Tara. Guys meet Tara Duncan, Cal and Sparrow. They are sorcerers that defend the worlds of magic.

Me: It's awesome to meet you all.

Cal: Wow you too Team Loud Phoenix Storm what an honor! And Megan it's great to see you too.

Megan: Same to you Cal. Tara and Sparrow you're looking great as well.

Sparrow: Thanks Megan.

Lucy Loud: It's a pleasure to meet you. I'm Lucy Loud.

Dora: I'm Dora Santiago.

Brittney: And I'm Brittney Knudson.

Lucy Loud: We're your Ambassadors for this one.

Me: It's part of a special Diplomatic Mission program we made.

Tara Duncan: Oh wow! It's awesome to have you all here.

Shanan: My name is Shanan Abigail Knudson, Extraterrestrial Lifeform Encyclopedia and master of life.

Living Laser: Awesome to meet you all .I'm Arthur Parks but everyone calls me Living Laser. I'm Megan's archenemy.

Cal: Wow an honor!

Twilight Sparkle: And we are the Guardians of Harmony. I'm Twilight Sparkle the Princess of Friendship and the Magic Skylanders.

Sunset Shimmer: I'm Sunset Shimmer, Princess of Forgiveness and the Fire Skylanders.

Applejack: I'm Applejack the Princess of Honesty and the Earth Skylanders.

Rarity: I'm Rarity the Princess of Generosity and the Water Skylanders.

Fluttershy: I'm Fluttershy the Princess of Kindness and the Life Skylanders.

Pinkie Pie: I'm Pinkie Pie, Princess of Laughter and the Tech Skylanders.

Rainbow Dash: I'm Rainbow Dash, Princess of Loyalty and the Air Skylanders.

Starlight Glimmer: And I'm Starlight Glimmer the Princess of the Undead Skylanders.

Tara Duncan: Wow it's an honor to meet you all.

Me: Same here.

Lucy Loud: And this is my brother Lincoln.

Lincoln: It's an honor.

Tara Duncan: Oh wow! We heard so much about you Lincoln and you are amazing at what you do.

Lincoln: I get that all the time. Thank you.

Lucy Loud: And these are Rabbids

Rabbids gibbering.

Tara Duncan: Oh they are so cute.

Me: They are cute but they aren't the brightest lightbulbs in the closet if you know what I mean.

Tara Duncan: Lets talk more inside.

Me: Sure.

We went inside. The mansion was really beautiful.

Me: Wow nice place you guys have here.

Tara Duncan: Thanks. It's home.

A Rabbid tried to lick a book.

Me: Now stop that.

CRUNCH!

HE BIT ME!

Me: OUCH! Why you little!

Eli grabbed the Rabbid.

Eli: See what we mean? But they are funny too.

Tara: Yeah we can see that.

Twilight Sparkle: So many books!

Tara Duncan: Yeah we have quite a library here.

Me: Twilight is a huge bookworm and loves reading.

Tara Duncan: Boy we can see that.

Me: Yeah. So how did you meet Will and her friends including Megan?

Tara Duncan: I met them when one of their enemies was running around here. It was Ember of the Knights of Destruction.

Me: The Fire Knight. Yeah she was tough.

Taranee: Now she is in the M.O.E.

Me: Yep.

Tara Duncan: Yeah I used my powers of water and helped them stop her. I showed them around the mansion and we became great friends. Cornelia introduced me to Megan and it's how we know each other.

Cornelia: It's true and that was fun.

Me: That is awesome. And you must know about them being the Guardians of Candrakar right?

Cal: We sure do.

Nico: Awesome.

Tara Duncan: Where's Cassidy? Is she with you?

Me: Oh she's back home at the estate. She's due any minute with her new baby girls.

They gasped.

Tara Duncan: (SQUEALS) We're so happy for her.

Me: I am too.

Tara: So, you girls still fighting Phobos?

Irma: Oh, him? He's dead

Me: Yep. We killed him. We banished him to the Black Abyss.

Cal: The Black Abyss!? What happened to the Black Gates?

Me: I see you guys haven't been given the memo. We now have a new big baddy. His name is Anti-Monitor.

Nico: Long story short he breached the Black Gates and compromised them and resurrected many of our most dangerous enemies.

Tara Duncan: Oh man! Then that must mean?

Me: Yeah. The Black Abyss is now our deadliest of all techniques.

Tara Duncan: Oh man that is rough. As if dealing with Xehanort wasn't bad enough, now we have Anti-Monitor out there.

Lincoln: Yeah.

Me: But so far we've been doing really good in taking down our enemies again.

Irma: We took down Big Boss on my day to shine.

Me: Each of the Core 310 members of the team have been given a day to shine to take down their ultimate archnemeses that they faced. Irma faced Big Boss on her day to shine since she was Ambassador of the Metal Gear games.

Tara Duncan: Wow that is amazing. Who do you think you girls are gonna face?

Taranee: I was Ambassador for the world of Jak & Daxtor. So my enemy is Errol.

Cornelia: I had the late missions of the Dino Fury Rangers. So mine is the Void Queen.

Me: We had to wait about a year and a half to 2 years for the Dino Fury Rangers to finish.

Tara Duncan: I see. Wow.

Hay Lin: My mission is for the Yost Universe version of Spiderman. So my enemy is gonna be Yost Green Goblin.

Me: You would not like him.

Tara Duncan: Wow!

Will Vandom: And my missions were for the OOO Kamen Riders. So Maki is my enemy.

Me: Maki and I have a terrible score to settle. The reason? I slashed off his arm and left my mark on him. So he hates my guts.

Cal: Oh man! And what about Megan?

Megan McCallister: No doubt it's gonna be Storious of Kamen Rider Saber.

Me: You guys thought Orochimaru was a fucked up scumbag? Storious was WORSE!

Eli: Yeah!

Cal: Oh man! I know you guys can do it..

Me: Yep.

Nico: And Nerissa's redeemed herself too.

Tara Duncan: She did? Wow!

Me: Long story on that. But it was good she redeemed herself.

Nico: So what enemies have you guys faced?

Tara Duncan: We should tell you that we are part of a very secret society. We maintain the balance between the Physical, Spiritual, Mystical, Mystical, Supernatural and Paranormal planes. We fight mermaids, vampires, ghosts, goblins, demons, werewolves, monsters and all kinds of creatures of evil.

Me: WHOA! We are no strangers to those kinds of creatures. We battled mermaids from the Dark Side of the Legend and know MANY mermaids that are awesome.

Eli: Like Ariel. She and I are siblings.

Me: Long story about that. But yeah we battled all sorts of monsters like that.

Shanan: What about creatures from beyond the stars like aliens from another planet?

Cal: No we mostly battle creatures from the worlds of the mystical and supernatural.

Me: That's a heavy responsibility. You would love meeting our teammates Aang and Juniper Lee.

Nico: And Danny and the Ghostbusters

Me: Yeah.

Tara Duncan: I know.

Me: Who is the main enemy that has given you many headaches in the past?

Tara Duncan: That would be Serena.

She showed on her watch computer what she looked like.

Me: Fancy watches. But she must be Serena.

Cal: Yeah she is dangerous.

Tara: She wants revenge on me.

She went over her history.

Serena is a very evil vampire out to get revenge on Tara. Her name is Selenba in the French dub. She is voiced by Patricia Drake.

Serena is a evil semchanach who has apparently tried to rule the world through Rosemond several times before, as she mentions being stopped by the other Duncan females prior to Tara (Selena and Isabella). Because she is a vampire, it is very likely that she has run into them before throughout the years.

She appears to also be good at persuasion, as when she is under the guise of Leonardo Detropo, she "has Isabella wrapped around his or her finger". The Manor notably does not like her and is able to detect her in any form.

We gasped!

Me: She has no idea who she is fucking around with! We killed MANY vampires before and she is gonna be a dead one soon.

Eli: At least we know what we're up against.

Nico: But who's causing trouble right now?

Tara Duncan: Well our old friend Henry Delachasse has kidnapped Aquaphonis and is going to sell her to a zoo.

WE GASPED!

Me: Wait you mean the renegade Cryptologist that is trying to prove the existance of all legendary creatures? I knew he was bad but this is too much! He's getting a one way ticket to prison.

Irma: Yeah I hated this guy! Aquaphonis is not bad. She's just looking out for her daughter Madney.

Nico: I see.

Me: Oh Tara. Have there been reports of strange things happening lately?

Tara Duncan: Yeah no that you mention it.

She showed us the PLAYGROUND TURNED INTO AN INTENSELY CRAZY OTHERWORLDLY ENVIRONMENT!

WE GASPED!

Me: Oh man!

Twilight Sparkle: That is too crazy!

Me: This has to be the work of one of the Embodiments of Ben's Aliens.

Tara Duncan: Is Dark Eddy coming after us?

Me: No he's gone for good. We now have a new threat. The Blackwing Eatos 12 Carriers. They are girls I know that are the Embodiments of the Aliens that Ben Tennyson can turn into. But they were infected by a virus that gives them Pitch Black Angel wings and have black clothes and piercing red eyes.

Sparrow: Oh man! I did see one that can warp reality like that! That was intense!

WE GASPED!

Me: Oh man! Alien X's embodiment! I have a feeling I know who it is. But we'll find her when we face Henry.

Nico: Where is he?

Eli: (Concentrates) He's in a warehouse right next to the school.

Tara Duncan: Then we should get there fast.

Me: Right!

Nico: Be careful. Alien X is the toughest out of all of Ben's Aliens.

Me: You wouldn't believe the kind of power that he has. Alien X's powers are nigh-omnipotent. They are as strong as ours.

Tara Duncan: Oh man! That is amazing.

Me: Yep.

Nico: Lets roll!

We were off.

We got closer.

Nico: Yep, we're definitely getting close

Eli: Yep I sense them. In there.

We saw the warehouse.

Me: Now we'll show you guys our entrance.

Tara Duncan: Awesome.

We went at the warehouse.

Henry laughed maniacally.

Henry Delachasse: Soon you will make me rich!

Aquaphonis: LET ME GO! Tara will get me out of here!

Henry Delachasse: I am ready for her! She will die if she gets in my way!

But then...

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

A massive fiery explosion blasted through the wall of the warehouse and a phoenix cry was heard.

Will Vandom: (Singing) "Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!"

Aquaphonis: Will Vandom!?

Henry Delachasse: WHAT!? Not them too!?

We busted in!

Me: Henry Delachasse you are under arrest!

Henry Delachasse: On what charges!?

Me: Kidnapping and human trafficking and attempted murder.

Henry Delachasse: You know what? I was planning to just sell her to get rich, But now? You've forced my hand!

I teleported and kicked him and knocked him away from the tank.

I then flared up a lightning field and destroyed all his equipment and blasted it into ashes with lightning.

Henry Delachasse: NO! YOU RUINED EVERYTHING!

Irma used her water powers and got Aquaphonis out of the tank.

Me: You're finished Henry!

Will Vandom: GUARDIANS UNITE!

In a flash of light we transformed1

Will Vanom: (ENERGY SURGES) THE HEART!

Irma Lair: (WATER SPLASHES) WATER!

Taranee: (FIRE BURNS) FIRE!

Cornelia: (VINES GROW) EARTH!

Hay Lin: (WIND BLOWS) AIR!

Me: (LIGHTNING STRIKES) LIGHTNING!

Megan McCallister: (STARS SHINE) SPACE!

We were ready for him!

Lucy got out her Disk Animal.

She had it turn into a Crow.

Lucy got out her Wonder Ride Book called Lucy Loud's Vampiric Kingdom of Darkness.

Lucy: (Reads verse) "Darkness comes for the princess of vampires who is ready to strike under the cover of darkness with the horrors of the night. Let darkness rain down on evil."

A cloud of darkness covered the area and blasted henry with the forces of darkness!

Henry smacked her with a piece of steak. But then, he saw it was the food kind of steak!

Henry: Dammit! I got the wrong steak!

Lucy ate the steak.

Lucy Loud: Could use garlic.

I kicked Henry in the face.

Me: Taste this lightning.

I used my quirk and formed an image of the Rosette Nebula and then...

NUMEROUS THUNDERCLAPS AND LIGHTNING STRIKES!

Lightning struck him all over the place and electrocuted him.

Tara Duncan fired a wave of fire and blasted him.

Brittney got out her Disk Animal for the bat.

It turned into a bat.

She got out her Wonder Ride Book called Brittney Knudson the Empress of Darkness and the Darkness of the Vampire Lord.

Brittney: (Reads Verse) "The Empress of Darkness was ready to make the creatures of the dark bow before the darkness and make them submit to her will as she spread the power of the darkness to all those that stood in her way and make them fear the power of the darkness."

A cloud of darkness spread out and smashed down Henry and he screamed in fright and pain.

Me: Take that!

Shanan: Get him sis!

Dora got out her Disk Animal and it turned into a Cricket.

Dora: Taste these ghosts.

She got out her Wonder Ride Book called Dora Santiago and the Ghosts of Anur Phaetos.

Dora Santiago: I am also the gene-slammer of an Ectonurite and also I am going to show you how dangerous Zs'Skayr's kind can be. (Reads Verse) "Summoning the Ghosts from the distant planet Anur Phaetos, Dora unleashed the power of the spirits of the other side unto her enemies as she released the forces of the darkness and they blasted them with darkness energy.

Then NUMEROUS Ectonurites appeared and blasted Henry all over the place!

Will fired waves of lightning and blasted Henry.

WIll: Just like old times!

Tara Duncan: You got that right!

Me: Had enough?

Henry: NEVER!

Irma: My turn!

She fired waves of water and drenched him.

But then his body was twisting and crunching all over

SCREAMS OF PAIN AND HIDEOUSLY SICKENING CRUNCHING!

HE WAS TWISTING ALL OVER AND IT WAS MAKING SOME OF US CRINGE AND WANT TO THROW UP!

Cal: OH THAT IS SICK!

Sparrow: WHAT IS HAPPENING TO HIM!?

Will: It's like his body is moving on its own!

Nico: Who's doing that?

?: That's Thanks to me.

A girl with purple hair, red eyes and black clothes and angel wings and an Alien X tiara came.

Me: (GASP) Zeiram Zvezda!

Nico: Alien X's embodiment! I knew it!

Zeiram Zvezda: I saw this on the Simpsons and I'm duplicating it.

Me: I guess because you're of such high power the virus is gonna take much longer to take effect to control you.

Zeiram Zvezda: Yep.

She had fun with Henry and broke all the bones in his body.

Zeiram then left him as a broken and mangled mess.

Me: Ouch! He's really gonna be feeling that.

Zeiram then lost control. Living Laser fired a laser blast at her but she holds her hand out to deflect it.

I deflected it back and it hit her.

Me: Told you their power was that strong.

Tara Duncan: I believe it!

Cal: Wow!

I fired an antidote ray and injected it into her,

Me: There!

Shanan charged at her and kicked her down.

?: I'll help too!

The gene-slammer of Enfluxion came!

Nico: (GASP) Elaine Enflux!

Elaine Enflux: Awesome to see you again Nico. I can tell Henry is out of commission now and forever. Me and my fellow agents of Interpol have been after him for a long time. It's a long story.

Nico: Oh man.

Me: We'll have to hear about it later.

Tara Duncan: Lets do it!

Tara fired waves of lightning and blasted Zeiram all over.

Shanan got out her Disk Animal and it turned into a butterfly.

Shanan: Now here is why I am known as the master of Life.

She got out her Wonder Ride Book called Shanan Abigail Knudson, The Princess of the Extraterrestrial Knowledge and The Master of Life.

Shanan: (Reads Verse) "With the knowledge of all things great and small on an infinite number of planets all over the universe, Shanan found herself ready to face the challenges that evil can throw at her and make the villains all suffer their fates and the power of the stars and the planets."

She fired waves of energy and elements and blasted Zeiram all over.

Elaine Enflux fired waves of water from her scythe and blasted Zeiram all over.

Nico threw a grenade and Zeiram deflected it and it hit Henry and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

HE WAS BURNED BADLY!

Nico: OH MAN!

Me: That had to hurt. Well he's dead now. So much for sending him to prison

15m agoNico: Yeah.

Me: Well lets see how she likes this. (Cups hands) KAAAAAAAAAAA MEEEEEEEEEEEE HAAAAAAAAAAAAA MEEEEEEEEEEEE! HAAAAAAAAAAAAAAAAAAAAAAAAA!

I fired a powerful Rainbow Kamehameha Wave and she tried to deflect it but it was too powerful!

Nico: HOLY SHIT! HIS KAMEHAMEHA WAVE IS AS STRONG AS A CELESTIALSAPIEN'S POWER!? INCREDIBLE!

Eli: GO BRO!

Me: One more push!

I intensified the blast and it broke her deflecting power and then I blasted her down and blasted through the wall in a powerful fiery explosion and the antidote took effect and she was cured.

Zeiram Zvezda: (Groans) What happened?

Tara Duncan: Holy mackeral! That was powerful!

Me: Yep. Kamehameha Wave. I can teach you if you want.

Tara Duncan: I would like that.

Me: Cool. Henry had this coming.

Nico: You know what? Let's just seal his spirit in the Book of Vile Darkness.

Me: Wait look!

We saw him moving! He was stil alive.

Eli helped Zeiram Zvezda.

Me: Whoa! He's still alive. I'm amazed he was able to survive all that.

Elaine Enflux: No kidding! One thing is for sure. He is never gonna get out of prison again.

Henry: (Weakly) Please just kill me…

Nico: No. You're not worth it. But once we get you healed up, you're off to prison.

Me: Yeah you're not worth the hair on someones butt to kill.

We had him arrested and sent to the hospital and later he will be going to prison.

Aquaphonis: Thank you so much everyone.

Irma: It was our pleasure.

Elaine Enflux: That wa awesome though.

Me: Do you have any favorite memories of Nico?

Elaine Enflux: I sure do. When Nico and I battled members of the Blood Spiral and killed them as they were going to Venice.

Me: Cool!

Nico: Yep.

Nico and Elaine hugged.

Nico: I've missed you.

Elaine Enflux: Same here.

Me: Cool.

My phone rang.

Me: Oh excuse me.

I answered my phone.

Me: Hello?

Pickle Barrel: CASSIDY HAS GONE INTO LABOR!

Me: (GASP) OH MAN! We'll be right over Pickle!

I hung up.

Nico: Oh man! Is it time!?

Me: YEP! LETS GO GUYS!

Tara Duncan: Me and my friends will come with too. We want to help you out today.

Me: Sure Tara. Lets go!

We hightailed it back to the estate!

We got Cassidy loaded into Ratchet and hightailed it to the hospital.

Tara Duncan: Boy that was fast!

Girl Jordan: I know!

Nico: Twilight, next time you, Nick, Cheese, and Nanette should come.

Twilight Sparkle: Great idea!

Nico: Yeah!

We got Cassidy to the hospital and got her into the Delivery Room and I went in with her.

May: How did it go?

Nico: Really awesome.

They told everyone about it and it was cool.

May: Wow! That was awesome.

Tara Duncan: It sure was.

May: We're honored to have you and your friends help us Tara.

Tara Duncan: Thanks May.

Elyon Brown: And it's awesome to see you again Tara. You too Cal and Sparrow.

Tara Duncan: Same here Elyon.

Stella: Didn't think it was gonna be right away!

Eli: Me neither!

Tara Duncan: I know.

Girl Jordan: But we're excited for her.

Eli and Nico were playing chess.

Nico: Hmm.

Nico moved a pawn and Eli moved a queen.

Varie: Cassidy will be alright.

Cassidy: (SCREAMS) J.D. THIS IS ALL YOUR FAULT! IF YOU GET ME PREGNANT AGAIN I WILL RIP OUT YOUR INTESTINES AND USE THEM AS A HOSE TO POUR BEER DOWN NICO'S THROAT AND THEN RIP OUT YOUR HEART AND SHOVE THAT SO FAR DOWN YOUR THROAT THAT IT WILL BE PUMPING BLOOD IN YOUR STOMACH! THEN I WILL RIP OUT YOUR BRAIN AND SHOVE THAT SO FAR UP NICO'S BUTT AND LET YOU THINK INSIDE HIS STOMACH!

THEY GASPED!

Nico: (GULPS)

Poromon: Yay, beer!

May: That was brutal!

Tara Duncan: Is it always this brutal when one of you gets pregnant?

Girl Jordan: Unfortunately yes it is.

Nico: Yeah.

Girl Jordan: But this one was extra brutal!

Qin: It sure was.

Elyon Brown: I know.

Nerissa: Yeah that was awful.

Tara Duncan: Boy no kidding. Nerissa I'm so glad you are a better person now.

Nerissa: I am too. Before I was a monster hellbent on destroying the world. Now J.D. saved me from myself.

Tara Duncan: That's good.

Cal: It sure was.

Ryo: You know Cal, I couldn't help but notice that you and I sound very much alike in voice.

Cal: We sure do!

Ed: What about me?!

Ryo: And yours too Ed.

Kero: Same with me too.

Rhinox: But your Keroberos form sounds just like mine though.

Kero: You're right on that.

Rhinox: Yep. At least it those threats won't happen for real. When situations like this happen I would rather just enjoy nature and smell the flowers.

Soarin: Don't forget me too.

Nico: Lots of us sound the same huh.

Qin: Yeah no kidding.

Apeface: Assuming you don't step on them

Rhinox: Don't worry I'm careful.

Nico: Hey the screaming stopped.

Then out came me and Cassidy and we had 5 baby girls with us.

Nico: Oh Cassidy, J.D. they are so adorable.

Cassidy: (Weakly) Yeah these are our new girls.

Nico: What are their names?

Cassidy: These three with me are Talia, Hillary, and Natalia, and the ones with J.D. are Diana and Rhea

Hay Lin: They are named T.H.N.D.R.

Nico: I like that.

Cassidy: Tara it's awesome to see you and Cal and Sparrow again.

Tara Duncan: Same here Cassidy. And your new girls are so adorable.

Cassidy: They sure are.

Broadside: They're so cute!

?: They sure are.

We saw the embodiment of Ride Boarski.

Rhonda Boarski: Rhonda Boarski, Embodiment of Ride Boarski.

Donkey Kong: Awesome to see you again Rhonda!

Thing: Yeah same here!

Rhonda Boarski: You too D.K. And Ben. Been a while.

Broadside: How did you meet Thing and Donkey Kong?

Rhonda Boarski: I met Donkey Kong when he and the DK Crew were battling ll and helped them bash his face in and I used Watermelons and bashed his face in.

Me: WHOA! Nice.

Rhonda Boarski: Yep. And I met Thing when he and the Fantastic 4 battled Dr. Doom and I slashed his face.

Me: So you left your mark on him. Nice.

Rhonda Boarski: Yep.

Me: Cool. Would you like to join us?

Rhonda Boarski: I would be honored.

Hagger (to Tara Duncan): You girls sure you still want to help us today? Because judging from the Anothers earlier, I think this one might be intense.

Tara Duncan: We can handle it.

Cassidy: Yeah!

Me: Okay.

I gave Cassidy a Senzu Bean and she was better.

We went back home and Trixie, Pickle & Barley Barrel and clones of Naruto and Hinata went and took care of the kids.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Nico: That was a very colorful threat Cassidy made.

Me: Tell me about it.

Qin: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than our old enemy, Cletus Kasady A.K.A. Carnage, he's come back from the dead and he's back causing havoc once more. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is something that's really going to piss us all off: I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than our old enemy, Cletus Kasady A.K.A. Carnage, he's come back from the dead and he's back causing havoc once more.

WE GASPED IN HORROR, AND AS SUCH, WE WERE PISSED OFF!

May: ARE YOU FUCKING KIDDING ME?!

Girl Jordan: (SAVAGE WOLF GROWL) THAT GODDAMN SON OF A BITCH!

Ace Bunny: So, Cletus Kasady has returned, eh? Tech, it's time.

Tech E Coyote typed on the computer, and we saw an awesome suit materialize.

Nico: Whoa! What's that?

Me: WOW! That is cool!

Tech E Coyote: This is my brand new Carnage Slayer suit, a powerful battle suit that I'd been developing ever since that nightmare with Ultimate Carnage, and I drew on the inspiration of the Symbiote Slayers that helped us with that ugly monster. The suit's equipped with two wrist-mounted flamethrowers and shoulder-mounted sound amplifiers that are more powerful than Luna's amps when she cranks the volume up to 11.

Luna: (Nervous Laugh) Sorry.

Me: That suit's awesome!

Nico: It sure is!

Lexi Bunny: This was something Girl Jordan discussed with us, and it's why Ace became the inside man for her and the rest of Lincoln's harem last year.

Lincoln: Wait, what?

Ace Bunny: There's a reason why. Lincoln, do you remember seven years ago when you first met Adrianne Acmetropolis?

Lincoln: (Remembers the memory) Yes, I do.

Me: Who was she?

Lexi Bunny took out the picture and it showed a girl with brown hair, blue eyes, black clothes, black angel wings, and a darkness greatsword on her back.

Nico: Wow, so that's...?

Ace Bunny: You guessed it, Adrianne Acmetropolis, Avatar of The Loonatics and Defender of Acmetropolis, she's Lincoln's Guardian Angel from Acmetropolis and she's a very powerful angel with incredible powers and powers over darkness and the stars along with black angel wings. Plus, she's also our adopted sister, because when she was five, her parents were murdered by a bloodthirsty serial killer on the scale of Cletus Kasady A.K.A. Carnage, and they swore to protect her and they trained her in everything they knew. Adrianne, along with us came to Royal Woods, and we met Lincoln, and we knew of Adrianne's feelings for him especially after we found out she was one of his Guardian Angels, and we also helped training Lincoln in everything we knew and we also swore to keep it a secret from Lori, Lynn, Lola, Lisa, and Luan because of how dangerous and nasty tempered they were, but before we went back to Acmetropolis, Lincoln made Adrianne a darkness greatsword, and to show her thanks, she kissed Lincoln on the lips with us as the witnesses, and as a result, Lincoln promised that when he comes of age, he'll marry her along with the rest of his harem.

Lexi Bunny: (Snickers) She's also kept Lori, Lynn, Lola, Lisa, and Luan, along with Chandler, Killjoy Huggins, and the rest of Lincoln's enemies in check, and I laughed my butt off when I saw the thrashings she gave them.

Me: Nice.

Tech E Coyote: But tragedy struck, during a mission against some of our enemies, Adrianne got stabbed in the chest by the very same bloodthirsty serial killer who murdered her parents when she was five, and we found out who it was that did the dirty deed.

Tech E Coyote got out another picture and it showed a girl with black and blood red hair, blood red eyes, black and red clothes, and black devil wings.

Me: Who the heck is that?!

Tech E Coyote: Her name is Carly Kasady, the descendant of Cletus Kasady A.K.A. Carnage, and we swore that if we ever catch that bloodthirsty murderous psycho bitch serial killer, we would make her pay with her life!

Everyone: WHAT THE ACTUAL FUCK?! SHE'S THE DESCENDANT OF THAT FUCKED-UP PSYCHOPATH?!

WE GROWLED LIKE SAVAGE WOLVES!

Me: WHOA MAN! I didn't know Cletus had descendants too!

Nico: Me neither!

Lincoln: So, that's who murdered Adrianne seven years ago?! I'm going to kill her! Not today, but tomorrow! How dare she do this to my Guardian Angel and future wife!

Selene Arcangela: That bloodthirsty bitch! She's gonna pay for this!

Rev Runner: Like he said, it'll be for tomorrow.

Girl Jordan got into the suit.

Girl Jordan: Fits perfectly.

Me: Looks awesome on you Girl Jordan.

Nico: And your man's got something planned for that bitch, Carly Kasady.

Lincoln: Trust me, what I'm gonna do to Cletus will get her really pissed off at us.

Nico: Sadistic, Lincoln, I like it. Alright, team let's go, this is the last and final time we ever have to deal with Cletus Kasady A.K.A. Carnage!

Lincoln: This is the last time we ever have to deal with you, Cletus Kasady, and for what you did ruining my future wife's life years ago, you deserve no mercy from any of us!

Nico: Yeah!

The previous group came.

Myotismon: Can me, Tala, Arbormon, Cheshire, Eris, Scorpion, Stonedozer, Whirlin, Iceage, and Magma go with you guys?

Nico: Yes you all can come with us.

Myotismon: Awesome!

Camie: Cool.

Girl Jordan: Carnage is back and now it's time for us to kill him once and for all!

Tara Duncan: We're ready!

Dive Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: Deramon next.

Me: Ooh that was a pretty one.

Camie: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was the next of the dark nightmares that haunted Caleb Maxwell and brought to life by Morana Desdemona and her minions: Demon Blood

Influenced Jack Howard, and he's coming after us. When we saw it, we knew it meant trouble.

Lincoln: So, you're finally on the move.

Travis Tackett: Lincoln, that figure we saw, that wasn't...?

Lincoln: I'm afraid so, Travis: the figure that we saw was Jack Howard's Demon Blood Influenced self, the next of the dark nightmares of Caleb Maxwell brought to life by Morana Desdemona, and he's coming after us.

Jack Howard: And I know how he's linked to Caleb's nightmares: one night, as we were going after one of The Big Claw Gang's members, and I ordered him to drop his weapons, but he fired a blast of darkness at me, and we got into a fight, and I shot him in the right shoulder, but he survived it and removed the bullet, and then, he unleashed pure Hell on me as he fired darkness blasts and bullets at me, and when he ordered me to attack him more, he had an unhinged insane look in his eyes, it was like looking into the eyes of The Devil himself.

Me: Jeez.

Nico: Oh boy.

Caleb Maxwell: I know, I should've approached this in a better manner, but with my insane anger towards The Syndicate and me acting like a monster, that didn't go well.

Nico: Ooh, I can bet. Alright, team, let's go, this is the last and final time we ever have to deal with Cletus Kasady A.K.A Carnage.

Lincoln: This time, he dies here and now, and he's never ever coming back, and once we get done with that psychopath, we're confronting the next of Caleb's nightmares.

Jack Howard: The demons that haunted me since that night are coming to an end here and now.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to New York to finally deal with Cletus Kasady A.K.A. Carnage and we're going to finally give that monster The Black Abyss, and once we get done with that psychopath, Jack Howard is going to face his Demon Blood Influenced self: the demons from the night he encountered Caleb Maxwell.

We were off to New York City.

We arrived.

Me: Always fun being in New York.

Nico: Yep.

Tala: We should call Cargill.

Me: Good idea.

Cargill came.

Cargill: I'm here guys.

Me: Perfect timing Russ.

Doubledealer: I hope you have something like a sonic blade for this.

Tech: Oh it does Doubledealer.

Me: Awesome.

Camie: Nice.

Cheshire: Wait. Aren't those the Spider Slayers that helped us?

Tech: I rebuilt them shortly after Dark Chandler was dealt with

Me: Cool!

Qin: That is awesome!

Cheshire: Wow! You guys have been busy.

Ultimate Spidey: And they won't target me again?

Icepick: They better not!

Tech: Don't worry. I made sure that doesn't happen again.

Ultimate Spiderman: Good.

Tech: (to Lola) I even rebuilt the one you called Princess.

Stonedozer: I remember that one.

Lola: Cool!

Nico: That's awesome.

Me: Yep.

Lincoln then had a SHOCKING PREMONITION!

Lincoln: OH MAN! YOU GOT TO BE FUCKING KIDDING!

Me: What is it Lincoln?

Lincoln: I had a premonition. It's not good! We're fighting a 2nd Akuma of Girl Jordan. Her name is Lady Eviscerate. The 2nd Hypothetical Akuma of Girl Jordan and she looks VERY MUCH like Carnage and she acts just as screwed up and insane as the Real thing. She has all of Carnage's powers as well as all the powers over blood. And in a very CRUEL Twist of irony she was made when Cletus Kasady A.K.A. Carnage destroyed her life and she became the VERY MONSTER she swore to destroy and vowed to KILL ALL VERSIONS OF CARNAGE INCLUDING THOSE IN THE M.O.E.! AND SHE WILL NOT STOP UNTIL SHE KILLS ALL OF THEM!

WE GASPED IN SHOCK AND HORROR!

He showed a sketch and we saw that she looked like a female version of Carnage with blood dripping demon wings!

Spring Man: Well, shit.

Girl Jordan: I can't believe I world turn into the VERY THING I vowed to kill!

Me: Like what happened with Ricky Beamer!

Nico: Oh man!

Iceage: It's like the old saying goes. You either die a hero. Or live long enough to become a villain.

Me: I hate that saying.

Nico: Me too. But it's true.

Qin: But we have too much honor to become villains like that.

Jungle Fury Camille: Where is she right now?

PEOPLE SCREAMING CAME RUNNING BY!

Eli: Over in Central Park!

We flew over there and we heard someone laughing like a fucked up lunatic. We saw LADY EVISCERATE!

We landed.

Me: OH! MY! GOD!

Magma: Girl Jordan, is that you?!

Lady Eviscerate: (INSANE FUCKED UP LAUGHTER) AND I WILL KILL EVERYTHING AND EVERYONE! (LAUGHING INSANELY)

Me: YOU ARE COMPLETELY FUCKING INSANE!

Girl Jordan: I WOULD NEVER BECAME LIKE THIS!

Jesse Glenn: It appears this version of Girl Jordan has fully embraced her new role.

Plitheon: Yeah. All too well if you ask me.

Me: Yep. Regardless lets blast her!

I fired waves of sonic energy and blasted her down as she screamed in pain.

Whirlin: Don't forget fire as well!

Maria Phoenix: Leave that to me!

She fired a blast of fire and blasted Lady Eviscerate and blasted her all over.

Me: That all you got bitch!?

Lady Eviscerate: Now it's my turn!

She formed her arms into axes and I unsheathed my sword and clashed with her and fired waves of fire and blasted her.

Cargill charged at her

He blasted her all over with his gun.

Cargill blasted her all over.

I fired a massive blast of ice and froze her solid in ice!

Girl Jordan: Nice one!

Me: Vypra is gonna have a handful with her.

Me: Boy that had to be the most Fucked Up Akuma ever!

Eli: No kidding!

Spinister: Girl Jordan + Symbiote = Bad combination!

Me: Big time.

Qin: Yeah.

Camie: Especially if that Symbiote is that of Carnage.

Xenia: Yep.

Eli: Now to find Kasady. He's up ahead at 420 yards.

Me: Lets go find him then.

Girl Jordan: Good! I can't wait to kill that son of a bitch.

Luxord: (sees something) We might not need to look any further.

Carnage dropped in front of us and roared.

Lynn: Carnage!

Nico: Wait. Something's off.

Just then, several other Carnages appeared.

Nico: (realizes something) Wait. That's the Ultimate Carnage. Kasady must've found him and cloned him!

Girl Jordan: This monster is REALLY MAKING ME MORE ANGRY THAN I ALREADY AM!

She fired waves of energy and obliterated the clones in an instant!

Scorpion: Never did like Kasady!

Me: Me neither!

Qin: YEAH!

Xenia: He was a monster and always will be!

Nico: Lets go get him now!

We went to face him and we saw the REAL CARNAGE!

Me: There he is!

Girl Jordan: ENTRANCE TIME!

Nico: Aww I was gonna say that!

We went at him.

Carnage laughed like a fucked up lunatic and then the spirits of Spiderman came and swirled around him and then converged and then..

KRABBBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMMM!

A massive fiery explosion went off above him and then a Phoenix Cry was heard and then we came out.

Me: Cletus Kasady, A.K.A. Carnage!

Xenia: You will pay for your crimes!

Carnage: You don't have any idea who you are dealing with! I was hollowed out inside... empty... just like my other. We were both sick... because we were incomplete... but not anymore. We healed each other... Made each other whole. Neither one of us can survive without the other. Forget host. Forget symbiote. There is only Carnage. Did you know that my mother went through electroshock treatments when she was pregnant with me? This was before they would sedate you for that kind of thing... and then, you know... I died minutes after I was born... went to Hell... came back... that whole thing... I've had therapists try to tell me that these "early traumas" led me to being... the way I am. I've heard it all, you know... I'm this way because of abuse, because of video games, or sex and violence on TV, because of guns and knives and the wickedness of this mean old world. But what none of them get... is those things didn't make me what I am. I am made... of them. I am abuse. I am sex and violence. I am the guns and knives and the wickedness of this mean FUCKING world... you know my name. Now scream it. I am the ultimate insanity! I am CARNAGE!

Me: Just as fucked up as ever!

Carnage: And if it isn't even more of my fellow Symbiotes!

Lasher: Don't associate yourself with us, Carnage!

Phage: You lost that right to be with us long ago!

Agony: And you are nothing more than a filthy parasitic monster!

Venom: That's right!

Girl Jordan: YOU TOOK EVERYTHING AWAY FROM ME CARNAGE! YOU MADE MY LIFE HELL!
